

**GOING BACK TO THE TRUTH
VOLUME 2: TITHES AND OFFERINGS**

Break and advance into the hill country of the Amorites; go to all the neighbouring peoples in the Arabah , in the mountain, in the western foothills, in the Negev and along the coasts, to the land of the Canaanites and to Lebanon, as far as the great river, the Euphrates.

Deuteronomy 1:7

APPRECIATION

To my beloved

Ange TOUBI and Chekinah SIELOKSEU TOUBI

For their love and steadfast prayers.

I also extend my gratitude to my beloved in the Lord JESUS – CHRIST all over the world Who constantly pray and sustain me during these years of the Lord's Battles.

May JEHOVAH JIREH abundantly pour peace and grace upon brothers and sisters who bear the burden of sustaining me in prayer throughout these years of the Lord's Battles.

Reverend Apostle Joseph TOUBI

PRELIMINARY

Revival is nowadays the sole preoccupation of true Christians. And one can easily understand this for how can one fail to react towards the sight of a world created by GOD, belonging to God's heirs, yet literally dominated by Lucifer?

Thousands of Christians all over the world are longing for revival, fasting and praying, sharing out tracts and treatises, organising mass crusades and so on. Burning Sunday sermons are delivered in number and stony temples however continue to grow unceasingly and absorb enormous amounts of money. In spite of noticeable efforts, darkness continues to spray out inexorably all around and to subjugate the planet.

What then can we do to persuade billions of unbelievers who still remain insensitive to our efforts of spraying the gospel?

Maybe we need Christian schools and hospitals in the poor villages of Africa. Thus have we multiplied primary schools dispensaries and hospitals throughout Africa. And as a result, Satan seems to mock at us more and more. African elites patiently moulded in our Christian schools and colleges openly compete in the field of initiation rites in the lodges of darkness. The point here is who will reach the peak of initiation to satanic rites. In between two astral projections, our African elites, trained in Christian schools, and colleges, godly treated in their young age in Christian hospitals and health centres, softly nursed by the sweet melody of our Christian choruses have become elites of darkness. This is the proof that we've failed in the task of spiritual transformation of these billions of kids with false candid look to whom we taught the alphabet at Christian nursery schools . Because we lack spiritual power to communicate to them, the power of

darkness which confers a so to say social success, though followed by lots of sorrows, had had dominion upon them. This is, in fact, an absolute failure in the world government, as far as the taking charge of elites education is concerned.

In the west, the question is turned upside down. Satan is the one seeking ways to officially forbid Christianity. In northern Europe for instance, a righteous pastor is taken to court for a sort of supreme crime: marching alone in the street with a board condemning homosexuality. Besides, the new constitution of the European Union neither mentions GOD nor Christianity though the environment is a Judea Christian one. The European commissioner for justice is rejected by the European parliament for having stated that homosexuality is sin. In fact, the only TRUTH acknowledged in the west is that there is no absolute Truth.

Why is it that born again Christians we are light of the world and salt of the earth ,have lamentably failed in reviving the world? The answer is quite simple. We've tackled the question of revival with a magician mentality. And as a matter of consequence, Satan who is an obvious prestidigitator has easily defeated Christians on their spot. Assuredly, we have forsaken the foundation of our power and that's why the devil has taken control of the spiritual reign for some centuries .In our resounding defeat, the devil has successfully established false pastors in temples to remind us that it is suitable for us to flee from the world,, for we are not of the world.

The situation may look paradoxical. As a matter of fact, our defeat in the course of centuries finds its explanation in the fact that we've been agitating for revival, failing by so doing to fulfil the fundamental condition of revival which is the TRUTH.

Without the truth, neither power nor spiritual authority to conquer Lucifer and take hold of the move of the world. That's it.

The defeat is actually so resounding and acknowledged that many sincere Christians are rather astonished to hear that our mission on earth is controlling and ruling the world ,thanks to the power of the HOLY GHOST simply because we claim to be its lone holders in the world.

We make tremendous efforts to evangelise. We multiply temples, TVs, BIBLE schools, carry out door to door evangelism, yet we have replaced the written will of the Lord in the BIBLE by human precepts. In this respect, Satan ought not to be annoyed, for during centuries we've lied on the Service to the Lord, on tithes and offerings, on baptism, on the holy communion, on church organisation and on many other fundamental points of the Christian life as well. The power of the HOLY SPIRIT has left us and we have become unable to turn upside down the world. This is to assert that the TRUTH is the only source of power and authority of the Church. But since Satan has blocked us into his stony temples and religious pyramids, we happen to have become extremely rebel to the BIBLE.

In the depth of our hearts, we feel annoyed by the content of the BIBLE because its verses pull down our little human inventions and remind us all the time that our religious folks are nothing else than a tissue of lies, regardless their religious appearance.

Let's imagine an important Reverend Pastor of my calibre who is compelled to take care of a 10 person house assembly for six months.

In my dream, I rather see myself leading a six thousand members temple, being by so doing counted among the most known leaders in the society. It is henceforth at this level that I might be receiving invitations to travel to Europe and US to preach, for I am well known person. But if I happen to be less famous, I will make an effort to improve. I will be organising great mass crusades everywhere in Africa under the theme "Let's pray for GOD to bless some of the African leaders". In fact, are some of these African head of states Ahab the destructor the BIBLE talks about? Are they sub-Saharan Adolf Hitler or are they men of good endeavour in search of righteousness who deserve my blessings on scriptural principles? What's a question? This BIBLE assuredly plans to hinder my career. I will therefore be obliged to avoid some verses while asking to Christians to join me into an advertisement campaign aiming at blessing African Heads of state. Furthermore, the BIBLE talks about house assemblies which are local assemblies held Christian houses. What a downfall! Even my wife won't trust me with such a story...Anyhow, it's just a way to say things. GOD did not intend to ask us to constitute churches in Christian houses. It may look so simple for the intelligent and ambitious man I am. Moreover, I am a full time worker of the gospel!

While we endeavour to build temples for our personal glory, the BIBLE talks about autonomous assemblies. Please, an anaesthesia to forget such a verse! As we systematically prevent so called pastors to have a secular job, the BIBLE loudly recalls that Paul the Apostle had a job. He was an engineer who used to make and sell tents. Help, please to avoid such a verse. As we shout and compel Christians to systematically pay their tithes in our stony temples, the BIBLE recalls us that this practice should stop. Tithes are replaced in fact by

liberalities and whosoever goes back to tithes surely harvest a curse. May heavens help to forget such a verse. As we share loaves of bread and soft juice for the Holy Communion, the BIBLE reminds us to share bread and wine, coupled to a nice dish we eat in an atmosphere of joy in order to celebrate the Golgotha victory. Heavens forbid! As we prevent so called GOD servants to get married while being ready to tolerate hidden and frequent homosexual intercourses behind the walls of stony temples, the BIBLE clearly states that Peter the Apostle was married. Heavens forbid! As we ask Christians to be submitted to Adolf Hitler for all authority comes from GOD, the BIBLE shouts that we shall submit to authorities that work for good and that seek righteousness. May heavens forbid! As we submit new converts to hours of satanic initiation we call baptism teaching class, the BIBLE declares that once a person accepts and confesses JESUS-CHRIST as Lord and Saviour, he/she needs to be water baptised .Heavens forbid! As we gather in great number to speak new tongues nobody interprets, the BIBLE recommends that speaking in tongues shall be ordered and interpreted ,as to enable everyone to clearly understand what is publicly said and therefore to be edified. Heavens forbid! As our temples are in great confusion from the point of view of its ruling, the BIBLE clearly asserts that bishops and deacons are the only permanent workers who abide in the local assembly and rule it. Need of an anaesthesia to forget such a verse! As we pour drops of water upon the forehead of someone, the BIBLE teaches to the eunuch to completely get into the water of baptism just like Israel went into the red sea when they left Africa. Heavens forbid!

It is obvious nowadays that, not only we lack the necessary strength to stand by the side of the TRUTH, but also we tend to hate the

TRUTH. In addition to that ,it is said crafty operations are launched to hinder the diffusion of the TRUTH aiming at preserving the unity of CONSTANTIN and Alexander SEVERE's temples.

I remember a day, as I was making ready to proclaim the TRUTH in a so called Christian radio in the capital of one our African countries I was visiting, I was told that leaders of OHOLIBA's temples had just constituted a committee in order to censor my preaching before it diffusion. In front of this manoeuvre of OHOLIBA the criminal who thinks she is able to obstruct the TRUTH, I turned towards other radio stations and up to date, and by GOD grace, the TRUTH is having its way in that country.

In her wrath, OHOLIBA has used many tricks to prevent decision makers of that country to grant licence to other Christian applicants. The reason is that pastors of OHOLIBA the murderer carry their BIBLE day and night, attend meetings of lodges of darkness with politicians of this country where I often go.

This result in a lost of spiritual authority all over the world with the reign of Lucifer as consequence. The only gateway to the solution is a coming back to the TRUTH, that is a strict observation and practice of what is written in the BIBLE.

Because fake and lies have invaded the doctrines taught in the three religious pyramids namely Babylon the great, OHOLA and OHOLIBA, the HOLY SPIRIT has lad us to rebuild on biblical principles by re-establishing real foundations of the service unto the Lord. This task being done by God's grace, we hereby tackle the reestablishment of the basis of prosperity.

Assuredly, when we examine the basis of the foundation of tithes and offerings, it is in fact to remind the Christian on what he must do to prosper. The objective of tithes and offerings is prosperity. Let's use a secular example to highlight the understanding of spiritual things as the Lord JESUS-CHRIST used to do. Let's suppose I am in Addis-Ababa and wish to travel to Dire Dawa, another Ethiopian city. My objective is clear: Dire Dawa. However, I need a variety of means such as a highway with a good system of information including good road markings and signals to direct me, a car in a good state, enough petrol in my engine and a good driver. In the same manner, prosperity is the main goal of a Christian and the means to achieve it is a composition of things of different nature to offers to GOD in order to prosper.

It is urgent for us to re-establish the foundation of tithes and offerings for a world catastrophe has been going on for centuries. Complete generations of born again Christians have gone to pilgrim on earth in an absolute curse because of Tithes and offerings paid in CONSTANTIN temples. Candid as they were, they though they would harvest blessings by dropping their money in the offering baskets of Babylon the great ,OHOLA and OHOLIBA. By doing this, generations of sincere Christians have unconsciously placed themselves under the yoke of curse because of money wasted under the rules of lies and contrary to the divine prescriptions of the BIBLE.

In order to prosper, a Christian must offer a variety of "goods" to GOD. And this constitutes the adequate mean to reach out prosperity

.Let's read the Scriptures to understand that I offer to GOD in view of prosperity.

Philippians 4: 16-19 reads :

16 " For even when I was in Thessalonica, you sent me aid again and again when I was in need "

17 " Not that I am looking for a gift, but I am looking for what may be credited to your account "

18 " I have received full payment and even more ; I am amply supplied ,now that I have received from Epaphroditus the gifts you sent. They are a fragrant offerings, an acceptable sacrifice, pleasing GOD."

19 " And GOD will meet all needs your needs, according to his glorious riches in JESUS-CHRIST."

The BIBLE states in verses 16 and 17 that each time a Philippian Christian offers a gift to Apostle Paul, GOD considers these goods as directly offered unto him. This is a law called principle of representation we find several times in the Bible. As we saw, each Christian who gave to Paul became holder of an account in God's spiritual bank and GOD fills this account with wealth that belongs to the giver. See how gifts given by each Philippian Christian to Paul activates his / her riches.

What is the nature of this wealth? We'll be talking about as we share on prosperity. As for now, let's simply underline that we offer to GOD in view of multiplying misunderstood this.

In verse 18 we just read, GOD says gifts brought to Paul are directly offered to GOD. As a matter of fact, gifts offered to a born again Christian (I mean offered by the virtue of the fact that he or she is a genuine Christian) are offered to GOD. When for instance, GOD wanted to begin war against Pharaoh, he didn't come down on earth. He delegated power and instructions to Moses – that is, to the prophet of all generations.

Exodus 7 : 1 reads: “ *Then the Lord said to Moses, see, I have made you like GOD to Pharaoh and your brother Aaron will be your prophet.*”

It's clear that, based upon the principle of representation, we Born again Christians are GOD's Ambassadors and GOD's heirs. Giving henceforth to a genuine Christian is giving to GOD. No doubt, it is an evil act to lay down goats, bags of rice, bunches of plantain on ancestors tombs. This is an offering to demons and powers of darkness. GOD asks us to give to true Christians goods you've brought to Him and these goods will be seen as offered unto him directly .Verse 19 of our text confirms the consequence attached to the gifts of every Philippians Christian to Apostle Paul, that is, GOD meets all the needs of the giver. Providing to all needs means GOD prospers him. We shall be examining in detail this prosperity.

Now we've understood that the main stake of Tithes and Offerings is Prosperity of the Christian. This prosperity has a consequence on the move of the world for prosperous Christians rule the world while Christians who do not prosper are Lucifer's slaves in the world, waiting with pain and groan the rapture. Let's lay emphasis on the fact that

when we offer to GOD, He opens an account for me and fills it with spiritual wealth.

Ephesians 1;3 reads : *“ Praise be to the GOD and father of our Lord JESUS-CHRIST, who has blessed us in the heavenly realms with every spiritual blessings in Christ.”*

The word of GOD quoted here is clear. It asserts what GOD does for the faithful Christians .He credits with spiritual riches the accounts Christians hold in heavenly places. Because we've understood that the main stake behind tithes and offerings is prosperity, let's appreciate what prosperity is all about. In fact, **it's only when we really understand what prosperity is, its nature, the various means to achieve it, that we'll be able to know where the TRUTH concerning Tithes and Offerings abides.**

Let's consider the case of a journey to Diré Dawa I talked about .It won't be possible for you to travel there if you don't know where you're going.

Once you know you're going to Diré Dawa, it will be easy for you to choose the right way. If the road is of ground, you surely may agree that a 4 wheel drive is more suitable for the purpose than a little tourism car. You'll also need a driver who reads and speak the Amharic language because the road signboards are written in a language unknown to you. Knowing the final destination which is Diré Dawa helps you to define the best way that will enable you to drive to the place. In the same way, a good understanding of the TRUTH concerning prosperity helps to better understand the TRUTH on the gifts I offer GOD and which are the means I rely upon to reach out prosperity.

Let's now tackle the stake of prosperity to better understand what it is, for the three pyramids of CONSTANTIN have filled the world with lies on the topic. These lies are so much spread out that Christians tend to be the tail instead of being the head as the BIBLE says. Because the pyramids of CONSTANTIN have compelled them to be the tail, many Christians comfort themselves by claiming that there are not of this world. Absolute aberration for it is clearly established in the BIBLE that we are the real owners of this world which is our real farm, because GOD who is the creator of this world has established us as his only heirs. The time has come to rule over Lucifer thanks to a return to the TRUTH..O yes, we clearly repeat that we must go back to the Truth because our main goal is the conquest of the control and ruling of this world.

It is quite important for us to let Lucifer know that we really know our objectives and let him begin to shiver even before we finish crossing on one's feet Jordan tumultuous waters. The objective of controlling and ruling the world is a GOD imposed obligation and, as far as we'll fail to realise this objective it will be Lucifer the usurpator who will impose to us to live as unbelievers whereas we are Christians and appointed to live a victorious life.

Corruption and bribe have become our portion. I bribe the policeman and custom officer when I have to withdraw my car from the customs, import goods; I corrupt university authorities for my child to be admitted into the Faculty of biomedical sciences; I keep obliging attitudes in front of lodges of darkness when I preach ,frightened as I am by the fact that

a world network of informal and dark covenant will rise against me; no comment on frauds in presidential elections in Africa because the incumbent candidate is from my area. For sure village elites will exercise pressure upon me if I dare to preach against the frauds which destroy the nation and lead it into chaos ; no comment when western MPs practice homosexuality in their rites of initiation to darkness; no comment in front of the incredible tribalisation of the state and the government that leads to tragedy as it is the case in Rwanda; no single word in front of the fraudulent transfer of petrol income in Africa, because of the apparatchiks of the ruling party who every Sunday fill the offerings baskets ; bribes offered to taxation officer in order to cut down the taxes I ought to pay for my company I rule as a Christian; unceasing flattery towards lodges of darkness which happen to be the obligatory gateway to decisional posts; no single word when lodges of darkness that have wrapped the state and government unpredictably introduce astrology and black magic in school books pretending to teach African culture to children; absolute submission of young Christians to graphology, witchcraft and sorcery in the search of a job and you can name the rest !

All these perturbations of the world by Lucifer have been made possible because, for quite some centuries, we have forsaken the foundations of our power and authority which is in the TRUTH as written in the BIBLE.

However, Lucifer, as the BIBLE says, has right for only fourthy two months and GOD needs brave men who are able to turn back and give strokes while Israel is abandoning the battle. In **2 Samuel 23**,this is

what Eleazar, son of Dodai did. While the men of Israel retreated, Eleazer stood his ground and stroke down the Philistines till his hands grew tired and froze to the sword. At the end of the war, so much effort was needed in order to take the sword back out of the hand of Eleazer. This is also what shammah, son of Agée did as Israel fled from the Philistines. Schammah stood his ground alone in the middle of a field full of lentils and stroke the Philistines down. Like these men, **let stand our ground and go back to the TRUTH**

What is then the TRUTH in the stake of prosperity? This is the topic of our next share.

THE STAKE OF PROSPERITY

Before getting to the topic of prosperity, we wish to first of all carry out an important precision.

Listeners of many nations of the world have often heard us talking about the three harlots namely Babylon the great, OHOLIBA and OHOLA. Why then harlots and not prostitute men?

This is simply because to help us understanding the nature of the relationship between GOD and the church, GOD has taken the example of marriage. GOD stands as the husband and offers the church the position of the spouse. In this perspective, GOD says this to man: " what I feel when you are unfaithful to me is what a man feels when his wife is unfaithful to unto him ». that's the only reason we take about harlots. In **Hezekiah 23, 35** for instance, GOD says when a Christian

disobeys, it is similar to a spouse who betrays the husband. It is therefore the best way to upset the husband and from this picture, we can easily understand the type of anger our disobedience in God's heart. In the same way, chapters 23 and 24 of the book of Hezekiah state that when we abandon GOD to worship demons in the darkness, it is just a like a husband watching another man squeezing the breast of his beloved wife and having sexual intercourses with her on their marital bed.

Assuredly many husbands are totally upset when they read these chapters of the BIBLE and this is exactly what GOD expects from us. GOD therefore utilises husband and wife to help us understand what the feels when we hold the BIBLE in the day and attend meeting the lodges of darkness at night.

That's why we also talk about the prostitutes when we explain the lies of the three religions pyramids which are Babylon the great, OHOLA and OHOLIBA. Talking of harlots is not that GOD is particularly opposed to women. GOD is not mad, and he knows that as far as sins are concerned, men sin as well as women. This precision done, let's now tackle the topic of prosperity and let's start by defining the types of prosperity.

TYPES OF PROSPEERITY

Let's begin by appreciate the principle of obligatory offering which is an absolute rule to every priest of GOD. It is written in **Hebrew 8, 3:**

“ Every priest is appointed to offer both gifts and sacrifices, and so it was necessary for this one also to have something to offer”.

It is necessary that every Priest of GOD have gifts and sacrifices to offer to GOD. If you offer nothing you won't be qualified to be a Priest. You are appointed by GOD to be a Priest because you offer to GOD goods of various nature. This principle of obligatory offerings states that we enter in GOD priesthood because we have things to offer to GOD. In short, you can't be appointed GOD's Priest if you have nothing to offer GOD. This principle is valid all through generations and the High Priest Himself offered to GOD things of various nature, giving by so doing an example for us to follow. Abel and Cain understood that to be priests, they must offer to GOD. Noah, Abraham, Aaron, Samuel, New Testament Christians, every Priest offers to GOD various things in order to be qualified as Priest.

Because I' am compel to offer to GOD in order to become a priest, what will happen if I offer goods to GOD on a spiritual bases ? The answer is simple: I will prosper. We've seen in **Philippians 4, 16-19** that goods of different natures we bring to GOD are the mean which leads me to prosperity as well as the car, petrol and the driver that lead me to Dire Dawa.

Among those who offered, let's distinguish two categories. There are, on the one hand priests who prosper because they observed three important conditions:

1stly, they offer to GOD things He asked for

2ndly, they offer in the temple of GOD and on GOD's Altar.

3ndly, they offer according to GOD's established rules of the TRUTH.

This first category of Priests prosper because it is in the TRUTH they offered to GOD various goods. On the other hand, there is a second category of priests who did offer a lot of things to GOD and yet prospered not in their earthly pilgrim for the following reasons:

- Things offered are not those request by GOD
- Things were offered in a temple which is not from GOD, and were offered on a strange altar.
- Rules of the TRUTH as established by GOD are not respected.
-

In this second category of lost priests who offered to GOD in lies, that is, without any respect of the rules of truth established by GOD, we can name Cain, Nadab and Abihu, the two sons of Aaron, the sons of Koré in the wilderness, Ananias and Saphira in the New Testament, and unfortunately large crowds of sincere Christians imprisoned in the lies of the three religious pyramids of CONSTANTIN. This category offers a lot, however harvests a curse for it offers, according to rules that are opposed to the word of GOD.

Born again Christian, let's understand that when our gifts and sacrifices fail to respect God's word prescriptions, we harvest curses and we never prosper: and it is of no use to pretend when we've gone astray, for God's will is clearly written in the BIBLE and it is up to everyone to choose to trust either the BIBLE or the gossips of CONSTANTIN Pyramids.

As **Hebrew 8,3** just taught us, we born again Christians are priests of GOD, for we necessarily have something to offer to GOD. But as priests, we should pay attention to what we offer and make sure we offer nothing else than what the Lord is expecting from us in line with

His rules. If we fail to do so, we may offer a lot and yet prosper not. It is within the principle of the integrity of the offering which states that it is in the TRUTH, that is in line with God's will that I offer goods of different natures to GOD. If my offering is righteous, that is, performed according to the TRUTH, then I will prosper. If it is the contrary, I prosper not, for I have acted like Cain, Nadab, Abihu, Ananias and Saphira or as the sons of Koré.

If I refrain myself to offer, I cease to be a priest, according to the principle of obligatory offerings as we saw in Hebrew 8:3 which states that every GOD's Priests ought to bring goods of various natures to GOD. We have clearly understood the principle of obligatory offering that goes with every priest and the principle of integrity of the offering which states that in order to prosper, I must give to GOD in TRUTH, that is by respecting the rules of offerings as established by GOD in the BIBLE.

Let's tackle the types of prosperity.

There are two types of prosperity, namely the fundamental prosperity and the secondary prosperity. Fundamental prosperity is spiritual. It gives birth to secondary prosperity. Secondary prosperity is a consequence of fundamental prosperity. It comes from the spiritual prosperity and is natural because it is timely and limited within the space.

Fundamental prosperity which is the prosperity of the soul is spiritual and is not limited neither in space nor in time. As a matter of consequence, one can transmit his spiritual prosperity to an unlimited number of spiritual heirs. That's why spiritual prosperity which is

invisible is transmitted to thousand generations of spiritual heirs whereas secondary prosperity which is visible is temporal. **2Corinthians 4 : 18** teaches us that invisible things are eternal meanwhile visible things are short-lived.

Unfortunately, Satan has access to your spiritual account once you commune with the spirit of darkness. Once you enter a fellowship with spirits of darkness, Lucifer who is by essence the thief, obtains automatically the right to get to your spiritual account. No doubt Christians will say, to be candid, that they have not made any covenant with the devil and consequently, their riches are protected. Wrong ! Christians with accounts hermetically closed to Satan are scarce. In fact, in who abides the HOLY SPIRIT? In the born again Christian. In who abides the spirit of darkness? In false Christians and fake pastors disguised in minister of justice, in every type of wizard and witch, in Lucifer ministers living with us in the world. Just imagine a born again Christian moving hand into hand with unknown persons. In Africa, this is called "MARCH FOR JESUS". Such a march is of a great rejoicing to Lucifer, for it brings together crowds of sincere Christians to spiritually commune with vampires, fake pastors and Satan therefore finds in a suitable occasion to steal spiritual wealth of Christians. In the midst of these ecumenical gatherings Satan literally and freely carries out his assignment and fills his baskets with our spiritual wealth.

On Sunday, about a thousand of people are gathered in a stony temple and all of the sudden, OHOLIBA the harlot begins speaking in tongues and there is no interpretation. People are henceforth in communion with spirit of darkness and Satan takes advantage to penetrate your

accounts and steal your spiritual wealth. The only way to forbid access to Lucifer into our spiritual riches is by going back to House Assemblies where people are intimately related one to another. It is not in vain that the BIBLE talks of house assemblies.

In **2 Corinthians 6 :14-1**, GOD abundantly explains that when we commune with fake Christians, vampires who do not repent and fake pastors, we are directly placed under Satan's yoke. In this respect, Satan tells GOD we are under his yoke; we are his slaves and this therefore confers him the right to enter our spiritual account and steal our spiritual wealth. That's why GOD insists in verse 17 appealing us to come out and separate from them. We hereby begin to understand why some Christians tend to accuse GOD claiming "GOD has revealed to me several times a number of blessings he will grant me yet I've seen no accomplishment." Fools you are! Do you think GOD is a liar? May GOD be true and every man be a liar !

GOD in his faithfulness has put in your account spiritual riches which will produce material blessings He promised you. The only problem is that you spend your time singing in a choir with witches and wizards and Satan happily places upon you his yoke. You become his slave and he fetches every of your spiritual wealth. GOD could not be guilty if Satan has deprived from your wealth. Of course, born again Christians are often absent-minded when they read their BIBLE. Satan is a thief and it is the born again Christian, GOD's heir who is the owner of the world. Let me ask Christians a question. Who does Lucifer the thief steal? Even a 8 years old child could give the correct answer. It is the owner of the world Satan steals, for he owns nothing.

Born again Christians, do you wish to maintain your spiritual wealth in your heavenly account? **Then go back to House assemblies.**

But why is Satan so attached to our spiritual wealth? This question leads us into the second type of prosperity which is natural prosperity.

Once GOD has gathered spiritual wealth in the heavenly Christian account, these ones create prosperity on a secular plan including physical health, financial health in terms of silver and gold, political power, intellectual power, success in any endeavour to name a few.

As a matter of example, when Potiphar the pagan appointed Joseph the Hebrew head of his house, Joseph's spiritual riches activated a shower of blessings on Potiphar's household. Once Laban the pagan Aramean and worshipper of the Teraphim appointed Jacob the Hebrew over his flocks, Jacob's spiritual and invisible riches activated a rain of natural blessings which came down on Laban's flock and finally ends up in a supernatural multiplication of his flock. As we see, spiritual riches which GOD places in our accounts enhances, on the secular plan, multiplication of silver and gold, of success in earthly endeavours. That's the reason why Satan is so greedy as far our spiritual wealth is concerned. Physical health, gold, silver, political power, intellectual power issued from the spiritual world that is our spiritual wealth, that's what motivate Satan to establish every sorts of spiritual fellowship with Christians.

GOD says "gold and silver belong to me."

Do born again Christians who are said to be GOD unique heirs, possess this money ? No, they don't. And if it is the case, who then owns this money? The process is quite simple.

GOD start by filling in the sincere Christian account who is committed diligently to seek God's will and walk in the fear of the Lord. But at the end of the week, he/she finds himself or herself in a vast choir of OHOLIBA with some thirty members among which four vampires and three members of a darkness lodge. Immediately, Satan takes advantage of this spiritual fellowship, gets rightly into the accounts of the Christian and spoils the spiritual riches GOD has provided. These riches then produce silver and Gold yet confiscated into Satan hands.

For sure, GOD says if you are a faithful priest, you shall be the head and not the tail. Has GOD lied? Of course no. However, at the world scale, the born again Christian is the tail in the field of politics, economy and sciences. Very often, the lost Christian wanders in spiritism, claiming that he is not of the world.

Fool. Do you pretend to be more spiritual than GOD? GOD clearly talks of being the head in earthly things and it is really in the world that JESUS-CHRIST is coming soon to reign for one thousand years with Jerusalem as Capital.

Let's open our BIBLE to better understand. **3 John 1: 1-2**

"The elder, to my dear friend gains, whom I love in the truth. Dear friend, I pray that you may enjoy good health and that all may go well with you as your soul is getting along well."

The verses we just quote reveal that the prosperity of the soul comes first. It is when my soul has prospered that this gives birth to good health and all type of prosperities, that is, in economy, in creation of companies, scientific research as well as whatsoever natural domain.

Fundamental prosperity, in search of which is the wise man and GOD fearer, is the prosperity of the soul which has a spiritual nature. It is this spiritual prosperity that gives birth to the other forms of prosperities the Christian enjoys in the visible world.

It is therefore of a real concern to focus first of all on fundamental prosperity which is spiritual. Let's attempt a deep definition of what it is. Once in the position of a priest, I offer to GOD various gifts following God's established rules, GOD opens in his bank as we saw in **Philippians 4:16-19**, an account to me and fill in spiritual riches which activate realisation of natural prosperity on earth. That's why **Philippians 4:16-19** asserts that all the natural needs of Philippians who have brought various gifts to GOD were automatically met.

Let's halt a while to better understand this.

The BIBLE says Satan is a thief. And a thief is he that takes away what does not belong to him. In the world, Satan can only steal from one person, the owner of the world. This owner is clearly identified in the BIBLE. He is the born again Christian, ambassador of the creator of the world and heir of the said creator. The question I had liked to ask born again Christian is: have you ever seen a gentleman called Lucifer coming to your house and taking away bank notes from your box ? No, Satan first of all seeks ways to deceive you and enter, into a fake spiritual fellowship with you, and it is this fellowship that grants him a

legal access to your accounts in God's bank. He thereby fetches and spoils the spiritual riches of your account and you automatically become the last in the natural plan instead of being the first as the WORD OF GOD declares.

The BIBLE clearly shows us in that it is the trap of lies that gives to Satan the right of stealing our spiritual wealth in heavenly accounts.

Let's examine carefully **1 John 3: 1-2**

" The Elder, to my dear friend Gaius, whom I love in the TRUTH. Dear friend I pray that you may enjoy good health and that may go well with you, even as your soul is getting along well. It gave me great joy to have some brothers come and tell about your faithfulness to the truth and how you continue to walk in the truth."

With real prophetic eyes, apostle John, who is also a GOD's Prophet, prophesies upon Gaius an absolute and complete prosperity and adds that this prosperity is unavoidable, for Gaius soul had already prospered. And because Gaius soul had already prospered, John the prophet, with spiritual eyes foresees this prosperity which is spiritual and invisible. He comes to the conclusion that this spiritual prosperity will consequently enhance an absolute prosperity at all levels. His wish towards gains is not a mere canal wish, but a true prophecy, an assurance foreseen. Verse three explains the reason why Gaius has prospered spiritually: because of the **TRUTH. Born again Christians, listen: Gaius prospers spiritually for a single reason : he bears TRUTH in him and he walks in the TRUTH.**

We henceforth begin to understand that false Constantan's pyramids are more useful to Satan than whatsoever thing on earth. It is where Lucifer confines crowds of Christians in lies, build spiritual bridges that grant him access to our accounts in GOD's bank and it is within these pyramids that Lucifer finds the unique opportunity to empty and spoil heavenly riches of true Christians and transfer them to his children in darkness. However, when the time to handle our spiritual wealth to his children comes, the devil will impose his satanic conditions. His so called "blessings" are always accompanied by satanic conditions to fulfil.

The spiritual fellowship between genuine Christians and fake Christians held in the three religions pyramid of the world gives Lucifer access to our heavenly bank accounts and these pyramids are of course the jail in which Christendom is imprisoned and deprived by the world. The false unity in between born again Christians promoted by Lucifer offers a chance to Lucifer to steal and spoil our riches.

Let's insist once again in order to understand the nature of the prosperity of the soul that is genuine prosperity.

My soul prospers when I' am transformed in ever increasing glory into the likeness of GOD, and this transformation is performed through by the HOLY SPIRIT as I go along obeying GOD (2 Corinthians: 3-18)

Fundamental prosperity is therefore made manifest once the nature of GOD is more and more rooted in me for I obey GOD. At the ultimate level of this transformation, GOD declares that we become God's to pagan nations, that means pagan nations which do not know the true GOD, see in us the image of GOD, because we represent the only source of light for them. We become the sole decision markers on earth.

The Christians who have prospered at the fundamental level have sought first the kingdom of GOD. By obedience to GOD, he had offered to GOD, goods of different natures, and God's nature has completely wiped out the initial carnal nature. His heavenly bank account overflows with spiritual wealth which thus automatically activates an abundance of natural riches. Christians and their heir begin to prosper all along because their souls have just prospered.

They prosper along well, that means in politics, in banking, in scientific research, in literature, in business. In fact, if Satan has successfully trapped Christians-for a while –the Christian is in a short ecumenical prayer in a temple of CONSTATIN, his spiritual riches will be stolen, and the natural wealth produced by spiritual riches Satan will be stolen thank to a spiritual link made possible by an ecumenical prayer, will finally be found in evil hands. That's the great world commerce carried out by the three religions pyramids of CONSTATIN.

Let's now tackle the notion of heir.

A priest that has prospered has two types of heirs: spiritual and natural heirs. Spiritual riches of the Christian account in God's bank are handed from generation to generations to spiritual heirs and this last as long as Satan can not find a link or an opened door to steal this wealth. This transmission from generation to generation is made possible because spiritual wealth of a born again Christian are neither limited in time nor in space. However, natural wealth generated by spiritual riches of the Christian are transmitted are transmitted to spiritual and natural heirs as well. These natural wealth are limited in time and space. Furthermore, in some cases, spiritual riches of the Christian immediately activate natural riches, whereas in others, one has to wait for years or generations for his spiritual riches to bring forth natural riches. In addition, let underline the fact that when the spiritual riches of a Christian generate natural riches, the said Christian

may not forcefully enjoy them. GOD may allow this Christian to obtain a part of these natural riches, but in general, GOD gives out the greater part of this natural wealth to spiritual and natural heirs of the said Christian. Most Christians may be amazed to hear that spiritual riches are turned into natural and visible wealth. Let me help you to understand that. Which is the greatest spiritual wealth? It is that without an equivalent. It is the LORD JESUS-CHRIST himself. Who came to redeem us on earth? It is GOD HIMSELF, first invisible and everlasting spiritual wealth who came and took the form of the flesh in a visible world in order to save us .At this juncture, we clearly understand that our spiritual riches in the heavenly accounts enhance natural riches that are visible on earth.

Let's go back to the BIBLE to examine a few cases of high priests that have prospered so as to illustrate the share we just had on the two types of prosperity.

PROSPERITY OF PAUL THE APOSTLE

Did this man of GOD really prosper?

Of course YES! Apostle Paul's account in GOD's bank is full of spiritual wealth which generate in return natural riches.

Did Paul, a well known servant of GOD prosper? Assuredly! Apostle Paul bank account into God's bank is full of spiritual riches. These riches generate natural wealth. Physical health is an example of natural wealth. However, health as a natural wealth is not completely consumed by Paul. The greater part is consumed by Apostle Paul natural heirs that are crowds of sick persons that have been healed as they had a contact with him. In the midst of these healed ones, those who believed are spiritual heirs whereas those who believed not are natural heirs.

It may happen that Apostle Paul suffered from a sickness which last till death. This is due to the fact that though physical health certainly proceeds from the spiritual wealth of the Apostle, it is not in priority destined to him. On the contrary, when a venomous serpent bites Apostle Paul, GOD directs a portion of the physical health towards him in order to quench the poison and keep the apostle alive. Born again Christians, let's understand that natural riches generated by our spiritual riches are not destined to us. A great part of it is handled to our spiritual and natural heirs. Let's stress on this aspect of the thing. How do the economical, political and social healing of a country take place? The answer is given in **2 Chronicles 7 : 14**. GOD says if He finds Priests who repent, humble themselves and pray, so shall He heal the land. Then what does GOD heal the land from ? From economic misery, socio political tension, from wars and catastrophes, to name a few.

Is the whole economic prosperity of a healed land exclusively found in the hands of high priests that have humbled themselves and prayed for the land? No of course, yet all the economic riches of a healed land are natural riches coming from spiritual wealth gathered by faithful high priests. Is the GOD given peace in the land GOD has healed exclusively reserved to priests? No of course. The whole land is beneficiary of the spiritual riches gathered by repenting priests who prayed for the land. In this respect, the whole people of the land are secular heirs of faithful priests whose spiritual riches have generated natural blessings in the whole land.

THE PROSPERITY OF ABRAHAM

Assuredly, no priest will prosper above Abraham, for he is the father of the faith. Let's halt on this case to better illustrate the two types of prosperity.

Abraham's account into God's bank is completely filled with spiritual riches. These spiritual wealth are handed over from Abraham to all faithful priests of GOD within generations. We are Abraham's spiritual heirs. Abraham spiritual wealth generates natural riches. We can notice that a portion of these riches is created and made real in Abraham's hands.

That's what **Genesis 24: 35** says:

" The Lord blessed my master abundantly and he has become wealthy him given sheep and cattle, silver and gold, menservants and maidservants, and camels and donkeys."

Part of these natural riches generated by Abraham's spiritual wealth is materialised thousands of years later in the form of petrol in Arabs hands for Abraham cried to GOD to also bless Ishmael though he was not a spiritual heir. So GOD, thousands of years later has turned into petrol deposits into the hands of Ishmael offspring. Ishmael and his descendants are natural heirs and share a portion of the benefits of Abraham's spiritual riches. Though Abraham passed away without seeing this petrol, GOD had kept his WORD . In this respect, we clearly understand that centuries can pass away before our spiritual riches generate natural wealth in the hands of natural and spiritual heirs.

Another part of the natural blessing issued from Abraham's spiritual blessing is in the hands of native Jews who rule over economy, sciences and politics in the greater part of the world. Another portion of these natural wealth coming from Abraham spiritual riches is destined to born again Christians.

However, at this level, there is an absolute confusion. OHOLIBA who pretends to be a spiritual woman though she is a harlot, unceasingly shouting halleluiah and talks of the HOLY GHOST, had told us previously that we have no right to natural riches. Think about this! A spiritual heir, asking himself whether he deserves the fruits of his spiritual heritage. I fact, if I spiritually prosper in Abraham faith, I shall necessary prosper all along, that means in various secular domains of life. GOD says " prosper all along" meanwhile OHOLIBA says "it is only spiritual". Oh Treacherous OHOLIBA !

THE PROSPERITY OF LOT

This is a typical case of a priest who, after experiencing a phase of spiritual prosperity, has gone astray and lived with people of Sodom and Gomorra. As long as Lot walks on the steps of Abraham the father of faith, he prospers spiritually and as a matter of consequence, his spiritual riches generate abundant natural wealth for him. Lot flocks are of great number as Abraham's. Unfortunately, these abundant natural riches created by Lot spiritual riches will lead him into perdition. He will establish himself in the midst of Sodom and Gomorra. It is the case of the new convert who filled with the joy of conversion, quickly rushes in a six thousands people temple locked in one of CONSTANTIN's Pyramids.

Very soon, Lot, the believer gets into a fellowship with Satan. He couldn't do otherwise. His daughter even got married to men of Sodom and Gomorra. He struggles to live his life of faith in GOD in sadness, in the midst of a Satanic crowd with whom he communes spiritually to an extent that he gave them his daughters to marriage. In this perspective, Lot will soon lose the vision for he doesn't recognize GOD when he saw the two angels that have come to destroy Sodom and Gomorra, meanwhile Abraham saw and recognize them. Finally, Lot whose spiritual riches have been stolen by Satan, lost his flocks as well as his wife whose heart couldn't quit Sodom. Incest gets in the family and Lot who is no more holder of a spiritual heritage is sentenced to slavery and extermination.

Born again Christians, that's what happens to us when we involve into spiritual fellowships with hundreds of unknown persons in Alexander SEVERE and CONSTANTIN Temples.

THE PROSPERITY OF ELISHA

Elisha is visibly a GOD priest who spent his time ruling the events. It is not the ungodly king of Israel who takes decisions. It is Elisha. But there is a phenomenon at the beginning of his reign: the hold of the mantle. When his master Elijah questions Elisha on his will, he asks not for futile things, for natural things. As a wise man, Elisha knows that he who is spiritually wealthy rules the natural world. He therefore asks for all spiritual riches gathered into Elijah bank account. Behold a wise son who takes hold of his father bank account. The continuation is a succession of spectacular miracles, a life full of glory and honour.

The spiritual wealth he got from Elijah have generated this wonderful reign for Elisha. Are you in debts? Elisha the banker pays your debts in a miraculous way. Is your hammer **sullies** in the depth of the see? No problem. Elisha the hydrodynamic engineer is there to bring it at the surface. Is the Syrian army launching strategy to attack? No problem Elisha the Chief General will unveil to the Israelite army the secret strategies of Syrian forces. Any case of leper? Go to Elisha the MD. He knows to surprisingly heals leper.

Nevertheless, there is a striking thing throughout the reign of Elisha. Natural riches that are produced by spiritual riches Elisha bears in him are scarcely profitable to Elisha himself. These natural riches are generally turned to others.

What kills Elisha? A sickness as it could have been the case with any ordinary citizen? GOD didn't turn towards Elisha healing proceeding from Elisha spiritual riches. After healing the sick, Elisha dies of sickness. But the stony is not over. Years after Elisha death, the corpse of a man is accidentally thrown on Elisha bones. Once this corpse got into contact with Elisha bones, the corpse came back to life. See how far even bones of Elisha who died years ago continue to transmit riches coming from Elisha. Though Elisha didn't come out from the grave, his bones brought back a dead to life.

Some genuine Christians give enormous quantities of silver and gold to natural and spiritual heirs meanwhile these same Christians lack money. You don't get it ? Let read the scripture!

A crowd of thousands of people is gathered, listening to Jesus. After having preached for a long moment, he suddenly turns toward the disciple and says. Give them yourself food to eat. You can understand

the confusion which follows in the midst of disciples who are yet to have the understanding of the TRUTH. GOD has seen the accounts of the disciples and he knows that there is, in their accounts, spiritual riches which can create food for the crowd (MK 6: 30-44 and MK 8: 1-10) GOD wasn't joking. He is serious when he asks the disciples to give food to the crowd. In fact, GOD is just saying to them that though your eyes do not see, you somewhere have what to feed this crowd with. Contrary to the disciples who have not yet understood that they are holders of spiritual riches capable of creating great natural riches, Apostle Paul a mature man of GOD declares in **2 Corinthians 6: 10** that **"we are poor yet making many rich; having nothing and yet possessing everything"**. Are Silver and gold found in the expression "everything" ? Of course, yes. As astounding as it seems to be for a human spirit, the born again Christian that has spiritually prospered has in his account spiritual riches which can generate abundant natural wealth for his natural and spiritual heirs. It doesn't matter whether the said Christian looks poor. This poverty might be apparent. Assuredly, he has the necessary means to feed five thousand persons. What goes on in the practice is that this Christian, as a lamb, thrice a week goes in a temple of CONSTANTIN to pray and sing along side with two thousands of people, among which are many sons of darkness. It is within the framework of this fake fellowship Satan really likes that Mr Christian gives way to Lucifer to steal in his spiritual account, his treasures. For this to come to an end, **we must go back to house assemblies.**

Let's now examine the blessings of Isaac upon his children. **Genesis 27: 37** reads: ***" Isaac answered Esau, " I have made him lord over you and have made all his relatives his servants, and I***

have sustained him with grain and new wine. So, what can I possibly do for you, my son ? Does Isaac have in his hands grain and wine as he talks? No of course. Whereas his certainty is absolute. He declares he has given Jacob piles of grain and hundred of litres of wine. As a spiritual man, he knows there is in his bank account in God's house, abundant spiritual riches which will later produce natural riches in great quantity for Jacob. In order to generate natural wealth, one first of all needs to have spiritual riches. Even Lucifer ought to steal spiritual riches from Christians before turning them into natural wealth for the soldiers of darkness. Before giving out these riches to his soldiers, Satan will naturally bind them in Satanic conditions that vary according to the scale of his craftiness. While coming to a conclusion on the two types of prosperity we've studied, the principle of offering obligation which states that to be qualified as a priest of GOD, one must offer to GOD " goods" of various natures. We also learned that these "goods" of different natures I offer to GOD are adequate means through which I achieve prosperity for when I offer, GOD opens in his bank an account for me and fills it with spiritual riches. These spiritual riches generate natural wealth for my natural and spiritual heirs. This transformation of spiritual riches into natural riches can be a short term realisation or can be effective after years or even centuries. Only a portion of my natural riches generated by my spiritual riches returns to me. We also learned that Lucifer can have access to our heavenly bank account if I dare to go into a spiritual fellowship will him through false Christian ok fake God's servants. Above all, let's not follow OHOLIBA who likes to pretend that she is spiritual, yet she is a mere harlot. She will pretend she doesn't understand how can spiritual riches be turned into natural and visible wealth. If we listen to this criminal, she will soon whisper to our ears

that it is not possible that GOD who is invisible has descended on the earth in form of visible flesh. As for her senior sister OHOLA, she no more wants to hear about the HOLY SPIRIT, and her sole dream is to lead all the Christian to a giant session of world fornication with her mother, Babylon the great, in the midst of candle lights and vapours of incense.

Is brother Kazadi who lacks money and has a poor health necessarily a rebel against GOD? We said we can find possible answers to this question.

Firstly, this Christian may have spiritually prospered and has gathered spiritual riches which brought money and health to numerous spiritual and natural heirs meanwhile Kazadi himself seems to have neither money nor physical health. Spiritual new deal of the land, may be coming from Kazadi. Economic and political power owned by other Christians of the country may be coming from Kazadi's spiritual riches and prayers.

Secondly, Kazadi must have prospered spiritually, however, shut away in a temple full of wizards, he has regularly and spiritually communed with false Christians and Satan has taken advantage of this fake spiritual fellowship to steal all the riches of Kazadi.

Thirdly, Kazadi might effectively be a rebel, a priest non approved by GOD. The question thereby is to know what I ought to offer to GOD be a qualified GOD's Priest. As for me, I've well understood my goal which is prosperity. But, to prosper, I must offer to GOD and in righteousness, goods of various natures, I mean, I must be a priest

and obey to GOD established rules. Which instruments lead me to prosperity? It is just like the traveller who knows he is going to Dire Dawa. He now needs specific means to reach his destination. That's the topic of our next share.

WHAT MUST I OFFER TO GOD TO BE QUALIFIED AS A PRIEST ?

In order to prosper, I must offer "goods" of various nature to GOD, according to his established rules. Bringing such goods of various natures me a GOD's high priests. Nevertheless, there are two categories of high priests.

On the hand, righteous priests who prosper for they offer to GOD in truth, that is, is following strictly the biblical rules established by GOD. Those priests spiritually prosper, in other, words, the HOLY GHOST transform them from a level of glory to another at GOD's image. GOD's nature progressively overwhelms them and their spiritual accounts in GOD's bank are unceasingly filled with spiritual riches which generate in return abundant natural wealth destined to natural and spiritual heirs.

On the other hand, there are also lost priests who have gone astray and stood far from the truth and who harvest curses instead of prosperity because they bring offerings to GOD, not according to the TRUTH, that is? not following GOD's established rules.

We will be examining these items in two steps. Let's start by examining the nature of the various goods we must offer to GOD in order to be qualified as GOD's Priests. Then we'll be appreciating the

rules to be followed in TRUTH, that is in integrity, for prosperity sake. If we aspire to become GOD's Priests, we must follow the steps of the sovereign high priest himself, by virtue of the principle of similarity in **John 5:19** which states that:

" JESUS gave them this answer I tell you the truth, the Son can do nothing by himself; he can do only what he sees the father doing, because whatever the father does the son also does."

It is clear; if we aspire to be priests, we must simply do what the sovereign high priest does. As a high priest, the Lord JESUS-CHRIST himself offered "goods" of various natures so as to show us the, example of whatever we ought to offer to GOD to become his priests.

Let's now examine the "goods" of different natures offered by the sovereign high priest that is JESUS-CHRIST. **The whole mystery of prosperity is revealed at Golgotha.** Let's examine here what happens at Golgotha to clearly understand the prosperity of the righteous priest or the curse of the priest who offers, according to lie. The most visible thing at Golgotha is the cross of the Lord JESUS-CHRIST. This cross is made off a vertical branch and a horizontal branch. This means the high priest offers things to GOD following the vertical branch of the cross and He also offers things to men following the horizontal branch of the cross.

Another fact at Golgotha is the effective presence of two thieves. One who repents as obtains forgiveness and everlasting life, another who mocks at the Lord and goes to eternal perdition. The lake of fire and suffer is his final destination. In between these two men is the Lord

JESUS-CHRIST the completely separates the two bandits and the soul of the thief on his right prospers because he completely dissociates from his companion. GOD is hereby addressing born again Christians who, candid as they are, continue to think they will prosper while continuing to spiritually fellowship with crowds of false Christians and fake pastors in the temples of Babylon the great, of OHOLA and OHOLIBA. We must absolutely separate from the temples of Alexander SEVERE and CONSTANTIN.

Wheat and weeds are mixed up in the world and not in JESUS-CHRIST spiritual body which is the church. Each of the two thieves well carried his cross and followed the Lord JESUS-CHRIST up to Golgotha. But once at Golgotha one of them mocked at GOD. This bandit that have carried his cross and followed Christ with zeal up to Golgotha but finally mocked at GOD is in the image of vampires, witches and wizards, fake pastors who organise every type of rallies and preaching whiles hiding their spirit of witchcraft in themselves. They will never confess that they are sorcerers or vampires. Though they are zealous as well as genuine Christians for worship, preaching, evangelisation, they carefully hide from ignorant their nocturnal astral projections and their registration number to lodges and darkness. Now, what can the born again Christian do in order to avoid fellowship with such a thief apparently zealous who mocks at GOD? He must flee from such person and go back to the house assembly. It is an unavoidable condition to start spiritual prosperity. Sanctification first of all means set apart, separated from the darkness.

Usually, I feel a particular joy flowing in my heart when God's servants from the west move to Africa to preach GOD's WORD. Let's underline

that a handful of them are genuine spiritual fathers of the church, and some of them have been **authors** of writings and development of our African tongues. But recently, my spirit however was grieved as one of the great preachers of the world launched a series of messages throughout Africa via TV. In fact, the main theme was love, for the time for the two religions pyramids of CONSTANTIN to unite has come. Having noticed that my spirit was getting exasperated within me at a moment I was to rejoice, I started research in achieves of the U.S. What did I found ? Our eighty years old man preaching love through out the world, is **initiated** up to the 33rd degree of one of these satanic lodges which pretend to rule the world. Just imagine crowds of sincere Christians spiritually communing with our 80 years old man base in the Unite States of America. Some brethren in CHRIST-JESUS, exasperated by the manipulation of our minister of love, have even given off an alert to U.S by publishing the number and the address of the lodge of our international preacher.

Born again Christians, we saw at the cross of Golgotha a bandit who mocked at the Lord JESUS-CHRIST. Separate from him, so as to prosper all along as your soul prosper. If you continue to fellowship with this thief, you will neither prosper in economy, in politics, intellectually nor in whatsoever domain. You will always be the tail because Satan will permanently draw from your spiritual wealth. Having explained the necessity of separating with soldiers of darkness who pretend to be Christians as well as Lucifer who disguises in angel of light, let's tackle "the goods" or things GOD requests us to offer him in order to prosper. Which are the "goods" of different kinds offered by JESUS-CHRIST the high priest?

Once I' am separated from the thief that mocks at the Lord JESUS-CHRIST, that is fake Christians and wizards disguised into " pastors", I must offer to GOD in TRUTH, five things of different natures in view of my spiritual prosperity. In addition to that, as long as I prosper spiritually, my spiritual riches will make me prosper all along, that means in every aspect of the secular life. Because the slave is not bigger than this master, we are simply going to offer to GOD and men what the Lord JESUS-CHRIST, offered to GOD and men for it is written "the son does whatsoever he seen the father doing". The priest being the son of the sovereign high priest who is JESUS-CHRIST, must do like his father.

THE FIRST THING TO OFFER

In the framework of his ministry as high priest, JESUS, offered himself on the cross at Golgotha. He offered himself on the cross as a victim slaughtered on the cross for our atonement. The BIBLE says as a matter of fact that the wages of sin is death. In this respect, there is no possible, atonement is blood is not shed. As the lamb that was slain, JESUS-CHRIST offering himself to GOD as the victim to slaughter for ours. At the same time, he offered himself to men, that is, he offered his body and blood to men so whosoever may eat his flesh and drink his blood shall have eternal life. Wizard and witches of all countries, stop eating the flesh and drinking the blood of your neighbours. By faith, drink instead the blood of JESUS and eat his flesh which deliver you once for all and grant you eternal life. This offering made to GOD at Golgotha leads us to a simple conclusion concerning prosperity. As born again Christian, I must offer myself to GOD and then to men.

I must offer my body GOD to be the temple where GOD abides. Then I shall offer my body to men as a temple bearing God's altar upon which men should place their offerings in order to obtain GOD blessings. I' am therefore the temple where GOD abides and I bear within myself GOD's Altar. If an inhabitant of the earth wants to offer a gift to GOD, I must be a qualified temple for GOD, so GOD will order this person to deposit his offering on the altar which is in me, the born again Christian. The question at the this juncture is how should I offer myself to men just as the High Priest did? This can be done in two steps.

Firstly, if I am not yet a born again Christian, I must confess my sins in a prayer of repentance to JESUS-CHRIST and say unto thee " come and take hold of my life". I can do this alone in my bedroom. Then I must look for a genuine Christian to take me to water for baptism. Then I will also pray and ask GOD his HOLY SPIRIT. Once I' am baptised in water and filled with the HOLY SPIRIT, behold I am born again. I have become God's temple and GOD abides in me and I am born again. But the second step remains, for I have to remain a qualified temple into which men will deposit offering destined to GOD. In this respect, the BIBLE indicates two main sources of filthiness I must flee from. If I successfully flee from these two sources of filthiness, I remain a qualified temple and wealth comes to me. Theses two sources of filthiness in question are sex and tongue.

When I have an unauthorised sexual intercourse, my body becomes one with the body of my sin partner. If my sin partner is a witch / Wizard for instance, then GOD sees from now on, a Christian with

body of vampire. At this moment, it is impossible to GOD to order visible wealth to be deposited on the vampire body I bear. In fact, once I have a sexual intercourse forbidden by GOD, the doors of my spiritual accounts are widely opened to Lucifer, the thief who instantly empties my spiritual riches. And from this moment, I'm completely made poor in the spiritual realm and in the natural realm, I can not prosper anyway. The worse thing is that, sex being a yoke, being involved into it requires a good and efficient deliverance. If you simply please yourself to confess such a sin, GOD may forgive, Satan still keep the full right to get into your account to draw and steal your spiritual wealth. One will hereby need a vigorous action of deliverance in order to cast out Satan the devourer.

Warning to those who aspire to prosper: abstain steadfastly from any GOD forbidden sexual intercourse. It's the best way to become what the BIBLE calls "an empty vessel"

In fact, Satan knows it better than Christians themselves. And it is in view of stealing and spoiling abundant riches of the world that the encourages witches and wizards to multiply sexual intercourses **with humans**, and above all, to liberalise sexual misbehaviour throughout the world.

The second source of filthiness on witch GOD insists in my body is the tongue. Life and death are at the power of the tongue. I should carefully avoid my tongue to become a hindrance for my blessing. My tongue shall never speak against me. It is the best way of hindering my prosperity. avoid foolish expressions such as " I' am nothing"; " I' am the weak"; " I' am poor"; "I' am overwhelmed". Deliberately

proclaim blessings words over me in the name of JESUS-CHRIST " I am rich in JESUS name" I can everything through he that strengthens me", I am an absolute wise and intelligent people in JESUS name", " I drink the showers of heavens and eat the grease of the earth in JESUS mighty name". To consecrate my tongue to GOD means I shall actively proclaim what I want GOD to do in my life. As my tongue has a GOD creative power, if I refuse to declare things, GOD will refuse to act for the sake of my prosperity.

I must not spend time crying in front of GOD for troublesome situations. I must cultivate the habit of offering my tongue to GOD as an instrument of devoted to change times and circumstances. Does a hardship appear? I shout unto it: " You hardship, get out of my sight and sink in bottomless pit in JESUS name."

Candid people as Babylon the great and OHOLIBA who do not want to hear about The HOLY GHOST will no doubt say that if GOD really intends to give one material wealth, he will do it, for nothing is impossible to him. Fools you are! GOD truly intends to save the whole world through the preaching of the Gospel. This Gospel is already, written in the BIBLE whereas, GOD urgently needs men and women to open their mouths and proclaim this Gospel all over the world. This is actually the same with prosperity. I must offer my tongue to GOD, that is, declaring all sorts of Biblical blessings upon me, knock out with all types of biblical curses the different obstacles that are hindering my prosperity and above all, avoid evil words pronounced by my mouth, for they defile my body and make of my body a defiled altar unable to receive offerings destined to GOD . We will be sharing in detail on the use and misuse of the tongue as we tackle the Lord's

battles. The Tongue is also and more over, an instrument of spiritual fellowship.

THE SECOND THING TO OFFER TO GOD

Let's appreciate JESUS attitudes. The Lord JESUS-CHRIST intercedes on the cross for the sins man committed; he interceded for the sins of his disciples when Satan reclaimed them and so to accuse them; he committed his soul to GOD at Golgotha; he gave thanks to GOD in prayers, he sang hymns to GOD, he praised and worshipped GOD in prayers, JESUS is himself the word of GOD and he instituted the holy communion. In short, the Lord JESUS-CHRIST offers in TRUTH a service unto the Lord, for we clearly find out here the different components of the service to the Lord, namely sacrifice for sin, sacrifice of consecration, sacrifice of fellowship and the holy communion.

Born again Christians, we must offer a service to the Lord, according to the TRUTH. That's one of the things a priest can offer for instance to the Lord. If we deliberately accept to be shut in CONSTANTAN pyramids, we will spend hundred of years without offering to GOD the true worship and as a matter of consequence, we won't prosper. In a former share entitled "***Going back to the truth***" we have clearly explained this.

If every Sunday, we take part to a so called service unto the Lord, which brings unto Him "goods" different from what He is expecting, the consequence will be an absence of prosperity. The condition of prosperity consists in offering to GOD in TRUTH. As a matter of consequence, once we go back to the TRUE service unto the Lord, week after week, GOD pours down spiritual riches in our heavenly

accounts, and that's the beginning of spiritual prosperity which enhances in return material prosperity for our spiritual and natural heirs as well as ourselves.

Born again Christians, let's understand that wrong service unto the Lord into which the three Constantine pyramids take you every Sunday will never grant you spiritual prosperity and therefore, you shall never prosper on the secular plan in order to be the head of the world as the BIBLE

Going back to House Assemblies, going back to the TRUTH, those are the first steps in the process of taking hold of the lead of the world. This is again an illustration which clearly shows us that the worship offered to GOD in the TRUTH enhances spiritual riches which later will transform these riches into natural wealth.

Why are there on earth seeds, harvest, cold, heat, day and night? **Genesis 8 :20-22** gives us the answer. Noah has just come out of the ark and as a wise man his first thought is to go back to the TRUE Service unto the Lord. Noah knows very well that the flood that has destroyed the world is due to the fact that fake believers have abandoned the TRUE GOD and the worship due to Him, to go and worship Satan and his demons. After few centuries of warning, GOD has destroyed every life on the surface of the earth, except Noah and his family. Once he gets out of the ark, Noah immediately starts by going back to the TRUE service unto GOD. He builds an Altar and offers upon it burnt offerings and holocausts. This service is offered according to the TRUTH- because the animals offered to GOD are pure – and therefore, this service activates a flood of spiritual prosperity.

As GOD smelt the fragrance of this TRUE service unto Him, he opened to Noah an account and placed in, thanks to His Word, two great riches. These riches were spiritual and invisible at the moment GOD put them into Noah's account.

The first wealth is described in verse 21 : life on earth shall never be destroyed as long as the earth shall exist. The second wealth is described in verse 22 : the seeds, cold and heat, summer and winter, day and night shall never come to an end as long as the earth shall exist.

Let it be clear in our mind. At the time GOD is placing these riches into Noah account, there are absolutely invisible. At that particular moment, Noah has in front of him, the show of emptiness, of desert, of distress and corpses surrounding him.

What happens thousands of years later? These two riches Noah obtained from GOD for having offered Him a service in the TRUTH, unceasingly produce natural riches destined to all generations of living souls of the earth. Every living soul on the surface of the earth is Noah natural heir and beneficiary of the natural riches coming from the two spiritual riches Noah obtained from GOD.

How frightful may be the gossips of men, we know that there will be no catastrophe which can destroy the earth anymore, as long as the planet shall exist, and this will last until the final destruction of Gog and Magog. Whatsoever may be the agitations of ecologists and scientists on topics such as wars and hunger, we know that for Noah

sake, seeds and harvest, summer and winter, heat and cold, day and night shall never end as long as the earth will continue to exist as a planet and this will last until the final destruction of Gog and Magog.

THE THIRD THING TO OFFER TO GOD.

In addition to the service offered to GOD, the Lord JESUS- CHRIST proclaimed GOD's WORD to men throughout his earthly ministry. This has a direct consequence, unto the priest who longs to prosper as it is the case with the High priest. I must offer God's WORD to the people if I want to prosper. When I offer GOD's WORD to people, following by so doing the example of the high priest, who did this before me, so shall GOD rewards me by deposit abundant spiritual riches in my heavenly account. A precision is requested here. Though the BIBLE prevents women from teaching, a woman can suitably evangelise or prophesies for these ministerial gifts are opened to men as well as to women. Through evangelisation and prophecy, a woman can contribute to spray out GOD's WORD to men and GOD places spiritual riches in her account.

Let's turn our BIBLE to the book of Daniel, **Chapter 12 :3**

" Those who are wise will shine like the brightness of the heavens, and those who lead many to righteousness, like the star for ever ."

The word of GOD reveals in this portion we just read that those who teach righteousness, that is, those who share in the TRUTH the word of GOD with multitude, gather everlasting spiritual riches. They shine like stars, for as long as one shares and teaches the TRUTH to the

nations of the world, he is transformed from glory to glory at GOD's image. What is to be deduced here is that, if one teaches lies to the multitude, he shall be transformed from darkness into darkness at Lucifer's image who is the father of all lies. This is what the BIBLE says about those who preach lies to the people of the earth..

Ephesians 5 : 6-7 reads : “ *Let no one deceive you with empty words, for because of such things GOD's wrath comes on those who are disobedient. Therefore do not be partners with them.*”

The BIBLE clearly asserts that all the rebels that spray all over the world unscriptural preaching in order to mislead the people and get them lost are sellers of vain speeches who harvest in return GOD's wrath, that is, curse from GOD. Moreover, the BIBLE adds that I shall absolutely flee and separate from false preachers. If I fail to do so, I will also receive a portion of GOD's wrath destined to those rebels because I am in communion with them.

Meanwhile, all over the world, crowds of sincere Christians continue to have spiritual fellowship with the three prostitutes, Babylon the great, OHOLA and OHOLIBA, specialists of lies and rebel against GOD's WORD. For having commune with these three harlots, the whole Christianity of the world is under the stream roller of curse. That's one of the reason why all over the world, Christianity tends to be the tail and not the head as the BIBLE says. A unique solution is given in verse 7 of the text we just red : flee and separate from the three lying harlots who spray out useless speeches.

Born again Christians, this is the thing we must offer unto men if we want to prosper: The Word of GOD.

When we preach GOD'S WORD unto men and in TRUTH, GOD multiplies the spiritual riches in our heavenly account and, as a matter of consequence, we prosper all along as our soul prosper, and we go back on top of the world, onto the commandment of the world

But what takes place in the three pyramids of Alexander SEVERE and CONSTANTIN ? Babylon the great prevent people from reading the BIBLE. Of course, if you don't read and meditate GOD'S WORD, you can't be able to share its TRUTHS with others. That's what the old harlot, Babylon the great, who have been feeding Christians with incense for quite some centuries do. As for OHOLA, she no more acknowledges the HOLY SPIRIT. Meanwhile, it is only through the HOLY SPIRIT that we can preach the WORD of GOD in TRUTH. Therefore, we see crowds of sincere Christians who are unable to preach GOD'S WORD in TRUTH and unable to prosper. When the BIBLE shows the Lord Jesus- Christ getting into the Jordan's water for his baptism, OHOLA declares and teaches that drops of water on the forehead of the candidate to baptism are enough. And Christians go round the world, repeating and practise this lie. OHOLIBA, the youngest of the three harlots talks of the HOLY SPIRIT while multiplying lies. She is the most dangerous of all and she hinders the blessings of sincere Christians by leading them to preach subtle lies. She says this to Christians: "Teach first the new convert before taking him to water baptism." Then the Christian will go round teaching this lie coming from OHOLIBA. Whereas the BIBLE says that the young convert, as well as the eunuch in the Acts of apostles, is baptised as he confesses the Lord JESUS – CHRIST as saviour and excitedly and

joyfully continues his journey to Africa, yet he understands nothing from what he reads in The Word.

Treacherous OHOLIBA, who puts lies in Christians mouths and prevent them from growing spiritually. Born again Christians, go back to what is written in the BIBLE. It is there you find the first step of spiritual prosperity for you in the natural plan. For whoever preaches lie crashes from darkness into darkness like Lucifer, the father of all lies.

At this particular moment, the three harlots are organising all over the world a great reunification campaign under the theme “ **Let’s put aside our doctrinal divisions and unite in love.**” Born again Christians, please, follow strictly the doctrine which is written in the BIBLE and separate from false doctrines of the three harlots. Don’t give way to the seduction of the false preachers of love. There is no possible love between light and darkness. One loves in TRUTH.

Let’s go back to autonomous House Assemblies led by bishops and deacons as it is written in the BIBLE. And if someone is called into one of these five ministerial gifts, Apostle, Prophet, Pastor, Evangelist or Doctor, let him discern the portion of the word he has received as inheritance, let him stand and exercise his ministry in the measure of the grace GOD granted him.

THE FOURTH THING TO OFFER UNTO GOD

Let continue to examine the various things the Lord JESUS- CHRIST offers to GOD or to men in order to deserve his quality of high priest.

The Lord JESUS CHRIST offers to GOD throughout his earthly ministry, prayers of intercession. Besides, since He has gone back to heavens and sit upon the Throne as GOD, the Lord JESUS-CHRIST continues to address unto Himself prayers of intercession for every born again Christian. The result of this is easy to understand. In fact, to be qualified as a Priest approved by GOD, that is for my soul to prosper, I must offer prayers of intercession for the sake of brothers and sisters in Christ- Jesus, as well as for all the other human beings.

However, I must intercede in TRUTH for Christians and other human beings sake if I want to be a GOD approved Priest. If I intercede according to lie instead of TRUTH, I will harvest curse from GOD. Prayer of intercession is a good of great value I offer to GOD and consequently, if I do offer it in TRUTH, GOD will in return, deposit abundant spiritual riches in my heavenly account. So many Christians ignore GOD character. GOD is tirelessly longing at making friends among the men of the earth and once you involve yourself into intercession, GOD enters a friendship with you and this friendship is a great spiritual blessing. And above all, because GOD is particularly an open-minded friend, he ends up by let you know every of his plans. Does HE want to destroy a country through war? He tells you about. Does he worry about the church? Behold, he comes to tell you about.

You finally come to be informed on things and events of the church and of the world before they happen. At times, he will reveal unto you even harmless or insignificant things. He teaches you how to take care of great things and little ones as well. GOD who rules the move of galaxies millions time big as the earth also takes care of the good hearth of a single hair upon your head and he wants you to bear the

same character. However, GOD strikes with curse whosoever intercedes, according to lie and not according to the TRUTH.

Proverbs 15: 8-9 teaches us that « **The Lord detests the sacrifice of the wicked, but the prayer of the upright pleases him**”, and **GOD adds that he loves who pursue righteousness.**

Prayer is a sacrifice by essence and this is how OHOLIBA the harlot who talks of the HOLY SPIRIT has thrown complete crowds of African Christians into curse, hindering by so doing prosperity of Christians and African nations.

In most of our African countries in fact, dictators coming from darkness no more hide their submission to the world of darkness. Having sold their countries in every sort of Luciferian pacts, they systematically export the riches of the sub-soil towards the lodges in foreign banks meanwhile millions of children are dying in the land because of lack of first aid care and flies in their procession are parts of the cities landscape. Once a so called satanic high ranked master goes in one of our cities, the local masters, thanks to taxes paid by citizen unfolds the red carpet for his great master. Who therefore are responsible of the blood of millions of children who are dying because of the absence of first aid assistance or of millions of lives of youths destroyed in prostitution and banditry for survival sake? OHOLIBA, the murderer surely has an answer to this question for, crafty as she is, she makes the Christian responsible of all this blood shed. This is how she proceeds. In many African countries, OHOLIBA organises huge intercession campaigns under the theme “ **Let’s pray for our heads of states to be blessed.**” Criminal OHOLIBA! Whosoever builds the prophet tombs is in accord with he that has killed the prophet. And Christians forget the real meaning of this verse. This verse means

whoever blesses the murderer is co-responsible with him, of all the blood shed. That's how the satanic intercessions of OHOLIBA have imprisoned millions of sincere Christians in the yoke of curse. When GOD says I will rise and destroy these criminals who sheds blood, Satan answers saying: "In fact Christians themselves agree with that, for they have put up their prayers of blessing upon all these crimes". Finally, GOD finds himself obliged to destroy and wipe out the whole land. O! treacherous OHOLIBA!

The BIBLE says " be submitted to authorities" and instantly precise that we should be submitted to authorities that seek good and punish those who commit evil. But OHOLIBA, the incurable harlot calls for submission without precision.

This is another intercession into which OHOLIBA attracts and occupies Christians everywhere in Africa. This false intercession brings millions of Africans into curse and hinders their spiritual blessings.

The BIBLE says" ***the fruit of righteousness will be peace***" as we can read in the book of **ISAIAH, 32:17** " ***the effect of righteousness will be quietness and confidence for ever.***"

What brings peace into a nation? The BIBLE is so precise in its answer : it is righteousness. What does OHOLIBA the criminal do?

At the eve of every presidential election in Africa, you see her gathering crowds of Christians to call upon GOD's mercy so as to have peace in the land. OHOLIBA is absolutely not preoccupied by the overflowing injustice invading our African countries. As an unimpeachable liar and unbeatable coward, she orders Christians to pray for peace. That's false prayer that rather brings curse upon

Christians. One should fast and pray for righteousness and not for peace. As a matter of fact, peace naturally comes as the fruit of an exiting righteousness. Criminal OHOLIBA! The numerous cries from here and there in Africa for peace in ecumenical prayers hold in Constantine pyramids bring curse instead. These false prayers have been absolutely unable to stop God's wrath in Rwanda, in Democratic Republic of Congo, in Uganda, in Ivory-Coast, in Liberia, in Burundi, in Congo-Brazzaville and you can name the rest.

Born again Christians, let's quickly dissociate ourselves from false intercessions that bring upon us curse instead of blessing. In order to prosper, we must offer prayers of intercession to GOD; however, we must offer these prayers in TRUTH.

This is an example of prayer that brings blessing and not curse.

Balaam, though a prophet is once of a sudden tempted by the riches proposed to him by Balak, the pagan king. At the request of Balak, the pagan, Balaam the greedy prophet builds an altar and offers to GOD so much sacrifices aiming at flattering GOD to curse Israel. In fact, Balaam prayer is non-spiritual, for many centuries ago GOD gave to Abraham a spiritual heritage:

“ He who curses you shall be cursed

he who blesses you shall be blessed “

GOD henceforth rejects Balaam non-scriptural prayer, blesses Israel it hits Balaam with a curse. **Numbers 31:8** teaches us thereby that Israel killed Balaam with the sword during the war against the madianites. What was Balaam doing in the midst of madianites, enemies of Israel ? He was certainly multiplying altars and sacrifices as

he used to do, in view of GOD blessing on the enemies of Israel. That was the tragic end of a prophet who has sunk into curse because of false intercession, because of non-spiritual prayers addressed to GOD.

If Adolph Hitler is killing millions of people, OHOLIBA says to Christians: << Let's pray GOD to grant Adolph Hitler wisdom. Let's above all be submitted to Adolph Hitler for all power authority comes from GOD. Maybe Adolph Hitler will commit his life to JESUS .>> meanwhile, at this moment, unbelievers who instructively understand that Adolph Hitler is a Satan ambassador in the world and that we should disobey to this man. O criminal OHOLIBA whose father is Balaam !

GOD insists on the fact that we must submit to authorities who seek good, raise those who practice righteousness and punish those who commit evil. OHOLIBA says: let's simply obey authorities.

Perfidious OHOLIBA! As far as Babylon the great is concerned, she prevents Christians to pray. "I've already written prayers for you in note books. You simply need to recite them! ", says the most old harlot of the world. OHOLA asks Christians to steadfastly pray for a simple request: reunification her mother Babylon the great so as to nullify all the reforms of Martin LUTHER. That's why in USA, so called pastors of OHOLIBA and OHOLIBA openly preach saying: " we have so much neglected GOD's mother. She who bathed GOD, nursed him and even changed his diapers. She was the one supporting GOD when He did his first steps. How did it happen that we've become so thankless towards this woman who has worked so much? We think Martin LUTHER has exaggerated with his reform".

Let's go back to love instead of tearing each others with doctrinal questions. That's what the two harlots, OHOLIBA and OHOLA who are making ready the reunification of the world with their mother Babylon the great do. **In 1Tim 2: 1-2**, GOD requests us to pray for the kings and those in authority so as to enjoy, as Christians, a peaceful, calm, godly and honest life. But who are those kings and authorities? They are authorities and kings that earnestly seek good, punish those who commit evil and approve those who do good. However OHOLIBA never reads verses 3 to 4 of Romans chapter13, in which GOD stresses on the fact that these authorities mentioned above are those who rely to the law in order to punish evil and reward good.

In many African regions, dictators have instaured the reign of corruption from the peak to the base of the state. They enter every type of covenant in view of privatising the state by dropping into mystic lodges of darkness and transfer the income of the land into foreign banks. Even Christians can no more drive peacefully their taxis without paying to policemen an informal tax or bringing in his goods without bribing the custom officer. And what does the perfidious OHOLIBA do henceforth? Coward and liar as she has always been, she says to Christians: " let's bless the authorities for they come from GOD! "

Because of OHOLIBA's lies, Nigeria has happened to be at the eve of chaos, for all genuine Christians to understand at last that time has come to pray to GOD and say << we refuse to have the criminal Sani ABACHA at the head of the state and we pull him down in the name of JESUS CHRIST >>. The fact is that, Sani ABACHA had enough time to multiply his incredible crimes and destructions before Christians

understood the vital need to forsake the foolish prayers of OHOLIBA which continuously blessed Sani ABACHA pretending that all authority comes from GOD. Because they were involved in false prayers blessing Sani ABACHA, many Nigerians Christians are nowadays counted among the poorest inhabitants of the planet, because their income has been transferred in foreign banks by Sani ABACHA.

How then can we successfully reach out prosperity in regards with these three liars who imprison Christians in false prayers all over the world ? How to firmly get hold of the control and the ruling of Germany (for instance)when OHOLIBA prays for Adolf HITLER blessings because she pretends every authority comes from GOD ?

THE FIFTH THING TO OFFER TO GOD

Finally, we see JESUS offering wine to just married young persons at the Cana wedding, bread and fish to crowds in the midst of which are genuine believers and pagans. This means that the priest being son of the high priest and appointed to do what he sees his father doing, must also offer earthly goods to his spiritual and natural heirs. Those earthly goods are of various natures including gold, silver, food, clothes, houses, in short, every type of material goods GOD has placed on the earth. It is within this category of natural goods offered to spiritual heirs that we classify liberalities, offerings and so called Tithes. But let underline the fact that the priest must be righteous when he offers such material goods to his heirs that is, according to the TRUTH as written in the BIBLE. If in the contrary, he offers these goods not according to the TRUTH, he will not be approved by GOD and because his soul will not prosper, he also will not prosper all

along. Cain, Ananias and Saphira sons of Koré, Nadab and Abihu are examples of priests who offered goods to GOD according to lie and whose souls never prosper.

We have well understood what are the causes of spiritual prosperity which is the mother of all types of prosperity on the secular plan. For me to spiritually prosper, that is for me to be transformed from glory into glory at GOD's image, I must be a GOD approved Priest, that means I must offer in TRUTH five categories of things to GOD as well as to men. Besides, I must separate from the thief that after having carried his cross painfully to follow the lord, mocks at the lord JESUS CHRIST once he comes to Golgotha. He is the vampire or the member of the lodge of darkness who once of the sudden declares he has abandoned the world, go into waters of baptism, apparently manifest that he has been baptised of the HOLY GHOST, spend his time preaching and even build temples as his father Tubal Cain whereas the remains a vampire. As we drink the blood of Jesus he secretly continues to drink human blood and to manipulate the spirits of men that hold in their hands a BIBLE. He mocks at Jesus for he will never expose and confess his dark nature so as receive the deliverance JESUS grants. Instead of confessing and receive JESUS in his heart he will rather carry out so many good actions for Jesus.

Having being separated from this bandit and mocker, these are five categories of things I must necessary offer to GOD and men:

- The service to the Lord I must offer to GOD is in TRUTH ;
- The word of GOD I must offer to men in TRUTH ;
- Intercession I must offer in the TRUTH for Christians and other human beings sake

- My body I must offer to GOD as a qualified temple, abstaining myself from every sexual intercourse forbidden by GOD; and by using my tongue for the purpose of war;
- Earthly things I must offer in the TRUTH to my spiritual and natural heirs.

If I dare to offer to GOD an non-spiritual service, there will be no spiritual prosperity and without these spiritual riches I shall not prosper into things of the natural world. Let's then go back to the real services unto GOD. If I offer GOD's WORD to men while distorting it as the devil did when he tempted JESUS, then will I obtain from GOD no spiritual blessing. On the contrary, GOD will pour upon me his cup of judgement and I will harvest curse instead of blessing.

If I fail to use my tongue in the Battles of the Lord, nothing will happen though all my blessing are written in the BIBLE.

It is through the number of battles I go in with my tongue, that my spiritual riches are increased. Likewise, if I discreetly get into a sexual intercourse forbidden by GOD, Satan will take away my spiritual riches and I won't prosper anymore. I will need a sincere and profound confession followed by a total war of deliverance to shut the doors of my heavenly account to Satan.

If I intercede for men in lie, I'll immediately find myself under a curse and I won't prosper. Whereas, OHOLIBA has another activity in Africa. She hides verses 3 and 4 of Romans chapter 13 and commands Christians to pray in order to bless a crowd of dictators who embezzle petrol income, legalise state tribalism, shatter the national unity, multiply crimes and officially consecrate the land

unto lodges of darkness. Ô, Satanic OHOLIBA! Haven't you read in the BIBLE that those who build prophets tombs are responsible of the blood of the said prophets as well as the murderers of these prophets? In many African countries, our dictators have privatise the state by selling it to the lodges of darkness, distracted and placed In foreign banks, the riches of the land, and OHOLIBA the criminal asks Christians to be in one accord and co-responsible of this crime by praying and blessing these dictators. You are in Germany in 1943 and OHOLIBA tells you: "Let's pray and bless Adolph HITLER because the BIBLE asks us to pray for authorities". Ô criminal OHOLIBA who prevents Christians from prospering by making them co-responsible of the blood shed by Adolph HITLER. If you pray to bless Adolph HITLER, while he is throwing thousands of Jews in the over four, then in front of GOD, you are also responsible of the killing of these Jews as well as HITLER .His criminal incantations OHOLIBA calls prayers for the authorities are the source of curse which are crowds of Christians, GOD having made them co-responsible of crimes committed in Africa by our tropical dictators. Born again Christians, **Romans13; 3-4** clearly precise that when GOD orders to be submitted unto authorities, he talks of authorities who hold terror for those who do wrong and protect those who do good. As for soldiers of darkness he reserves unto them Prayer of **Psalm 149 : 5-9**

In spite of that, OHOLIBA who talks of the HOLY GHOST and shouts Alleluia, organises everywhere in Africa his prayers campaigns for dictators that promote most corrupted citizens once they are members of the lodges of darkness and instaurate the reign of corruption in many of our African countries.

Oh perfidious OHOLIBA who places Christians under the yoke of curse. How then can such a Christianity prosper? Let's halt with false intercessions and let's intercede in TRUTH for Christians and others.

If I offer in lie, that is according to non-spiritual principles that I offer earthly goods to GOD, no possible prosperity. At this level, the three world religions pyramids are challenging in lie and it is in vain that, every Sunday, Christians pay their tithes and offerings as we are going to see next.

The three harlots use to go from the earth to sea saying to nations: << come out with your money and your shall obtain God's blessing>>. Lie of Lucifer! If you wish to get into the prosperity that comes from GOD, just start by consecrating yourself fully unto GOD; then offer to the lord a service according to the TRUTH, share GOD's WORD as it is written with your fellows; pray regularly for humans in the TRUTH, and finally, offer to GOD earthly goods in accord with what is written in the BIBLE. As you'll be acting in the TRUTH, GOD will fill in your heavenly account with spiritual riches for your spiritual heirs, yours natural heirs and yourself as well.

That's the right way of prosperity coming from GOD.

Let's halt a moment to understand the lies of the three pyramids of Constantin.

The earth and whatsoever is in it belong to the lord JESUS-CHRIST.

Gold and silver already belong to the lord. Therefore, do you think GOD may be lacking something else? No, GOD lacks nothing. Then why does HE request us to bring unto him goods of various natures ?

It is commanding and asking us to offer Him goods of various natures and this for only one reason: making us Priests unto GOD> Changing us into Priests.

However, letting aside GOD's objective, Babylon the great who forbids the reading of the BIBLE, OHOLA who doesn't know the HOLY SPIRIT anymore and OHOLIBA, the seductress who talks of the Holy gosh while lying on tithes and holy communion, and pray to bless all the dictators of the world, have jointly imprison nations of the world into lies and aberration. They said to the nations: <<Give out your money and GOD shall bless you>>. How perfidious and liars you are! GOD first of all want you living soul! You are the offering GOD appreciate above all. Then, he expects every individual to offer to GOD and to men spiritual things. Then he await from the individual, earthly things.

No need to drop in the offering baskets on Sunday, the amount of 35.000 Rands (South Africa currency) if I am right away from a fornication meeting. GOD considers my offering as an abomination, for I would have firstly offer my body to GOD (and preserve it). No need to drop 2.000.000 Rands in the offering basket on Sunday when, as a corrupted civil servant, I've just embezzled the funds destined to roads construction in the country. GOD assuredly will pour down curse on my head after such an offering because what he requests from me is first of all my soul. Whereas I've sold myself to the spirit of theft which is Lucifer. No use to deposit 1.500.000 Rands in the offering basket on Sunday when I know I've just brought to failure at the competitive entrance examination of the faculty of biomedical sciences, brilliant candidates at the profit of those of my tribe who are truly weak and will become poor and incompetent MD in surgical blocks and into the hands of whom many citizens will pass away. All this blood shed will

fall on my head the curse because I could have first of all offer my spirit to GOD. Whereas I've sold myself to the spirit of tribalism before going to mock at GOD with my so called offering; fool you are! Keep away your money and offer yourself to GOD above all, for richer ones already groaning in the Hades where you are moving towards.

Let stress on that. The first gift one offers to GOD is oneself. it is the gateway to reach out the ultimate goal which is prosperity.

Let's halt here to clearly understand why the offering of oneself to GOD is above any other material gift.

In Genesis, the BIBLE recalls that GOD made man to his image; in his likeness. However, the downfall of man in the Eden garden had destroyed this likeness and since the atonement work accomplished on the crass of Golgotha by the lord JESUS CHRIST, God's plan is to bring back man at his original state of God's image. In short, in order to save mankind, the lord JESUS CHRIST started by offering himself to us as bread of life on the cross of Golgotha . That's the ever first and ultimate gift. GOD first offers himself to man. He first offers to man his flesh, his blood, his HOLY SPIRIT. It is then, secondly, that GOD offers to the born again Christian that have freely eaten JESUS flesh and freely drink JJESUS blood, other material riches, with no regret.

GOD did not start by flatter us so with money that we shall accept eternal life. **Galatians1: 4** talking about GOD says: ***"Who gave himself for our sins to rescue us from the present evil age according to the will of our GOD and Father"*** .

In return, GOD requests that man does exactly as GOD for he is made at God's likeness. GOD calls me to firstly offer myself unto him as a

sacrifice of good odour; let's see in **2 Corinthians 8 : 5**, the testimony of Macedonian Christians attitude: ***"And they did not do as we expected, but they gave themselves first to the lord and then to us in keeping with GOD's will."***

Like wise men, Macedonians gave themselves first to GOD before giving material goods to GOD, that is to born again Christians. **Romans 12 :1** reads: ***"Therefore, I urge you brothers, in view of GOD's mercy, to offer your bodies as living sacrifices, holy and pleasing to GOD this is spiritual part of worship"***.

Whoever doesn't offer himself first to GOD obtains no prosperity from GOD or to flatter him by the offering one gives out while living a life of rebellion and sin". Let's examine GOD's WORD concerning this matter. **3 John1: 5 to7** reads: ***"Dear friend, you are faithful in what you are doing for the brothers, even though they are strangers to you. They have told the church about your love. You will do well to send them on their way in a manner worthy of GOD. It was for the sake of the name that they went out, receiving no help from the pagans"***.

The BIBLE is categorical. Brothers have gone their way for GOD's work, taking care of receiving nothing from pagans. This is as normal as it appears for unbelievers have no quality to offer material goods to GOD. What happens then in the stony temples of Babylon the great, of OHOLA and OHOLIBA ?

Just imagine thousands of people gathered in the stony temple. One of a sudden, the swindling basket is moved around and everyone drops in his money while remaining in his sinful life. This doesn't matter to the three harlots. Let's say that these three harlots at times go round

secular companies, political men and business men with a message such as "give for GOD's work and you shall be blessed". Lie from Lucifer who soothes the conscience of the sinner and seals him on the way to perdition. That's what the three harlots do!

However, in a ten or twenty member house assembly, it is easy to target those who have not yet given themselves fully to JESUS CHRIST and refuse their offering. This helps them to better understand that they are first what GOD is looking after. Members of the world lodges of darkness who are not ready to fully offer themselves to GOD should stop dreaming because of great amounts of money they usually drop in the baskets of Babylon the great, OHOLA and OHOLIBA . Listen: your offerings are not known by GOD and they are of use to you! Please, keep your money for yourself if you don't give yourself unto GOD. Fool as you are. Do you think silver and gold are found in the Hades you are marching through? First offer yourself to GOD and listen not to Satan for none of his acts is irreversible. The blood of Jesus breaks every Satan pact without exception and delivers us from every false illusion;

For sure, many people will claim that Satan also offers natural riches. What renders the search of GOD prosperity non obligatory. As a matter of fact, there is a fundamental difference in between riches which come from GOD and those which come from Satan. Riches from GOD cause no sorrows. On the contrary, you just need to get near Lucifer and you shall be welcome by a number of sorrows and conditions to fulfil. Every single CFA, every promotion at the job side, every (additive) extra second spent at an important post, will be expensively sold to you by Lucifer who will request from you not only your soul, but human blood and lots of other things that will lead you

to a state of permanent sorrows. In one of our African countries, political and economical elites are all converted into sodomy which happens to have become a national sport that secretly challenges football. Some are regularly fed by blood from women bosoms, meanwhile others rush into cemeteries as they hear rumours of cabinet reshuffle. The rush towards the lodges of darkness is so intense that the lodges are now selecting among the candidates. In great restaurants of Africa and the world, all the tables are covered with the shares on visualisation, the use of graphology as elective criteria of elites elections, secret initiation, the so called positive though, transcendental meditation and techniques of sending positives vibrations as they pretend. Even keepers of the mortuaries are astonished in front of them. The reason is that our so called world elites preaching science and logic in the day, pant for a little and secret sexual intercourse with a corpse, for lodge initiation purpose. In the midst of this satanic drift, Babylon the great, OHOLA and OHOLIBA stretch the basket offerings to these so called world elites saying "drop in money and GOD shall bless you!". Ô, abomination and total curse.

Now that we've well understood the five categories of things we must offer to GOD in view of spiritual prosperity that generates natural prosperity, let's focus on one exclusive category that is material goods I must offer to GOD. We have already shared on the real service to offer to GOD in order to prosper spiritually. Likewise, we have also shared on the way I must offer to GOD .we saw that by preaching GOD'S WORD without distortion, I prosper spiritually. We understood that by interceding in the TRUTH for Christians and human beings, I prosper spiritually .However, there is a world stake remaining: that of

offering to GOD material goods in the TRUTH. It is very important to understand the TRUTH on the way I must offer material goods unto GOD. Failing to take hold of the TRUTH, millions of people live under a curse, because of material goods they give out, thinking they are offering to GOD while they are instead offering to demons.

It is important to underline that the offering of material goods unto GOD is part of the priesthood and there are only two possible ways out to, when one is involved in priesthood: blessing or curse. Neutral doesn't exist in priesthood. How then to offer in the TRUTH, material goods to GOD, in order to prosper?

HOW MUST ONE OFFER TO GOD MATERIAL GOODS IN TRUTH IN ORDER TO PROSPER ?

Once again, let remind that the sole material goods are not sufficient to prosper. There are five categories of things I must offer to GOD in the TRUTH if I want to prosper.

- I am above all the first thing to offer to GOD and men;
- I must offer in the TRUTH a service unto the lord;
- I must offer the TRUTH intercession prayers for Christians and others;
- I must offer in the TRUTH GOD's WORD to men;
- Finally, I must offer in the TRUTH, material things;

That's the complete system of things I ought to offer to GOD in TRUTH to be qualified as a priest destined to spiritual prosperity which will exchange in return natural prosperity;

In view of offering material goods to GOD, I must absolutely understand what I am doing for whoever offers to GOD gets involved in priesthood and in this context, there is neither random nor ignorance. The earth and whatsoever is in it belong to the lord JESUS CHRIST who has created the world. Visible and invisible world belong to the lord JESUS CHRIST who created everything.

If then GOD, owner of everything requests me to offer unto him things of various nature that belong to him, it is for a précised aim: changing me into a GOD's Priest. And, if as a priest, I offer to GOD in the TRUTH, I shall receive in my heavenly bank account abundant spiritual riches, I shall be transformed from a level of glory to another in GOD's image. Moreover, my spiritual riches will generate abundant natural riches for my spiritual heirs who furthermore have the advantage to continuously reap my spiritual riches from generation to generation as long as a false spiritual fellowship will not open to Satan the doors to my spiritual account.

In view of offering to GOD material goods in TRUTH, I must absolutely know whether I am qualified to offer GOD and I must understand what the temple is, what the altar is, what a sacrifice is, what an offering is, what a tithe is. GOD has his temple and Satan has his. GOD has his altar and Satan has his. Let's imagine a situation like this. If someone come to you and tell you that I've just dropped off the sum of 10.000 us dollars at home. After verification, you come to realise that the said money has been deposited in a stranger house whereas I hold a detailed plan of your residential quarter. Just imagine me repeating

such a joke to you every Sunday and year after year. That's unfortunately the way we treat GOD when deposit our material wealth in a temple that does not belong to GOD and upon an altar belonging not to GOD. And after such a life of joke, we shout: "Our tithes and offering not to GOD. And offering shall bring GOD's blessing unto me". However the BIBLE says one doesn't mock at GOD. In short, whoever pleases himself in this type of joke Sunday after Sunday harvests a curse.

In Cameroon, we have a race of gangsters popularly called "fey men". Imagine a fey man telling you he just dropped of a sum of 1 000 000 US dollars at your home as gift you quickly rust to the nearest police station to denounce this gift for it comes from a gangster is not qualified to offer you a gift. It is the same with GOD. One should be qualified to offer silver as gold to GOD or whatsoever material good. Unless you are qualified to do so, please, keep your goods for yourself, for what is abomination unto GOD. In order to offer to GOD, I must have the required quality, offer at the right place, and I must offer what GOD asks for.

However, the three harlots, namely Babylon the great, OHOLA and OHOLIBA are not at all preoccupied with the TRUTH. They all say to the inhabitants of the earth "pour into our baskets and GOD shall bless you ". Prostitutes of the world have at least times of tiredness and ret and even moment they wash away their filthiness. But these three women whose beds are permanently perfumed are looking for candidates for the grave. Once their filthiness go beyond the limits, they simply satisfy themselves with a new non scriptural doctrine and move to the next customer without having bathed, spraying all around

sorts of spiritual and contagious sicknesses and curses all over the world.

Let's now insist on the TRUTH concerning the quality one must have in order to offer to GOD.

In **Romans13, 1-4**, I insist Romans13, 1-4, the BIBLE is clear and straight away. I must intercede for authorities who help us to enjoy a peaceful and quiet life and this same **Romans13: 1-4** clearly defines these leaders for the sake of whom I must intercede as those who seek justice and welfare.

The same peculiar scenario is taking place in many of our African countries where injustice, institutionalised tribalism, state and gut privatisation, by lodges of darkness, official corruption from the summit to the base of the state and gut have been demolishing the African soul whereas OHOLIBA the wicked prostitute pray for peace.

This prayer for peace comedy last for 20-25 years and behold, a morning, in Ivory coast, in Rwanda, In Burundi, in RDC, in Uganda, in Liberia, OHOLIBA runs from a room to another to hide herself.

WHO IS QUALIFIED TO OFFER MATERIAL GOODS TO GOD?

One of the greatest lies of our three world religious pyramids namely Babylon the great, OHOLA and OHOLIBA consists of bringing all the nations of the world, every human being, every secular organisation of the world, every person on the earth is qualified to offer material

goods to GOD. In fact, these three criminal women urgently need vast stony temples as well as woody temples to collect the maximum gold and silver. When the BIBLE says that New Testament Christians were to meet in modest house assemblies, the three harlots quickly carry out financial calculations.

They say in themselves: If I go back to a house assembly and find only fifteen true Christians who deposit one us dollar each on Sunday, that will make an insignificant sum of fifteen dollars per Sunday. What does this BIBLE want then? Anyway, one must modernise Christians in fact, one can not continue to live and act as at the time of this fundamentalist called apostle Paul. What a stupid idea this fanatic apostle called Paul had to lay emphasis upon house assemblies"

That the speech of the three prostitutes and from this reasoning, they go round continents and oceans to collect silver or gold in their vast temples and say to those who fill their baskets on Sunday " GOD will bless you!" that's the great world fornication of the three harlots.

In fact, the BIBLE clearly establishes that everyone is not just qualified to bring unto GOD silver and gold or other material goods. GOD is rigorously particular on the quality of those qualified to bring unto him goods of the earth.

From a spiritual point of view, the quality of the person who acts as a priest is worth fundamental and we will rely on four examples to understand. Assuredly, the result of an act I perform, in the spiritual plan depends on my real position in front of GOD. Two persons acting in front of GOD may obtain different results if their position in front of GOD differ one from another. Let's appreciate the quality of an

individual, that is the position this one has in front of GOD, through an example.

In **Matthew 8: 43 to 48**, a crowd of people are pressing and touching JESUS – CHRIST without any particular thing to happen. But suddenly, a woman who has been bleeding for twelve years touches JESUS and is healed instantly. This woman in front of GOD has the quality of disciple whereas the crowds surrounding JESUS- CHRIST are simple and curious spectators. That's why the power that gets out the Lord heals the lady meanwhile nothing happens to mere curious who are rather in great number to touch Christ;

Acts 19: 13-16, seven sons of Sceva, a Jewish chief of priest have seen apostle Paul casting out demons in the name of JESUS CHRIST. Even the cloths and handkerchiefs that got into contact with the apostle were used cast out foul spirits from demon-possessed and healed from sicknesses. So, the seven sons of Sceva did not understand that one needs to be qualified for GOD to use you as a channel through which he performs miracles; as they were casting out a demons saying: "in the name of Jesus whom Paul preaches, I command you to come out";

Satan's answer to Sceva seven sons was quite acknowledgeable: "Jesus I know and I know about Paul, but who are you,"; you can notice that even Lucifer answers according to the spiritual quality of the person who performs an act. On the spiritual plan, it is absolutely necessary to know whether you have or not the required position to act as such; let's examine

Numbers 12: 1-15.

Israel found itself in the middle of the wilderness, on the way to the promised land, under the leadership of Moses. Behold, Moses has a black African woman as wife and Marie and Aaron are gossiping on what they consider as a misbehaviour. On the natural plan, Aaron and Mary gossips are certainly due to the fact that the black are those who have submitted Israel unto four centuries of slavery in Egypt. GOD who is attached to the TRUTH and not to carnal reflex ions raised up against Aaron and Mary who have spoken evil against his servant. But what does GOD do then? He stroke Mary with leper but touches not Aaron. The reason is that Aaron and Mary , thought they gossip Moses, do not occupy the same position in front of GOD.

Let's take a last example about quality.

Let's notice that, during JESUS CHRIST ministry on earth, Romans to hang criminals on a cross. Hundreds or thousands of people probably have been crucified upon the cross of Golgotha before or after our lord .whereas JESUS CHRIST crucification at Golgotha is quite different from all the other crucification which took place at Golgotha. In fact, JESUS CHRIST came with the qualify of GOD, coming to offer himself as the supreme sacrifice for the atonement of the sins of mankind on the wooden cross. This is one, the crucified is GOD himself who came into flesh in the world.

As we have understand that the result of a spiritual act I perform depends on the position I occupy in front of GOD, who is then qualify to offer material goods unto GOD,

Let's turn to **HAGGAI 2: 8** to first of all seize the reason why GOD request from human being to offer unto him earthy goods. ***"Silver and gold do I have, says the Lord of hosts"***

GOD's declaration is clear. Gold and silver of the world belong to him. Let's go ahead with 1Corinthians 10,26: ***"The earth and whatever is in it belong to GOD"***

GOD hereby precise that the earth and its whole content belong to GOD.

Now that it is absolutely certain that silver and gold, and whatever the earth contains belong to GOD, why then does GOD ask men to offer him earthly material goods? May GOD be unable to directly get into possession of what belong to him? What does GOD really gain while asking us to grant him a portion of what already belong to him?

In fact, the answer is quite simple. Because he is already the owner of everything, GOD is asking us to bring unto him a portion of his property for us to be trained into priesthood. It is within the framework of our transformation into GOD's Priest that GOD requests us to offer him goods which anyhow are already his.

Training us and making of us GOD's Priests, that's the ultimate aim for which GOD is requiring us to bring unto him a portion of his property.

Born again Christians, people of the whole world, GOD is appealing to heavens and earth to be witnesses against you that you have well understood that it is only to change you into Priests that GOD orders you to bring unto him a portion of the earthly goods which, anyway already belong to him.

Offering of gold and silver as well as of other physical goods is part of the priesthood and only GOD's Priest are qualified and admitted to offer a portion of these goods unto GOD.

Don't you find any interest in priesthood? Then keep away the goods you owner of everything become a beggar by your side? Were you born when the Owner of all things was founding the world? Where were you when GOD created the world? Dare to say it if you are full of intelligence. Have you comprehend the vast expanses of the earth if you have the knowledge of those things. What is the way to the abode of light? And the darkness you so cherish, where do they dwell? Do you go on hunting the prey for the lioness or do sooth the little lions hungry when they are lying in their dens? Are there gold and silver in the hades towards which you are already marching? What amount of money will help you to bribe death and add a single second unto your days of vanity?

Let's take again what the BIBLE teaches in **3 Jn:5-7**, for it is salutary :
" Dear friend, you are faithful in what you are doing for the brothers, even though they are strangers to you. They have told the church about your love. You will do well to send them on their way in a manner worthy of GOD."

The BIBLE is categorical on the fact. The brothers have gone on journey for GOD's work, while taking care of receiving nothing from pagans. This is quite normal since the pagans are not qualified to offer to GOD material goods. Only those who sincerely repented from their

sins and committed their lives to JESUS- CHRIST are qualified to bring unto GOD whatever they offer. A great curse ins upon the Christianity throughout the world for, in GOD's name, the three harlot Babylon the great, OHOLA and OHOLIBA prospect every sort of soldier of the darkness, every type of satanic gatherings and ungodly pagans in order to collect silver and gold in view of financing GOD's work, they pretend.

Born again Christians, break out every spiritual you may have with the three harlots in order to be freed from the world trade curse of the three prostitutes.

The three world rebels might be saying that a prostitute offer a costly perfume to the lord JESUS CHRIST. However, this one was a repented sinner. Even Zaccheus the state funds embezzler repented. Who are the women that sustained with their goods the Lord JESUS CHRIST with their earthly goods throughout his ministry on earth? The answer is obvious. There were all female disciples. Even Simon of Cyrena who helped the Lord to carry his cross as well as Joseph of Arimathee who offered the cloth and the grave for the body of the CHRIST were all disciples.

Even the Pharisees and publicans who from time to time offered their food to the Lord were neither mockers nor rebels. They were GOD fearer seeking the TRUTH. The BIBLE doesn't forbid to go into a pagan house occasionally and eat what he offers, but the BIBLE recalls that it is exclusively the born again Christians who is qualified to offer to GOD earthly good for these are part of the priesthood. Notice that even the king of Jews and worshipped him, then obtain the required quality to bring unto him earthly goods.

It is real act of prostitution for one to pretend to offer goods of the earth to GOD while living an unbeliever's life. It is just like having a sexual intercourse with a woman you didn't get married to officially. Meanwhile, this is the prostitution, in which Babylon the great, OHOLA and OHOLIBA have led the whole earth. They move round any sort of rebels with their offerings baskets, stubborn pagans, GOD's mockers, saying to the whole world "Come and drop in our baskets and GOD shall bless you!" Perfidious harlots, unceasingly selling their charms cheaply to every passing-by, washing not their filthiness.

" we love those who have the style and the vigour of a horse ", they shout to passing-by.

In the Old Testament, GOD has chosen a single people among all the nations of the earth and has entered a covenant with this people by the virtue of which Israel has as GOD, the GOD of Isaac and Jacob whereas GOD is the only GOD of Israel excluding every other trinity. While other nations of the earth are worshiping all sorts of false gods and demons, GOD personally reveals himself to one people, the people of Israel and to his people, he prescribed a series of sacrifices among which are tithes and, voluntary offerings. These were the shadow of things to come .Israel is the born again Christian, unique people of the earth. Likewise Israel alone received in the Sinai desert the command to offer to GOD various types of sacrifices in the number of which Tithes and voluntary offerings, so is the born again Christian qualified to bring unto GOD different types of sacrifices among which are offering of material goods, gold and silver. This offering of goods is part of priesthood and it is an abomination to pretend offering to GOD without fulfilling the quality of a priest.

Nevertheless, since the Old Testament, GOD offers to pagan nations of the world an open window to bring unto him goods. As a matter of fact, we find many cases of unbelievers offering to GOD goods, but at an unavoidable condition, which is, acknowledging first of all the GOD of Israel as the only true GOD.- Ezra chap1, verses 1-6.

When Cyrus, king of the Parses commands to his people to offer goods for the reconstitution of the temple of Jerusalem, he first recognize the GOD of Israel as his GOD and even adds that GOD alone has given him the ruling of all the kingdoms of the earth. Cyrus doesn't confine himself to the power of darkness of some pagan gods. Babylonian and Persia people didn't offer anything to GOD of their own for they simply obeyed king Cyrus commandment. Whatever this people offer the Jews is in fact a gift from Cyrus destined to GOD. Let notice that Cyrus first accepted the GOD of Israel as his GOD before acquire the quality to offer goods to GOD.

Non Israelites people of the Old Testament who had the privilege to offer for GOD's work, firstly acknowledged the GOD of Israel as their GOD before acquiring the quality to voluntarily offer goods to GOD.

When Israel comes out from Egypt, it forcefully takes away Egyptians goods in order to offer a portion of these goods to GOD. Egyptians did not offer anything to GOD. They have been conquered by GOD's power and it is under GOD's constraint and terror that they pay a heavy tribute to Israel, it is therefore a heavy and important war tribute, taken away by force thanks to GOD power that Israel offers to GOD. Egyptians pagans didn't offer anything to GOD. Likewise, the multiple rebel people David wrecks during the war have nothing to offer GOD. Their wealth have been looted by David as war tribute and if part of

these wealth are offered to GOD, it is David who offers and not the defeated pagan people.

We just understood that nowadays, Israel alone, that is the born again Christian is qualified to offer earthly goods unto GOD. If a pagan wished to offer to GOD some goods, let him first offer himself to GOD and he will acquire the quality require to offer goods to GOD. No need then for me to go stony temples on Sunday and drop my money into swindling baskets whereas such abomination with severe curses upon the giver and the funds collector and upon everyone in spiritual fellowship with the funds collector as well.

Born again Christians, wherever is your dwelling place in the world, break up any spiritual fellowship with the lying trade of the three pyramids of Constantine. Let's go back to house assemblies as the bible says if we want to prosper all along as our soul prospers.

THE TEMPLE

There are six temples in the BIBLE namely: the temple of Solomon, the temple of Zorobabel and Joshua, the visible temple of the church dispensation, the invisible temple of the church dispensation, the temple of the great tribulation and the millennium temple.

Solomon temple proceeds from a human thought as **2Samuel7: 1-16** reveals. After defeating all his enemies, David the king feels guilty in his heart, for he lives in a magnificent house made of cedar whereas the arch of the Lord is dwelling in a mere tent. So he made an oath to build the temple for GOD in view of depositing GOD's arch.

Now, look at GOD's answer to David. GOD tells him that stony or wooden temple doesn't matter to him. GOD firmly recalls to David that it is written in verses 5 to 7. Born again Christians, let's notice that from the beginning, GOD did not attach any importance to stony and wooden temple.

Having clearly explained that stony and wooden temple is of no importance, GOD adds to David a spiritual riches: the promises to David of a son whose reign will last for ever and who will build a real House to GOD. This son is JESUS CHRIST Himself. In fact, as we all know, Solomon reign was not eternal. Which is therefore this house built unto GOD by the Lord JESUS CHRIST? This house is the invisible temple of the Church dispensation we will study next. Born again Christians, in the beginning, GOD reveals to David that the real temple of GOD is the one built by the Lord JESUS CHRIST and GOD adds that human hands could not build a temple unto GOD. That's the perfect will of GOD.

It is advisable however to know that the Old Testament prophet can only grasp shadow of things to come. Most of the time, the law and prophets of the Old Testament can simply do things which are shadow of spiritual things of the New Testament. Knowing that David could not grasp the mystery of the church that many prophets of the Old Testament have tried to grasp, through deep researches, but in vain, GOD allows David to engage himself in the shadow of the TRUTH to come, by gathering the various materials useful for the construction of the stony and wooden temple.

It is finally Solomon, son of David, who builds the temple of stone and wood. Once the arch of the Lord is brought into the temple, the cloud fills the whole building. GOD is hereby saying two things to Solomon.

Firstly GOD temporally accepts the shadow which is the temple of stone and wood. Secondly, GOD says he will be dwelling later on in a real temple. That's why the cloud comes down in the temple for a short while before fading up. Then Solomon addresses a wonderful dedication prayer of the stony and wooden temple. GOD's answer towards this prayer is full of teachings. We can find it in 1Kings9. GOD recalls Solomon that thought the temple is accepted, it will be vigorously ruined and destroyed if Israel stops obeying and fear the Lord.

This warning from GOD will be fully accomplished during the complete destruction of Solomon's temple by Babylonians, followed by the deportation of Israel to Babylon.

As they came back from the Babylonian exodus, Joshua, Zorobabel, other priests and Levites stood up and laid the foundations of stony and wooden temples which disappeared in year 10 after JESUS CHRIST? It is because of a word from Jesus mouth and written in **Matthew 24:1-2**

"Jesus left the temple and was walking away when his disciples came up to him to call his attention to its buildings' do you see all these things?', he asked. ' tell you the TRUTH, not one stone here will be left on another; every one will be thrown down."

Since the church came to birth at the Pentecost, GOD clearly indicates in the BIBLE the only new and visible temple which has a value in front of GOD throughout the church dispensation: it is the born again Christian.

1 Cor. 3: 16-17 reads: *"Don't you know that you yourselves are GOD's temple and that GOD's spirit lives in you? If anyone destroys GOD's temple, GOD will destroy him; for GOD's temple is sacred, and you are that temple"*

Let's turn to **2 Cor 6: 16** " *what agreement is there between the temple of GOD and idols? For we are the temple of the living GOD. As GOD has said:' I will live with them and walk among them, and I will be their GOD and they will be my people' "*

Ephesians 2: 22 completes saying: *"And in him you too being built together to become a dwelling in which GOD lives by his spirit."*

As we have clearly seen, if anyone aspires to enter GOD's Temple to offer whatever material good to GOD, he should well know that GOD's WORD says with precision that throughout the church dispensation that will only come to an end after the rapture, there is only one GOD's Temple that is appointed for that purpose: the born again Christian. Do you have gold, silver or various material goods to offer to GOD? There is a single temple where to drop all this: the born again Christian he is the only qualified temple throughout the church dispensation.

This declaration of GOD's WORD is a real catastrophe for the three religions pyramids which are Babylon the great, OHOLA and OHOLIBA, who talks of the HOLY GHOST and shouts halleluiah while hating to hear the verses of the scriptures we just read. The fact is that this dangerous liar has done exactly as her mother Babylon the great and her senior sister OHOLA. These three harlots and liars build huge cathedrals of stones and wood throughout the world. Their empires are

made of giant stony and wooden cathedrals. Just imagine at this juncture that, by obedience to GOD'S WORD, people of the world directly bring unto genuine born again Christians who are real GOD's temple, their material riches. As born again, they will have in abundance, food, clothes, and houses. The three rebels, Babylon the great, OHOLA and OHOLIBA won't have any mean to finance the building of their numerous stony temples all over the world.

So the three criminal women spray lies upon the countries of the world, saying: "drop your money in our offerings baskets on Sunday and you shall be blessed!". As they listen to the lies of these harlots, the people of the world bring along their material wealth in wooden and stony temples, financing by so doing the construction of new stony and wooden temples all around the world. Widespread curse, for the stony and wooden temple which have been rejected by GOD from now on, belongs to Lucifer. Whoever drops his money into the stony temples you see nowadays are not a GOD's command. They come from the roman emperor Alexander SEVERE and those willing to understand this can refer to our previous share in tithed "***Going back to the real service unto the Lord***".

What happens then, when you bring along silver, gold and whatever goods in the stony temple and drop them into offering basket instead of putting them into the born again Christian's hands, who is known as the only GOD's Temple? The answer is quite simple. Your offering is not sanctified for it is the temple that sanctifies the gold brought into it. And if your offering is not made holy? It is ungodly, good enough to bring a curse upon you, for you just offered to demons and not to GOD.

Born again Christians, nations of the earth, stop chaining yourself in curses while offering to demons. What you bring in the stony temples on Sunday is an offering serving at building other stony temples on Emperor Alexander SEVERE honour. You bring along an offering to demons because you forsake the real GOD's Temple who is the born again Christian, now that you give your offering unto demons. This is what the BIBLE says: Matthews 23: 16-17 reads: "woe to you blind guides! You say if anyone swears by the temple, it means nothing; but if anyone swears by the gold of the temple, he is greater: the gold, or the temple that makes the gold sacred?".

The BIBLE recalls here that only a fool ignores that it is the temple that makes gold sacred, that means, render it acceptable unto GOD. Whereas the only temple on earth that sanctifies what is brought in, is the born again Christian. That's the TRUTH OHOLIBA particularly hates while shouting halleluiaah, her BIBLE in her hand.

In addition to the born again Christian who is the sole, visible temple of GOD on earth, the church, that is, all the Christians born again and of all generations, constitutes the invisible temple of GOD. It is a spiritual and invisible temple also called the body of JESUS CHRIST.

At this juncture, we can see the reasoning and protests of the three harlots.

"money also serves building schools. Is school a bad thing? Money also help to build hospitals. Is that a bad thing? We also raised funds last Sunday in order to build printing houses. Are printing house so a bad thing?"

Ô, incurable harlots! Road is a good thing. Build then roads all over the world. Fight against terrorism is a good thing. Sponsor then the fight against terrorism. Airlines companies are so useful. Then, sponsor airlines companies in poor countries. We will also need to add to dispensaries and hospitals insurance companies for there are so useful. Sponsor then the creation of health insurance companies. However, don't forget the phenomenon of Tsunamis.

Having sponsored the construction of giant temples with silver and gold collected all over the world, these three harlots have settled two main priorities, namely the physical health and intellectual education of populations. Such an approach seems to be so nice that it deserves a medal of honour and why not a Nobel price of carnal love?

In fact, it is simply a huge abomination that is, the direct importation of a profound rebellion called communism, into our Christian religion.

Let's examine meticulously this rebellion to understand its meaning and its consequences. The Christian religion, in fact, is a revealed religion, founded from its origin upon the principle of inheritance. This principle of inheritance established by GOD states that community or human collectivity proceed from the inner quality of an individual. It is from within the individual that GOD creates and transforms the human community. It is also the inner riches of the individual which generates the decline of the community. The principle of heritage as established by GOD states that the human community is the heiress of the individual and it inherits what the individual has in himself. The individual is the father and the community or human collectivity is the heiress of the individual.

The principle of heritage established by GOD is valid on the spiritual plan and the secular plan as well.

Where does the decline of the human species come from? It comes from a single man: Adam. In fact, the sinny quality Adam acquires is enough to bring the whole nations of the earth under the yoke of sin and curse.

Where does Christian religion come from? From a single individual: Abraham. GOD firstly isolates Abraham from his original community, chose him so as to revolutionize this man. In the beginning, Abraham is an Aramean as his original community, but will go through a succession of spiritual transformations which end up by making of him an Hebrew. As he became tremendously rich spiritually, Abraham is fit to be the father of the nations of the earth. Notice that it is not the nations of the earth that determine Abraham's quality. It is rather the spiritual riches of Abraham that determines the quality of all the generations of Christians from nations of the earth.

Where does the salvation of mankind come from?

From a single Man, GOD made Man; the Lord JESUS CHRIST.

This same principle of inheritance from GOD is performed on the secular plan. For a human community to become rich on the secular plan, the individual, as the pillar of the community must necessary have the financial capital in his hands. The management and investment decisions taken by this individual may not be perfect; but they will be rational enough to generate additive riches which will come to globally enrich the community if the inequalities in the sharing of additional riches remain at a low level. It is thanks to a wise observation and

appreciation of this GOD established principle of inheritance according to which, the individual is the father of the community, that the capitalist system had victory on communism. As a true satanic rebellion, communism tried to deprive the individual from the financial capital and in the depth of its decline, communism even entrusted to the community the task of moulding and changing the individual into a new man; just like if one would ask a young girl to give birth to her father.

Obviously, since the destruction of the Berlin wall, nations of the earth are going back to the sources of things and principles established by GOD that is, the individual is taken back to his place of riches creator. The communist system has disappeared and few billions of human beings are progressively by emerging. However, the defeat of communism is not over for crafty as he is Satan had launched two types of communism including the communism political system which ruled the eastern countries and the world communist religion.

Many people may be astonished to hear that there is a world communist religion whereas this is TRUE. Instated since the gathering of Christians in stony and wooden temples and in world religious pyramids, the world communist religion has a satanic principle easy to understand.

The satanic principle of the world communist religion states that Christian must not receive directly neither tithes nor offering for it is meant for the religious institution to build schools, dispensaries and printing houses. The world communist religion claims that as an individual, the Christian is not able to take good management and investment decisions, and that's why one should not put into his hands silver and

gold as well as other wealth of the world. The communist religious therefore prescribes to the people of the earth to put their offering in an anonymous basket within the stony temple so as enable the religious institution to invest this money in new stony temples, in schools and dispensaries. That the reason why the Christian of the earth have understood that they have to pull down the communist system for the individual to be enriched and by so doing for wealth to be added to the community, the Christian nation is the sole nation to remain under the yoke world religious pyramids.

GOD insists saying that he has only one temple on earth and GOD also insists, saying that it is only this temple that is qualified to receive to make sacred whatever you lay in. this temple is the born again Christian whereas Babylon the great, OHOLA and OHOLIBA lie unto all the nations of the earth telling them that they must not bring their offering to the individual born again Christian . these three harlots pretend they evil basket for they will invest it in projects such as schools, printing houses dispensaries etc. however, even the unbelievers have understood better than whoever that an individual decides more usefully on management and investment issues than the collectivity. Incurable harlots, don't you think the Christian can invest in schools, hospitals and radio better than you?

The BIBLE requests to give out the offering to the individual born again Christian; and the three harlots cry out to the world to drop in their baskets their money for the genuine Christian will not know to profitably invest that money. As a matter of

consequence, people of the earth are harvesting GOD's curse for having brought into a temple the world are deprived from as offering due to them. Babylon the great, OHOLA and OHOLIBA are the evil inventors of the world communist religion.

Because of this satanic communist religion that says money should be paid to the religious collectivity instead to the individual born again Christian as the BIBLE teaches, almost the totality of African states are nowadays facing a strange constrain. The three harlots, Babylon the great, OHOLIBA and OHOLA unceasingly knock at the door of state public treasure saying " give us money for our schools and dispensaries, it is our right. Our schools and dispensaries need state subvention to live." Those are some consequences of the world communist religion. If gold and silver were directly handled to the individual born again Christian he surely would have invested into schools, dispensaries, medical, clinics, radios, printings houses and TV station after having fulfilled primary or basic needs and as we learn from the failure of communism, this individual Born again Christian would have taken better investment and management decisions than the religious collectivity.

Since the failure of the communist system in eastern Europe, we happened to know that the individual takes investment and management decision better than the collectivity. The individual born again Christian henceforth will be investing in schools and dispensaries and he would have managed them better than so called religious collectivities. Our states would not have found themselves in the gossips of subventions for so called religious schools and dispensaries under the constraint of subventions.

The communist religion is not only against the BIBLE, moreover it renders poor the born again Christian who receives no single coin from the funds GOD has destined to him and besides, it costs a lot the state treasure that means to ell the citizens of the world.

Born again Christians, let's get out of the religious pyramids and let's stop dropping our offerings into anonymous baskets on Sunday. Let's put them into the hand of our beloved born again Christians who are real GOD's temples and we shall be blessed by GOD. As we will act as such, we will prosper materially and therefore, we will take good investment and management decisions all over the world. If we go back to the TRUTH, we shall be the head and not the tail as it is the case today.

The three rebellious women have replaced GOD's established order by human laws in view of ameliorating the destiny of populations. Fool and rebellions harlots! Put then into practice and GOD shall take care of the world he created. He will think of raising honest leaders and grant them appropriate visions in order to transform the world. GOD even says HE will be so happy to directly place individual born again Christians at the head of nations to build schools, dispensaries, roads and whatever written in the BIBLE.

The BIBLE says: "***you shall be the head and not the tail***" if only you obey to GOD's WORD. But the three criminal women completely disobey to GOD's WORD saying they have used part of the money they collected to do good in the world. Ô criminal harlots! The good is GOD's will which is written in the BIBLE. Noah rendered to GOD a service in the TRUTH and in return, GOD grants him spiritual riches which created a climate, vegetation, and natural life we are enjoying on earth for some generations. The three world prostitutes chain us

into service to demons and into non scriptural practices, and ask for money.

They pretend part of this money will serve to build new stony temple and another part will help in fighting misery on earth. Race of vipers you are. GOD knows better that you scale of misery on earth and also knows better than you the suitable remedy for it. Go back to the TRUTH as written to the BIBLE, you criminal women and GOD will heal the world he has created.

The BIBLE says GOD's Temple is the born again Christian and adds that goods offered to him must be dropped in this temple. That is clear, simple and précised!

We will now be tackling the altar to clearly understand what it is. We shall neither insist on the temple of great tribulation nor on the millennium temple for a simple reason. We are now living within the dispensation of the Church and what matters is to know in priority what we ought to do in order to prosper spiritually and naturally during this period of the Church dispensation. There will be no Church on earth during the great tribulation meanwhile during the millennium, we shall be there with the Lord JESUS - CHRIST and the Christian who will like to understand what the temple of the millennium is will be free to directly discuss the matter with the Lord JESUS during the millenium. It is only after the launching of this last world wide Exodus that by GOD's grace, we may be coming back to the shares about the millennium and great tribulation events.

Let's now talk about the altar to understand the TRUTH about it.

THE ALTAR

The Altar is found in the temple and I have to lay upon this Altar what I offer to GOD. If the Altar is qualified, it will sanctify my offering that is, it will render it pleasant unto GOD. On the contrary, if the altar is not qualified, it will render my offering ungodly and awful in GOD's eyes.

Let's read swears **Matthews 23: 18-19:**

" You also say, " if anyone by the Altar, it means nothing; but if anyone swears by the gift on it, he is bound by his oath you blind men! Which one is the greater: the gift, on the Altar that makes the gift sacred"

Have we understood the reason why it is important to lay ones offering on the real Altar of GOD? The verses we just shared clearly assert that it is the Altar that makes the offering sacred, that means, it is the Altar that renders the offering acceptable to GOD eyes. Besides, because the temple makes the offering sacred, GOD adds that the Altar likewise makes offering sacred. In this respect, the consequence is immediate. For GOD to accept my offering, I must offer in the real temple of GOD, and within this temple, I must drop my offering upon the true Altar of GOD. If I mistake the temple, I automatically offer to demons and thereby, I harvest curse instead.

Which is then GOD's Altar? Let's open our BIBLE to find out the answer that Babylon the great, OHOLA and OHOLIBA are hiding to the nations of the earth.

The BIBLE is quite precise on the topic. The Altar, is found in the temple that is born Christian. If we are looking for GOD's Altar, we simply need to get into GOD's Temple to find it out for the Altar is found within the temple. What is therefore found in the born again

Christian? It is the HOLY SPIRIT itself. Let's read **Ephesians 2: 21-22**.

" In him the whole building is joined together and rises to become a holy temple in the Lord. And in him, you too are being built together to become a divine thing in which GOD lives by the spirit".

The BIBLE clearly states that what we find in a born again Christian is GOD himself. The Altar found in the temple that is born again Christian is GOD. That's what the three lying pyramids of CONSTANTIN are hiding to the nations of the earth when they want to collect silver and gold of the world thanks to lie. As we saw, GOD's Altar which is the HOLY GHOST is found within the born again Christian. In the respect, how to proceed in order to drop your offering of silver and gold and other earthly goods on this Altar? Here again, the BIBLE gives a clear answer.

GOD says at the later days judgement, he will meticulously examine the way men have managed the wealth of the earth that means GOD will find out whether every human being have offered part of his earthly goods unto GOD. GOD is willing to let it be know by all the nations of the earth that it is an obligation for them to give unto GOD riches of the earth. It is obvious that before giving out unto GOD natural riches, GOD first requests everybody to offer himself to GOD. This is what is written in the BIBLE and we proclaim this word of GOD as a testimony to all the nations of the earth that offer on Altars different from GOD's one.

Matthews 25: 34-45

“ then the king will say to those on his right, “ Come, you are blessed by my father, take your inheritance, the kingdom prepared for you since the creation of the world. For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.”

Then the righteous will answer him, “ Lord when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you a stranger and invited you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you? The king reply, “ I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me”.

Then he will say to those on his left, “ Depart from me, you who are cursed, into the eternal fire prepared for the devil and his angels. For I was hungry and you gave me nothing to eat, I was thirsty and you gave me nothing to drink, I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and, you did not look after me. They also will answer, “ Lord, when did we see you hungry or thirsty or stranger or needing clothes or sick or in prison and did not help you?

He will reply, “ I tell you the truth, whatever you did not do for one of these least of these, you did not do for me.”

GOD'S WORD is absolutely clear. Whoever gives to the born again Christian has given unto GOD and whoever doesn't give to JESUS brother who is the born again Christian has refused to give unto GOD.

Surely, when GOD talks about the brother, he all the same means the sister in Christ. In order to deposit silver and gold, or other wealth on GOD's altar, I simply need to handle it to the born again Christian. That is the only way to bring an offering on GOD's Altar: handing over the offering into the hands of the born again Christian. And GOD adds that whoever fails to give in the hands of the born again Christian has given nothing to GOD and will answers for this lack in front of GOD.

Let's bring a precision to the rebels. We are not running a campaign aiming at begging from the pagans who, anyhow, have no required qualification to offer whatsoever to GOD. One must firstly be a GOD's Priest so as to offer unto GOD. We are compelled by the TRUTH, to tell the priests to deposit their offerings into the hands of beloved born again Christians. GOD clearly states in verse 41 and 42 that he curses and destroys the rebels at the day of his wrath for these rebels have offered nothing to born again Christians. Assuredly, if you are a pagan and this WORD of GOD is touching you, start first by offering yourself unto GOD to be born again. If you decide to remain a pagan, don't bother anyway to flatter GOD by giving out your goods to the born again Christian.

We have understood that GOD's Altar is the HOLY GHOST which dwells in the born again Christian who is GOD's Temple. We have also understood that in the process of laying an offering on GOD's Altar, I simply have to give it to the born again Christian.

Let's once again examine the lies of the three religions pyramids of Alexander Severe and Constantine, as far as the Altar is concerned.

Up to and few years after the Lord JESUS-CHRIST's earthly Ministry, stony and wooden temples had altars upon which people came to offer material things to GOD. Since the destruction of the stony and wooden temple in year 70 after the LORD JESUS-CHRIST, there have been no physical altars till when the roman emperor Alexander SEVERE advised the Church to execute the craftiness of Satan that is, the gathering of Christians in stony temples. The BIBLE says that the physical altar exists no more, but rebel as usual, the three prostitutes namely Babylon the great, OHOLA and OHOLIBA who have raised from ruins the stony temple which nowadays is a Satanic temple, have also re-established the wooden altar within their stony temples. That's the trick of Satan: replacing spiritual things of the Church dispensation by physical things of the Old Testament in view of leading crowds to demons worship.

Yes, the three harlots have so discreetly re-established a wooden altar within their stony and wooden temples. Babylon the great states that this wooden altar must be a piece of furniture with a back or have the form of a carved tomb. OHOLA and OHOLIBA have also re-established wooden altars popularly called " puppetry". In the old days, Babylon the great altar was found at the bottom of the stony temple. After numerous debates, this wooden Altar has happened to advance more and more towards the centre of the stony temple, for the assembly to surround this altar which according to Babylon the great, represents JESUS.

At OHOLA and OHOLIBA , this wooden Altar, is at the bottom of the temple. And the so called Assembly pastor is perch on the wooden Altar from which he harrangs the crowd. What a criminal harlots! It is even obvious to OHOLIBA to carve seven candlesticks on this Altar , as they pretend, in view of representing the seven candlesticks mentioned in the BIBLE. Very soon OHOLIBA will light seven candles in

view of recalling the seven lamps of the seven churches described in the BIBLE.

Born again Christian, come out from the middle of these three world harlots.

When GOD request to replace physical thing, the three Pyramids do the contrary, they replace spiritual thing of the New Testament by physical thing, Harding by so doing the whole earth over to demons.

The wooden and stony temple, physical Altars in the stony and wooden temples, the tank, the two columns at the entrance of the temple, the temple gates, the holy place and the holy of holy all represent the **shadow** of true things to come, that means, the shadow of things revealed to us in the New Testament. Foolish harlots! If you re-establish stony temples and the Altar you build with wood, whereas there was an Altar of steel and another of gold, so re-establish also the steel tank at the entrance of the temple of store; moreover, place this tank upon twelve crows; then forget not the two column at the gates of the temple. Fool criminal women, forget not to chose cows of good health, flour and birds you'll offer on your altar in your stony and wooden temples. If you re-establish the stony temples as the roman emperor Alexander SEVERE has recommended you, then re-establish every physical and Leviticus priesthood , o criminal women.

We understood that the TRUE altar of GOD is the HOLY SPIRIT and that altar is within the born again Christian who is the only GOD's temple. We also learned that what we offer in TRUTH to the born again Christian because of the quality of born again child he bears, is an offering directly handled to GOD .We also know that we should avoid

participating to the world communist religion by dropping our offering in satanic and anonymous baskets that so called religious institutions will be using instead of the individual born again. We insist that the genuine Christian

THE TITHE

Once again, let's underline the fact that material goods alone are not enough to prosper. There are at least 5 categories of things I must offer to GOD in TRUTH if I want to prosper.

The service unto the Lord I must offer to GOD in TRUTH, I must offer my self to GOD as well as to men in TRUTH, intercession prayers I must offer to GOD in TRUTH, GOD'S WORD I must offer to men in TRUTH and finally the material goods I must offer to GOD in TRUTH. that's the complete system of goods to bring unto the Lord and in TRUTH, in order to be qualified as a GOD'S Priest, admitted into spiritual prosperity which in return will entrance natural prosperity.

The practice of the Tithes OHOLIBA vigorously preaches has thrown Christians of the word in a profound curse. Assuredly the Tithe has unfold a roll of curses upon Christians all over the world, and OHOLIBA is the main responsible.

Let's in detail examine the curse of the Tithe which is the tenth part of every income of the Christians and which according to OHOLIBA should be systematically dropped in the Sunday basket within the stony temple.

Let's precise that there is a single tithe, but two different ways to pay it, namely (Tithe) payment according to faith and payment according to the law. In fact, tithe obeys to the same principle as justification.

In fact, just as the justification by faith, that is salvation by faith, the tithe of faith precedes the Leviticus priesthood. Just as the justification by faith, the Tithe of faith comes from Abraham.

In view of obtaining salvation that is eternal life, there two ways. The first of them is that of the faith. Likewise Abraham who had faith in GOD and obtained righteousness by the only virtue of his faith, which was credited to him for justice by GOD, the individual born again is justified by his sole faith in JESUS CHRIST. That's the way to salvation by faith. How many times is one saved by faith, since Abraham, it is once the day I believe in JESUS CHRIST, I am saved by faith.

However, there is a second way of salvation, that of the law, which was reserved to believers of the Leviticus period and which moves from Leviticus up the earthly ministry of JESUS CHRIST period. Those believers were unable to accomplish the law as we know. In fact none is able to obey all the law.

There are two ways to salvation, namely the way by faith issued from Abraham and that of the Leviticus law are exactly the same for the Tithe and they produce, when we appreciate the context of Tithes, the same consequences as in the context of justification.

The Tithes is either paid by faith once for all, or many times according to the law. Is this tithe a law or a custom to Abraham? No. By faith, Abraham pays once for all the Tithe to Melchisedek. Likewise Abraham

the believer is saved once for all, by faith in GOD, Abraham the Believer pays for all the tithes to Melchisedek.

Let's go back unto salvation. The day Abraham is justified once for all, by faith, there are two Israel in his waist. The Israel according to the flesh inherits nothing on that day salvation by faith, whereas the spiritual Israel who is the Christian born again inherits that day of salvation through faith. The spiritual Israel obtains that day, inheritance by faith whereas Israel by flesh goes through the yoke of salvation through the Leviticus law. It is exactly the same thing with tithe. The day Abraham pays and once for all the tithe to Melchisedek, the spiritual Israel in Abraham waist pays that days and once for all, by faith, his tithe through Abraham's act. At the same time, Israel by flesh also pays his tithes through Abraham's act, but it is by the law he pays it and must continue to pay the tithe of the Leviticus law.

We who are spiritual Israel, New Testament GOD's Priests ought not to pay the tithe anymore, for Abraham our father did pay it once for all the day he paid his tithe to MELCHISEDEK. Why then, you may ask, is Israel by flesh obliged to bear the burden of the tithe according to the Leviticus law?

The answer is that, the mystery of Abraham's faith, being not revealed to believers issued from the Leviticus, the second way which is the law is the only one they can have access to. They are Abraham's heirs as we are, whereas they are still slaves and can not obtain the faith inheritance. They are then obliged to continuously pay the tithe of the Leviticus law without succeeding to obey that law.

At times, in front of discouragement towards the burden of the law of tithe, they do without it and as a result, heavy curses are upon them as it is written in the book of **Malachi chapter 3**.

But the mystery of Abraham faith have been revealed unto us and by faith, we are set free once for all of the law of the tithe, accepting by faith that Abraham have paid unto Melchisedek his tithe, once for all and for all the generations of his spiritual descendants who were already in his waist.

And what will happen if the Christian goes back to the system of regular payment of tithe, according to the law?

The answer is that, the Christian who goes back to the law of regular and repeatedly payment of the tithe will harvest nothing else than curse. This curse attached to the Leviticus tithe we pay nowadays comes from Galatians chap.3 verse 10 which states that " All who rely on observing the law are under a curse, for it is written cursed is everyone who does not continue to do everything written in the book of the law".

Let's examine this more in detail through few examples.

Br. TCHICAYA has a monthly salary of 150 000 CFA Frs and drops every end of month 15 000 CFA Frs in the basket of the temple of OHOLIBA, the specialised preacher of tithes.

TCHICAYA is naturally expecting blessings from GOD. But behold, an old-aged aunt from the village pays him a visit and brings along a bunch of plantain for him. Happy as he is, he quickly orders to his wife to cook a nice traditional dish with the aunt's gift. The whole family

gathered will thereby enjoy this special meal we call "kondre" in Cameroon. Behold TCHICAYA's family is under a curse for having eaten this bunch of plantain.

Where does the curse come from? The fact is that the bunch of plantain offered by the old lady may cost 5000 CFA Frs at Yaounde's market and TCHICAYA should have thrown in the basket of the temple, the sum of 500 CFA Frs representing the tithe of the bunch of plantain. But, TCHICAYA thought this plantain did not deserve the payment of the tithe attached to it. Fool! It is written in the BIBLE "cursed is everyone who does not continue to do everything written in the Book of the law" if you start by paying the tithe on your salary, then go on applying all the law, paying the tithe upon the bunch of plantain. This bunch of plantain is an income for your family and if you dare pay the tithe on your salary, then pay the tithe on the bunch of plantain. If you fail to do so, Satan will play his main role of accusatory saying: "this one has placed himself under the law of tithe, however, he refuses to fully practice this law. He therefore deserves the curse".

And if you argue in your heart saying that the amount of 5 000 CFA Frs. is too small; know that Br. Wesley who manages a multinational company earns the sum of 150 000 000 CFA monthly and for him, your monthly salary of 150 000 CFA Frs as a whole is just as small as your bunch of plantain of 5000 CFA Frs. For what use then do you pay the tithe on your 150 000 monthly salary? If then you consider 5 000 CFA as negligible and if you claim that your 150 000CFA monthly salary is important, know that this bunch of plantain that worth 5 000 FCFA is also important. Look at Sr. Angela your babysitter who earns 20 000 CFA monthly. No doubt that for her the value of your bunch of plantain that is 5 000 CFA represents a great amount of money. Fool!

You ought to pay a 5 00 CFA tithe on your bunch of plantain. If you fail to do so, you and your household will be eating curses while enjoying a nice dish. You then harvest curse and you shall not prosper, for you failed to pay the tithe on your bunch of plantain.

Legalists and pretentious as they were, Pharisees of the time of the Lord JESUUS CHRIST's earthly Ministry made a vow to completely respect the tithe. And consequently, they found themselves under the burden and spent long hours calculating even the tithe on herbs and ingredients for cooking. (see Mat.23).The Lord JESUS CHRIST mocked at this false godly slavery saying " the burden of your tithes is so preoccupying that you let aside the most important that is GOD's righteousness, GOD's mercy and faithfulness".

Let's now consider Br. TCHOKOANSI case, he who usually pays a tithe of 20.000CFA from his salary per month. Let's add that he is married to a dynamic and working lady. Preoccupied to bring a helpful hand to the household management, the Br's wife opens a store. The question at this juncture will be: "must she pay the tithe over the turn over of the store or over the profit generated by the store". The greedy OHOLIBA would have liked to take the tithe over the turn over of the store, but Sr. TCHOKOANSI is so vigilant and underline that the commercial margin is barely 20% on the best stuffs of the store. These 20% representing the commercial margin are not sufficient to cope with the common charges of the store including the rent, electricity and transport fees as well the handling of goods.

However, Sr. TCHOKOANSI has no financial mean to require the expertise of an accountant and therefore can not run her self a rigorous accounting according to the techniques of this science. She simply knows the commercial margin per stuff. The sister will then go unto approximate evaluations of the monthly net profit and it is on the basis of these approximations, that she will be paying her tithe every

month. Behold the whole family under a curse for, some months, the approximate evaluation of the result will be less than the profit realised. During these months the benefit is less than its real value, the family failed to pay the exact amount of the tithe and behold the curse is in their home. Whereas the sister didn't cheat, for it is not easy at all to calculate the exact monthly profit in a store without a specific and rigorous accountancy.

Even if the sister recruits an accountant to eradicate this problem, the annoyances of the tithe are not over. As the last born baby cries, the sister offers him a piece of bread and sardine which value is 500 FRs to comfort him. The accountant is so rigorous and each time drops a register the sister signs. This value of 500CFA Frs which will be cut off by the accountant from the store benefit represents an income for the family. Did Sr. TCHOKOANSI pay the tithe of 50Fr on this loaf of bread? No and behold the curse comes in and gnaws the family.

Let's take another example. Br. MUKANDA who is fianced to Sr. JECOLIA, invites her to go out and eat in a restaurant down town Yaoundé. This is to please his fiancé and no one can argue against that .at the end of the joyful and loving meal, MUKANDA pays his addition. Let's say, JECOLIA ate for 10.000CFA Frs. This sum is an income for JECOLIA and while economists evaluate the riches produced in a country in the course of the year, part of this food of 10.000FRS value eaten by JECOLIA is taken into account for this food has a value added. Economists are right to count this food within the riches of the land. So, JECOLIA has had a 10.000CFA Frs. Income. She who regularly pays 40.000CFA Frs. Of tithe out of her 400.000CFA Frs. Monthly salary of a MD is now under a curse.

Born again Christians, let's get out of the curse of tithes. Let's free ourselves from the yoke of the law of the tithes. This curse of the tithe has made poor complete generations of sincere Christians all over the world. Let's us pay no tithe to whoever. Let no one rush after the curse of tithe anymore. If you start by paying the Leviticus tithe on your salary, you will end up by paying the tithe on a piece of chocolate; offered to you by a sister in Christ Jesus and if you fail to pay it, you will place yourself under the curse of those who partially put the law into practice.

Born again Christians, who has bewitched you so that you go back to the slave of the law? Don't you know, you aspiring to pay the tithe, that the law requests to pay the tithe of tithe? Let's turn to the Book of Numbers which is also called Bemidbar that means "in the desert". It is written in numbersch.18: 24-30 that Israel pay the tithe to the Levites and Levites in return pay the tithe of Tithe to Aaron. However, all the born again Christian of today are priests, that is, they are Levites. Aaron represented the High Priest, that is the Lord JESUS CHRIST who is GOD. So, as we all are Levites of the New Testament dispensation, to who shall we pay the tithe of Tithes. If we start by paying the tithe, let's finish what we have started by also paying the tithe of the Tithe. And if we fail to respect the tithe of the tithe, having respected the law of the tithe, behold, we are under curse.

Just imagine Peter dropping 50.000 CFA on Sunday in the basket of OHOLIBA the liar. At the end of the collective bewitching session called worship service, to who should the 5000 Cfa Frs representing the tithe of tithe paid? Let's put that this tithe of tithe is handled to the so called Assembly pastor. To who will he in return pay the 500 CFA

representing the tithe of the 5000 CFA Frs? If he uses the whole 5000 CFA Frs. Behold he is under a curse for he received 5000 CFA Frs and paid not the tithe of the tithe he has received.

As a matter of fact, the lies on tithe are numerous. In Deuteronomy ch.26: 12-14, the BIBLE says if I commit myself into the law I must respect the year of Tithe. In this third year which is the year of tithe, I shall pay the tithe unto the Levite and unto the widow, the orphan and also the stranger who is not Israelite as well.

Why is the stranger who is not an Israelite receiving my tithe in the third year? GOD was simply announcing that the Old Testament believer as well as the born again Christian have spiritual heirs who are believers and natural heirs. We've already shared on the notion of heirs.

Now born again Christians, examine your stony temples into which they preach on tithe. Is there any third year during which a tithe is paid unto the widow, the orphan and the stranger and unbeliever as well? "

Now, born again Christian, examine your temples into which tithe is paid to the widow, to the orphan as well as to unbelievers? No.

Every year, you drop in the baskets of your stony temples, Leviticus tithe. Why then do you despise this third year, especially instated for the stranger, the widow and the orphan? It is written that cursed is everyone who does not continue to do everything written in the book of the law" **Gal 3.10.**

Ô! Foolish Galatians, who bewitched you so that you get back into the bondage of the Leviticus tithe?

In the midst of all this lies and confusion, OHOLIBA the perfidious who talks of the HOLY GHOST shouting halleluiah while hating the practice of the BIBLE paints her eyebrows and lips, paints her nails as JESABEL who grew old in prostitution, shortens her opened shirt, flaunts her pointed breast and shouts unto the people of the earth " GOD will bless for this tithe you pay ". Criminal OHOLIBA who unfold curse on earth!

When the Lord JESUS-CHRIST quotes the tithe in Luc 18: 12 it is simply to show how futile it is, for what really counts is Obedience to GOD.

We have now well understood that the Leviticus tithe bears curse, and that it is one of the causes of poverty numerous Christians all over the world are living in. our last point is the study of voluntary offerings which are effectively requested by GOD and which bring abundant blessing unto all those who practice them on a scriptural base.

THE VOLUNTARY OFFERING OR LIBERALITIES

In view of giving unto GOD silver and gold or goods of different natures, there is a single process, that of the voluntary offering also called liberality. The voluntary offering alone is strictly applied in the New Testament priesthood.

Voluntary offering or gift liberality is a manifestation of love and is always rendered by concrete acts.

For instance, GOD loves me and offers himself on the cross of Golgotha. I love GOD and I offer him my spirit, my soul and my body, in the short, I offer him my whole life.

Theoretical loves only exist in lying love magazines of the world. GOD says love is real and concrete and consist in giving out to someone I love, a composition of the things of various natures among which some are everlasting.

Many people say "I believe in GOD". GOD hates such abstract and theoretical declaration which comes right away from love magazines and fake love film from the world. Even demons believe in GOD, but they tremble. GOD is concrete, and he says to man, "if you love me, then give unto me your life then other things from various natures for me to make of you a priest of mine. I've already showed the proof by giving out my life for you at Golgotha.

For my voluntary offering to be acceptable unto GOD and that I consequently harvest spiritual riches in my heavenly bank account, those riches producing material riches destined to my spiritual heirs, my natural heirs and myself as well, I must observe GOD established rules. Let's tackle these rules through a series of questions and answers.

UNTO WHOM MUST I OFFER?

This question is a simple recall, for we've abundantly shared on the question already. It is unto the born again Christian that I must handle

my voluntary offering destined to GOD. The BIBLE clearly states that it is the individual born again Christian who is the temple and GOD's Altar which is the HOLY GHOST is found within the temple that means within the born again Christian.

Let's us flee from the world communist religion established by Babylon the great, OHOLA and OHOLIBA and let's give directly to the born again Christian our offerings. Let's not drop whatever in the anonymous basket of the three harlots. Romans 12: 13 says: "Share with GOD's people who are in need, practice hospitality".

However the three harlots and rebels ask to drop silver and gold in their Sunday basket though I may know a sister in Christ Jesus who lacks means to pay her rent since she has abandoned her boy-friends in the world. In order to justify themselves, the three criminal women say they need money to build new stony temples, schools and dispensaries.

What an abomination! For the individual born again is more fitted to invest in radio, dispensaries, schools, TVs, newspapers and he is more equipped than the so called religious collectivities to manages. For sure, as these religions collectivities are not able to manage whatever, behold, our African states are submitted to gossip of subventions to be paid to OHOLIBA, to OHOLA and moreover, to the greedy and infections Babylon the great. GOD knew that the individual takes better than communist collectivity, investment and management decisions and has ordered to meet the need of the saints and not those of collectivities and communist institutes that pretend to be religious.

1 John 3: 17 reads: "if anyone has material possession and sees his brother in need but has no pity on him, how can the love of GOD be with him?"

the BIBLE is clearly talking about my brother, a true physical person and not of a communist collectivity pretending to be religious. The BIBLE doesn't talk neither of a group, an institute or an anonymous foundation. The BIBLE clearly and directly talks of my brother in Christ Jesus who is in need. If I have no pity on him, abandon him in his problem, get into a stony temple and drop my money in a basket managed by an anonymous collectivity. Cowardice, hypocrisy and abomination. Let's turn back to the TRUTH-Fool, what blessing do you expect when you don't care about the groaning of your brother you see, to go out financing the construction of a new stony temple. As will your brother sent out by the landlord for unpaid rent go to live in the stony temple you have sponsored? Have you left the world to obey the BIBLE or reasoning or men traditions?

Born again Christians, let's cease to drop our rules in lying baskets of Sunday. Let's give our silver and gold to individual born again Christians, for after having sponsored their basic needs, they will invest, manage and the Christian nation will be enriched through out the world.

Let's break down the communist religion of the three harlots and, liars who replace GOD established order by their reasoning their customs and their imagination.

WHO MUST OFFER?

This question is also a recall for we've already shared on the topic. Only the priest, that is the born again Christian is qualified to give voluntary offering to GOD. If you are not interested by GOD's Priesthood, if you don't want to commit yourself unto GOD and become a GOD's Priest, then keep your goods for yourself. Fool, where you born when GOD created silver and gold?

Several times, GOD says that born again Christian alone are those qualified to bring along voluntary offering. 1 Cor.16: 1-4; Titus3: 14; Rom.1: 25-28; 2Cor.8: 2-15; 2Cor.9:1-14; 3John1: 7 loudly testify that only the born again Christians are qualified to bring unto GOD, voluntary offerings.

But why does GOD insist so many times? It is because he knows the rebellion of the three harlots Babylon the great, OHOLA and OHOLIBA who do not hesitate to go round prospecting companies of the secular world, stubborn pagans, members of mystic lodges of darkness saying " give us money and GOD will bless you". And Christians born again pray to say "amen" and confirm this worldwide prostitution which allow the rebel nations to think that one can obtain GOD's favour by flattering GOD with some money.

Christians born again, break out every fellowship with the three harlots. How far do you think you can prosper if you continue fellowship with women so rebel to GOD's WORD.

HOW TO BRING ALONG MY VOLUNTARY OFFERING TO GOD?

First, there is the principle of total discretion as ordered in Mat.6: 1-4. it is an absolute secret that I offer my liberality to a born again Christian. I must not do it in public and whatever advertisement is forbidden.

“Be careful not to do your ‘acts of righteousness’ before men, to be seen by them. If you do, you will have no reward from your father in heavens.”

“So, when you give to the needy, do not announce it with trumpet, as the hypocrites do in synagogues and on the streets, to be honoured by men. I tell you the TRUTH, they have received their reward in full. But when you give to the needy, do not let your left hand know what your right hand is doing, so that, your giving may be in secret. Then your father, who sees what is done in secret, will reward you.

GOD commands me to handle my voluntary offerings in an absolute discretion. However, what happens within the three world religions pyramids?

At OHOLIBA place people go out dancing and waving their bank notes they drop in anonymous and non scriptural baskets. As there are stubborn, OHOLIBA progressively runs a register at the level of so called prayer Cells. At OHOLA's place, prosecutors of the world are preoccupied by the various cases of trials about the share of the kitty in between Elders, emancipated women pastors, district pastors and national pastors. As for Babylon the great, it is the peak of criminality. “Give me money, and I organise a mess in order to bless your

intentions" says the great harlot to all the nations of the earth. As you open your newspaper, you read on a page "give out something, please, to fight famine in the world. Perfidious Babylon the great. Isn't it written that visible things come from invisible ones? You deprive the whole world from TRUTH, making hungry on the spiritual plan, billions of persons and wonder that this spiritual hungry everywhere lead to physical hungry.

Keep for yourself your satanic messages and go back to the TRUTH.

In order to produce seeds, seasons, climates on earth, Noah, the ancestor didn't go round the world collecting. He offers, and in TRUTH, a service unto the Lord and in return, GOD granted him permanent spiritual riches that generate seeds, harvest, seasons and climates we have nowadays in our planet.

Born again Christian, let's discreetly bring along our voluntary offerings to our beloved born again Christian and we shall prosper. GOD says if I give with advertisement, he put no blessing in my heavenly account. As no spiritual riches is found there, I prosper not for I've made publicity while giving.

Secondly, as we can see in 2Cor.8: 1-4 and 1Cor.16: 1-2, I offer according to my means but GOD does not fix any proportion. The voluntary offering is completely ruled by the principle of liberty as the proportion of the wealth to give out is concerned. I simply need to feel joy in my heart concerning the amount or the value of the goods I give out. If I feel my heart is not joyful, I give absolutely nothing. If I feel joy from the HOLY SPIRIT when I am about to give 30% of my

income, then I give unto the Christian born again. If I feel joy in my heart to give only 1%, then I give 1 % to the born again Christian. And if this month for instance, I feel joyful to use all my income, then I remain in the peace of the HOLY SPIRIT and I use myself the totality of my income, blessing the Lord who has granted me that income.

The amount of the “physical good” I give out is not fixed also. If I feel so joyful to give out a building, I give it to the born again Christian. If I feel joy to give out only 10 us dollars whereas I am a millionaire, I only give out 10 us dollars and I sin not while acting as such.

GOD places me in front of my liberty and my responsibilities, warning me that the quality of spiritual riches he will put in my heavenly account directly depends on the quantity of material goods I offer to GOD. It is then up to me to choose and I freely choose the quantity of goods I offer unto GOD.

2Cor.9: 6-7 reads: “remember this whoever sows sparingly will also reap sparingly; and whoever sows generously will also reap generously. Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for GOD loves a cheerful giver”.

Thirdly, it is wise, at times, to accumulate good before giving them out to the born again Christian. This silver or gold, or these goods accumulated and handed unto the born again Christian may help this one to launch an investment. If I put aside 30.000 CFA every month and during six months, the Christian receiving 180.000 CFA can use this money to buy a gas cooker. And if I’ve cumulated this sum of

30.000F CFA for twelve months, the born again sister who will receive it may launch an activity of production of fritter, by the road side in the evening.

The distance even renders the compulsory the accumulation of goods as to diminish the cost of the goods transfer. If I want to sent money to a beloved based in Mali, it is useful to firstly gather a sufficient quantity, if I transfer several times little quantities, that will be costly to me. That what 1Cor.16: 1-4 shows us.

Corinthian house assembly Christians want to give offerings to Christians of the house assembly of Jerusalem. But as Corinth is far from Jerusalem, everyone puts aside once per week, a portion of his goods. These goods collected are handled to faithful Christians who will travel to give them unto their fellow Christians of Jerusalem. Nowadays, we have the modern mean of transfer of silver and gold or of goods of all kinds.

WHAT TO DO WITH VOLUNTARY OFFERING I RECEIVE AS GOD'S TEMPLE?

When an individual born again Christian receives a voluntary offering as GOD's temple, he firstly must give thanks to GOD for the multiplication and accumulation of spiritual riches in heavenly accounts of Christian givers are activated by these thanksgivings. Then, these spiritual riches create all kinds of material riches for Christian givers and their spiritual and natural heirs as well.

After having thanked GOD for what he has received as GOD's temple, the born again Christian must use the goods received in two ways.

Firstly, he must finance his basic needs the BIBLE enumerates as food, cloth, transport, lodging and soon.

It is biblical to use gold, silver and other goods I receive as GOD's temple, to build my house or pay my rent, supply to my daily food, clothe myself, buy my house finance my trips or even buy my car.

Secondly, the born again Christian receiving voluntary offering at the position of GOD's temple must use these offering in order to realise and manage investments to increase his riches, after he had satisfied his basic needs. These investments he must finance and manage are of various natures, including schools, dispensaries, radio and TV broadcasting houses, newspapers, bookshops, restaurants, in short, every kinds of investments that are able to enrich the Christians who are his spiritual heirs as well as other inhabitants of the land who are his natural heirs.

Let's halt a while to better understand this aspect of the thing. The offering the born again Christian receives belong to GOD. This offering is in fact a minas GOD put into the hands of the born again Christian for the purpose of multiplication.

Let's examine the parable of the minas in the gospel of Luke 19: 11-27 to understand this.

GOD's WORD says when I invest and multiply my minas thanks to a good management in order to again ten other minas, GOD grants me

the running of ten towns. These ten towns are my spiritual and natural heirs. If on the contrary I do no investment, GOD withdraw even the mine HE granted me.

And if it happens that I have no investment project ? The BIBLE says in verse 23 that while waiting for an investment project, I must at least drop the saving issued from the offering in a bank for it to produce interests while this saving is placed in a bank, I must humbly ask GOD to grant a project into which I have to invest in order multiply my mine. Maybe GOD will show me a training to undertake before moving to the investment.

An advice to born again Christian. Let's know that the BIBLE several times shows that women are particularly talented to invest and multiplied material riches. It is in this respect that women were mostly those who provided to the material needs of the lord JESUS CHRIST during his ministry on earth. There were wise women and good manageress who had invested and were enriched. They would never have sustained the gospel if they had not invested. Let's also think to give unto sisters in Christ -Jesus, our offerings. This will accelerate the enrichment of the Christians of the whole world .

That's the TRUTH on the topic voluntary offering or liberality which constitutes the only channel through which one can handle material gifts into GOD's hands.

We've completed the share about voluntary offerings, but there is a question many Christians are certainly ask themselves. Let's now look into this question.

WHAT WILL HAPPEN IF AN UNBELIEVER FREELY OFFERS ME A THING I HAVENT ASKED FOR ?

Let's start by going back to the principle of quality, which is very important on the spiritual plan. In **Matthews10: 41-42**, it is written : *"Anyone who receives a prophet because he is a prophet will receive a prophet's reward. And anyone who receives a righteous man will receive a righteous man's reward. And if anyone gives even a cup of cold water to one of these little ones because he is my disciple, I tell you the TRUTH, he will certainly not lose his reward".*

Let's begin by recalling that before we say what we just red, GOD had précised that whoever doesn't bear his cross and follows him is not worthy of him. Verses 41 and 42, we just red, concern therefore the disciples of the Lord JESUS CHRIST and the expression "**whoever**" used here means anyone of JESUS CHRIST disciples. This recall made, GOD says the quality, that is the reason why someone gives me something is very important.

If Mr. YACOUBA who is an unbeliever gives me something by the fact that I am a born again Christian, that means if YACOUBA offer to me something because I am disciple of JESUS CHRIST, it means that YACOUBA wants to gives unto GOD. In this case, I must refuse his offer and ratter invite Yacouba to firstly offer his own life unto the Lord JESUS CHRIST in view of receiving the quality of priest which is necessary in order to offer unto GOD.

Let's now take another case where Yacouba, who is an unbeliever, offers me something irrespective of the fact that I am a born again Christian. For instance, I am a salesman or commercial agent in a supermarket and Yacouba the customer gives me a TIP of 5000F CFA because I kindly and smilingly give him details on the stuffs on sale. In this case, Yacouba has given nothing to do with corruption that gangrenes Africa nowadays. I work in a bakery and at the end of the year, the boss who is not a believer is particularly happy of my performances, grants me a 300.000CFA Francs bonus. This boss has given nothing unto GOD and I accept my bonus.

However, let's insist on the fact that I must not wander around the unbelievers with the begging basket to beg as Babylon the great, OHOLIBA and OHOLA do.

When you beg, you spiritually open to whom you ask doors he can exploit to destroy you if he belongs to the world of darkness. It is one of the reasons of the spiritual death of our three world religions pyramids.

Assuredly, Christians must ask for their rights. It is forbidden to beg, to request favour from unbelievers, but it is a duty for the Christian to spiritually and naturally ask for his rights.

CONCLUSION

We just shared together on the TRUTH on the way that leads to true prosperity, that is prosperity coming from GOD. There are a total of five categories of things I must offer unto GOD in TRUTH if I want to prosper.

I must offer myself unto GOD as an offering and unto men as a GOD's qualified temple where their goods can be deposited, I must offer in the TRUTH a worship service unto GOD, I must offer to GOD in TRUTH prayers of intercession for Christians and other men as well, and finally, the voluntary offering of gold, silver and other material goods I must offer in Truth unto GOD. That's the complete system of what I must offer unto GOD in Truth to be qualified as GOD's Priest, admitted into spiritual prosperity which will generate in return natural prosperity.

If you are not yet born again and this share on the TRUTH have convinced you on the necessity of a personal encounter with GOD, simply follow the following steps:

First, kneel down in sign of submission in front of GOD and confers to GOD that you're a sinner who deserves his wrath. Implore GOD to forgives yours sins, citing with precision every sin coming to your spirit. If this repentance tends to be long, don't stop, continue and cite all the sins coming to your spirit. At the end of this confession, tell GOD you accept that the Lord JESUS CHRIST died for you in particular at Golgotha. Ask GOD to cleanse all your sins with the blood of JESUS-CHRIST and to grant you eternal life. If you are member of a lodge of darkness, Satan will try to impress you saying that his covenants are irrevocable. He may even threat to kill you. All that is a lie! Simply end your confession saying: "Satan, I forsake you, I renounce all your pacts in the name of the Lord JESUS- CHRIST. I place myself in security in the blood of the Lord JESUS-CHRIST" at the least of Satan attacks, in the day as in the night, just do like chap, call unto the daddy saying " in the name of JESUS CHRIST, I confirm I have left

you, Satan" as Satan will be uselessly agitating by your side, pray GOD to lead you on the way of a real minister of deliverance and the pleasure will be his delivering you. Remember that Mary Magdalena, the woman who followed Jesus everywhere, before her conversion was a dangerous vampire. She had up to seven totems, what is not negligible. Whereas the Lord JESUS CHRIST delivered her, for he sincerely open herself unto GOD, hiding no little portion of her life.

Secondly, kneel down alone and ask GOD to baptise with HOLY SPIRIT for it is what he promises and he never lies. You absolutely need the HOLY SPIRIT to reveal unto you the thought of GOD, to be clothed by the absolute power of GOD for you will dearly need it in order to subdue Lucifer who will not hesitate to contest your conversion, to comfort you in hard times, to grant you various spiritual gifts which are useful in Christian. Walk, to bring you peace and joy, to transform your spirit and teach you to think and to act like GOD. GOD of Abraham, GOD of Isaac and Jacob, I beg you, baptise me with your HOLY GHOST as you promise me.

Thirdly, pray GOD to give you a true Christian who will lead to water baptism. This baptism is quite simple, he'll completely plunge you into the water in the name of the father, of the son and of HOLY SPIRIT. For sure, you keep your clothes while entering in the waters.

Fourthly, buy a BIBLE and read it, starting from the New Testament. this is a simple advice. Read first the gospel of John which is of an incomparable taste. As a young believer, I didn't waist my time in vain reasoning. When I used to read that whoever eats the flesh of Jesus and drinks the blood of Jesus will rise from dead, I quickly ran to my

bedroom and standing I will proclaim loudly " I eat the flesh of Jesus and drink the blood of Jesus" I did not go into philosophy. Once I read in the BIBLE, the sooner I proclaimed it in prayers. At my great astonishment, this way of praying completely changed my life within six months and I became by GOD's grace a mature man eating from now on, solid food whereas OHOLIBA I was already seeing the neckedness and prostitution was still trying to give me her adulterated milk. The absolute confidence in what is written in your BIBLE is a fatal weapon in front of Satan. Satan particularly fears Christians who trust in what is written in the BIBLE and are ready to proclaim at every moment in prayers what is written in the BIBLE.

Fifthly, remain at your home above all and set not your feet in stony temples, you may lose precious years. If you locate a little house assembly where people know each other, join it. You will grow fast. If you don't have a house assembly, stay at home and read your BIBLE everyday. Buy Christian music tapes, listen, learn and repeat the choruses. From this beginning, GOD will reveal unto numerous songs you will write down, rehearse so as to the content of the book entitled "**Going back to the real service unto GOD**" which is available in the website www.worldwiderevival.org pray daily at home. The fact of reading one's BIBLE at home, pray at home, sing hymns at home, offering a worship service unto GOD at home brings down GOD's altar in the home. Christian religion is a religion of revelation and power. It is neither a religion of custom, of reasoning, neither a religion of organisation. Remember that the gospel was introduced in Africa by an African who was finance minister in Ethiopia. the BIBLE explains that at the moment the Ethiopian eunuch believed in the Lord JESUS- CHRIST, he does not even understand the meaning of what he

reads in the BIBLE. But he is immediately taken into the waters of baptism, and the young believer goes back alone in Africa. And the HOLY GHOST takes care of helping him to grow spiritual and to make him become an instrument of GOD to spray the gospel in Ethiopia. Nowadays the three lying pyramids are panicking, pretending to be spiritual women and claiming that they should shut the young believer in the stony temple in order to train him up. Don't rely on those false and non scriptural declarations. If these three liars (Babylon the great, Ohola and Oholiba) are true Christians, let them obey to the BIBLE and let them come and teach you at home. Always check and control with the Bible whatever teaching is given to you by whosoever.

Sixthly, listen to the radio and watch on the TV preachers and discern thank to the BIBLE. When a preacher says what's not scriptural, don't listen to him anymore. On the contrary, listen carefully to those who help you to grow in the knowledge and the use of the BIBLE. Also buy Christian books that will help you to grow spiritually. Know that internet is full with portions of written and read messages and preaching of the BIBLE.

Now that we have finished with **GOING BACK TO THE TRUTH ON TITHES AND OFFERINGS**, the remaining topics of share are:

GOING BACK TO THE TRUE BAPTISM

GOING BACK TO THE TRUE HOLY COMMUNION

For the three religious pyramids built by Constantin have also filled the world with lies concerning baptism and holy communion. By the grace of GOD, the Lord of Hosts sited upon the cherubims, we will share on these topics next time.

May GOD bless those who listen and practice his WORD.
