

Dear Pastor,

Hello my name is Daniel Adams. I am writing this letter to introduce you to Worldwide Revival Ministries.

First of all, I would like to thank you for taking time to read this letter. I have had the privilege of attending RHEMA Bible Training Center from 2005-2007. While I attended RHEMA, I was an associate leader over an evangelism outreach of over 50 people for several years. We saw thousands make a decision for Christ. I've also served as an associate pastor and taught in the Oasis School of Ministry at the Oasis Church in Venice, FL. I've traveled to many churches over the years holding revival meetings, church evangelism training sessions, soul-winning outreaches, and evangelistic crusades.

We have a heart for the local pastor and the local church. Our vision is to see your vision come to pass! We're a ministry that has a desire to team up with the local church and to help in any way that we can to enhance, strengthen, and grow the congregation. We're passionate about seeing the growth of the local church in quality and in quantity.

I minister with a unique blend of revelation, excitement, humor and a contagious hunger that makes the Word of God life changing for all ages. Worldwide Revival Ministries is dedicated to spreading the fire of God and seeing lives changed!

God has used us in the areas of revival, miracles & healings, teaching on identity and walking in the anointing, church growth of all ages/stages, and an overall hunger and longing for more of God's presence. I trust that our ministry will be a blessing to you and will provide lasting and evident fruit in your church.

As a ministry we pay for our own airfare, hotel, food and all other expenses. We do ask that a love offering be taken each time we minister. What date would be good for us to come visit? Please visit our website and fill out the invite us form.

Our website is www.worldwiderevival.org.

You're welcome to contact me on my personal cell phone (941) 387-4810.

Be blessed in all you do for the kingdom of God.

I look forward to talking to you soon!

In Christ,
Daniel Adams
