(This book is translated from French).

Many Christians who are really consecrated to the Lord JESUS-CHRIST are longing after the world's revival and this is justified because GOD who never lies made a promise to ABRAHAM in GENESIS 12:3.

"I will bless anyone who blesses you, but I would put a curse on anyone who put a curse on earth will be blessed because of you".

Did Abraham receive the world as heritage? Yes, it is written in Romans 4:13-17.

One of Satan's trick consist of turning down in the millennium all the promises of GOD on the subject of the last Exodus which is arriving but this does not constitute the greatest bridle or curb to the worldwide revival which is announcing itself.

The greatest bridle reside in the fact that many Christians really don't know where to start their own personal revival and that of nations given or entrusted as heritage by the LORD. These beloved that the LORD awaits in his Army has in permanence a preoccupation which is that of knowing the propulsive or driving power which will lead to this revival.

The propulsive or driving power of revival is however precisely indicated in the Bible and it is certainly religious agitation that hinders many to perceive it and to action it. This propulsive power of revival is the humble return to the TRUTH. In fact, no TRUTH, no revival. This is what 2 Corinthians 13: 8 says

" All we can do is to follow the TRUTH and not fight against it".

We have received only one mission from GOD: live in the TRUTH and preach the TRUTH to the nations world-wide. There is a spiritual law from GOD that says we can only give to others what we possess.

"But Peter said: I don't have any silver or gold. But I will give you what I do have. In the name of JESUS-CHRIST of Nazareth get up and start walking". (Acts 3:6).

There is another spiritual law from GOD which establishes that in order for GOD to give us the necessary power to world's upheaval there is one condition; we ought to be in the TRUTH. It is what we just read in 2 Corinthians 13:8. The absence of the world wide revival has only one cause, which is lack of TRUTH in the midst of the Church which supposedly is to be the light of the world. How is it that the Church, which has TRUTH as ultimate or final mission, has isolated itself from the TRUTH, losing as such all its spiritual authority?

This tragic distraction from the TRUTH date from the Roman Empire and we shall examine it in details thereafter in order to understand the origin of lie and to separate

ourselves from it. It is our separation from worldwide lie dating from the time of the Roman Empire, which marks the starting of the world wide revival

When you want to let know something particularly important to your child, you insist continuously, repeating the same thing time and again because it is beneficial to him. It is what GOD does with us. He constantly insists in the Bible that local Assemblies are in houses and are autonomous and being governed by elders and deacons or simply matured Christians.

Let us have a few biblical references on this subject .

“Greetings from the Churches in Asia, Aquila and Priscillia, together with the Church that meets in their house, send greetings in the name of the Lord’ 1Corinthians 16: 19)

“Give my greetings to the followers at Laodicea, especially to Nympha and the Church that meets in their home ” (Colossians 4:15)

“From Paul who is in jail for serving CHRIST JESUS, and from Timothy, who is like a brother because of our faith. Philemon, you work with us and are very dear to us.

This letter is to you and to the Church that meets in your home .It is also to our dear friend Apphia and to Archippus, who serves the Lord as we do.

“Paul, a prisoner for CHRIST JESUS, and Timothy our brother, to Philemon our beloved fellow worker and Apphia our sister and Archippus our fellow soldier, and the Church in our house:

Grace to you and peace from GOD our Father and Lord JESUS-CHRIST. (Philemon 1: 1-3)

Confronting the Word of GOD, the Roman empire convinced us to abandon the model of autonomous house assemblies in order to organise ourselves in gigantic pyramids at the head of which reigns a spirits coming from the Roman empire.

Meanwhile the Bible abundantly explains that gifted-Ministers Apostles, Prophets, Pastors, Evangelists, Doctors are itinerants; the Roman Empire has convinced us to make them heads or leaders of local assemblies and stick them at the governing of religious pyramid. The national “pastors” each having under his orders six regional “pastors”. The regional “pastors” each having under his orders six district “pastors”. At his small level, the district “pastors” reigns over six local Churches. As for the “pastor” of the local Church who is under the district “pastor “, he is stuck at the head of the local Church since ten years. As for him, missionary movements and travels ordered by the HOLY SPIRIT as written in the Bible are just a simple matter of literature and culture. It not an order of GOD worth following. He waits for his letter of posting to be sign by the “ national pastor ”.

This religious pyramid which does not exist at all in the Bible and which has been giving to us by the last world Satanic empire that is the Roman empire has widely taken us away from the truth.

Today the baptism that we practice in our religious pyramids is not what is described in the Bible.

Today, the Sunday service that we practice in our gigantic religious pyramids is a mixture or combination of Pagan practises, which has got nothing to do with what is written in the Bible.

Today, the LORD's supper or Holy Communion which we take once a month in our gigantic religious pyramids is quite different from the Lord's Supper written in the Bible. Today, what we teach and do concerning tithes and offerings in our religious pyramids has nothing to do with the Bible.

Today, we lie when we invent rules and regulations on the facts that GOD's Servants most not exercise any secular job. This diabolic law is not found anywhere in the Bible.

Permanent lie on the topic of baptism,

Permanent lie on the topic of Sunday service,

Permanent lie on the topic of the LORD's Supper

Permanent lie on the topic that GOD's servant never have a secular job,

Constant lie on the topic of relationship between the Christian and the secular authorities,

Constant lie on the subject of tithes and offerings.

We have to expose all those lies under the light of the word of GOD because this is absolutely necessary for the world wide revival. But where to start? Which lie to tackle at first among all those lies? As I was answering myself this question, the LORD put into my heart to start with the Sunday service because in many countries, Christians are going back to our humble model of autonomous home Churches but, as they are doing so, many are asking themselves our to really conduct the Sunday service according to the Bible. They have been fed up with lies in religious pyramids and now, they face a crucial problem: how to conduct a Sunday service according to the Bible ?.

Since this question is of an utmost importance, let us come to the foundation of the service .

Before I start, I think it is necessary for me to personally testify on the way by which the scales fell from my eyes five years ago. In fact, like Saul of Tarse, fervent persecutor of the TRUTH, I was a fanatic supporter of religious pyramid and trustworthiness to one's denomination. What more normal for someone who started his secular career in the organisation area ?

One day, while travelling to one African country close to Cameroon where I usually go, I visited a beloved Brother. On entering his house I had the surprise to notice that no matter the smiling face and the warm hand shake at the entrance, my beloved received me

coldly in his house. His wife and children were equally on their guard and their welcoming attitudes were covered with sadness rather than joy.

I wanted to ask questions in order to know what was wrong but having no peace to do so, I decided to go into daily formalities. “How are the children doing? Are they hard working in school? ...Etc”

Again to my greatest surprise my eyes rested on a panoply of musical instrument, hymns books and Bibles displaced at a corner in the sitting room. We were Friday and at the end of the diner I left them naively telling my brother in CHRIST “ see you in Church on Sunday ”.

It wasn't long before I came to understand. On Sunday, I went to the temple of the religious pyramid where my beloved had introduce me years before during my first visit in his country. Satan was awaiting me. A minister of darkness disguised as a Minister of justice, went up to the pulpit, wave a document and bundle of papers and said to a crowd of about six hundred people:

“this is the book written by Antoine to declare that GOD has established him to judge the pastors of our country. This Antoine has found a sect in his house and is putting Christians astray. More to that he is writing letters to pastors of this Assembly asking them to leave the Church. These are the letters”.

While this man was talking, I was thinking all over the past events, the time which I spent praying and sharing together the Word of GOD with Antoine. At the end of an internal battle, I decided for the first time in my Christian life to behave like the Christians of Berea that is to verify what is said on the pulpit. This decision to know the Truth triggered the fall of scales from my eyes. At the end of the meeting, when the last prayer was said, I was pushing pass people in the crowd who were leaving the Church and I was heading to the Minister of lie who was finishing packing in his bag the supposed book and letters written by brother Antoine.

“pastor, I am a Christian and will like to see the book and letters written by Brother Antoine”.

The manipulator pretended he was in haste but I insisted on a quick look at it. The liar struggled to fix a rendezvous, but I insisted on a high pitch of tone why saying that as a Christian I had the right to assure myself that it was the TRUTH, as the Christians of Berea who verified till Apostle Paul's teachings. I equally added that I knew Antoine's writing and signature. As few Christians were approaching to know the reason for my high pitch of tone, quickly a group of so called deacons encircled me, as such isolating me from the crowd and were given me fake explanations about Brother Antoine's bad behaviour while the minister of darkness was running away on pretext that he had an urgent meeting.

That day, I opted for the Truth and the scales fell immediately from my eyes. The book was non-existent and Antoine had never written a letter to whom so ever. The minister of darkness and his satanic clergy multiplied lies in order to stick Christians to their religious pyramid and to stop them from founding at home a house Assembly as Antoine did.

This testimony finished, let us go back to our target. How to conduct a service meeting? What is its content of such a meeting? Who conducts this service meeting in the local Assembly? It is what we are going to share together. But there is still a preliminary . In fact, we ought to understand that when we, Church, we run away from the Truth, the entire world suffers because Satan takes back spiritual control over the world when we abandon the TRUTH.

So, let us insist first on our responsibility in world's spiritual and natural tread before returning to the foundation of the real meeting of service to the Lord.

THE REASON OF THE PRESENT STATE OF THE WORLD.

It is surprising that when tackling such a spiritual question as the type of Sunday service that we render to our GOD, we start by occupying our selves with the world's state and tread. In fact this step is imposed by the fact that GOD holds us entirely as being responsible for world's state and tread and to know if the owners of this world are faithful to the Truth; which constitute the only heritage that our LORD GOD charged us to transmit to the world, we ought to examine the results that is the state of the world.

Before continuing, let's put an emphasis on the responsibility of Christians in world's state and tread. It is almost an innovation because we have inculcate irresponsibility to Christians on pretext that they are not of the world.

In fact the Word of GOD says that spiritually, real Christians, those who are born again, have heavenly nationality and not earthly. They are thus strangers in the world. It is as such clear that we have heavenly nationality and not earthly nationality, but GOD adds five important points:

Firstly GOD says that we are his Ambassadors in the world.

“So we are ambassadors for CHRIST, GOD making his appeal through us. We beseech you on behalf of CHRIST, be reconciled to GOD”. (2 Corinthians 5: 20)

Secondly GOD says we are the light of the world, the salt of the earth.

“you are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored ? It is no longer good for anything except to be thrown out and trodden under foot by men. You are the light of the world. A city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a lamp-stand, and it gives light to all in the house”. (Matthew 5: 13-15)

Thirdly, GOD says that when there are problems in a country or nation, there is only one possible solution. If the people of GOD humbles themselves pray, seek the face of GOD then He will solution the problems of that country or nation in question.

“If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from Heaven, and will forgive their sin and heal their land” (2 Chronicles 7:14)

Fourthly, GOD recalls it to Christians born again and to pagans that He GOD is the Creator and owner of the world.

“In the beginning GOD created the Heavens and the earth”. (Genesis 1: 1)

“The earth is the Lord’s and the fullness there of, the world and those who dwell there in” (Psalm 24: 1)

“For the earth is the Lord’s and everything in it” (1 Corinthians 10: 26)

This fourth point merits that we should stop there. Even Christians who meditate on the Word of GOD are sometimes victims of a vague belief by which the world would have been given to Satan. Meanwhile from Genesis to Revelation, GOD insists on the fact that HE created the world and that HE is the only owner of the world. The only time when one reads in the Bible that the world belongs to Satan, is when Satan himself affirms that the world belongs to him. Before GOD himself, creator and world’s owner, Satan goes to extreme bluffing by affirming that the world belongs to him.

It is found in Luke 4: 5-7 and in Matthew 4: 8-9. This is the tragic error that we have committed. Forgetting that Satan is a liar and father of lie (John 8: 44), we believed in his word when he affirmed that the world belongs to him. Meanwhile Satan never says the Truth because there exists no Truth in him. The Truth, GOD gives it to us several times to show that He is the only world’s owner. When GOD calls Satan the prince of this world, HE want to show clearly that Satan is the one who reigns on rebellious children who spiritually have but earthly nationality. But Satan does not reign over a born again CHRIST and he owns no property title over the world.

Fifthly, GOD says we born again Christians are his heirs and adds that all things belong to us.

“In Him, according to the purpose of him who accomplishes all things according to the counsel of his will”. (Ephesians 1: 11)

“So let no one boast of men. For all things are yours, whether Paul or Apollos or Cephas or the world or life or death or the present or the future, all are yours; and you are CHRIST’s, and CHRIST is GOD’s”. (1 Corinthians 3 : 21-23).

To whom does the visible world belong? The word of GOD establishes without possible controversy that the present things that are the natural world belong to born again Christians. Spiritual things equally belong to us but this is no problem since generally we know that heavenly things that is spiritual belong to us. On the other hand, by a general distraction, we have ignore that the word of GOD equally affirm that the natural world belong to us and we have totally developed or adopted an irresponsible attitude toward the problems that destroys the world that belong to us. The worst is that we think we are

particularly spiritual while ignoring the natural things. Meanwhile the word of GOD establishes us clearly as owners of present things that is the natural world. Everything belongs to the born again Christian and in this “everything”, there are heavenly things that is the things to come, as well as the present things which are the earthly things.

When GOD says in 1 John 5: 19 that the whole world lodge under the power of the wicket, HE takes time to precise in verse 18 that we, we are of GOD and that the wicket can not touch those who are of GOD. In short, GOD is telling us that the enemy reigns on those who are not the children of GOD, at the exception of real Christians who are surely the true owners of present things and things to come.

This is our biblical position toward the world. We do not have spiritually saying, the nationality of the world. We do not have spiritual nationality of the world, we are citizens of heaven, but at the same time, we are ambassadors of the owner of the world and heirs of this very owner. Consequently, we are strangers owning the world as property and in respect it belongs to us in accordance with the word of GOD, to decide on how the world functions.

By a general distraction, we have considered the owner’s nationality as the principle founding his ownership and therefore, we have ignore our right and our duty toward the natural world. Meanwhile it is only an authentic property title which establishes the ownership of the owner. Nationality does not intervene and it does not determine whether I am or not the owner of a thing.

Let’s take few examples in the secular world. It is the same way our Lord JESUS-CHRIST does; HE takes secular examples to help us know the Spiritual TRUTH. Reason why HE used parables like the parable of the Sewer, the mustard seed, hidden treasures in the field, the drag-net, the two house builders, the two debtors, and especially the lamp and its stand.

John who is an American buys a house in Douala in Cameroon. Is he the owner of his house in Douala? Yes because he has in his pocket a title deed to proof that he is the owner.

Is John, a stranger in Cameroon? Yes he is a stranger because he has an American nationality rather than a Cameroonian nationality.

Nevertheless though a stranger in Cameroon he is the owner of his house, his nationality does not matter; only his title deed that he has counts.

If the house is dirty, it is John’s fault because his Cameroonian neighbours has no power over his house. If John neglects his house found in Douala on pretext that he is a foreigner in Cameroon, everybody will eventually conclude that he is a fool.

N’GOM who is a Senegalese buys a coffee plantation in Cameroon. He is a stranger in Cameroon, but the owner of this coffee plantation in Cameroon. He decides on how the coffee plantation functions even though he is not by origin a Cameroonian.

If he neglects it, there will be bush everywhere in the plantation and his Cameroonian neighbour can’t do anything about it because, it is N’GOM the Senegalese who is owner. As such it is not nationality that matters in the ownership of this coffee plantation, it is rather the title deed that gives the right over this coffee plantation.

It is the same thing in the spiritual realm. We, born again Christians are the only world’s owners even though we are strangers in the world. Where is our ownership title?

Our title deed is written in the Bible in the verses that we have shared above (Psalm 24: 1, 1 Corinthians 3: 21-23, 1 Corinthians 10: 26 and Ephesians 1: 11).

Our ownership title over the world is the greatest of all titles, because it is written in the word of GOD; which is the only authentic and unquestionable word. The word of GOD is superior to all title deeds in the world.

We are as such strangers, who are owners of a world in which they are strangers. And like all mature owners, we are responsible of that which we possess.

What of our father in faith, Abraham? This is what is written in Genesis 12: 1
“Now the Lord said to Abraham, go from your country and your kindred and your father’s house to the land that I will show you”.

Is Abraham native of Canaan? No, Abraham is a complete stranger in Canaan. He is native of the Chaldeans. He has the nationality of Ur of the Chaldeans and he is an Aramaic. Nevertheless Abraham is the owner of Canaan although he has not the nationality of Canaan. How does Abraham a stranger in Canaan become its owner? It is on a declaration of GOD that Abraham a stranger in Canaan suddenly becomes the owner of Canaan. This declaration of GOD is enough to establish a title deed for Abraham over the totality of the country of Canaan, even though Abraham does not have the nationality of Canaan.

This is the declaration of GOD that establishes Abraham the stranger, owner of the country which he has no nationality.

“Arise walk through the length and breadth of the land, for I will give it to you”.
(Genesis 13: 17).

There is still a last distraction to wipe away before coming to the state of the world. We hide constantly our irresponsibility behind the affirmation by which the kingdom of the Lord JESUS-CHRIST is not of this world. In fact GOD tells us that HE is not native of this world, HE does not have his origin from this world, His origin is Himself but HE wants to reign over the world because HE is the Creator of the world.

Let's look at the word of GOD putting together John 8: 23 and Psalm 50: 12

"He said to them, you are from below, I am from above; you are of this world, I am not of this world". (John 8: 23).

"If I were hungry, I would not tell you, for the world and all that is in it is wine". (Psalm 50: 12).

With the greatest lack of understanding of the word of GOD, we create irresponsible Christians who are not conscious of their positions as owners, decision-makers, and light of a world in which they are strangers.

Since visible things came from the invisible, GOD leaves us in the world so that we can reign spiritually over Satan so the TRUTH will dominate in the world. (Thy will be done on earth as it is in heaven).

Now that our title as world's owner and our responsibility toward the world's state and tread are established by the word of GOD, which is the only authentic and unquestionable title, let's go back to the examination of the state of the world. It is as if we are paying a visit to the coffee plantation of N'GOM the Senegalese to evaluate his degree of responsibility, that is the way he is taking care of his plantation. No doubt that if the plantation is thick with bush, N'GOM can't justify himself by saying he is a Senegalese because he has the land title of this plantation, which is found in Cameroon. Thus it is his responsibility to take care of the farm.

Our farm is the world, and our title deed is in the Bible. Of course the Bible warns us that there ought to be at the same time wheat and tares in our farm which is the world. But it is the wheat, the light of the world, the salt of the earth that has to dominate in the midst of our farm; in such a way that when having a look at our farm which is the world, GOD can say:

"My reign which is in heaven and which has its origin in Me alone is being established on earth where my stranger children reigns. My children who are my body are establishing the TRUTH on earth".

In N'GOM, the Senegalese's coffee farm; which is found in Cameroon, there are not only coffee plants.

There is nowhere in the world a coffee farm in which only coffee plants are found. There are grasses or better still herbs around coffee trees. As such if you ask N'GOM the question to know which kind of farm he has, he will surely tell you that he owns a coffee farm and he is right to say that. In fact N'GOM is telling us that the farm has unnecessary herbs, but his coffee plants does dominate in such a way that it is normal for N'GOM to globally admit that he owns a coffee farm. If the weed becomes many in such a way as to cover completely the coffee plants, absorbing all the mineral substances in the ground and prevent the coffee plants from growing and bearing fruits, N'GOM will be ashamed to say he is the owner of a coffee farm. In fact it wouldn't be a coffee farm anymore but simple a swamp containing a few wild coffees plants.

How does GOD look at a farm? He looks at a farm as being owned by his heirs that are the head or the light, the salt. The plan of GOD is not that of Christians besieged everywhere by Satan like the rebel Sedecias locked in Jerusalem by Nebuchadnezzar.

We ought to know that there is no mixture of wheat and tares in the body of CHRIST-JESUS because his body ought not to be mistaken with the world

What is the state of the world in which we are strangers and owners?

Let's take some selected passages and illustrate. 11 September 2001, terrorists of AL-QAEDA bring down the twin tower of World Trade Centre in the United State of America. The hatred of the terrorists manifestly attain the proper luciferian level and at the (bottom) shadow of darkness, voices arise to congratulate such a cruel plan or bad act.

April 2004, the international newspaper publishes atrocities properly brutish perpetrated by the American army on irakian war prisoners. The ghost of My Lay massacres in Vietnam are back to hunt America.

At the same time, confrontations and death are multiplying in the strip of Gaza meanwhile in Uganda a so called "pastor" is controlling a so called "resistant movement of the Lord", which movement plants death and permanent devastation in the North of the country.

Nigeria has not finished with inter religious confrontation and the shadow of chaos is hanged over the country.

War between the whites and the blacks in Zimbabwe and Mozambique because of land property.

In the name of fight against criminality and drogue traffic, groups of policemen are multiplying executions in Brazilian shantytowns. To whom do one go complaining when one's parents are assassinated openly by policemen?

Many African population are wailing and perishing under the yoke of dictators which are not stopping from stocking and storing national riches in some banks in Switzerland meanwhile the dispensaries lacks syringes and roads are unpractical. Under hard struggle is Nigeria trying to recover a little portion of the currencies stored in Switzerland by the former and late dictator Sani ABACHA.

One is presently discovering the worst crimes of the former dictator Alberto FUJIMORI of in Peru:

Between the years 1995 and 2000, a mad population policy gave birth to forceful sterilization of 300,000 Indian women and of 25,000 Indian men in Peru. According to the dictator it was a mean to stop the rapid population growth of Indians who are already the majority in this country.

A new organization of evil pretending to be civilised and well pilot from the bottom of darkness by the so called “new masters of the world” (FMI, World Bank, Multinational, all allied with the mystical sects of darkness) overshadows to the most remote areas of the world, spreading everywhere their new satanic ideology of the “almighty market”.

During Taylor and Ford era, capitalist enterprise was interested in the physical presence and the physical movements of workers in the workshops and production chains. But in this twenty-first century, operates everywhere in the world a real rebellion of the neo capitalist enterprise toward the moral. Without the deputies representing the population being able to react, neo capitalist enterprises covet more and more values, beliefs, thoughts, the interiority and intimacy of workers with a major objective: the spiritual control of the citizen.

The submission of the worker to the sects of darkness is having more and more importance as compared to natural intelligence and technical know-how, in a worldwide network of darkness alliances which have as dream to empty the citizen from his interiority in order to have total control over him. Because the legislators and the political leaders has become the accomplices of this rebellious financial capital, the citizens are preparing their counter attack.

This counter attack of the citizens whose intelligence has also rebelled against GOD as the financial capital, is lashing and no one is getting the impact of the chaos that will emerge from this confrontation which is starting between the rebellious financial capital of the neo capitalist enterprises and the rebellious intellectual capital of the citizens.

Needless to insist on the fact that values, belief, and behaviours that neo capitalist enterprise is looking for and imposing world wide are expressively anti Christians and if nothing is done by the owners of the world, the antichrist who have right to reign only for 42 months will eject for many centuries all the Christianity from economic and political government every where in the world. The era of Christians hidden in cavern for centuries is at hand.

Happy with its wonderful profits, a Japanese enterprise decided to offer a gift to its staff. What is the gift? In fact the enterprise transport its men staff in a luxurious Chinese hotel where they have reserved for them a group of beautiful Chinese prostitutes.

It is necessary to have fun after work and especially a good bath with a beautiful Chinese prostitute to take care of your body. If Mister Christian, a staff of this Japanese enterprise refuse to be part of this Satanic journey, he is going to be accused by the antichrist as being a social maladjusted person, destroyer of values of the enterprise. Then, the antichrist will multiply darkness manoeuvres to marginalize Mr Christian and exclude him from the company no matter the MP’s (elected members of parliament) who represent nothing in the neo capitalist society.

In an African Country regularly placed amongst the top more corrupted countries in the world, Christians had long ago lost the possibility of living like Christians. Impossible to pass trough custom without courting. Public markets are principal core of economic

activities in this country but a gigantic local mafia has organised itself to control this sector and Mr Christian has to give shamefully the share of the bosses of this local Mafia if he has to win a public market. Many Christians thought if necessary to become taxmen but that is how a long chain of corrupted policemen seek along the day an informal tax which one ought to pay if not quit the job. Minor informal jobs has become the only place of refuge for Christians, while waiting for Satan to come and eject them from those informal jobs if they dare persevere as Christians. The era of Christians hidden in cavern for many centuries is at hand in this African country where darkness sects publicly declare their control over the state and the government. Only consolation the Christian: a handful of anti biblical tithes given on Sunday in the religious pyramids of lies where Mr Christian thinks he can flatters GOD to obtain blessings.

In fact GOD says if this man comes back to the TRUTH, he will be the head and not the tail that is he will have the spiritual power and authority to walk on Satan and brings back the reign of TRUTH in the country.

Satan has the habit of preaching that paradise does not exist on earth and Christians have fail to answer that the Bible has not mention that hell will be established on earth during the Church dispensation.

In the West, Christians in their towns are more and more under the authority of declared homosexual Mayors and elected representatives (MP's) are now voting laws to largely favour this satanic scourge .

Genetically modified organisms that frightens consumers, privatisation of states and governments by dominators of mystical darkness sects whose dream is to control the world owned by our Lord JESUS-CHRIST, homosexual political and economical leaders in many western leaders; which homosexuality participate in initiatory rituals of darkness sects, social fracture that threatens the viability of modern states, recovery of anti-Semitism, daily death of 30,000 poor children around the world, predominance of atheism and false religions whose members are as many as the stars in the sky.

That is a few abstract that illustrates the state of perdition and the distraction in which the entire world, our farm own by us born again Christians is found in.

This is what the Bible says: there are only four Satanic worldwide empires, and the last of those worldwide satanic empires which is the Roman empire has disappeared since a many centuries as a result of an appalling spiritual battle against the Church.

Between the Pentecost or and the rapture, we are in the dispensation of the Church and Satan has to wait for the end of this dispensation to reign for 42 months only. But if the Church leaves the TRUTH for lie, we won't have spiritual authority over Satan and this usurper will profit as he is doing today to reign through out the dispensation of the Church. Where does this distraction and general perdition come from?

The answer is found in the Bible. Let's open it and read this clear and precise answer.

“The eye is the lamp of the body. So if your eye is sound, your whole body will be full of light. But if your eye is not sound, your whole body will be full of darkness, how great is the darkness (Matthew 6: 22-23).

Darkness reigns everywhere and block the world’s revival because in the entire world the Church which is suppose to be the light of the world has darkness in itself instead of the TRUTH.

The Church which is suppose to be the light is instead darkness and consequently great is darkness that is invading the world.

This darkness in Church and in the world is so thick that we preach the antichrist gospel today. Coming of Internet? That is the coming of antichrist. Bar code on food ?. That is the reign of antichrist occurring. Are countries grouping themselves in regional blocks? That is the governing of antichrist preparing itself. Even computer sciences are being considered with great suspicion.

In fact, Internet, grouping of countries in regional blocks, computer sciences, bar code, are really preparing worldwide revival as promised by GOD to Abraham.

The antichrist has only 42 months of reign and it shall quickly pass away, but the Bible has never asked us to leave twenty centuries of reign to Satan after the Pentecost. Internet, computer sciences, television, satellites, grouping of countries, all these are preparing the last exodus and if the antichrist wants to profit from those innovations , he will have only 42 months meanwhile we the Church, we have the right and due to use these tools to shake and revive the world for many centuries.

The reign on earth is very important in such a way that GOD, Himself will come and give us during 1000 years, a real teaching about the reign on earth. Effectively if he asks us what have we done about the dispensation of the Church, we will bow our heads and say “Satan and his lie has dominated the world through out this Church dispensation”.

How did darkness entered the Church ?

It is what we are going to work on presently.

Firstly one has to examine the genesis of darkness in the midst of the Church before coming to the foundation of real Sunday service.

ORIGIN OF DARKNESS IN THE CHURCH.

After almost a century and a half of persecution under different Roman Emperors, persecution which become precise at the end of the 1st century, the Church benefit under Emperor Alexander SEVERE, of a relative hill. In fact, influenced by his mother, this Emperor has a spirit of religion and goes to the extent of revering Abraham’s statue and his as well as pagan divinities. SEVERE constantly favoured Christians who had been

under the fire of persecution since the end of the 1st century. Unfortunately this calm and respite time prove itself disastrous for the Church.

Worried to reinforce the official recognition of the Roman Emperor in order to be classified as official religion like the pagan religions which over populated the Roman the Christians started to build temples, public buildings to assemble or gather in.

Since the Pentecost and till the reign of the Emperor Alexander SEVERE, Christians obeyed strictly to the biblical model, that of autonomous house assemblies spread in cities and villages. Under Alexander SEVERE at the second half of the 2nd century, Christians thought that one could stop persecution by copying a little from the pagan religions of the Roman empire .

Under the strong encouragement and counsels of Emperor Alexander SEVERE, Christians started building temples to the greatest surprise of pagans whom by then had never seen neither a temple nor an altar belonging to the Church. Unable of confronting the Church by power, Satan was just gaining a point thanks to his trick.

Every where in the Roman empire, pagans were coming completely astounded round the Christian cathedrals to see this new thing. Each pagan asking his neighbour “can you tell me what is pushing Christians suddenly to build temples like we?” “This people will not stop surprising us. We have never seen them build a temple for their GOD and now they have started doing the same like we. Let alone should the Emperor Alexander SEVERE who worships our idols turn and give honours to Christians”.

“Why are you stubborn and want to do only what is written in the Bible? Why don’t you do just a bit like other religions in the Roman Empire? The fact that you group yourself in temples like others, will it disturb or stop you from being Christians?” These are the questions that the trickiest serpent asked to the Christians of the time of SEVERE and like Eve in the Garden of Eden, they listened to the snake.

Here is the first stage of the worldwide lie in which we are enveloped since more than one thousand and eight hundred years.

Nevertheless, we are not judging our predecessors because we are not pretending that we would have resisted more than they did, to the last worldwide satanic Empire. However, though their weaknesses and falls, they produced a multitude of martyrs and faithful witnesses. It simply occurs that our generation is in charge of the last exodus, which can only take place if the Truth is completely brought back to light and practised.

Born again Christians, let’s understand that the temples in which we enter on Sundays does not come from the Bible, but from the advice of darkness in short the Roman Emperor Alexander SEVERE. From eternity to eternity the Bible says “Autonomous house assemblies”. If the Lord JESUS-CHRIST entered the temple it was simply to ensure the transition between the Leviticus priesthood and the Church priesthood.

The first Assembly, born during the Pentecost was for sure diligent in the temple as shown by Acts 2: 46, but it was simply the transition between the Leviticus priesthood and the Church priesthood . Next, we shall see how the Apostles took the converts off the temple of stone to nourish them spiritually in the house assemblies. More to that, this first

Assembly born during the Pentecost went to the temple only for apostolic meetings and as far as communion meetings and Lord's supper were concerned, they returned to their houses. It is what verses 42 and 46 of Acts 2 tell us.

This is the final judgement of JESUS-CHRIST, on the stony temple:

"JESUS left the temple and was going away when his disciples came to point out to him the buildings of the temple.

But he answered them, you see all these, do you not? Truly I say to you, there will not be left here one stone upon another, that will not be thrown down" (Mathew 24: 1-2).

On the top of each temple that we build stands and reigns a spirit emerging from the Roman Empire. It is the spirit of Alexander SEVERE, the adviser from darkness.

The curse of darkness is seated on the roof of every stony temple that we build. Lucifer likes to stand on the roof of the stony temple and it is the Bible that tells us so. Let's look at Luke 4: 9

"And he took him to Jerusalem, and set him on the pinnacle of the temple, and said to him, if you are the Son of GOD, throw yourself down from here; for it is written".

Lucifer has the right to stand and reign at the roof of the stony temple. The priesthood having been changed and GOD having rejected the stony temple, the devil stands on its roof and reigns. On that roof the devil even tries GOD. But Satan has no right over the roof of your house.

As for the Apostles that the New Testament talks about, they go to the temple only to win souls that they bring carefully back to the home Churches in order to make them real born again Christians.

Let note that, as the Church continued spreading out of Jerusalem, Apostles moved away from temples and the sporadic incursions of Apostle Paul in the midst of the stony temples brought a lot of denigration, opposition, and persecution. It is because the stony temple has already suffered rejection and curse from GOD who by his HOLY SPIRIT shows the new place for worship and of communion : the house in which the Christian lives. Why does the Lord behave like this? It is because the Christian pushed by the HOLY SPIRIT, is from now on like a wind which blows in one direction and in the other, and it is the model of autonomous house assemblies which is acceptable to the wind of the HOLY SPIRIT as we shall see in the continuation.

Parallel to this first false breaking abrupt change which is the reassembling in temples, a different subtle shift is taking place in the Church; the establishment of a Bishop (or Elder) over each city of the Roman Empire.

One can say that many of these bishops like bishop Etienne of Rome or bishop Cyprian of Carthage are faithful witnesses of the Lord JESUS-CHRIST, but it doesn't stop the fact that the Church while imitating pagan religion in vogue in the Roman Empire gradually leaves the biblical foundation to engage on the customs of the world. It is the second stage of worldwide lie. A bishop ruling all the Christians of a city and of all villages depending on that city. *What does the Bible says in Titus 1: 5 ?*

“This is why I left you in Crete, that you might amend what was defective, and appoint elders in every town as I directed you”.

Here the Bible clearly shows that there are many bishops in each town of Crete. In each of those cities, there are certainly many house assemblies, each having one or more elders.

After packing the Christians in stony temples and cathedrals, the devil moved to the second stage of his worldwide lie that is a leading bishop per town in accordance with the model of pagan religion which by that time spread all over the Roman Empire.

It is important to note that Act 20: 28 indicates to us the Person who establishes bishops in local assemblies: the HOLY SPIRIT. It is important as to better understand the third stage of the worldwide lie that we are going to examine in the continuation.

The first two stages of his worldwide lie accomplished, Satan went to the third and last phase. It is from the outcome of this third and last phase that we are since one thousand eight hundred years locked-up in the worldwide lie.

The last great persecution against the Church under the Roman Empire happened under Emperor DIOCLETIEN, at the instigation of GALERE who was DIOCLETIEN's son in law and also DIOCLETIEN's assistant for the eastern part of the Roman Empire.

This last great persecution started on February 24 of the year 303 by an edict against Christians. This edict suspended worship, ordered the Holy Scriptures should be handed to the Emperor's officers to be burnt and to doom to torture any Christian who refused or denied to sacrifice to idols. After that, four edicts more severe ordered that any Christian who refused to sacrifice to idols should be put to death. After eight years of persecution GOD stroke GALERE of worms that ate him up till he died, while begging on Christians to pray for him. Nevertheless, his successor MAXIMIN continued the persecution with more harshness and cruelty but war, famine, plague and drought knocked down the eastern part of the Roman Empire where MAXIMIN was Caesar and being afraid, MAXIMIN ordered that the persecution should stop.

Satan once more understood that the use trick and seductive methods are better than direct spiritual confrontation with the Church and therefore, he went to the third and last phase of his worldwide lie. Unfortunately the Church fell in this third trap and since eighteen centuries now, we are prisoners of the third and last seductive trick of Lucifer.

In the year 312, the general CONSTANTIN who became Emperor after a coup, pretended that he had become a Christian. EUSEBE, a Christian historian of the Church and contemporary of CONSTANTIN says that at the eve of his battle against his predecessor MAXENCE, CONSTANTIN saw in the sky a luminous cross and from heaven a voice said to him “by this sign you shall win”. Going back into his tent after this vision, CONSTANTIN claims that in the night he had a dream in which somebody was standing next to him with a cross and was saying to him: “make an image of that cross and place it on your flags. It will give you victory”. After his victory over MAXENCE, CONSTANTIN made a statue representing himself with a cross and declared himself a Christian. The Church, forgetting that any anti biblical vision is a lie accepted the General

in its midst. It was the arrival of the beast coming up from the sea and of the beast coming up from the earth in the midst of the Church.

Let's first precise that CONSTANTIN as a General well trained in the strategic art and as a good politician acted on simply calculation. He had already analysed the end of all the Emperors who had persecuted Christianity and intellectually concluded that, it was better to pretend to be ally of an enemy whom one could not defeat by power.

Living as a complete pagan while pretending to be a Christian, CONSTANTIN entered the Church and destroyed it from inside. CONSTANTIN inaugurated his reign with crowning glory by making his late father CONSTANCE a god to be worshiped. No counting other crimes he committed, he boiled his wife in her bath. More to that he took the title of Supreme Pontiff that is he accepted to be the leader of all pagan religions which were all over the Roman Empire. He justified it by saying that it was not good to shock Roman citizens who belonged to the pagan religions. Overwhelming the bishops heading the church in each city, CONSTANTIN also built many temples all over the Roman empire, gave high posts in the administration to many Christians, locked up pagan temples except Roma, conferred to the bishops great honours in such an extend that they found it normal to dominate on the herd as pagan leaders does. No doubt by gratitude, the bishops of towns placed CONSTATIN at their head, as the leader of all the Church. At this stage the third phase of Satan worldwide lie was achieved: the religious pyramid offered by Lucifer.

At the head of the pyramid the Emperor CONSTANTIN and under him, any bishop heading the Church in the town. Under each bishop heading the Church in the town, Christians gathered in temples. CONSTATIN had then achieved the work of Satan and the religious pyramid that has locked us up for over eighteen centuries was born.

Today national pastor commands regional pastors. Regional pastor commands district pastors. District pastor governs the local pastors and pastors of the local Assembly govern Christians. This is the work of CONSTANTIN. Born again Christian, GOD testifies today to you that the religious pyramid does not come from the Bible, it is from Emperor CONSTANTIN.

CONSTANTIN was the one governing the Church while still a pagan and a Supreme Pontiff, that is the leader of all pagan religions in vogue in the Roman empire. It is for sure that this Emperor, a faithful servant of Lucifer knew how to fascinate and bewitch the Church. Many Christians do not understand how Satan proceeds to bewitch. Meanwhile you just need to observe the movement of a snake to understand the mechanism of bewitchment. Does a snake move on straight path ? No, it undulates directing itself to the left, then to the right and to the left again and so on. This simply implies that in order to bewitch the Church, Lucifer lies and latter on says a bit of truth and goes back to lies telling and so on. At the end a Christian who is not harden in experienced in the area of discernment will not understand that it is in fact Lucifer in action. Just a simple example. Nowadays you see a strange advertisement in news papers. A man or woman smoking deliciously some cigarettes and just written near him or her "tobacco seriously damages health". This is Lucifer in action. Inviting you to smoke and at the same time, telling you that smoking is dangerous for your health. This is how

Satan bewitches people so that their mind is confused and unable to know what is the truth.

That is what CONSTANTIN did. He put all his strength to defend Christians in the Roman empire, multiplied his profession of faith in public in such a way that crowds claimed to join the Church because of him, he forbade the celebration of pagan parties, made for the different Churches 50 copies of the Bible in Greek, a very important gift in a period where printing machines were non-existent. At the same time he was the head of all pagan religions that is Supreme Pontiff, maintained worship for late Roman Emperors that he made gods, multiplied murder even to his son and in – low family.

This is how the professional witch who achieved the third stage of Lucifer's worldwide lie proceeded and put in place the religious pyramid which is the mother of all the lies of which we have been suffering up to now.

The Church, instead of standing firm against the professional seducer general CONSTANTIN or inviting him to a real conversion to JESUS-CHRIST, the Bishops of towns made CONSTANTIN the head of the Church and since then the spirit of CONSTANTIN, which is enthroned at the head of the religious pyramid governs all our religious pyramids.

When ARIUS, priest of the Church of Alexandria denied the divinity of JESUS-CHRIST, it is to CONSTANTIN that all the bishops turned to seek referring. CONSTANTIN was the one who summoned the general council (. i.e. general Assembly of Elders) of Nicée in order to correct the mistakes that had taken place in the Church as a result of ARIUS false doctrine. The Emperor seated on a throne of gold, personally presided over the debate between the bishops for two months and when ARIUS false doctrine was finally rejected, CONSTANTIN, wanting to help GOD thanks to the secular power of the state, decided to send ARIUS and his supporters on exile. Thus and additional trick by the devil: using natural and shaky powers of the republic to pretend as being in support of the arch of GOD.

Did the Bible predict the emergence of CONSTANTIN? Yes, our Bible that predicts the worldwide revival has equally predicted the coming of CONSTANTIN and the invention of the religious pyramid by Lucifer.

Let's open our Bible to Revelation chapter 13.

Before examining this word of GOD let's precise that prophetically saying the Word of GOD is multipurpose, which means that the very biblical verse talks of the past and at the same time of the present and the future. For example when we read Isaiah 14: 12, it is talking about the fall of Babylon, an existing empire during the time when Isaiah the Prophet was writing, and also this same biblical verse reveals to us an event in the far past : the downfall of Lucifer.

In Matthew 28: 19-20 it is written: *“Go therefore and make disciples of all nations, baptizing them in the name of the Father, and of the Son and of the HOLY SPIRIT,*

teaching them to observe all that I have commanded you, and do, I am with you always, to the close of the age”.

At the moment which the Lord JESUS-CHRIST gives this command, HE is addressing the disciples who are physically near Him, but at the same time, his command is for all Christians of all generations.

It is the principle of multi-purposes in the word of GOD of which each verse is being concerned with the past, the present and the future.

As such, we should go back to revelation 13 to understand how the word of GOD predicted the coming of CONSTANTIN and the spreading of religious pyramids in the world in order to mislead the whole world in lie.

It is written in Revelation 13:1

“And I saw a beast rising out of the sea, with ten horns and seven heads, with ten diadems upon its horns and a blasphemous name upon its heads”.

Verse 2 “ And the beast that I saw was like a leopard, its feet were like a bear’s and it’s mouth was like a lion’s mouth and to it the dragon gave his power and his throne and great authority”.

Verse 3 “One of his heads seemed to have a mortal wound but its mortal wound was healed, and the whole earth followed the beast with wonder”.

Verse 4 “ Men worshipped the dragon, for he had given his authority to the beast, and the worshipped the beast saying, “who is like the beast, and who can fight against it?”

Verse 5 “ And the beast was given a mouth uttering haughty and blasphemous words, and t was allowed to exercise authority for forty-two months”.

Verse 6 “It opened its mouth to utter blasphemies against GOD, blaspheming his name and his dwelling, that is, those who dwell in heaven”.

Verse 7 “Also it was allowed to make roar on the swirls and to conquer them., and authority was given it over every tribe and people and tongue and nation”.

Verse 8 “ And all who dwell on earth will worship it, every one whose name has not been written before the foundation of the world in the book of life of the lamb that was slain”.

Verse 9 “If any one has an earn let him hear”.

Verse 10 “If any one is to be taken captive, to captivity he goes, if any one slays with the sword, with the sword must he be slain. There is a call for the endurance and faith of the saints”.

Verse 11 “Then I saw another beast which rose out of the earth, it had two horns like a lam and it spoke like a dragon”.

Verse 12 “it exercises all the authority o the first beast in its presence, and makes the earth and its inhabitants worship the first beast, whose mortal wound was healed”.

Verse 13 “It works great signs, even making fire come down from heaven to earth in the sight of men”.

Verse 14 “ And by the signs which it is swallowed to work in the presence of beast, it deceives those who dwell on earth, bidding them make an image for the beast which was wounded by the sword and yet lived”.

Verse 15 “And it was allowed to give breath to the image of the beast so that the image of the beast should even speak and to cause those who would not worship the image of the beast to be slain”.

Verse 16 “Also it causes all, both small and great, both rich and poor, both free and slave to be marked on the right hand or the forehead”.

Verse 17 “So that no one can buy or sell unless he has the mark, that is, the name of the beast or the number of its name”.

Verse 18 “This calls for wisdom: Let him who has understanding reckoned the number of the beast, for it is a human number, its number is six hundred and sixty-six”.

Verse 1 tells us about the sea which means the pagan nations in the world. Out of the midst of pagan nations in the secular world emerges a beast, that is an antichrist kingdom which dominates the entire world. This beast of seven heads and ten horns is the Roman Empire. Generally Christians easily understand that this beast that comes out of the sea is nothing else but the Roman empire resurrecting as a confederation of the ten powerful nations; the horn being a symbol of power.

The modern European Union started with 10 nations and is spreading progressively its influence over the European continent with the aim of controlling in the long run, the whole planet. The number 7, is that of perfection and it signifies that this new Roman empire which is resurrecting as we can see, will pretend to have an perfect organisation and government.

But what Christians do not usually understand is that this verse does not only talk of the new Roman Empire to come, but equally of the old Roman empire in time past. In fact this beast that came out of the sea equally represent in Daniel 2: 33 the two legs and feet of the statue that GOD showed in a dream to Nebucadnezzar. The statue has two legs because the ancient Roman Empire was divided into two that is the Western Empire and Eastern Empire. It will be the same for the future Roman Empire because no matter the efforts of the expansion of European Union, there is a clear demarcation line between Eastern Europe and Western Europe. Permanent candidate, Turkey has always been

firmly rejected from the European Union meanwhile Russia is far from it; because as the Bible tells us, iron and clay will not stand together. Good news for the Christians, these legs and feet are a mixture of iron and clay. Since iron and clay can never strongly stand together, GOD tells us that as soon as we just hit the legs with the word of GOD, all the gigantic statue which spiritually is the worldwide lying system will scatter and fall apart.

Let's insist on this point because we have as mission to destroy with the word of GOD the legs of the gigantic statue until all its buildings come down, and until the domination of worldwide lie and darkness comes to an end. This sudden downfall of the worldwide lie is the last exodus of which we are in charge.

Daniel 2 : 34-35 reveals to us that a stone comes out without it being sustained with a hand and destroy completely in pieces the gigantic statue.

Christians generally understand that it is the millennium reign of the Lord JESUS-CHRIST, which will suddenly do away with the world's government of Satan and it is true. But the same biblical verse equally tells us of the dispensation of the Church that is ours; GOD sees us as we go along destroying every where in the world with his word, the foundation of lie until all the nations of the world are blessed through Abraham the believer.

The Bible tells us that visible things comes out of the invisible ones and verse 2 that we have just read informs us on the origin of the spiritual power that governs the ancient Roman empire as well as the new Roman empire; This power comes from the dragon; Lucifer.

The ancient or the new Roman empire has seven heads. This means that from the point of view of organisation, government and order, the ancient Roman empire as well as the new in preparation are pretending to be perfect; seven is the number of perfection. But as for the seven heads, there is one that commands the others; it is the spiritual power of Lucifer; this power of darkness is the base that sustains the other six heads of the ancient or the new Roman Empire; of which is the beast that comes out of the sea.

The verse 3 gives us a very important information: one of the heads of the Roman empire look as if stroke to death but unfortunately, the wound gets cured and the whole world in sight of this healing, turns to worship this beast that comes out of the sea.

The head, stroke as if to death, is the spiritual power of Lucifer that sustain the ancient Roman empire and which in the end terms of an appalling spiritual battle against the Church, become partially ruined. In fact, the Roman Empire was characterised by long term and tough persecutions against Christians. During centuries many Roman Emperors had as target the end of Christianity. In reply to that Christians gave themselves to prayers and fasting against domination, authorities, world princes of darkness and wicked spirits at the command or head of the Roman Empire. At the end the Church was victorious but unfortunately it was not a complete victory.

At the moment when the spiritual power of the dragon had to completely disappear from the Roman Empire .i.e. when the principal head of the beast had to definitely die, Lucifer

used a trick through which his spiritual power survived in the Roman empire and since that time, all over the world. That is why verse 3 tells us that the head, which was considered as being wounded to death, suddenly got its healing.

Verses 4 to 10 tells us that since the healing of Lucifer spiritual head of the Roman empire, the spiritual head which the Christians were ready to ruin completely, the entire world is under the leadership of the beast coming from the sea which detains its power from Satan. We strove for many centuries with the Sword, but we haven't finished with the principal head. At the moment we had to finish, we abandoned the Truth to enter an amazing alliance with lie. That is how, we, born again Christians and owners of the world lost the opportunity to seize once and for all the control over the world from Lucifer. Meanwhile the war was almost over since the spiritual head of the Roman Empire was already stroke as if to death, we needed just to stand firm in the Truth, after going through all this hard struggle.

What happened that the head of the Roman Empire which was stroke by us as if to death, suddenly healed, leading the whole world to worship Satan?

Verses 11 to 16 that we just read give the answer.

At the moment which Lucifer's power that sustained and governed the ancient Roman Empire was about to be ruined, Satan realized that he was to lose the leadership of the world if he continued a direct attack on the Church. Thus the wicket changed his method completely. Reason for the entry into the scene of Emperor CONSTANTIN, professional seducer, who, claiming to be a Christian, completed the work started by Emperor Alexander SEVERE and locked up all the Church in the religious pyramid which is nothing else but the image of the government of Lucifer.

Earthly and diabolic man, CONSTANTIN is the beast coming up from the earth to accomplish Lucifer's work: religious pyramid which is nothing else but the image of Satan government. Since CONSTANTIN, we are being locked up in this religious pyramid and for this reason, as long as time goes by, we abandon the TRUTH.

False baptism, lie as far as tithes and offerings are concerned, expulsion of children from Sunday service, going away from the true worship, internal fights to climb the ladder of high post in the pyramid, confusion in the type of meeting, gifted ministers (Apostles, Prophets, Pastors, Doctors, Evangelists) who governs the local assemblies in the stead of deacons and elders, abandoning the real Lord's Supper, lie about the fact that GOD's servants should never have a secular job, and to end it all, disguised ecumenism.

Once when I was out of Cameroon in the capital of one African Country, I saw thousands of people singing and walking for JESUS-CHRIST. In short, that is what was written on their T-shirts, "we are marching for JESUS". When I wanted to inquire out exactly if these multitude of people singing and walking hand in hand were all born again Christians, I was told to stop division because love unites people. These multitudes of people were holding each other's hand and were forming six long lines.

I understood immediately that the spirit of CONSTANTIN, the beast coming up from the earth, was animating the religious pyramids to turn the whole city, in worshipping the beast coming up from the sea. In fact, the Bible clearly states that one shouldn't lay or impose quickly one's hand. Meanwhile born again Christians who were in the crowd held the hand of the strangers and were walking and singing in the Name of JESUS-CHRIST.

Completely bewitch by the animation of the religious pyramids, my Beloved had forgotten that if I pray, sing or walk in the Name of the Lord JESUS-CHRIST, while holding your hand, I am clearly laying my hands on you, and you, laying yours on me. As such I have to be quite sure that you are a born again Christian and have an idea concerning your private walk with GOD before holding your hands to walk while singing or praying in the Name of the lord JESUS-CHRIST.

The spirit of CONSTATIN that governs all our gigantic religious pyramids today work in permanently to create a continuous animation of the religious pyramids so that no one will have time to concentrate and border about the TRUTH.

District convention, regional convention, national convention, ecumenical repetition of choirs, youth ministry , bachelor's ministry, marriage celebration, ecumenical parade across the town which replaces spiritual battle, total rebellion against the Word of GOD which is being replaced by human precepts, letters of transfer and nomination of so called pastors as heads of the temples, multiplication of gigantic temples in nations around the world, constant fight to have the trophy of the greatest temple in the world, frequent competition to be appointed as official representative of the "church" toward the secular authorities; these are a few examples of the way by which CONSTATIN spirit, the beast that comes up from the earth permanently animates religious pyramids to bring the entire world to worship the dragon.

And if by the grace of GOD, you comes out from this religious pyramid, the beast that comes up from the earth throws false mortal accusations against you in order to kill you spiritually. It is what verse 15 that we have just read says. Christians most often forgets that the tongue is an instrument of war. It is with their Satanic tongue that the so called "temple's pastors", ministers of the beast that comes up from the earth pours out all sorts of false accusations on you when GOD's hand brings you out of this religious pyramid to concentrate on the true Word of GOD.

Luckily that we condemn all tongues that rises judgment against us.

Verse 16 that we just read teaches us a very curious thing. The beast that comes up from the earth put a mark on the right hand or the forehead.

Eventually it is not a physical mark but a spiritual mark. Lets take a day-to-day life example to better understand. When you give birth to a child, you give him a name, and this name is the mark, which he will carry through out his life on earth. When you are looking for the TRUTH, the beast that comes up from the earth is in a haste to give you a gigantic pyramid's name. "Assembly of born again", "Movement for those atone by GOD", "True Church of Roma", "Saint Paul's Church", "True protestant Church", "Full gospel mission", "Apostolic reawakening" ... etc ...

Go around the world, where ever you might be, say to whoso ever you meet: "I am a Christian".

The answer shall always be the same: "of which church?". The beast that comes up from the earth has convinced the entire world that, it is not possible to be a Christian if you haven't receive on your right hand or on your forehead the name of one of the religious pyramids.

Lie and rebellion against the word of GOD which says that the autonomous local Assembly of born again Christians humbly takes place in the house under the guidance of Deacons and Elders or simply matured Christians. No cross, no particular sign, no name,

no Assembly pastor, no district pastor, no regional pastor, no national pastor, no world pastor.

Are there miracles in the midst of religious pyramid? Absolutely. There are many and the Word of GOD tells us that in verse 14. But it is the respect of the Word of GOD, which is the compass of a Christian. It is not miracles and wonders that constitutes the guide.

In verse 18 the final verse, the Word of GOD reveals to us the number of the beast which is 666. Three times did Satan use his earthly, carnal and diabolic pyramid to lock up the entire world in lie; reason why the number six, which means carnal and earthly is repeated three times.

In the beginning , GOD poured his HOLY SPIRIT over the Apostles and it was the birth of the Church at the Pentecost. First reaction; Satan using Alexander SEVERE and CONSTANTIN built a worldwide pyramidal church that forbade believers to read the Bible.

“The Bible is too complicated”, said the evil one to the believers who were pleased with few comments and summary . This pyramid is Babylon the great, mother of all the prostitutes of the world. It corresponds to the first number 6.

Thus GOD used Martin LUTHER who Vigorously fought GOD’s war to bring back the TRUTH. Satan responded by building a second religious pyramid worldwide that distributed Bibles to Christians while telling them that it is simply a story to study on theological plans. “Don’t pay any much attention to all those stories about the HOLY SPIRIT” said the evil one to Christians. The Word of GOD is in the hands of Christians, but it is to them a dead letter because they have no idea about the baptism of the HOLY SPIRIT and of the gifts of the HOLY SPIRIT. This second worldwide religious pyramid is Ohola the first prostituted daughter of Babylon the great. This second pyramid is the second number 6.

GOD still used faithful believers who returned to the Bible and discovered the necessity of the baptism of the HOLY SPIRIT. But Satan answered by building the third and last worldwide religious pyramid which while preaching the baptism of the HOLY SPIRIT and shouting Hallelujah, multiplies temples and lies about tithes and offerings, lies on the subject of baptism, on worship and on Lord’s Supper. This third and last worldwide religious pyramid is Oholiba the second prostituted daughter of Babylon the great. Oholiba is more dangerous than her mother and her elder sister because she is an expert in the art of half-truths and lies mixing. She is the worst of all these three harlots. This third pyramid which talks about the HOLY SPIRIT while refusing Christians to have autonomous house assemblies according to the Bible, is the perfidious Oholiba who corresponds to the third number 6

As such the three six, which constitute the number of the beast 666. If you want to make sure that those three harlots are of the same family, just look at their organization and you will find out that in this family the three harlots have the same satanic pyramid. It is their common mark in their spiritual genes.

Glory is given unto GOD, because there wouldn’t be a fourth number 6. Now that all those of the last revival army are standing up Satan has no response.

There wouldn’t be a fourth number 6. We are therefore sure to strike without limit with the Word of GOD till the rapture, without Satan, being able to answer. Maranatha!.

Now that we have come to know the origin of darkness in the Church and that we ought to completely separate ourselves from the temples of SEVERE and from the three great religious pyramids of CONSTANTIN to return to our humble biblical model of autonomous house assemblies, lets get into the return of true real worship service (usually called Sunday service) as the Bible tells us to accomplish it in our house assemblies.

What is the definition of the worship service (usually called Sunday service) ? How does it take place? Who conducts it? When does it hold? Who participate? That is what we are going to share together.

Due to the fact that the three prostitutes which are Babylon the great, Ohola and Oholiba has brought total confusion in the world, we are going to start by examining the four categories of meetings that takes place in the local Assembly. Service is one of the four types of meetings but since the three prostitutes has mixed everything, we are going to examine each of these four meetings in order to distinguish each type and stop confusion.

THE FOUR TYPES OF MEETINGS HELD IN THE CHURCH OF THE NEW TESTAMENT.

The New Testament reveals to us four categories of meetings established by GOD in the midst of the Church:

The apostolic meeting, the meeting of support and communion, the meeting of GOD's wars and the meeting of service (usually called Sunday service). These are the four categories of meetings that take place in the New Testament. In order, to understand how to return to the TRUTH, lets start with the apostolic meet

THE APOSTOLIC MEETING

One talks of apostolic meeting when an gifted Minister (Minister gifted to the Church by the HOLY SPIRIT) i.e. Apostle, Prophet, Pastor, Evangelist, or Doctor, communicates verbally during this meeting, messages and spiritual gifts to a group of persons. Theses messages and spiritual gifts should be in accordance with the Bible.

Such a meeting has as aim or goal the conversion of sinners and the spiritual growth of Christians.

To better clarify this, we are going to approach a few questions and give answers, then finally complete with biblical references.

FIRST QUESTION: WHO CONDUCTS THE APOSTOLIC MEETING?

We said in the definition above that it is a gifted-minister. i.e. Apostle or prophet or pastor or Doctor, or Evangelist who conducts an Apostolic meeting. The gifted - Minister transmit to the crowd the message, spiritual gift that he has receive from GOD in accordance with the Bible. In fact apostolic meeting is the principal way by which gifted ministers (Ministers given as gifts by GOD to the whole Church) renders ministry to the entire world. No gifted-minister is attaché to a particular local Church. He has to circulate or go around in the region of the world given to him as heritage by GOD, and communicate the message and Spiritual gifts that transforms the people.

Today, with the radio, television and Internet and other multi media technologies a gifted-Minister can talk to a whole nation without physically leaving his home. GOD will always give him the messages particularly adapted to his area or region of the world, which he has as heritage. Apostolic meeting is not an exchange because the message and spiritual gifts circulate on the same direction. i.e. from the gifted-Minister to the crowd who is listening. While the gifted-Minister talks the crowd listens, receives, examine in the light of the Bible and assimilate in order to become converts from the bottom of their hearts or to grow spiritually.

WHY IS COMMUNICATION VERBAL? Because faith comes from what we hear, what we hear that comes from the word of GOD. Certain Elders who have specially received from GOD the gift of Doctor equally animate apostolic meetings in their local Assembly. They are not called to go around the regions of the world like the five categories of gifted-Ministers.

We as such understands here that Apostles, Prophets, Pastors, Doctors, Evangelists Ministers have nothing to do with the leadership of the local Assembly. The part given to them by GOD is apostolic meetings. Eventually, the gifted-Minister can temporarily lead a new house Assembly he has just founded as a result of an apostolic meeting but when a mature Christian emerges , he has to entrust him with the leadership of the house Assembly. If a gifted-Minister. i.e. Apostle, Prophet, Pastor, Doctor, Evangelist, assist or attend a meeting of worship service in a house Assembly he is under the authority of Brethren or Elders and Deacons established by the HOLY SPIRIT and who governs the house Assembly.

That is our biblical model and if it is GOD that we really want to serve then lets build according to this model, which he showed us on the mountain.

SECOND QUESTION: WHERE DOES THE APOSTOLIC MEETING HOLDS ?

Apostolic meeting holds in a house Assembly or an open public place. For example, in a football field, a meeting hall, on a field to discover. One can say that with technological revolution, apostolic meeting holds in every home. You open your radio in your house and listen to a gifted-Minister who is transmitting messages and revelations received from GOD; you are already in an apostolic meeting. Millions of others like you around the world listening to the same gifted-Minister are also attending the same apostolic meeting like you, but each person is comfortably seated in his house.

THIRD QUESTION: WHO ATTENDS THE APOSTOLIC MEETING ?

The crowd that attends an apostolic meeting is a combination of everybody. Pagans, as well as true disciple of JESUS-CHRIST. Vampires, followers of sects (of darkness), corrupted civil servants, a prostitute who sells her charms in the night, corrupted administrator who embezzle petroleum revenues, born again Christians, every body without exception attends the apostolic meeting.

During an apostolic meeting which takes place for example in open air or in a football field or a meeting hall, all house Assemblies that are in town or village can regroup with pagans to listen to the gifted-Minister. This coming together is temporary and last only for the time when the apostolic meeting is taking place. In short with the new technologies of communication, temporary gathering is becoming less important because everyone can listen to the gifted-minister, from his house.

FOURTH QUESTION: WHEN DO WE HAVE APOSTOLIC MEETING ?

The answer belongs to the HOLY SPIRIT. It is through the guidance of the HOLY SPIRIT that the gifted-Minister initiates and conducts apostolic meetings.

It happened that for two years, Apostle Paul held everyday an apostolic meeting in a biblical school founded by a Christian philosopher called Tyrannus. This is written in Acts 19:9-10.

But a gifted-Minister, can spend months even years without holding an apostolic meeting. It is according to the way that the HOLY SPIRIT guides him. During moments of silence, GOD repairs the damages caused by Satan, restores spiritually and naturally the gifted-Minister, rebuilds him and gives him new spiritual messages before placing him back to the trend of apostolic meetings. It is unnecessary to precise that during this silence and restoring moment, the gifted-Minister is simply a member of a house Assembly led by Elders and Deacons or simply a mature Christian. In a exceptional way, a gifted - Minister can lead a local Assembly that he just founded as a result of his apostolic meetings but it last only for a while, while waiting for one or more matured Christians to emerge and take the direction of house Assembly.

An apostolic meeting can also take place in the initiative of a house Assembly. In a house Assembly, we realize for example that we do not understand some portions of the Word of GOD. In addition to that, we do not know how to lead the house Assembly according to the Bible. As such we pray and the HOLY SPIRIT reveals to us a Doctor Minister and a Pastor Minister that we invite for a while in our house Assembly. In a certain time, each of these gifted-Ministers holds in the midst of our house Assembly a series of apostolic meetings, to help us grow spiritually. Each of this gifted-Minister leaves our house Assembly immediately he has finished his mission to go elsewhere, where GOD calls him. Gifted-Ministers are meant to walk according to the will of the HOLY SPIRIT.

BIBLICAL EXAMPLES OF APOSTOLIC MEETINGS

The entire ministry of the Lord JESUS on earth during his first coming is an Apostolic Ministry.

Everywhere, the Lord talks and transmits what he received from GOD the Father. i.e. the messages and spiritual gifts and the crowd gathered followed and listened to him. As such the three books of Matthew, Mark and Luke are full of examples of apostolic meetings. One just needs to open his Bible and shall have numerous examples like Matthew 23, Matthew 13, Matthew 11, Mark 6:1-6.

Even when the Pharisees, herodians, and sadducees try to ask a few questions, the Lord JESUS took total control of Spiritual authority, imposing Silence on them and Communicate or transmit to them what he has receive from the Father. It is an apostolic meeting and not a debate. It is neither a meeting for worship.

The Lord JESUS holds his apostolic meetings in open air, in the house Levi, near a well, in a boat, at the foot of a mountain, in the house of a Pharisees.

The New Testament Church starts with an apostolic meeting in accordance with the example given to us by our Lord JESUS-CHRIST during his first coming on earth.

Lets examine Acts 2: 1-47.

It is in a private house that the Church was born. Tongues of fire came onto the Apostles and was the beginning of the Church. Then, Peter and the eleven presented themselves to the crowd, talked, transmitted messages and spiritual gifts and almost three thousand people became converts. That is a typical example of an apostolic meeting which taking place in open air.

But it is not a meeting for worship.

The speech that Peter made to the pagans in the house of Cornelius is an apostolic meeting (Acts 10:34-48)

In Acts 20:6-12, we see Apostle Paul talking from evening to morning. It is an apostolic meeting that takes place in the room of a house. But it has nothing to do with a meeting for worship service.

We have just discover what an apostolic meeting is all about. We have understood its importance for the perfection of Saints, and the Salvation of sinners. But if Christians are only fed with apostolic meetings, we shall obtain a different result from GOD's objective or goal. If Christians are only fed with apostolic meetings, they will become passive, irresponsible, and will have the tendency to think that GOD does not count on them for the salvation of pagans and for the growth of newly born again Christian. They will be fond of listening and not acting for GOD. This is what happens in religious pyramids where almost everything is an imitation of apostolic meeting. There is a special choir that sings on Sundays while Christian listens. There is a Pastor of the cathedral who does the preaching on Sundays while the Christians do the listening. At the end we have a Christian unable to take initiative, unable to become a founder of new Churches; who sits on a bench for seven years and it is exactly what CONSTANTIN'S spirit which governs the pyramid was out for. Meanwhile GOD calls on all Christians to become founders of new house Churches. In the pyramid, the spirit of Alexander SEVERE reigns on the top of the roof of the stony temple while that of CONSTANTIN governs the summit of religious pyramids.

The Christian is permanently taken in hostage and at the end, he can not found a house Assembly nor explain the fundamental Christian doctrines to a young convert or a pagan.

Is apostolic meeting biblical? Yes, of course, but there is a time for everything. More to the apostolic meeting, GOD has planned three other categories of meetings in the Church of the New Testament.

Lets now talk about the meeting of support and Communion.

THE MEETING OF SUPPORT AND COMMUNION

We talk of meeting of support and communion; a meeting during which a group of at least two born again Christians share together their natural and spiritual gifts. It is important to notice that two or three are enough because were two or three real Christians are gathered in the Name of the Lord JESUS-CHRIST, GOD is in their midst.

The aim of the meeting of communion has already been given in the definition. It has as goal to led the Christians share amongst themselves their spiritual and natural gifts.

To better understand this issue of the meeting of communion and support, we will approach some few questions and find answers to them.

Later on we will justify them with some biblical examples.

FIRST QUESTION: WHAT IS THE CONTAIN OF A MEETING OF COMMUNION AND SUPPORT?

It starts by individual confession of sins. This confession is important to make sure that GOD approves of the meeting. This confession of sins is individual and done silently. But if the HOLY SPIRIT insist that one should confess publicly a particular sin before the brethren, one as to talk, stands or kneels as a sign of humbleness before GOD and confesses this particular sin before the brethren. This confession of sin is a sacrifice for the sin. We are going to have in details in the meeting of worship, what this sacrifice of sin consists of. For the moment let simply note that the meeting of communion and support starts with the sacrifice of sin .i.e. to say individual and silent confession of sins of each member of the meeting. Some sins will be publicly confessed if the HOLY SPIRIT ask me to. We are going to examine the sacrifice of guilt and the sacrifice of sin when we talk of worship or service meeting.

After the confession of sins, the meeting of communion and support can carry out one or more of the following activities and in accordance with the order of the HOLY SPIRIT.

- Intercession prayer for members who are in need of it,
- Sharing of revelations received in the Word of GOD by a member,
- Sharing of songs inspired to members by the HOLY SPIRIT ,
- Exercise of tongues and interpretation of the tongues,
- Sharing of acts and miracles operated by GOD,
- Sharing of joys and pains,
- Census of those in need and collection of offerings for them,
- Sharing of dreams, visions and their interpretations to the light of the Bible,

- Sharing of questions. If one is asking himself questions on certain parts of the Bible, which he does not understand very well, one has to share this during the meeting of communion and of support. A brother might already have an explanation to give on this topic. If nobody can answer, we note it in the register of Assembly needs and pray thereafter for GOD to provide for us and for a moment, a gifted-minister who will be able to help.
- Solving misunderstandings and conflicts in accordance with Matthew 18:15-17.

Finally, the meeting of communion and support ends with the commemoration of the death of JESUS-CHRIST, i.e. through the feast of his victory at Golgotha, which is the Lord's Supper.

It is important to put emphasis on the fact that only confession of sins and the Lord's supper necessary has to be part of the menu of each meeting of communion and support. As for the other chapters, it is according to the will of the HOLY SPIRIT in the meeting. One can come together on Tuesday, for intercession and sharing of songs. On Wednesday for example the HOLY SPIRIT can insist on offerings to the brethren of the house Assembly or of other house Assemblies who are in need, meanwhile on Friday, attention will be drawn on revelations received in the Word of GOD or sharing of questions. It is according to how the HOLY SPIRIT conducts the meeting of communion and support.

Why should one always end this communion by with the Lord's Supper? It is because the Lord's Supper leads to an ultimate brotherly communion. It is at the same time the expression and consequence of brotherly meeting.

The Lord's Supper is the feast of the Lord's victory for us acquired at Golgotha and it is normal that we proclaim this Victory before Lucifer constantly by sharing the bread and the wine. The one who constantly proclaims his victory lives a victorious life. The person who waits for the head of the religious pyramid, so called "national pastor" or "district pastor" to decide at the end of the month which day should the Lord's Supper be taken, lives a life without victory.

Christians, let us end all our communion and support meetings with a solemn proclamation of our victory by taking our Lord's Supper. This way of doing hurts Lucifer so much and it is very good. Since we have been locked up in religious pyramids, Satan has been seriously working through his ministers of darkness to convince us that we should wait till the end of the month to celebrate a false simulation of our Lord's Supper.

"The Lord's Supper is so holy that you should not have it so often", says Lucifer to Christians who have forgotten that just few centuries ago, the same Satan pretended that the Bible is so holy that we should not read it at all.

Worship to the Lord takes a lot of time as we are going to see later on. We therefore understand that it is the short and brief but regular meeting of communion and support that stirs up the flame in the house Assembly. As such we understand better the reason for which these meetings of communion and support has to be brief because like the Christians of the primitive Church, we have secular occupations and responsibilities. Secular occupations doesn't disappear because one has become a Christian.

SECOND QUESTION: WHO ATTENDS THE MEETING OF COMMUNION AND SUPPORT?

This meeting is first of all for born again Christians. But, it is equally a testimony on how our house Assembly lives and for this reason, unbelievers are highly welcome. Nevertheless, one has to avoid two errors:

Do not admit a permanent tourist who, since months, attends without giving his life to CHRIST. One should vigorously drive away such a person.

Do not tolerate witches and vampires on pretext that the Lord will deliver them sooner or later. Immediately as the HOLY SPIRIT reveals one, drive him away from the house Assembly.

Separate oneself quickly from any Assembly which tolerates witches and vampires on pretext of love. The Lord JESUS-CHRIST does not exercise love as far as Lucifer is concerned and we ought not to spiritually commune with vampires disguised as Christians.

One has to insist on this fact: GOD says that in the world there is a mixture of wheat and tares and when he gives rain, he gives it both to the wheat and the tares. This means that our mission is not to segregate on the secular plan. It is an distraction, a rebellion against the Word of GOD to try getting rid of non pagans out of a company, a university or a country. A dispensary exclusively owned by Christians and controlled by so called Christians is a distraction. The command of GOD, is that Christians and pagans should be together in the same country, enterprise, hospitals, universities. Of course, as rebellious as usual, Satan who is not the owner of the world tries from his lodge in the darkness to exclude, and marginalize Christians who are the real owners of the world but it is left to us to use the power of the word of GOD to subdue this rebellion. That is why GOD tells us to walk on all Satan's power and says that as we are doing so, Satan won't be able to harm us.

On the other hand, the body of CHRIST is not the world and one should make sure that vampires are firmly excluded from the house Assembly. If the leaders of the house Assembly are lax about this matter of excluding witches and vampires, the Christian who is for the TRUTH should ask the Lord to find an authentic house Assembly for him.

That is how the biblical model functions of which Satan does not hesitate to copy for his own evangelistic campaign. Cameroon has become a top beer drinking country because it is invaded with autonomous bars set up in the houses of the citizens. If a bar owner insults you, you simply move away, go across the street, enter in another house and drink your beer therein quietly.

Just the presence of a vampire or witch in the midst of a Christian Assembly poisons all spiritual activities. Soon, it is total confusion and distraction.

Meanwhile this is what is written in the book of origin. i.e. Genesis.

"And GOD said, let there be light; and there was light. And GOD saw that the light was good; and GOD separated the light from darkness"

(Genesis 1:3 - 4)

From the beginning, GOD separated light from darkness but religious pyramids of CONSTATIN say that born again Christians and vampires should pray together. This is a big lie that submits born again Christians under the authority of darkness. We should know that we could only be efficient against Satan if we cease to pray with his children. Just imagine the type of confusion that would take place if one joins with Cameroonians soldiers and generals to declare war to Cameroon. It is exactly what is happening to Christians who are locked up in CONSTANTIN's religious pyramids. Proper satanic preaching tells Christians lost in the midst of religious pyramids: "if you really have the power of GOD in you, the temple and the vampires does not matter". Lucifer's lie. It is as if someone was telling you. "It doesn't matter if there are in your midst an armored division of the cameroonian army and a unit of cameroonian parachutists , just go ahead and attack Cameroon".

This is a biblical illustration in 1 Samuel 29:4 "But the commanders of the Philistines were angry with Achish; and the commanders of the Philistines said to him, send the man back, that he may return to the place which you have assigned him; he shall not go down with us to battle, lest in the battle he becomes an adversary to us. For how could this fellow reconcile himself to his Lord? Would it not be with the heads of men here?"

The Princes of Philistines went to war against Israel but to their greatest surprise David was in their middle. Knowing very well the principles of war, the Princes of Philistines for lack of killing David immediately, sent him away from their troops. But since Satan has locked us up in the religious pyramids, it has become almost impossible to win GOD's battles and govern the move of the world because we fast and pray with a multitude of vampires, witches and ministers of darkness. Not surprising that the world which belongs to us born again Christians, is in a deplorable state.

Many would ask what is needed to guarantee the spiritual quality of members when the house Assembly is growing, since when having started with two persons, a house Assembly can rapidly come to have fifty members. The answer is simple. GOD has not called us for carnal groupings but for missionary work. When the number becomes important in house Assembly, matured Christians have to quickly separate themselves and make other groups of believers in different houses.

The meeting of communion and support concerns Christians whose homes are close to each other or Christians who live in the same house. It is not conceivable to go five to six kilometers to attend a meeting of communion and support. But many will ask what is to be done if one does not have a neighbor who is a born again Christian. The answer is that, when we decide to walk in the TRUTH, GOD displays his power to encourage and seal us in the TRUTH. In short if I don't have an immediate neighbor who is a born again Christian, I ask the Lord in prayer saying "Lord JESUS-CHRIST, I want to walk in the TRUTH; please give me by your grace an immediate neighbor who is a real Christian with whom I can commune everyday. Lord I am even ready to share my home with a real Christian."

Just continue praying like this and GOD who is JEHOVAH JIREH will provide.

THIRD QUESTION: WHEN DOES THE MEETING OF COMMUNION AND SUPPORT TAKES PLACE?

With lack of a precise biblical indication as concerning the periodicity of the meeting of communion and support, one can simply say that it is preferable that it takes place very often. When GOD does not precise a way which the Church has to follow concerning a topic, it means that as this topic is concerned, HE wants us to entirely depend on what the HOLY SPIRIT will say to the local Assembly. During a certain period in the year, the HOLY SPIRIT will guide us to come together everyday and at another period, HE will allow us to have one or two meetings of communion and support per week. The members of local the Assembly have to always listen to what the HOLY SPIRIT has concerning the periodicity of meetings of communion and support.

What one has to say is that there is a spiritual principle to respect. One does not come in the house of the Lord empty handed. This means that each and every one must have at least a hymn, a biblical revelation, a word of knowledge, wisdom or even something material to share during the meeting of communion and support. In religious pyramids, the antichrist has the tendency of deforming the Word of GOD by saying that one ought not to come in the temple without money. GOD first talks of spiritual gifts. If I have a spiritual or material gift to share, it means that I need at least a day to prepare it with GOD. As such it is not too bad to space out the meeting of communion and support.

What we have to add is that, one has to fix a time not to extend because the spirit of prophet is submitted to the prophet. With the trend of our modern world, one hour in the evening before meal is enough. But it is also important to follow the HOLY SPIRIT whom at certain moment could fix a period of time in the morning. One can now understand what made the first Christians to have their physical meal together in simplicity. It is easier to hold the meeting of communion and support before supper or breakfast taken together to gain time. The morning period is better since, it won't disturb the studies of children who, generally have to revise their notes after school. Nevertheless, it is the HOLY SPIRIT who will arrange for each house Assembly a good timetable. It is just important to make sure that the meeting of communion and support has a limited time. Why should one strictly make sure that the timetable is being respected?

Most often, real children of GOD, have difficulties in ending the communion because of what Psalm, 133: 1 – 3 teaches us. The Sister in CHRIST has a last hymn to share, while the Brother in CHRIST remembers the revelation that he had had when reading his Bible yesterday. For this reason, the Elders or Deacons or mature Christians leading the house Assembly have to be watchful so as to recall that the spirit of the prophet is submitted to the prophet. If the today's meeting is full of blessings, one still has to stop and go to one's secular occupations or to one's bed, because there will still be another meeting of communion and support tomorrow or in three days time.

FOURTH QUESTION: HOW DOES THE MEETING OF COMMUNION AND SUPPORT UNROLL?

It is necessary to recall that the home Assembly is under the authority of Deacons, Elders, or mature Brethren in CHRIST-JESUS. The way the meeting of communion and support takes place, obeys to the principle of liberty. Every body is free to participate on condition that the participation should be in turns and that there should be order.

1 Corinthians 14:23-35 describes in details the unrolling of the meeting of communion and support.

Verse 23

“if, therefore, the whole Church assembles and all speak in tongues, and outsiders or unbelievers enter, will they not say that you are mad?”

Verse 24

“But if all prophesy, and an unbeliever or outsider enters, he is convicted by all, he is called to account by all”.

Verse 25

“The secrets of his heart are disclosed; and so falling on his face, he worship GOD and declare that GOD is really among you”.

Verse 26

“What then, brethren? When you come together, each one has a hymn, a lesson, a revelation, a tongue or an interpretation. Let all things be done for edification”.

Verse 27

“If any speak in a tongue, let there be only two or at most three, and each in turn; and let one interpret”.

Verse 28

“But if there is no one to interpret, let each of them keep silence in Church and speak to himself and to GOD”.

Verse 29

“Let two or three prophets speak, and let the other weigh what is said”.

Verse 30

“If a revelation is made to another sitting by, let the first be silent”.

Verse 31

“For you call all prophesy one by one, so that all may learn and all be encouraged”.

Verse 32

“And the spirits of the prophets are subjected to prophets”.

Verse 33

“For GOD is not a GOD of confusion but of peace. As in all the Churches of the Saints,”

Verse 34

“The women should keep silence in the Churches. For they are not permitted to speak, but should be subordinate, as even the law says”.

Verse 35

“If there is anything they desire to know, let them ask their husbands at home. For it is shameful for a woman to speak in Church”.

In the beginning of the meeting of communion and support, an Elder or simple a mature Brother who leads the home Assembly says that the meeting will start with confession of sins. Part of the time is therefore used for everyone to examine himself before GOD, confessing in silence his sins and openly confessing to the Assembly certain sins on which the HOLY SPIRIT insist that it should be confessed publicly. We are going to examine in details the sacrifice of sin when talking about worship or service meeting.

When the confession phase is over, an Elder or a matured Brother who leads the home Assembly announces that the phase of communion and support is starting and simply urge everyone to talk after his Brother or Sister has finished talking. Thus while talking in turns everyone shares his prophetic revelation, his hymn, his speaking in tongues, or his interpretation of tongues, his prayer topic which is immediately prayed for by the Assembly, his joys and pains, his material needs or his material wealth which he wants to share with those who are in need, his dreams, his testimony about GOD’s miracles, his questions on biblical verses which he doesn’t understand. Answers to questions on the comprehension of biblical verses are given immediately by those who can but if there is no answer available, the questions should be registered in the Assembly’s book of needs. The home Assembly will then pray GOD to provide for a while a sound gifted-Minister (gifted to the Church) who can explain the verses we do not understand. GOD may do so through a book, or radio or by sending physically someone to us for a while.

When an Elder or a mature Brother who leads the home Assembly realize that the time given for the meeting is coming to an end, he puts an end to it and announces the Lord’s supper. The Lord’s Supper is taken in simplicity in accordance with the Bible with the food that Brethren or Sisters have brought. Material things that are available are shared to the needy and after the closing said by a Brother or Sister, brotherly handshakes or kisses ends the meeting of communion and support.

Sisters in CHRIST have to keep silence during the meeting of communion i.e. to say precisely that they should not preach nor teach. But they have to participate like the Brothers in CHRIST in the other activities of the communion and support meeting. They can share a prophecy, a vision, a speaking in tongue or an interpretation of tongue, a hymn, a prayer topic or material things.

The concrete unrolling of the Lord’s supper that is always part of the meeting of communion and of support will be the object of special sharing because the religious pyramids of CONSTATIN has mislead us in a false simulation of Lord’s Supper which has nothing biblical.

We, see that everyone participates in turn in the meeting of communion and of support according to the principle of liberty. It makes Christians to grow and cease to be passive and by this way, within a length of few months or years, they become missionaries capable of founding new home Assemblies.

But we have to remember that we are the real owners of the world and for this reason it is left to us to govern the world, walking with authority on all Satan's power. It is the aim of the meeting of GOD's wars, which also, is not a meeting of worship.

THE MEETING OF GOD'S WARS.

One talks of meeting of GOD's wars, a meeting during which born again Christians, praying and posing prophetic acts for long hours, destroy the works of Lucifer and exercise the authority of the Lord JESUS-CHRIST upon Satan.

The main targets have to be well stated and the home Assembly has to hold beforehand a war council to determine the precise targets and select biblical verses which are appropriate for the war. This helps to directly strike Lucifer, without wasting time

FIRST QUESTION: WHO HAS TO ATTEND ?

Only born again Christians, men and women have to participate in the wars of GOD. Make sure that no unbeliever is present and put away from the home Assembly all vampires and witches disguised like Christians. The best way to waste one's time and to get lost in a live of confusion is to conduct the wars of GOD with vampires and witches or ministers of darkness disguised like Christians.

SECOND QUESTION: WHERE DOES THE WARS TAKE PLACE ?

In the home Assembly or out of the home Assembly anywhere revealed by GOD.

THIRD QUESTION: WHY THE WARS ?

Very naïve question: but one has to answer after all. The Lord JESUS-CHRIST gave us the power of the HOLY SPIRIT and commanded us to do away with the power of Lucifer. It is GOD himself who asks us to wage wars against Lucifer. That is the answer.

In fact, once you give your life to the Lord JESUS, Satan considers it as a declaration of war and goes straight to attack. Whether you like it or not, there are wars and it is better to conduct wars than to spend ones life receiving blows from Lucifer. Many Christians thinks that to conduct war means to defend oneself from the attacks of the devil. It is quiet the contrary. Satan has to spend most of his time defending himself from permanent offensives developed by Christians. This is how GOD sees the uncoiling of his wars.

Satan has to lament continuously. " I am asking myself on which side will TCHAMI strike this time and I am asking myself if I have enough power to support because the last time he stroke it was deadly. I mobilized witches of pyramids and members of mystical sects of all the region but it was not sufficient to counter the last attack of TCHAMI. Now I learn that he is preparing to strike more deadly again. What

am I going to do with such a man who is so stubborn in taking the Bible serious ? ”. That is how GOD sees his war.

FOURTH QUESTION: HOW TO DEFINE THE TOPICS AND THE TARGETS OF WARS ?

GOD is the one who reveals to us the targets and methods of war. But one has to know that GOD does not conduct wars with ignorant people. The people of GOD who takes the risk without knowledge in the wars will perish because of lack of knowledge.

Spiritual knowledge which is the superior knowledge as well as natural knowledge that is the inferior knowledge are both necessary.

The two are necessary to the Christian and if you neglect the natural knowledge you will find yourself in the situation where the spirit of a man tells the carnal body: “ I don’t need you ”. Have you seen a man in pure spirit walking in the street without body? As such to define the targets and the methods of war, I need supernatural knowledge i.e. revealed by GOD and I also need natural knowledge.

Concretely, Satan opposes the TRUTH acting in two directions. He attacks individually the Christian and more to that, he establishes the reign of evil in the country so that it will be almost impossible for a citizen to think or act as a Christian. For example you can not get trough customs in many African countries without bribery. You may be suit in some western countries if you publicly declare that homosexuality is an awful sin and a sign of curse coming from rebellion against GOD.

It is in these two directions that the home Assembly has to work in his council of wars.

So, the first point of the wars council is to examine Christians individual lives in order to determines the facts which ask war answers to Satan.

Then, the second point of the council of wars consist in examining the area, village, or town, country and even the continent in order to detect Lucifer’s actions which call war answers from Christians. This second examination is done through newspapers, radios, televisions, internet, conferences help in political, economic and scientific domains. Meanwhile Oholiba the prostitute who shouts hallelujah while rejecting the respect of the word of GOD forms ignorant Christians in her religious pyramids. She even prevents them from watching TV so that they will become ignorant monks who perishes because of lack of knowledge. If you fail twice in the G.C.E Advance Level, Oholiba sees in it a sign of GOD’s call and registers you in a so called biblical school to make you an “assembly pastor”. By so doing, you criminal Oholiba pushes the innocent one in the pit of ignorance.

One does not need to be full of knowledge before giving one’s life to CHRIST and obtain eternal life. Even your eight years old daughter can do it and one has to highly hope that, she does so. But to become a king who reigns, one needs knowledge. Having ones name in the book of life, many true Christians on earth lives a pilgrimage life of slaves because of lack of knowledge. GOD want that his people should cease to perish because of lack of knowledge.

If corruption is everywhere in the country in such an extend that a Christian can not clear his goods through customs without informal negotiations, then there is necessity for wars. If those in the darkness sects expel Christians from all areas of command of the

economy and politics in order to devote the country to their master Lucifer, it means that wars are to be carried out through fasting and prayers. If the New partnership for Africa's Development (NEPAD) encounters some hardships it means that spiritual power is needed (fasting, intercession and spiritual wars).

Many Christians do not know that evangelization is a harvest i.e. the harvest of what has first been planted and later watered. How do we plant and water? By firmly carrying on wars, to overthrow dominations, authorities, the princes of this world of darkness, wicked spirit that spread the reign of evil and prevent men from believing. No war, no good harvest. It is in wars that we overthrow reasoning and bring captive spirits to obey to JESUS. Even a minor evangelization in a quarter, necessitates beforehand a systematic pounding in wars for months and even years.

As we have stayed sluggishly in religious pyramids that prevent us from learning wars, we have become good distributors of religious treaties which unbelievers receive with an amusing and merciful smile. It is the return to the meetings wars that will permit each home Assembly to seize from Satan the spiritual government of the area, the country and the continent.

A home Assembly that carries on wars regularly is at the command of the town, country or continent. Religious pyramids avoid completely to teach the Christians how to wage wars. This is quite understandable. How can you expect CONSTANTIN's satanic pyramids to teach you how to wage wars with Bible's verses and destroy the kingdom of CONSTANTIN's master which is the beast coming up from the sea?

By the grace of GOD we are going to share in the nearest future on the topic of war, so that each home Assembly will be well equipped for war. It is part of the worldwide revival program.

FIFTH QUESTION: WHEN DO ONE HOLDS A MEETING OF GOD'S WARS ?

The answer has not been given precisely by the Bible but as the war is already an order given by GOD, it is good that its takes place as often as possible. One has to know that war demands many hours of prayer and prophetic acts. The night is good for and all-night battle but it is not a law. The Lord can lead the home Assembly to wage war through out a Saturday afternoon. As simple example, a good war waged every week already helps to put our feet on Lucifer's head and each born again Christian participates for that.

One has to say that each gifted-minister, Apostle, Prophet, Pastor, Doctor, or Evangelist is in the obligation to constantly wage war because Satan particularly fears and hates this category of born again Christians. Luckily- enough that the ONE who is in us is more powerful than the one who is in the world.

To conclude on this point, I have personally been a witness to the disaster that Oholiba causes. It is once a month that the hierarchy of the pyramid organizes what is known as night prayer. You see that the word of "war" already shocks Oholiba meanwhile we serve the Lord GOD of Hosts. This is how this so called night prayer takes place. It starts at 8p.m with two hours of preaching at the pulpit. Criminal Oholiba, do you want to fight a war or carry on an apostolic preaching ? Nobody knows.

Then, Oholiba invite at the pulpit a dozen of people who testify of what GOD has done for them. Oholiba the prostitute who talks about the HOLY SPIRIT; do you want to hold a meeting of communion and of support or of war? Nobody knows. At this point, it is already midnight and the war has not yet started.

That is when a “deacon” comes to the pulpit and announces that big saucepans of sorrel juice that we call in Cameroon “folléré” with some bread loaded with sardines are available in the hall at the entrance of the temple. Every body is invited to eat and drink and it takes an hour and a half. You, Oholiba the incurable criminal prostitute, do you want to have the Lord’s Supper or to wage war? Nobody knows.

At half past one a.m, an “elder” comes to the pulpit and reads a mysterious lists of prayer topics. What is the council of war that have decided those prayer topics and what are the main targets? Is there any relationship between the topics and the real problems faced by the Christians in their daily lives? Christians do not know but as you can see, you ought to obey to the hierarchy of the pyramid, especially as the “worldwide pastor” himself is attending this so called all-nights prayer. He seats just near the “national pastor” and the “district pastor” is for once forced to sit among the Christians. As for the “assembly pastor”, he is completely lost in the crowd and this is for a good reason of course. Just imagine that the fellow “assembly pastor” makes a mistake in the presence of the “worldwide pastor” during this so called all-nights prayer meeting. It is his career in the pyramid that will come to an end.

As we say, the so called prayer starts at half past one a.m but suddenly, a dozen of people are warbling in tongues that nobody can interpret. It doesn’t matter even if there are words said by witches, to curse the name of GOD. Criminal and seducer Oholiba, you have the Bible in your hand but do not respect it.

At half past two a.m, half of the people are asleep and the “district pastor” goes to the pulpit and ask that people should stand up and sing. Waste of time because the other half which has not fallen asleep has just one thought in mind : “ I hope that the rank before the toilet will shorten quickly ”. The cups of sorrel juice and bread loaded with sardine has forced everybody to put toilet in priority before prayer or sings.

You, Oholiba who criticize your mother Babylon the great and your senior sister Ohola ; when will you finally acknowledge the fact that you are the most dangerous of all the harlots?

Usually, harlots receive wages from their lovers but the criminal Oholiba who talks of the HOLY SPIRIT is the one who pays her lovers. To round up, unbelievers were in this so called all night prayer but it does not matter much to Oholiba. The temple is meant to be full, and they wouldn’t ask the “deacons” to control six hundred people gathered in this all-night prayer.

With this kind of “all night prayers” organized by Oholiba, one understands why the demons of tribalism and civil wars swamps Africa without difficulty, one understands why our foundation since the time of Pharaoh is gloomy and still waits for healings, one now understands why Africa suffers from dictators who keeps all the oil revenue in Switzerland while children including those of the Christians are dying of malaria in the dispensaries, one understands while an apostate christianity lazily awaits the rapture in the midst of pagans who are numerous like the sand on the seashore, one understands why homosexuality is celebrated as human progress in the western countries while

waiting for the apex of progress i.e. the official marriage celebration between a man and his dog or his goat.

BIBLICAL EXAMPLES OF MEETING OF GOD'S WAR

An example of the meeting of GOD's wars is in Acts 12:1-25.

After killing James, the brother of John, Herod made himself bold and arrested Peter to equally kill him. The Church then understands that it is time for war and the house Assembly joined in Mary's house that is the mother of John Mark , goes to war through prayers. The result is surprising. An Angel of GOD enters the prison and liberate Peter and few days later, another Angel of GOD strikes Herod with worms that eats him up and kills him in public. That is the result of a war firmly waged in the house of Mary, John Mark's mother.

Let us recall that this example is given in the New Testament because Oholiba is trying to make us believe that war is no more necessary for the Church of the New Testament. We are not surprised for that . How can the beast coming up from the earth teaches Christians how to wage war and destroy the beast coming up from the sea?

Many examples of wars are also found in the Old Testament. The entire book of the Old Testament is a book of war and by the grace of the Lord, we will be sharing in a next occasion concerning the wars of GOD.

For the moment we are not going to give details concerning meeting GOD's wars. It was simply to show that it differs from the meeting of worship, from the apostolic meeting and also from the meeting of communion and of support.

THE MEETING OF SERVICE OR WORSHIP.

We have finally come to the meeting of service. It was necessary to first talk about the three other categories of meeting to clear away the confusion set by the pyramids of CONSTANTIN.

Oholiba is well talented in confusion and you see her in so-call service meeting declaring that people should get up a fight a long snake that is tormenting the country. Sometime when this so-call service meeting is going on, Oholiba the worst harlot amongst the three pyramids says that the people should intercede on behalf of sister Angela who has been hospitalized. As if that is not enough, an agitator goes to the pulpit and talks for two hours while Christians bow their sleepy heads. Is the prostitute Oholiba who holds the Bible in her hands having a service meeting or a meeting of communion and support or a meeting of war or an apostolic meeting? Nobody knows.

This harlot is so lost that she suddenly commands the entire crowd to get up and pray in tongues. Who does the translation? Nobody, and how can one translate the satanic brouhaha of six hundred people who speaks at the same time in tongues?

As for the elder sister Ohola and the mother Babylon the great, there is no necessity talking about them because the two old harlots have started confessing in a whisper that they exercise the oldest job in the world. But they will keep on trying to cover the ravages

of their age by saying to you that their breasts are like wine; “the taste of our breasts grows more and more better with age. Just press at them and enjoy” so they say to all passerby.

One says that there is meeting of service when born again Christians join together to offer to GOD a set of Sacrifices according to the order established by GOD
The aim or the goal of the service meeting is already given in the definition: to offer to GOD a set of sacrifices, respecting the order given by GOD.

Why is there order here? Because the Majesty of GOD demands order and this order is one established by GOD.

The Assembly of Christians in the New Testament is an Assembly of Priests and it is for this reason that they come together periodically to offer to GOD sacrifices. Priests offers sacrifices determined by their GOD and they do this sacrifices offering according to the order settled by their GOD.

What one has to say is that for a long time, we did not understand that all the elements and stages of worship has been defined once and for all in the book of Leviticus. What has always left the Church perplexed, is that the New Testament is particularly silent about, the unroll of worship in the primitive Church.

But this silence is justified by the fact that the foundation of Leviticus worship has not changed. It is the same in the Leviticus priesthood, it is the same in the neo-Testimonial priesthood and it shall be the same during the millennium reign of our Lord JESUS-CHRIST, as it is written in Ezekiel chapters 40, 44, 45 and 46.

As we are of the dispensation of the Church, we offer to GOD the same worship that is written in the book of Leviticus, in the same order but with one fundamental difference.

The only fundamental difference is based on the fact that physical victims who are offered to GOD during the Leviticus priesthood and who will still be offered to GOD during the millennium are replaced in the dispensation of the Church by spiritual victims.

The different stages of worship that we offer to GOD are arranged in the book of the Leviticus, which is also known as Wayyiqra that is “And then, HE called”.

Chapter 9 of the book of the Leviticus gives a lot of indications on the way to approach the progress of service meeting. But it is important to go through all this book and also trough the book of Numbers that completes the Leviticus, to discover the three stages of worship that we are going to share and we urge every Christian to meditate on these books of the Leviticus and Numbers.

In chapter 9 of Leviticus, Aaron and his sons has to start the earthly ministry of Priests that is specialists of worship to GOD. In fact, in Leviticus Priests are specialists of worship. Let us open our Bibles and let us discover together the stages of worship as GOD taught Aaron and his sons tat day, at the beginning of the worship service to the Lord.

The first stage is the sin or guilt offering. The second stage is the holocaust i.e. precisely consecration offering which is the expression of a complete surrender to GOD. After the holocaust is the third stage, which is the sacrifice of fellowship with GOD represented in chapter 9 of Leviticus by the sacrifice of thanksgiving (some versions says sacrifice of peace offerings).

Let us stop for a while to understand this important thing. In chapter 10 of Leviticus, we see that while GOD who had not yet given order on how fire was to be lit on the incense, Nadab and Abihu each took his censer and put fire in it and offered unholy fire before GOD. Apparently it was a good zeal ,but it was a pagan zeal and GOD who deny or refuses that worship should be given him without respecting his order, killed the two false priests who created their own way of worship instead of following GOD's own way. This important matter was written in the Bible for us the Priest of the New Testament, to understand that as the service meeting is concerned, we should not invent our own ways. Liberty in the communion and support meeting as we saw above, but not in the service meeting.

It is frightening to see that during centuries, we gave ourselves a maximum of carnal inventions and behaviors as far as the service meeting is concerned. Because of all those false service meetings spread all around the world by the three harlots Babylon the great, Ohola and Oholiba, the whole world is receiving judgment fire from GOD trough centuries instead of storms of blessings. We have brought strange fire that is our own way of service before GOD and the judgment of fire which killed Nadab and Abihu is everywhere: terrorism, financial disasters, famines, wars, homosexuality, end of marriage, drought, aids, foolish ideologies...etc...

A serious judgment fire on today's Nadab's and Abihu's spiritual sons and daughters, isn't it ? Some persons may be wondering if all those problems in the world really come from a false service meeting. Go back to the Bible and you will find out the fact that when Israel had gone astray and was physically destroyed by its enemies , any revivalist sent by GOD worked hard to restore the real worship service to the Lord. This is because a spiritual law: no real worship service to GOD, judgment and punishment in the land.

Lets talk about the different stages of biblical worship service in order to precise its contain.

FIRST STAGE OF THE SERVICE MEETING: SIN OFFERING AND GUILT OFFERING

When we come together for the service meeting we start with silence and what do each person do in this silence? He silently confesses his sins to the lord JESUS. In what ways does a person confess his sins? It is with a humble and repentant heart that one confesses one's sins.

Lets look at Leviticus 4:1-12, it is written that part of the sin offering is burnt at the altar of holocausts meanwhile the other part of the same bull offered in sacrifice of atonement is burnt outside, out of the camp. It is the same with the guilt offering or sin offering.

This means that there are sins from which I am freed through a silent confession meanwhile for some specific sins, the HOLY SPIRIT will ask me to publicly confess to the Brothers and Sisters in CHRIST.

For those who pretends and says that all sins are equal and punishable at the same length, lets make clear once and for all that to GOD, all sins are not the same. In 1 John 5:16-17 GOD says there is a sin which leads to death meanwhile the other sins do not lead to death. One cannot therefore say that all sins are equal.

Since Leviticus, the HOLY SPIRIT by commanding that part of the bull should be burnt in public out of the camp, is telling us that for certain sins HE will insist for a public confession, outward of the born again Christian who is the new altar in this dispensation of the Church.

When the Elder or mature Christian who leads have finished confessing silently his own sins, he controls the herds to see if the phase of silent confession is over in the whole Assembly. Then he asks that if anyone has a confession to make publicly the person should get up and confess publicly the sins that the HOLY SPIRIT has required to be exposed.

For each public confession done, the whole Assembly pleads for GOD's forgiveness on behalf of the Brother or Sister in CHRIST.

Then, together, all the Christians has to pray for the sins striking the house Assembly as a whole. Leviticus reveals to us that as far as guilt offering and sin offering are concerned, there is an offering for the priest as individual and an offering for the whole people. The HOLY SPIRIT is therefore reminding us that we should not forget to eventually and collectively confess the sins that strike the local Assembly as a whole.

When this phase ends it means the people of GOD are ready for the next phase which is the sacrifice of consecration or commitment to GOD.

Lets examine what Oholiba the harlot who talks of the HOLY SPIRIT while hating the TRUTH does. She is the most perfidious of the three worldwide pyramids of CONSTANTIN.

In Oholiba's temple, Six hundred persons come together for a so called worship service on Sunday and as starting sign, an agitator stands at the pulpit and declares "turn to your Brother and tell him that GOD will bless him today". Perfidious Oholiba, in which Bible have you read this way of starting the worship service of the Lord GOD of Hosts? In fact why does Oholiba run away from sin and guilt offering? Lets look at it closely. Let us accept the fact that the six hundred person gathered in the temple confess their sins for fifteen minutes in silence and that among the six hundred persons GOD ask only forty to publicly confess some particular sins they have committed. Let us accept the fact that each public confession will take just two minutes. In total we need eighty minutes i.e. one hour twenty minutes for the forty people to publicly confess; which is really unbearable for Oholiba because she does not have so much time to dedicate on that matter of sins confessing. Then what to do? The solution is simple; Oholiba forgets about the sin offering sacrifice.

Meanwhile in the biblical model of house Assembly, twenty people gathered for service respect without being compelled the guilt offering. And if the number of members in the house Assembly increase, one separates and multiply other house assemblies. Each new house Assembly will have a reasonable number of people so that one can fully respect the sin offering.

Many are surely asking themselves why we haven't talk about worship service among Babylone the great and Ohola. It doesn't matter since these two harlots who have centuries of career accepts in a whisper that they exercise the oldest job of the world (prostitution). It is the perfidious Oholiba who is just a hundred years old who mix half-

truths and lies and lost the entire crowd of sincere Christians. Everyone knows that even the most beautiful harlot is no longer attractive when she gets old. Her breasts are no longer steady, her skin hangs down and her walk is no more elegant. It is therefore Oholiba the younger seducer with steady breasts that one has to keep an eye on. Oholiba talks ceaselessly about the Bible but group yourselves and create a house Assembly and immediately she will declare total war to you because she is not interested at all in practicing what is in the Bible. Oholiba has only one ambition: the trophy of the biggest temple in the world.

Lets put aside Oholiba for now and let's come back to the second phase of our service meeting.

SECOND PHASE OF SERVICE MEETING: THE SACRIFICE OF CONSECRATION.

Leviticus chapter 1 tells us what the sacrifice of consecration is all about. It is a holocaust of big or small cattle or even of bird, consumed by fire and of good smell to GOD.

In our Christian work, we are regularly failing in our consecration to GOD. Many times during the week, I have taken my own decisions, which are not from GOD. I even sadden the HOLY SPIRIT whom in a particular situation spoke to me but I decided to do things my own way. How do I correct that? By renewing my consecration to GOD through a confession in front the local Assembly. Failures and gaps in consecration are not considered as sins and cannot be treated with a sins offering.

These gaps and faults that I suffered during the week have to be repaired by a sacrifice of consecration or commitment. I spend the whole week without meditating on the Bible . Is it a sin? Not really but it is lack of consecration that one ought to amend regularly.

Lets take a case in the New Testament to better understand the sacrifice of consecration. All Christians knows that when the Lord JESUS was taken to Caiaphas the high Priest, Simon Peter denied him thrice (three times) and later on, went out crying bitterly. Has Peter sin? Not really because he regrets right deep in his heart what he has done; that is why he cries but he is in a helpless situation because no matter that he regrets his act, he does not have the necessary spiritual power in him to make a right turn and tell the Chief Priest:

“I am the disciple of JESUS-CHRIST”

That is what happens to us regularly in the week. I think of my store or shop throughout the day and it is when I get back home in the evening and see the peace which reigns in my house that I burst into tears before GOD's goodness and kindness to me. The next morning, I goes out promising myself to consecrate at least 30 minutes to Bible reading during the day. But again, there are so many customers in my shop and in the evening, I am back home tired without reading the Bible as I promised myself in the morning. Lack of consecration, not sin.

I am without word when my colleagues talks of their last trip in the night club. When they wonder about my silence I go away saying that I don't go to nights clubs. In

fact I am before the Sanhedrin and I lack spiritual power to proclaim that I am the disciple of JESUS-CHRIST who has delivered me from night clubs. I regrets in my heart like Peter but I keep quiet. Have I really sinned ? No, I have failed in my consecration to GOD and it is different from sin. As such it needs a different treatment.

How will the Lord JESUS-CHRIST correct the three denials of Peter?

Confession of sin not being the appropriate solution, the Lord JESUS do it a different way. In John 21:15-17, the Lord JESUS asks Peter three times “Do you love me?” and each time Peter answers in the affirmative, GOD gives him his mission: “Feed my lambs”. GOD brings Peter to verbally consecrate himself once more, three times in order to wipe away the three previous denials. By this verbal consecration, GOD puts back Peter in a position of spiritual authority so that he can serve HIM. The three “I love you” that Peter said placed back Peter in the position of power and spiritual authority for the Ministry.

When we stay without regularly re-consecrate ourselves verbally to GOD, the accumulation of our daily gaps who are not sins finally gives the opportunity to Satan to weaken us in the Ministry that GOD has entrusted to us. It is this weakness that GOD corrects in Peter.

What do we have to consecrate time and again to GOD ? Our spirit , our soul, our body, our thoughts, because we do not always love the Lord with our entire mind, our spiritual gifts and material gifts, our wives, husbands, children .

It is an offering of good smell to our GOD. This sacrifice of consecration place us in a situation of favor to serve GOD. That is what Leviticus 1:3 says.

Concretely when the guilt offering or sin offering is over, the Leaders of the house Assembly announce that the phase of consecration to GOD has begun.

Thus each Christian gets up in turn and talks to GOD using the Assembly as witness. What does he say to GOD? He simple says, “Lord I consecrate again my spirit, soul and body to you”. He adds the natural and spiritual talents that the HOLY SPIRIT reveals to him and material gifts that the HOLY SPIRIT reveals to him. He adds his wife or her husband, children, job... etc

A the end the Assembly answers “Amen”

To finalize, the content of what to consecrate to GOD is not fix and everyone says what GOD puts in his spirit.

Christians spend most of their time to making some strange prayers. “Satan I command you to stop attacking my car with accidents, and I cast away the spirit of accident in the Name of JESUS-CHRIST”. Actually, Satan is happy when he sees that a Christian spend his time to defend himself. He leaves the car and attack the eldest son. The Christian goes back to war and Satan leaves the eldest son to occupy himself with the secular job. When the battle on the secular job is over, Satan jumps on the landlord and orders him to immediately double the rent. And that is how many Christians have but one thought in mind “I am asking myself from where will Satan still attack me next time” .

Mistake. To come out from this vicious prison of perpetual defense against Satan, one has to return to the TRUTH. It is good that during each service meeting you consecrate yourself, your family, your home, your secular job, your money, and your spiritual and natural gifts publicly to the Lord JESUS-CHRIST. By the renewal of this

consecration during every worship or service meeting, GOD will take total control of you and of all that belongs to you and you will now use your prayer time to attack Satan, destroy his evil works in the country and bring revival. You are the one to attack and Lucifer is the one to defend himself and his doors cannot resist to your attacks. Lets explain more.

Why does Job prosper? The answer is found in Job 1: 10 and it is Lucifer who complains in this verse. Satan would have been so happy to smite Job and his properties but it is an impossible thing to do because GOD has raised from all angles a real wall of protection around Job, his family and wealth.

The renewal of the sacrifice of consecration during every worship or service meeting places us in a position of spiritual authority for the ministry and builds powerful walls of divine protection around us, our families and all that belongs to us. Each Christian attending the worship or service meeting must offer to GOD his sacrifice of consecration.

Obviously, in a temple of six hundred people, it is simply unthinkable to consider that every Christian will stand in turns to consecrate himself, his family, his gifts and wealth to GOD. The will need a whole day. As such what do one do in the temple of stone? One completely ignore the sacrifice of consecration and consequently, you have Christians who spend their time defending themselves from Satan's attacks instead of using their prayer time to take decrees and attack the devil. How can we then confess that the reign of our Lord JESUS has come down to the world as it is in heaven? Discouraged by this life of continuous defense, many give up, declaring that the world belongs to Satan. Total confusion and distraction because you shall be the head and not the tail if you walk in the TRUTH. If your soul prospers in the TRUTH, you will prosper in every domain according to the spiritual prosperity of your soul.

In a house Assembly of ten people who offers worship to GOD, each Christian has five minutes to consecrate himself, his family and all that belongs to him. Almost fifty minutes are sufficient for all to accomplish in turns their sacrifice of consecration.

Let us go now to the third and last phase of the service meeting, which is the sacrifice of communion.

Every Christian has just offered a sacrifice of sin followed by the renewal of his consecration to GOD and the house Assembly is now ready to enter in communion with GOD.

THIRD STAGE OF THE SERVICE MEETING: THE SACRIFICE OF FELLOWSHIP.

Let us first give the difference between the sacrifice of fellowship, which is part of the service meeting, and the meeting of communion and support. The meeting of communion and support that we examined previously is orientated on the sharing among Christians, of their spiritual and natural gifts, meanwhile the sacrifice of fellowship which is the third part of the service meeting is orientated towards GOD; it is an exchange between GOD and the house Assembly. This exchange operates in two ways i.e. from the Assembly towards GOD, and from GOD towards the Assembly.

The meeting of communion and of support is the horizontal hand of the cross of Golgotha. This horizontal hand embraces, welcomes and share meanwhile the sacrifice of fellowship which is part of the service meeting, is the vertical pylon of the cross of Golgotha. It is this vertical pylon that when facing heaven, sinks into the earth and carries the weight of the spiritual body of JESUS-CHRIST, which is the Church.

This precision done, lets note that the sacrifice of fellowship has six successive parts, which are thanksgiving, praise, worship, reception of prophetic messages from GOD, reception of biblical word from GOD and the Lord's Supper.

Thanksgiving, praise and worship moves from the house Assembly towards GOD, meanwhile in response, GOD sends prophetic messages and his biblical words. The Lord's Supper that ends the sacrifice of fellowship and ends the service meeting at the same time is taken with food brought by Brothers and Sisters.

Another important point is that the sacrifice of fellowship is made up of two obligatory or compulsory parts that goes hand in hand: an individual part, and a collective part. Let us go back to the origin in Leviticus to understand. Leviticus 7:11-34 and Leviticus 9:18 tells us that there is an holocaust offered in thanksgiving for each Israelite individual and an holocaust offered in thanksgiving for all the people. By this, the HOLY SPIRIT tells us here that during thanksgiving, praise and worship everyone has to first participate individually and after that, the collectivity has to jointly offer a thanksgiving sacrifice an a joint worship. As for praises, everyone has to start singing at least one song so that the whole house Assembly can join him in praise.

Lets share together about the thanksgiving which is the first part of the sacrifice of fellowship.

Let us go back to Leviticus chapter 9. When Aaron finishes with the sin offering and the holocaust, which is the sacrifice of commitment, he goes on to thanksgiving.

For these thanksgivings, Aaron kills a cow and a ram. Chapter 3 of Leviticus teaches us that the sacrifice of thanksgiving is a sacrifice consumed by fire, of good smell to GOD.

What is the usefulness of the sacrifice of thanksgiving? The New Testament explains that to us. Lets us look at Luke 17:11-19. The Lord JESUS heals ten leprosy people but only one, a Samaritan, felt publicly face down at the feet of JESUS to thank him. He uses all the spectators like witnesses and that glorifies GOD. He did not hide in a secret place to thank GOD. This action of faith that has been rendered publicly brings and incalculable consequence; the Lord JESUS-CHRIST gives him at the spot Eternal Life.

“Arise, go thy way: thy faith has made thee whole”.

The nine other leprosy men were equally healed. But we are not sure that they will be in paradise with us. Because he simply came back to thank GOD, the Samaritan was instantly propelled into eternal LIFE. That is the aim of thanksgiving. The person who renders thanksgiving to GOD in the presence of witnesses, obtains more blessings. The thanksgiving has as objective to open the locks of heavens for more blessings in favor of each Christian participating individually and collectively to this sacrifice.

Actually, when the house Assembly has finished with the sacrifice of consecration, Elders or matured Brethren who leads simply announce that it is time to enter the thanksgiving. Each participant stands in turn and explains what GOD has done for him during the week, and he prays to give thanks to GOD. It is not good to say global prayers such as “Lord, I thank you because you have blessed me”.

It is better you say exactly, what the blessing consist of, and explain clearly the circumstances of this blessings so that the Assembly will also receive edification or correct distraction cases. For example, if a young Brother, who is a student give thanks to GOD because of an postponed examination which he didn't prepare or wasn't ready for, the Leaders will discreetly take note and in the next meeting of communion and support the Brother will be corrected. A Christian should always well prepare his exams.

It is very important that each participant should stand up in turn and renders thanksgiving to GOD because no one comes empty handed in the house of GOD and also because it is insane not to open the tap which increases my blessings. To round up, the Leaders of the house Assembly says a collective thanksgiving prayer and all the house Assembly pray with them.

What takes place in the temples of the criminal Oholiba, the third and last worldwide pyramid of CONSTANTIN?

The harlot Oholiba has read from the Bible the necessity of public thanksgiving grace. But as you can see, Oholiba has a problem on how to manage the temple of stone. Six hundred people are gathered in the temple for a so called Sunday service. If it meant that each of those six hundred people should go to the pulpit and talk about the goodness of GOD and pray to give thanks using the public as witnesses it will be a matter of two or three days. Oholiba does not have such a length of time to consecrate to that matter. Thus the criminal Oholiba looks for a trick. Before the so called Sunday service starts, Oholiba secretly selects a person who will testify before the people and give thanksgiving. Suddenly, in a given moment while the crowd is filling the temple of stone, Oholiba pronounces the name of this previously chosen person who rushes to the pulpit and renders thanksgiving while the crowd listens. Is it an apostolic meeting where one person talks and others do listen or is it a service meeting? Nobody knows. With six hundred people assembled in the stony temple, the Christian seated on the thirty fifth bench will spend ten or even twenty years without having the least opportunity to publicly render thanksgiving to his GOD. Criminal Oholiba.

Let us go to praise, which is the second part of the sacrifice of fellowship.

Praise calls for the manifestation of the presence of the HOLY SPIRIT in the midst of the Christian Assembly. This is revealed to us in Psalm 22:3 “But THOU art holy, O THOU that inhabitest the praises of Israel”.

When the thanksgiving is over, the Elders or matured Brother who leads the house Assembly simply announces that it is time to start praising GOD. In turns, participants take the word and start singing one or more praises that are repeated by the whole house Assembly. Each person has to at least start singing a hymn or a chorus because one does not come empty handed into the house of GOD. Everyone has to participate because that is how one can grow spiritually to become the servant of GOD.

How do we praise GOD?

Psalm 150 tells us. This Psalm is of such a beauty that one cannot resist to the pleasure of proclaiming it aloud; then we should proclaim it.

*“PRAISE the LORD!
Praise GOD in his sanctuary;
Praise him in his mighty firmament!
Praise him for his mighty deeds;
Praise him according to his exceeding greatness!
Praise him with the trumpet sound;
Praise him with lute and harp!
Praise him with tumbrels and dance;
Praise him with strings and Pipe!
Praise him with sounding cymbals;
Praise him with loud clashing cymbals!
Let everything that breathes praise the LORD!
Praise the LORD”*

One praises the LORD while dancing at the sound of drums, and all sorts of musical instruments that we have in Africa or in other continents. Dances, voice and instruments, that is the contain of praise. In a house Assembly where for example ten people are gathered for the service meeting, praise takes more than an hour since everyone big or small starts singing a hymn or chorus that is also repeated by the whole Assembly.

What happens in a temple of stone where six hundred people are gathered for a so called Sunday service?

Impossible for everyone to start singing a hymn or chorus because it is going to take days and there is not enough time to consecrate on that matter. Thus Oholiba, Ohola the elder Sister and their mother Babylon the great find a trick; the choir that sings on behalf of the crowd. Is it a service meeting or an apostolic meeting? Nobody knows. The fact is that the choir sings meanwhile everyone listens silently. That is what the three harlots women do. Oholiba the perfidious goes further, she even creates a district choir, a regional choir and a national choir while preparing to grant us with a worldwide choir.

More to that Oholiba teaches songs during the service meeting. Oholiba the harlot, is it in full worship in the presence of GOD that you start to teach a new chorus? Are not meetings of communion and of support reserved for that? You are in the presence of GOD and instead of praising and worshiping HIM, you tell HIM: “wait, so that we can learn the song which we shall offer to you”. Total lack of respect.

The end of praise is immediately extended to adoration. Normally, Leaders do not have to intervene because when praise has reached a certain point many Christians controlled by the HOLY SPIRIT plunge into adoration before GOD. Thus it is very normal to find out that at the end of praise the whole house Assembly spontaneously plunge into collective adoration. But the leaders have to make sure that spoken tongues not interpreted should not be mix up with the collective adoration.

Moreover the Leaders have to ask at the end of the collective adoration that each member should individually adore GOD aloud. This helps to know the level of spiritual growth of each member. It is when hearing a Christian worshiping GOD even if it is in a few words, that one knows if he is mature and ready for responsibilities in new house Assemblies.

What is going on in our temples of stone?

Oholiba is the only one who practices collective adoration but do not dare ask her to go into individual adoration. Think about that. Six hundred people are gathered in the temple and if everyone to individually worship GOD, it will necessitate days. Thus Oholiba do away with individual adoration. Criminal Oholiba.

Even in her collective adoration Oholiba do not forget her prostitutions. Meanwhile the crowd is worshipping aloud, a dozen of people utter words in tongues that no one do translate. Are they witches who are cursing the Name of GOD the Lord of Hosts? Nobody knows.

Let us keep aside Oholiba the harlot for now and go back to our sacrifice of fellowship. Now that thanksgiving, praise and adoration are over, GOD, in his turn, answers to his people. The fellowship between GOD and his people continuous but GOD is now the one who answers to his people.

Let us see that in Leviticus 9 verse 24. The first service offered by Aaron and his sons ended in an impressive way. GOD answered by fire. It is the same with our service meeting today. GOD now answers to the house Assembly in two ways i.e. the prophetic messages that HE communicate to Brothers or Sisters who have received the gift prophecy and the messages of biblical sermons that HE communicate to some Brothers in CHRIST who are present and are going to share these biblical sermons with the Assembly. Jeremiah 23:29 tell us that the Word of GOD is like a fire. That is why GOD answers to our thanksgiving, our praises, and our adoration by putting his Word, which is like fire in the heart of many Brothers in CHRIST attending the service meeting.

Actually, when the house Assembly finishes with the phase of collective and individual adoration, the Leaders allows a moment of silence. It is during this moment of silence that the Brothers and Sisters who receives these prophetic messages from GOD talk in turns while the others listen and examine in accordance with the Bible.

One can ask the difference between a prophetic message and a message of biblical sermon.

Let us take an example to clarify this point. Brother KAMANDA has received an invitation from abroad. As a Doctor, he is invited to hold a set of apostolic meetings in a country abroad. A wise man, he secretly put the topic in prayer before to GOD and waits for the answer.

Now suppose that during the moment of silence that follows the adoration, a Sister raises her voice and says "my son didn't I tell you that you shall go and spread my Word all over the world ?" . KAMANDA immediately discern the answer of GOD. Prophetic message is biblical but it is a simple declaration and not an elaborated sermon. That is why Sisters in CHRIST can transmit prophetic messages that for sure are in accordance with the Bible but are not sermons. It is a prophetic declaration made on behalf of GOD and the Assembly simply has to verify that it is in accordance with the Bible.

When prophetic messages are over, Elders or Brothers who leads the house Assembly ask that Brothers who have received from GOD messages for sermon should rise with their Bibles in their hands and preach in turns. The leaders can for example give twenty minutes for each preacher of that day, even more time if they are few preachers. Here, also, the Leaders have to listen carefully to each Brother who is preaching, in order

to discern the level of his spiritual growth. The content of a sermon as well as the adoration helps the Elders or Leaders to know who is ready for the responsibilities in new house Assemblies.

What happens in the temples of Ohola and Oholiba? An “assembly pastor”, a ministry invented by those two harlots, goes up to the pulpit and exhaust the crowd with two hours of jabbering while the strongest Christians continuously rub their eyelid full of sleep. Is it a meeting of service or an apostolic meeting? Nobody knows. As for their mother Babylone the great, she does not even want to hear about sermon in the Word of GOD. Those three criminal women represent the number 666, the number of the beast that come up from the sea.

Those three religious pyramids are the image of Satan’s government, they are the image of the beast coming up from the sea and they were invented by CONSTANTIN, the beast coming up from the earth in order to lock up the entire world in lie.

The sermons of Brothers over, the Leaders of the house Assembly conducts the people of GOD to the Lord’s Supper that is taken alongside the food brought by Brothers and Sisters in CHRIST who had it in heart to do so.

On demand of the Leader, a Brother or Sister in CHRIST pray and commit everyone in the hands of GOD and after handshakes or holy kisses the meeting of service ends.

That is how GOD asked us to unroll the meeting of service. This meeting can take four hours or even half a day in a house Assembly of ten people. But GOD did not ask that we should carry on this meeting everyday. A reference to the scripture, about, the Sabbath tells us that we should hold it weekly since there was only one Sabbath per week.

To round up, let us try to give answers to these questions i.e. to know the day of worship and if unbelievers can participate.

WHEN ARE WE SUPPOSE TO WORSHIP GOD

At the beginning, in the book of Numbers, which complete the measures of service meeting predicted in the book of Leviticus, GOD precise that there is a fix time for the different sacrifices. This is found in Number 28: 1-2 and in Numbers29: 1.

GOD says there is time for each sacrifice. The HOLY SPIRIT indicates here that worship is not a daily obligation but something to be accomplished periodically to the time that HE arrange for the local Assembly.

When do we hold the service meeting? It is left for each house Assembly to decide. Considering the fact that the service meeting takes a lot of time as we have noticed, week ends are more appropriate. Some Assembly might decide to hold their meeting on Saturday while other will chose Sunday. According to their conditions and secular jobs obligations , some house Assemblies can even chose Mondays or Wednesdays.

Romans 14:5 prevent us from unnecessary argument on the matter of days. Each house Assembly should chose its day of service meeting according to its total conviction that it has received from the LORD.

*CAN UNBELIEVERS BE PART-TAKERS OF THE MEETING OF
WORSHIP*

It is highly wished for, since the service meeting starts with the confession of sins, an unbeliever can during this phase sincerely confess his sins to the LORD and gain salvation.

Nevertheless, one should avoid the mistakes already mentioned in the chapter devoted to the presence of unbelievers in the meeting of communion and support. Now that we have finished with the return to the true service meeting, we still have to share the return to the true baptism, to the true Lord's Supper, and the return to the true offerings because our three religious pyramids built by CONSTANTIN has also filled the world with lies concerning baptism, Lord's supper, tithes and offerings. By the grace of GOD of Israel, the Lord of Hosts seated on cherubs we shall proceed with those sharing next time.

May GOD bless those who hear his Word and put it into practice.
