

# **(BLACK) AFRICA'S DESTINY**

*See, I have set before thee this day life and good, and death and evil.*

*Deuteronomy chapter 30 verse 15*

**Reverend Apostle Joseph TOUBI**  
[josetoubi@yahoo.com](mailto:josetoubi@yahoo.com)

*(Fill free to freely share this prophetic message from GOD with the entire earth)*

The Bible reveals that any nation which does not complete the four stages developed below ends up disappearing from the face of the Earth, without the course of human history on Earth necessarily being stopped. On the days of Noah, all peoples and civilisations, including the most developed and prosperous ones, suddenly disappeared under GOD's judgement, and only a Man of GOD and his closest family remained to continue the Human History on earth.

The Bible study of Babylon, Tyr and Sidon, Assyria, the Medes and Persian, the Roman Empire, Edom, Moab, Sodom and Gomorra, confirms this GOD's constant axiom. Any nation which does not complete the four stages developed below ends up disappearing from the face of the earth; without the course of Human history on earth necessarily being stopped. So has it always been and so will it ever be for all the peoples and civilisations over the earth; till the final destruction of Gog and Magog.

When in the desert apostate Israel drove GOD to extreme wrath, the MOST HIGH only proposed to Moses the application of his axiom: complete destruction of apostate Israel except Moses who had to pursue the unfolding of the history God promised to Abraham, Isaac and Jacob. What therefore are the four stages a nation has to complete in order to ensure its survival and prosperity on earth? Behold them:

- 1/ Discovering and fully accepting its source, origin and ontological nature revealed in its source and origin.
- 2/ Discovering its mission, hidden to profane human eyes unable to see beyond the continuous running of the History's phenomena, but fully revealed in the genesis of the nation concerned, that is, in its source and origin.
- 3/ Discovering into its source and origin factors of success and factors of failure.
- 4/ Dealing oneself with factors of failure contained in one's source and origin and setting into action the factors of success contained in one's source and origin in order to fully accept and fulfill GOD's transcendental mission.

The return of a nation back to its source and origin in order to transform its future in time and space, and ensure its survival and continuity, is commanded by the WORD of GOD.

**That which hath been is now; and that which is to be hath already been; and God requireth that which is past.**

**Ecclesiastes chapter 3 verse 15**

Overcome even in their spiritual essence by the animal spirit of the beast coming out from earth and the beast coming out from sea, the peoples and civilizations inhabiting the earth nowadays understand, as a matter of facts, that water and air were created to hold some vital functions to human kind, but it never occurred to them that, indeed, human nations, as well, were made each for a peculiar transcendental mission, depending on their ontological nature. This GOD's supernatural axiom cannot be

revealed to an animal man, rebellious against GOD, abhorring heavenly things and ceaselessly searching out earth and sea for his daily salvation, like an amphibious pig.

**I said in mine heart concerning the estate of the sons of men, that God might manifest them, and that they might see that they themselves are beasts.**

### **Ecclesiastes Chapter 3 verses 18**

By GOD's grace, we shall visit; one after the other, the peoples and civilisations of the earth, to remind them respectively of their source and origin, their ontological nature contained in their source and origin, and the transcendental mission God assigned them, which mission is revealed in their source and origin. This is the today's most urging task; for the end of many current civilisations is approaching fast.

But we shall start with (Black) Africa, since (Black) Africa's case is amongst the most critical and urgent.

(Black) Africa underwent four centuries of slavery, is still bowing permanently under the neo-colonialism yoke, proves to be ultimately incapable to build the Modern State or to give birth to authentic heads of states, has no vision, and to crown it all, appears to be incapable of developing the depth needed to seize and fulfil its transcendental mission assigned by GOD. The return to one's village and one's tribe, reflex of a runt newborn who, fleeing from the reality of the world, gets back to his mother's womb, is the only response our rosicrucian, freemason and illuminati "elites", all initiated by their western "grand" masters and who are leading African countries today, propose against the challenges of modernity.

Centuries of slavery, incapacity of thinking in one's own tongues, technical inability, incapacity of building the modern State, none of these motors of coming to oneself, could stimulate peoples who, just a hundred years ago, appeared almost naked before their visitors and masters who came to explore them in the bush. About a billion fool human beings, unable either to produce the wheat of their daily bread, to settle energy and water issues, to give appropriate treatment to malaria which is their main pandemic, or to cultivate the rice they eat, are walking behind the scenes of History towards their certain extinction, at the sound of the folkloric tam-tam of states which are nothing more than shadows of states. After fifty years of independence, the impotence of our lodges of darkness "elites" leading African States as regards the issue of survival and continuity of Africa in the course of History, has completely changed into an incomparable schizophrenia: initiation to freemasonry, rosicrucianism, cabala, and illuminati cults at the feet of their western "grand" masters by night and overflowing verbiage on freeing Africa from the western neo-colonialism yoke by day. Under the Leviticus, a slave Jew recovered his freedom in the year of Jubilee. But our schizophrenic leaders forced to mimic things they do not understand, have just pasted placards in Addis Ababa to celebrate jubilee for countries which, after fifty years, are now longing after selling their underground's raw material and renting their soil, practices which; historically, have never been a lever for an effective economic development.

The deep cretinism that defiles and turns into ridiculous any serious issue, even at the non transcendental level, is the daily core respiratory principle of peoples devoid of the basic categories of thinking and incapable of coming to themselves that is taking a good hard look at themselves.

It is therefore urgent to wake up (Black) Africa by reminding it of the way to light, that is, by reminding it of its source and origin, its ontological nature and its transcendental mission as revealed in its source and origin.

### **(BLACK) AFRICA'S SOURCE AND ORIGIN**

At the genesis of (Black) Africa was one and only one wise father, who succeeded in causing Egypt, that is Mizraim (or Kemit if you prefer), to be the most powerful nation of the world, providing food for the whole earth. The said father is that Pharaoh who, after considering with maturity his own incapacity of comprehending the future, entrusted Hebrew Joseph with the whole Egypt land. On the days of the said Pharaoh, peoples from all over the earth came down to Egypt to buy wheat, and Egypt almost amassed the whole reserves of nations' currencies. All came down to Egypt to buy wheat.

These are the old landmarks set by the only positive father of (Black) Africa. After the death of this unique wise Mizraim's father, rose a wicked line of Pharaohs who claimed to power their way past the History no longer by the incomparable vision of the Hebrews, but by the power of darkness. As a consequence of this, from that time on, Cush, Phut and Mizraim systematically lost all history determining strategic wars. And since the wicked line of Pharaohs, builders of tombs and pyramids, had removed the landmarks set by the unique wise (Black) Africa's ancestor, though they won some mere tactical battles; they systematically lost History determining strategic wars against Babylon, Persia and Greece. Then, struck by GOD'S WORD proclaimed by Isaiah, Jeremiah and Ezekiel in retaliation of the removing of the old landmarks by the wicket Pharaohs, who managed not only to pull the Hebrews away from the government of Egypt, but also to subject them to slavery, the peoples of Cush, Phut and Mizraim collapsed spiritually, completely lost the consciousness of collective destiny, and even the fundamentals of the brilliant civilization they had built, and they went into permanent running before the successive global empires. The southern part of a fortunately wide continent became the only survival factor for peoples whose inner conscience had collapsed from within under GOD'S ORACLES against the descendants of the wicket Pharaohs who had removed the old landmarks set by GOD in the transcendental realm and wisely executed by the unique (Black) Africa's wise ancestor. So serious was this spiritual collapsing proclaimed with great details by Isaiah, Jeremiah and Ezekiel that the entire mankind (including the very African) could now hardly admit that these peoples of (Black) Africa are those who held Jacob into slavery in Egypt for four centuries, invented hieroglyphs and mathematics, built pyramids and waged war against Babylon and Assyria for the sovereignty over the world.

The following is an example of the wars Cush, Phut and Mizraim waged against Babylon, Assyria and even... Israel for the dominion over the world:

**It is written in the Book of 2 Chronicles Chapter 14 verses 8 to 9 that:**

**And Asa had an army [of men] that bare targets and spears, out of Judah three hundred thousand; and out of Benjamin, that bare shields and drew bows, two hundred and fourscore thousand: all these [were] mighty men of valour.**

**And there came out against them Zerah the Ethiopian with a host of a thousand thousand, and three hundred chariots; and came unto Mareshah.**

Imagine the technical, organisational and logistical skills which have to be deployed to efficiently command a million men army away from its headquarters over thousands of kilometres, then compare this to the complete ridicule of the African Union's forces before a handful of Touareg rebels in the northern Mali and you will understand the seriousness of the spiritual collapse which has ruined (Black) Africa's conscience following GOD's ORACLES proclaimed by Isaiah, Jeremiah and Ezekiel.

For instance, here are some of GOD's ORACLES which spiritually ruined the descendents of the wicked Pharaohs who built tombs and pyramids:

**The princes of Zoan are become fools,**

**The princes of Noph are deceived;**

**They have also seduced Egypt, even they that are the stay of the tribes thereof.**

**Isaiah chapter 19 verse 13**

**Neither shall there be any work for Egypt, which the head or tail, branch or rush, may do.**

**Isaiah chapter 19 verse 15**

Those princes of Zoan and Noph, those tribe leaders who are seducing Egypt, are our today's rosicrucian; freemason and illuminati leaders. Initiated by their western and eastern "grand" masters, they are trying in vain to build Africa with the spiritual tools of darkness used by Western bloc and Eastern bloc since the days of Nebucadonozor to build the four satanic global empires, as revealed in the Book of Daniel.

Those foolish leaders have not intent on understanding as a matter of priority, (Black) Africa's nature in order to choose appropriate spiritual tools to build her.

Putting the Hebrew at a distance from Egypt leadership and subjecting the same Hebrew to slavery, rebellion completely incompatible with the wise foundation laid by the unique wise ancestor of (Black) Africa who submitted to GOD's transcendental order and handed over to Joseph the leadership of Egypt; this is the main source of the spiritual collapse of peoples who, today, have actually lost even the ability to think in their tongues.

Let us now go about (Black) Africa's ontological nature.

## **(BLACK) AFRICA'S ONTOLOGICAL NATURE**

Abraham, fleeing famine in Canaan, took refuge here in Africa with his wife Sarah.

Without God's special preventive intervention, Isaac fleeing famine in Canaan would also have taken refuge in Africa with Rebecca his wife.

Jacob, fleeing famine in Canaan, took refuge here in Africa for a while with his family of seventy people, and his family (Israel) multiplied here in Africa.

Elijah, running away from criminal Jezebel, sheltered in Mount Horeb, now restored back to Africa by GOD.

Newborn Baby JESUS, GOD the SON, into Joseph and Mary's hands, also found refuge here in Africa when the latter were running away from pagan king Herod's onslaught.

When apostate Israel rebelled against God; they spontaneously took the way to Egypt land, the City of refuge. God strongly intervened through Prophet Jeremiah to prevent them from taking that way, but apostate Israel, having turned away from God their Refuge, departed from Canaan down to Egypt again.

These things are written in the Bible with the end of revealing to the Africans, Africa's ontological nature: City of refuge. God created Africa to be a City of refuge. This is the ontological nature of (Black) Africa. And a city of refuge is necessarily of Leviticus nature, even as taught in the Bible.

A city of refuge is necessarily governed by Levites, that is, Men of GOD keepers of the Law.

As a matter of facts, GOD diligently gave back onto Africa Mount Sinai, where Moses received the Leviticus Law from Him. This is a strong reminder from GOD for (Black) Africans to understand the ontological nature of the continent.

And yet the Leviticus Law was abolished in Golgotha and gave way to the Law of the Spirit of Life and Liberty. Mount Sinai, as well, is only the shadow of the New Sinai. Those priests who were in charge of serving in the priesthood under the Leviticus Law are now out-of-date, for they have been replaced by Men of GOD, Priests under the New Testament's Law of the Spirit of Life and Liberty.

Therefore appears the obvious conclusion about the ultimate action the (Black) Africans should undertake to come back to life and emerge: accepting the Leviticus nature of the continent and handing back the leadership of the Republic to authentic Men of GOD,

for they are the Hebrews under the New Testament priesthood. In GOD's transcendental order, only Men of GOD can receive from GOD appropriate visions and spiritual tools for the revival of (Black) Africa. (Black) Africa should therefore quickly hand over the leadership of the Republic to authentic Men of GOD, as the only wise (Black) Africa's father, the Pharaoh who reigned on the days of Joseph, handed over the leadership of ancient Egypt to Joseph. Back to ancient landmarks.

**That which hath been is now; and that which is to be hath already been; and God requireth that which is past.**

**Ecclesiastes chapter 3 verse 15**

**Thou shalt not remove thy neighbour's landmark, which they of old time have set in thine inheritance, which thou shalt inherit in the land that the LORD thy God giveth thee to possess it.**

**Deuteronomy chapter 19 verse 14.**

Here is what the Bible says again.

**Deuteronomy 32:8**

*When the MOST HIGH gave the nations their inheritance, when HE divided all mankind, HE set up boundaries for the peoples according to the number of the sons of Israel*

This verse teaches us that the boundaries of the nations all over the earth are set up according to the number of the sons of Israel; that is to say Israel is the point of reference to all the nations on earth. In order to know what it should do and the conditions of its actions, each nation of the earth must refer to Israel and this is particularly true for all the current nations of the earth, including (Black) Africa.

Numbers chapter 35 verse 6 reveals that all six cities of refuge in Israel belonged to the Levites and were therefore entirely governed by the Levites in charge of the Law of sin and death given to Moses at Mount Sinai. This is what is written:

**And among the cities which ye shall give unto the Levites there shall be six cities for refuge, which ye shall appoint for the manslayer, that he may flee thither: and to them ye shall add forty and two cities.**

And given the fact that the boundaries of (Black) Africa are set up according to the number of the sons of Israel, Africa which is now the only city of refuge on earth must likewise be a Leviticus city, fully governed by Levites that is the Priest of the New Testament in charge of the New Law from Golgotha.

A city of refuge in Israel was a shelter that allowed the sinner not yet judged, to flee away from the avenger of blood and thus, escape the death sentence. Today, (Black) Africa, the city of refuge used as a shelter since millenaries by Abraham, Jacob and GOD HIMSELF when HE came physically here on earth, is the last and only shelter for

all rebel civilizations that inhabit the earth and which without exception are all in the process of extinction because of rebellion against GOD.

But for modern civilizations of the earth to escape extinction, Africans should recognize and accept that the ontological nature of Africa is that of a city of refuge and consequently establish the Levites of the New Law at the Government of the Republic.

In addition to the six cities of refuge in Israel, the Levites were also given forty two other cities that were not cities of refuge. This speaks of the role of Born-Again Christians in other parts of the world outside of Africa and we will be back to this when we will examine the destiny of various other nations of the earth. For now let us focus on the destiny of (Black) Africa.

It is important to stress again on the ontological nature of (Black) Africa. When Moses and Joshua, obeying instructions from GOD establish six cities of refuge in Israel, they act according to the priestly order of Levi.

The six cities Kedesh, Shechem, Kiriath Arba which is Hebron, Bezer, Raamoth in Gilead, Golan in Bashan are established cities of refuge in Israel, according to the order of Aaron. Aaron is the Leviticus Law of Sinai; the Law of sin and death which brings curse and death upon all the nations and civilizations of the earth.

But what is perfect is both before and after the Leviticus Law. This is the priestly order of Melchizedek, which is greater than the priestly order of Aaron. Before Aaron, Moses and Sinai, Abraham the Father of faith, Priest after the perfect order of Melchizedek, fled with his wife Sarah, to a city of refuge that could be established by GOD only according to an order set centuries before the Leviticus order because by that time, Moses and Aaron were still in the loins of Abraham the Patriarch and were yet to be born. And following the path set by Father Abraham, Jacob did the same when his family was about to be wiped out from the earth by famine.

So it is according to the higher order that is to say, in the order of Melchizedek that Africa was established city of refuge for Abraham the Father of Faith and for Jacob and his sons. Such a city of refuge is certainly infinitely superior to the six cities of refuge established by Moses and Joshua in Israel under the Leviticus priesthood.

**The ontological nature of (Black) Africa is far better than Leviticus, it is Melchizedekite.**

Just as Abraham's Faith which is before the Law of Sinai, returns to Nazareth in Galilee to remove and replace the Leviticus Law, ending the Leviticus priesthood, the City of refuge established in the time of Abraham according to the order of Melchizedek and which is Africa, also returns to Nazareth in Galilee to remove the six cities of refuge established under the order of Levi, and hence, there remains now only one City of refuge on earth; Africa.

This city of refuge established by GOD according to the higher and perfect priestly order of Melchizedek, proved to be the only suitable for GOD Baby in the hands of Joseph and Mary when they were seeking refuge from the criminal pagan king Herod.

GOD has granted this (Black) Africa with the most excellent ontological nature among all the nations of the earth. The continent is a city of refuge for humanity, set according to the perfect Priesthood of Melchizedek, centuries before the appearance of the Leviticus Law which gives curse and death to nations.

(Black Africa) is a city of refuge in the order of Melchizedek and since the cities of refuge in Israel were governed by the Levites and belonged to the Levites, (Black) Africa which is the city of refuge in the order of Melchizedek must be governed by the new Levites established according to the order of Melchizedek, namely the Born Again Christians. This is the transcendental order of GOD which the wise Pharaoh of Joseph's time, obeyed fully by setting Joseph the Hebrew at the Head of Egypt.

**This continent is set apart to belong specifically to the race of GOD. Any civilization inhabiting this continent and that stands against this transcendental order of God is doomed to extermination by the WORD of GOD. The (Black) Africans now inhabiting this continent must choose either life and good or death and evil. Past history tells us enough for us to consider carefully the future that awaits us.**

Now that we've clearly understood the ontological nature of (Black) Africa as set in the transcendental realm by GOD, let us precisely position (Black) Africa throughout the course of the global history, so will understand it better that it is not possible for the Africans to build (Black) Africa with the same spiritual tools from freemasonry, rosicrusianism and whatsoever other serpent brotherhoods our "elites" of darkness, who are monopolizing the leadership of the Republic and are carefully keeping Joseph the Hebrew away of it, are frantically initiating into.

Let us open our Bibles in the Book of Daniel.

We are in Babylon, about 600 years before JESUS-CHRIST. Nebucadnetsar (or Nebucadonozor), having actually completed the conquest of the earth, could now quietly go to bed one evening. At night, the global monarch had a dream that left him sleepless and completely disturbed. Waking up, the global monarch's human spirit had forgotten the dream, but Nebucadnetsar knows this: that dream coming from a transcendental world unknown to humans is of an utmost importance. Indeed, in the transcendental order established by GOD over the creation, prophecy only belongs to GOD's children, that is, on the earth, only the people of GOD has the capacity of receiving vision and strategy for only Children of GOD receive the meaning of transcendental messages from Heaven. Though Nebucadnetsar is a global monarch, he now becomes aware of his ignorance and absolute incapacity of comprehending the future. Fortunately for Babylon and the entire human kind, he has acted as the wise Pharaoh, (Black) Africa's ancestor had done, that is, he has appointed at the head of Babylon beside him four Hebrew men who are Daniel and his three mates. Daniel reveals him the details of the dream and explains it to him. The dream is about a great

image representing the four satanic kingdoms which would successively rule over the world by Lucifer's power, till their final destruction by the people of GOD who dwells alone and which is not reckoned among the nations.

The image's golden head stands for Nebucadnetsar and Babylon. At this level there is no trace of Cush, Phous or Mizraim. The image's silver chest and arms stands for the Mede and Persian Empire which rose after Babylon. Still no trace of (Black) Africa so far. The image's bronze belly and thighs stands for the Greek Empire of Alexander called the Great which actually rose after the Medes and Persian Empire. The image's two iron legs stands for the two parts of the Roman Empire, which were the Eastern part and the Western part. The Roman empire fell at the year 476 of our era, and now are only remaining two blocks, which are the Western block including countries of western Europe and Northern America, and the Eastern block including India, China, Russia, Japan and countries of eastern Europe, of which some are now managing their best to join the western European Union. So far as well, still no trace of Africa. Finally, the image's feet have ten toes, and are made up of a mixture of iron and clay. The ten toes feet made part of iron and part of clay, and which stands as a foundation for the building of the four satanic empires allowed by GOD; represent the ten countries of the Europe of the Ten. To be more precise, when, during the 4<sup>th</sup> and 5<sup>th</sup> centuries of our era, the Roman Empire was invaded by the Barbarians from the North and East, it broke down into ten tribes represented by the statue's ten toes. The said ten tribes were the Anglo-Saxons, the Franks, the Alamans, the Lombards, the Ostrogoths, the Wisigoths, the Burgonds, the Suevians, the Herules and the so called Vandals. The countries of the today's Europe come from these ten tribes. We notice that even at the feet of the image, there is still no trace of (Black) Africa.

Amongst the four satanic empires which had as precursor Nimrod, Cain's proud successor in the serpent brotherhood, there is no trace of (Black) Africa. There is still no trace of (Black) Africa as well in the statue's feet, which are part of iron and part of clay and are the foundation upon which are laying the four satanic worldwide empires. This is a strong message from GOD to Kemit: the serpent brotherhood's instruments passed from Cain onto his descendants, and which served as spiritual tools to Western and Eastern peoples to build out satanic industrial; economical and political powers are of no use for (Black) Africa's development. In vain are our leading "elites" multiplying initiation rites at the feet of their Western and Eastern Illuminati "Grand masters". Illuminati and serpent brotherhood's spiritual tools are null and void for (Black) Africa's development, since GOD has fortunately kept us out of the four satanic global empires. Africa is a City of refuge for humanity set according to the perfect Priesthood of Melchizedek, spiritually radically different from the four satanic global empires formed by the West and the East, and our revival is subject to our return to the ancient landmarks set by the only wise (Black) Africa's father: handing over the leadership of the Republic to authentic Men of GOD.

Let us now go about the destiny ahead of (Black) Africa if we act in accordance with our nature of Priestly City, and imperatively hand over the ruling of the Republic to authentic Men of GOD.

## **(BLACK) AFRICA'S DESTINY**

If those at the head of African countries today return to the old landmarks laid by the Pharaoh of the days of Joseph, acknowledge their incapacity of comprehending the future, and hand over the leadership over the Republic to Joseph the Hebrew, that is, to Authentic Men of God, (Black) Africa will become the nation of Great men called by GOD Princes. Exceptional greatness over all the earth: that is the destiny GOD has prepared for this (Black) Africa.

**Let us read from Psalms chapter 68 verse 31.**

**Princes shall come out of Egypt; Ethiopia shall soon stretch out her hands unto God.**

*Let us explain in details the content of the Greatness which is (Black) Africa's destiny in the light of the Bible.*

*It includes the Greatness of the name of Africa (Genesis chapter 12 verse 2).*

*It also includes a worldwide might, for the might makes a name great (Jeremiah chapter 10 verse 6). It includes power, justice, righteousness, peacefulness and pre-eminence over the other nations of the earth (Job chapter 37 verse 23). Indeed, Greatness comes from power, righteousness, peacefulness and the sovereign right GOD grants to a man or a nation. The destiny is therefore that of a foremost power in the world governing peacefully international affairs and arbitrating between peoples of the earth. Yet at that time; the international power is of God's nature; led by Priests which are not of satanic nature, as were the four global empires built on earth since Nebucadnetsar by the West and the East.*

*It finally includes being a world great power at other nations' service (Matthew chapter 23 verse 11).*

Therefore, if (Black) Africa's foolish leaders of today hand over the leadership of the Melchizedek City of refuge to the New Levites of the New Testament Covenant which are the Born Again Christians, thus returning to the old landmarks set by the only wise (Black) Africa's ancestor, the entire human kind will benefit from an effective resurrection sent by GOD as revealed in Isaiah Chapter 19 verse 25.

...Whom [Israel, Egypt and Assyria] the LORD of hosts shall bless, saying,

**Blessed be Egypt my people,**

**And Assyria the work of my hands,**

**And Israel mine inheritance.**

However, let us keep in mind that it is by virtue of his principle of equilibrium that GOD directs the history of nations, which means if (Black) Africa does not build within the landmarks, it will just follow the way it is already going now, that is the way to its certain disappearance from the face of the world and to being the tail of the world.

**Let us read from the Book of Ezekiel chapter 29 verses 14 to 15.**

**And I will bring again the captivity of Egypt,**

**And will cause them to return into the land of Pathros, into the land of their habitation; And they shall be there a base kingdom.**

**It shall be the basest of the kingdoms;**

**Neither shall it exalt itself any more above the nations:**

**For I will diminish them, that they shall no more rule over the nations.**

Let us now develop the mission GOD, in His plans for the Universe, assigns to (Black) Africa. Indeed the destiny of Greatness above all the earth has a specific purpose we shall stress in the followings.

## **(BLACK) AFRICA'S MISSION**

(Black) Africa's Mission is an obvious consequence of its genesis and ontological nature we have just developed.

The mission assigned to (Black) Africa is establishing the New Law of the Spirit of Life and Liberty at a worldwide scale. This mission is the consequence of (Black) Africa's Priestly City nature. Here is a City of refuge set by GOD according to the order of Melchizedek even centuries before the appearance of the Leviticus Priesthood at Mount Sinai. Such a City belongs to the New Levites and must therefore be ruled by Priests anointed by GOD according to the order of Melchizedek. This is GOD's transcendental order.

None but Men of GOD are capable of understanding this. Lodges of darkness "elites" cannot understand this for the SPIRIT of GOD does not inhabit them.

The Law of the Spirit of Life and Liberty is the feeding principle of nations and civilisations. It is the wheat they eat to survive and build with GOD and according to HIM. And yet every far-sighted eye can clearly see the signs of the end of the civilisations now inhabiting the earth, and the threat is getting every day closer, as (Black) Africa, who was the one to establish over the earth the New Law, is sinking into nothingness; for failing to hand over to the New Levites, the leadership of the Republic all over this continent which is the City of refuge set by GOD according to the order of Melchizedek.

The destiny of all the civilisations now inhabiting the earth is into (Black) Africa's hands, the Priestly city to whom GOD commanded to destroy the old Law of sin and death which was handed over to Moses at mount Sinai and establish over the earth the Law of the Spirit of Life and Liberty, so that all nations should feed on this Life giving New Law and live. Starvation is all over the earth now and all the nations are longing for wheat from Egypt to eat and live while in the meantime, foolish elites from darkness completely ignorant of GOD's transcendental order concerning (Black) Africa are doing their best to keep the New Testament Hebrews who of course are the only authentic seeds of Abraham out of the government of the Republic in Africa.

Let us develop things further. The first of the nations over the earth, are the Hebrews. The Hebrews are the generator people from which GOD establishes the course of the history of the other nations; according to what is revealed in Deuteronomy 32 : 8.

The Old Testament Hebrew, born from Abraham in the flesh, was a type, a prefiguration of the true Hebrew Abraham's descendant not by flesh, but by the HOLY SPIRIT who forever and eternally connects this New Testament Hebrew to Abraham. Even as your shadow announces thee; the natural Jew, Abraham's descendant in the flesh and blood, was also only an announcement of the true Jew, Abraham's spiritual descendant, who walks according to Abraham's faith. The true Hebrews, who are the Born Again Christians, are the first of all nations over the earth, shall dwell alone and shall not be reckoned among the nations. These true Hebrews are the waters which are above the firmament whereas all the other nations of the earth are the waters which are under the heaven according to what is revealed in Genesis 1: 6-7. These true Hebrews are the light of the world and the salt of the earth. They are the only generator based of which GOD builds or destroys other nations on earth. In GOD's plan for human kind, the Hebrews indeed, who are the Born Again Christians, are the first to receive, before all other peoples on earth, a positive ancestor, Abraham. The foremost nation of the earth, the nation of Born Again Christians, stands on a mystery: the mystery of the Faith of Abraham in GOD. For it is by an absolute mystery that this foremost nation is the only true Abraham's descendant. The foremost nation received their positive father, their father in the Faith, about 2 000 years before JESUS-CHRIST.

Short after the foremost nation on the earth, which shall dwell alone and shall not be reckoned among the other nations, the second nation to receive from GOD their positive father is (Black) Africa. Indeed, the wise Pharaoh associated Joseph as Prime Minister in the leadership of Egypt about 1 876 years before JESUS-CHRIST. Beside the foremost nation on earth, we notice that the first of the peoples to receive their positive father layer of the old landmarks set by GOD in the transcendental realm is (Black)

Africa. Beside Born Again Christians, (Black) Africa is therefore, according to GOD's plan, the foremost amongst all the secular nations. Since 1876 years before JESUS-CHRIST, all secular nations' destiny depends on (Black) Africa's. For wisely laying the landmarks set by GOD, the wise Pharaoh of the days of Joseph caused Egypt to be a food provider for all the nations stuck by famine. This famine was the prefiguration of a current deep crisis which is leading all civilizations over the earth to an apocalyptic end. The New Wheat all nations of the earth need is the Law of the Spirit of Life and Liberty. And yet, GOD, in his transcendental order, established (Black) Africa as the only Priestly City according to Melchizedek's order with the mission of providing the whole earth with Golgotha's New Law, which substitutes the Old Law source of curse and death to all nations. Even the natural Hebrew, Abraham's descendant in the flesh is now invited by JESUS-CHRIST to get down to Egypt and eat the New Wheat that will provide him Life and Liberty.

The urgent restoration of authentic Men of GOD at the leadership of (Black) Africa appears now a matter of life or death for all the today's peoples and civilizations over the earth. Until the Priestly City has at its head New Levites indeed, that is, Levites under the New Testament, for the Levites under the Old Testament are out of date, it will not prosper and while it is not prospering, there will be no New Wheat for peoples and civilizations all over the earth, which, because of this lack of wheat, will disappear.

And what if, you will surely ask, the worldwide illuminati plot of the serpent brotherhood persisted in holding the Born Again Christians away of the leadership of the Priestly City?

The answer to this question is that GOD directs the history of peoples and nations by His principle of equilibrium. If the rebel serpent brotherhood persists in holding the Born Again Christians away of the government of (Black) Africa the Priestly City, this is what will happen to all the peoples and civilizations over the earth:

**Daniel chapter 2 verse 34:**

**Thou sawest till that a stone was cut out without hands, which smote the image upon his feet [that were] of iron and clay, and broke them to pieces.**

**Daniel chapter 2 verse 35:**

**Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.**

**And Zephaniah chapter 1 verse 2 to 3 confirms the end of all the current civilizations which are on earth in case they resist GOD's transcendental order :**

**I will utterly consume all things from off the land, saith the LORD.**

**I will consume man and beast; I will consume the fowls of the heaven, and the fishes of the sea, and the stumbling blocks with the wicked; and I will cut off man from off the land, saith the LORD.**
