*«I have given you authority to trample on snakes and scorpions and to overcome all power of the enemy; nothing will harm you »*

*Luke 10 : 19*

**Reverend Apostle Joseph TOUBI.**

# INTRODUCTION

As curious and sad as it may be, the nowadays Christianity has never felt responsible of chasing Lucifer out of our planet. “ What a frightening mission” laments the apostate Christianity. “Where do you want this Lucifer to go if cast out of the planet?” cries the apostate Christianity.

Each of us is well aware of the fact that since the Eden Garden, all the problems affecting mankind and our natural world originate from one single source: Lucifer. And each of us knows very well that if you seriously intend to solve a problem, the best way is to put an end to the source producing that problem. Who on earth has the duty and the power to deal with Lucifer? The Bible gives a precise answer: the Born again Christian.

Each of us knows to recite Luke 10:19

*«I have given you authority to trample on snakes and scorpions and to overcome all power of the enemy; nothing will harm you »*

To overcome all power of Lucifer? Yes, your Bible directly says so.

Who is to do so? Your Bible says you the Born Again Christian.

Does GOD really mean all Lucifer’s power without any limitation? Yes GOD really mean that you are to attack ( attack, yes attack ) all Lucifer’s power and overcome it.

But why overcoming all Lucifer’s power? Fool, because since the Eden Garden, GOD has set his plan according to which man who gave authority to Lucifer over the garden must take back this authority from Lucifer and reign over the garden instead of Lucifer.

As you see, this natural world is a place of total warfare for government and since your two days of childhood, since two thousand years, you have been behaving like a slave, pretending that you are so spiritual that the government of the natural world is not interesting for you. You have been longing after slaps on your joy, forgetting that there is a time for the Lamb to suddenly turn into a Lion, the Lion of Judah.

Who has to attack Lucifer and overcome him? You Born again Christian who is reading these lines, that Sister in CHRIST-JESUS, myself and every Born again Christian all over the world. God will never do this job in our stead. HE has given us the Almighty Power of the HOLY SPIRIT, his WORD written in the Bible and his Blood and HE is waiting for us to do our part. This is why **Luke 10:19** says that it is the duty of the Born again Christian (and not the duty of GOD ) to overcome Lucifer. What happens when you overcome somebody? You reign upon him, making him your slave. Can this slave avenge? No, Luke 10: 19 says that I overcome Lucifer and reign upon him and nothing harms me.

Why do GOD says nothing harms me? Because HE knows our propensity to canal trembling and HE says that as we are attacking Lucifer and his numerous priests all over the world, the kingdom of darkness shaken by our strikes will try to avenge but they will not succeed.

Why won’t they succeed? Fool, they won’t succeed because GOD says in your Bible that they won’t succeed.

It is quite often that fake “pastors” of stony and wooden temples frightens Christians that Lucifer and his priests are so powerful that it is too dangerous resisting them. “ Freemassons and rosicrusians are already governing the land. What can you do? Just wait for the rapture. Just concentrate on evangelisation” Such is the preaching usually spread in stony and wooden temples all over the world by Satan soldiers disguised into Ministers of light.

These fake “pastors” even pretend that you have to wait until you are completely sanctified to dare make some resistance against Lucifer. Meanwhile GOD is not asking us just to resist but to attack and overcome Lucifer and his whole worldwide government.

How then can we evangelise the world without binding Lucifer? The Bible tells us to first of all take care of Lucifer. It is only after having bound Lucifer, that we will be able to share the plunder at a worldwide scale.

Binding and overcoming Lucifer is not a matter of theological debate, nor even a matter of religious debate. It is a matter of daily practise.

Let then move quickly to the practise.

## **GOD’S WISDOM TAUGHT TO US BY THE AFRICAN PEASANT**

Once in the past, GOD found Himself under the obligation of using a donkey to talk to the misled Prophet Baalam and now, GOD, in need of the best way of speaking to the apostate Christianity, is compelled to use the African peasant to teach his Wisdom.

The Bible makes it clear that it’s been long that antichrists are in the world. Let us read **1 John 2:18**

*« Dear children, this is the last hour, and as you have heard that the antichrist is coming, even now many antichrists have come. This is how we know it is the last hour »*

The nowadays apostate Christianity, fed with lying preaching, awaits with confusion and trembling the coming of the Antichrist. If you tell this apostate Christianity that it is time to overcome Lucifer and govern the natural world, it will answer that the government of the world is not the right agenda because the rapture is at hand. The apostate christianity will even add that this world has been given to Satan. Fool. If the rapture is at hand, why have you just get pregnant the Sister in CHRIST-JESUS whom you married two months ago knowing that the rapture is at hand? Why do you keep on doing on a daily basis your secular job though the rapture is at hand? And this bank account you carefully watch over though the rapture is at hand. You carefully take care of your private and personal interests on a daily basis, although the fact that the rapture is at hand and when it comes to accomplish the ultimate mission given to Christianity by GOD and that is to overcome Satan and take back the government of the garden, you says that this mission is not relevant because the rapture is at hand.

The nowadays apostate Christianity is particularly gifted in preaching concerning the coming of the Antichrist. Now, the Bible says that since a very long time, many Antichrists have been operating in the world ( 1 John 2: 18 above ). From this we understand that the important question is not that of the Antichrist, but that of knowing who is governing the world. Is it Satan or the Church governing the world? This is the only relevant question. No need spreading preaching and carnal trembling on the coming of the Antichrist. There are already many antichrists in the world and if you like trembling, then go on and tremble if you are so fond of such a behaviour. Preaching about the Antichrist and trembling about his coming are

completely childish. The important question is that of government. Am I governing or is Satan governing the world? That is the question for mature Christians.

In fact, the Bible opens in Genesis 1:1 with a hammering clarification:

*“In the beginning GOD created the heavens and the earth”*

Psalms 24: 1 adds as if to shame those lies coming from apostate preaching which pretend that the natural world belongs to Satan:

*“ The earth is the Lord’s, and everything in it,  
The world, and all who live in it”*

After those clarifications above, the Bible moves ahead, revealing to us Born again Christians that we are the only heirs of God here on earth and that this natural world is our farm ( Matthew 13: 38 ). What have we then done of this natural world, this farm which belongs to us? Lets take a look at what the African peasant habitually does with his own farm and we will receive a lesson of GOD’s Wisdom.

**If you happen to ask the African peasant if there are any snakes in his farm which he has been cultivating for years now, he will laugh out aloud given that the question is stupid since there has always been snakes in the farm of the African peasants.**

**“ What a question: where have you grown up to ask such a silly question? ”, such will be the answer of the African peasant.**

**It is certain that there are some snakes in African farms. But then does the African peasant abandon his farm for the reason that there are certainly some snakes in it? No. Even though there are some snakes in the farm, the African peasant continues to cultivate his farm with serenity and each time he has the opportunity to do so, he kills some of the snakes and hang their corpses on a stick. Such is God’s Wisdom as executed by the African peasant, who has never had the opportunity of reading the Bible that the apostate Christians carry all along. The African peasant doesn’t ask himself big question about the arrival of a new snake in his farm. He knows that there are already many snakes in it but he keeps on cultivating it for years and each time he has the opportunity to do so, he just kill some of the snakes and hang their corpses on a stick without asking himself if those snakes he has just killed were new comers in his farm or ancient dwellers. He just kill them and continue cultivating his farm, because he ( and not the snakes ) is the owner of the farm. That is the Wisdom of GOD, revealed to the apostate chistianity by the African peasant.**

**“ What if he is bitten while trying to kill some of the snakes ? ”, indignantly ask the apostate christianity. The African peasant is well aware of this eventuality but this nevertheless does prevent him from cultivating his farm and ruling upon it. He is in a war for survival here on earth and although the above mentioned eventuality can occur, he continues with the cultivation of his farm. The lazy nowadays apostate christianity even though it possess the antidote against snakes biting, is not willing to fight through prayers against Lucifer and his antichrists and overcome them in order to govern his farm which is the world. This apostate christianity is so afraid Lucifer of the antichrist. According to this apostate christianity, things like the internet, computers, revolutionary discoveries of modern physics does not belong to GOD as it is said in **Psalms 24:1**. The apostate christianity says that all these inventions are**

of Lucifer. **Luke 10:19** antidote says “ nothing will harm you”. But then the apostate christianity do not make use of this antidote in prayers to destroy Lucifer’s counterattack.

Lucifer is in the world, his antichrists are in the world, his priests are in the world but we, Born again Christians have as holy duty to govern the world and to cultivate it just as the African peasant does of his own farm, since we are the Unique proprietors of the of the earth and to properly accomplish this holy duty we ought to kill the maximum number of snakes found in our farm which is the world (Lucifer, his demons, his priests). Contrary to the African peasant who only kill snakes from time to time according to opportunities given to him, we ought to systematically kill the snakes inhabiting our farm which is the world because those snakes have not only the desire to dwell in our farm but, they are also decided to rule it in our stead. So we must kill them and not just wait for opportunities. The snakes inhabiting the farm of the African peasant has never declare that they want to rule over the farm. That is why the African peasant spares his time and energy and just kill them from time to time. But the snakes inhabiting our own farm are decided to rule for millenaries over our farm and in this case, we have to concentrate the maximum prayer against them in order to kill them and rule on our farm which is the world.

Pretending to be super spiritual, the apostate Christianity says that Christians should not fight to gain back the government of the world which is their farm. A proprietor who runs away from his farm, declaring that the snakes inhabiting his farm are entitled to govern it simply because they dwell in it. The African peasant only have but contempt for such a silly proprietor. The African peasant asks if these false “ pastors ” from Oholiba are able to eradicate rosicrucianism and freemasonry whose priests seize the government of the state and embezzle the state revenues. Here is the answer of the fake “ pastors ” from Oholiba : “ They are the authority. We have to submit to them ” Lucifer being an authority and being at the same time created by GOD, the apostate christianity find it normal to submit to Lucifer. Then completely disgusted by such a christianity, the African peasant answers that if the god of Oholiba supports those who do evil to a whole nation, then it is better to avoid attending such churches. And the African peasant quickly returns to his coffee farm. But then the Bible says that, we should submit to authorities that punishes those doing evil and elevate those doing good; which signifies that we should, through fasting and prayers, destroy those satanic authorities selling the country to Lucifer and are all over the world establishing the reign of evil. But cowards and liars, Oholiba’s fake “pastors” have preached that we just have to submit to authorities without specifying as the Bible does the type of authorities to which we must submit. And the African peasant understands that he has met some strange farmers who submit themselves to the snakes inhabiting their farm.

“ With such joker farmers, one cannot carry out any fruitful foundation or construction” conclude the African peasant.

But after this first step of total contempt, the African peasant decide to make some research about this very strange race of farmers who run away from their farm abandoning its government to snakes. “ May be one may make some interesting discovery by studying such a strange race of farmers ”, think within himself the African peasant.

To carry out his research, the African peasant ask his son studying in a famous European University and who is a Born again Christian, why do his Pastors shouting Alleluia on TVs allow an abomination such as homosexuality to overwhelm all the western part of the world. Completely taken by surprise, the son holding his Bible in hands reply that in Europe and in United States, Parliamentarians and Heads of states who are skulls and Bones, freemasons, illuminatis, bilderbergers, rosicrucians have established laws condemning any Pastor who

may dare condemn homosexuality. Suddenly enlightened by a revelation, the African peasant regrets his initial contempt for this strange race of farmers. He has discovered that in fact these strange farmers are the legal owners of the farm but they are not yet mature. They are still children, enslaved by those snakes inhabiting their farm. It is because they are still children that they constantly run away from their farm which is the world

“ My son, when you were still a child you carefully avoided our farm because you were so afraid of the snakes in it. I now understand what happens to you Born again Christians. You are still children and you do not yet master how to smash the heads of snakes in order to govern and cultivate your farm. When you grow up, you will take back the possession of your farm from the snakes inhabiting in it ”

Born again Christians, our farm is the world and the chief snake inhabiting it is Lucifer and childishness must cease. It is time to pray against Lucifer and his priests, the so called “new masters of the world”. It is time to take back the government of the world from Satan and his priests.

But who then will heal the apostate Christianity from spiritual laziness? The nowadays apostate Christianity is powerfully chained in spiritual laziness by a pretext widely spread in religious pyramids and stony temples.

Let us examine this pretext which justifies the unsurpassable spiritual laziness of the apostate Christianity.

## **A POWERFUL PRETEXT FOR SPIRITUAL LAZINESS**

“ What GOD says shall come to pass and there is no need for mankind intervention”. Such is the powerful pretext which have chained in spiritual laziness the apostate Christianity which wrongly interpret the verse of Isaih 55: 11.

Was Israel given Canaan by GOD? Yes. Nevertheless Joshua had to carry out wars during all his life so as to conquer a land already promised by GOD. Ever since the creation of Adam and Eve, GOD does nothing on earth without human collaboration. God gave the Garden, the earth to Man and since then GOD does not intervene in the Garden without human co-operation and the best of co-operation that GOD is expecting from us is incessant prayers done in conformity with GOD’s plans.

Is GOD the creator of your son? Yes. How then did GOD created your son? Was son created as Adam was? No. God created your son using your co-operation consisting of regular sexual relations with your wife. You and your wife did your own part and GOD did his by providing the human spirit, the breath of life and a soul to your child. Stay without any sexual relation with your wife and will see whether GOD will grant you a son.

It is the same in the spiritual domain. Many Christians naively believe that it is GOD’s duty to change the world. Where as, GOD has entered his rest and has no intention of coming out of it to do that which ought to be done by the Born again Christian: changing the world by overcoming Lucifer. But why has God decided to enter his rest? Fool GOD has entered his rest because he has finished doing his own part of the job. HE has equipped you with his HOLY SPIRIT, has given you his WORD in the Bible and his BLOOD. In addition to that, even in his rest, HE prays unceasingly for you and it is up to you now to pray against Lucifer and his priests in order to conquer the government of the world which is your farm.

And instead of doing your part, you rather run away when faced by those snakes which are governing your farm.

According to the apostate christianity which secretly believe in a god who is powerless when it comes to natural things, each new Born Christian should be raptured the very day of his new birth.

Born again Christians, our farm is the world and the chief snake who inhabits our farm is Lucifer. Childishness should stop. It is time for us to stand against in constant prayers against Lucifer and his direct assistants, the so called “new masters of the world”. It is time to gain back the government of our farm which is the world. How do we hit and overcome Lucifer in permanent prayers?.

## HOW TO HIT LUCIFER IN PRAYERS

### ***KILL THE ROOTS***

Lets start with a WORD of Wisdom found in **1 Corinthians 9:26**

*« Therefore, I do not run like a man running aimlessly ; I do not fight like a man beating the air »*

He who does not know exactly on which points to hit Lucifer will simply be beating the air and in this respect, one should not rely on fake “pastors” of stony temple all around the world to reveal where to hit Lucifer. Many of those so called “pastors” preach in stony and wooden temples during day time and in the night they are freemasons, rosicrusians, illuminates, bildergers, priests in various logdes of darkness.

Where do we hit Lucifer?

The Bible says in Revelation 13:1

*“ And I saw a beast coming out of the sea. He had ten horns and seven heads, with ten crowns on his horns, and on each head a blasphemous name”*

Lucifer has seven heads and ten horns and it is exactly these heads and horns that we have to destroy so as to loot the plunder at a worldwide scale.

#### **What then are these seven heads?**

Lucifer insatiably try to plagiarize GOD’s work. Before the Throne of GOD, there are seven blazing lamps representing GOD’s seven spirits (Revelation 4:5). Plagiarizing GOD, Lucifer has equally established these seven heads, that is to say seven fundamental demons who ever since Lucifer’s arrival in the Eden garden, embarked on the mission of converting the entire humanity to the Lucifer’s priesthood.

It is then from the start, from the Genesis of things that GOD reveals to us the heads of Lucifer.

Lucifer's first head: the demon Cain(Genesis 4)

Lucifer's second head: the demon Lamech (Genesis 4)

Lucifer's third head: the demon Jubal (Genesis 4)

Lucifer's fourth head: the demon Tubal-Cain (Genesis 4)

Lucifer's fifth head: the demon Nimrod Genesis 4)

Lucifer's sixth head: the demon Pharaoh (Exodus, 5,6,7,8,9,10,11,12,13,)

Lucifer's seventh head: the demon Jezebel (1 Kings 21 )

Now that we know where to hit, how to pray against the seven heads of Lucifer ?

The HOLY SPIRIT will guide and direct each Born again Christian engaged in this war.

We should know that this war was declared by GOD in Psalms 149 : 5-9 .

The HOLY SPIRIT has engaged me in this war and the warfare prayers are found in the web site [www.worldwiderevival.org](http://www.worldwiderevival.org) This prayer is just a simple illustration of what is to be done to Lucifer and the reader can listen to these prayers and from this beginning, the HOLY SPIRIT will inspire him many other prayers to fight and destroy Lucifer's seven heads

In such a war, the weapons to be used are GOD's WORDS written in the Bible and the BLOOD of our Lord JESUS-CHRIST.

This war has to be carried out permanently.

Permanently? Yes permanently without any rest. It is permanently that your prayers must hit and destroy Lucifer's seven heads.

How then to proceed in order to strike Lucifer permanently in prayers and on a daily basis?

The answer is that those stony temples and gigantic religious pyramids have distracted us from our mission on earth. How does Lucifer occupy and set captive the spirits and minds of billions of humans all over the earth?

The answer is very obvious.

Every where all over the earth are found satanic music and preaching striking human ears and even the nature and the beast and this on a daily basis since millenaries. Satanic music in market places, in supermarkets, in libraries, in newspaper kiosks, in buses, ideological lies telling each morning in newspapers, radios, and in TVs all over the world. All humans, all animals, all things, even the air are continually bombarded by Lucifer's words and preaching. This is what every Born again Christian must do from now on.

You leave your domicile everyday by 6h30 am and only return by 9h30 pm and this had been the case for years now . Of what use is your domicile in your absence? Nothing. It is silence in your domicile from 6h30 am to 9h30 pm everyday since so many years. GOD could have given you a corner of the open street for domicile. Have you noticed that destitute persons just have a corner of the open street as domicile? What is then the use of this domicile GOD has granted you? Up to now, the answer is; nothing as far as GOD's interests on earth are

concerned. Your domicile is not only for your personal interests but also for GOD's. Would you now thank GOD for granting you your domicile? Of course you ought to. So as from now on put your domicile at the disposal of GOD as a Permanent Warfare Center against Lucifer ( PWCL ), precisely against the seven heads of Lucifer.

Here is the action plan:

**Firstly** , buy many small CD players ( which cost less and less and are more and more technically efficient ). You could at the launching of the warfare, acquire two or three. At the present time each of those small CD players cost about 23 Euros in Yaounde and many are Born again Christians all over the world easily buy a dozen of those small CD players.

**Secondly**, pray so that the HOLY SPIRIT should reveal to you how to talk in prayer and chain up Lucifer's head and destroy them. Write down all those prayers against Lucifer's seven head as they will be revealed to you by the HOLY SPIRIT.

**Thirdly**, proclaim these prayers in a recording studio or at your domicile if you have recording equipment. Nowadays almost any personal computer can do this recording. All your prayers should be registered on 80 minutes CD in preparation for the fourth step.

**Fourthly**, each morning before leaving your domicile, lunch all your CD players, regulating their volumes so that the warfare prayers should be audible enough without disturbing the neighbourhood.

The CD players have a "repeat" button. You just press on the "repeat" button and the player will automatically replay when one CD is over. By activating the "repeat" button, you offer Lucifer permanent warfare for the whole day.

And if GOD has granted you a spacious domicile, then you should thank GOD for this spacious domicile by also launching nightly warfare. The process is quite simple. If your domicile is spacious, then put on all the small CD players in action in the sitting room for the night, press the "repeat" button, close the sitting room, get into your resting room and sleep while the warfare will be going on during the whole night.

Born again Christians, let us come out of our spiritual slumbering. Let us thank GOD for our domiciles by transforming them into permanent warfare centers against the seven heads of Lucifer. Prayers against Lucifer should resound each day and each night in our domiciles all over the world,. Such a project completely enrages Lucifer.

Let us not forget that we, the Church were born in the year 30 and by 2030, we must have finished with our two days spiritual slumbering in the grave, exactly as the HEAD spent only two days in the grave and woke up on the third. From now on up to 2030, each one of our domiciles all around the world should resound of prayers against the seven heads of Lucifer. It is useful that one of the small CD players be dedicated to the proclamation of the WORD of GOD .This CD player will be proclaiming the WORD of GOD during the day and eventually during the night while the others will be playing the prayers against Lucifer . Just a piece of advice. Satan particularly hates the Book of Revelation. So then, the CD player dedicated to the WORD of GOD can offer Lucifer whole days and nights of proclamation of this Book of Revelation.

Apostle Paul did not have this technology at his disposal but we do. So let us use it to put an end to Lucifer's heads. Because everything here on earth belongs to our Lord JESUS-CHRIST, we should make the best use of technology available on earth to overcome Lucifer. And if you have one or more personal computers? Very bad news for Lucifer. Just download in your computers those prayers against Lucifer, without forgetting the audio content of the Book that Lucifer hates the most: the Book of Revelation. Just put the personal computer at work and it will keep on working for days and nights without any stop. You may just allow a little rest on Sundays to your computer. As you may have anticipated already, Lucifer will soon hate your domicile and will be completely frightened each time your name or your domicile will just be mentioned to him.

Striking the seven heads which are the seven fundamental demons of Lucifer is good but we have to equally destroy Lucifer's ten horns.

**Here are the ten horns of Lucifer :**

Lucifer's first horn : the power of seduction( Genesis 3 :13)

Lucifer's second horn : the power of destruction(Jeremiah 4 :7)

Lucifer's third horn : the power of accusation (Zachariah 3 :1)

Lucifer's fourth horn : the power of temptation (John 8 :44)

Lucifer's fifth horn : the power of murder (John 8 :44)

Lucifer's sixth horn : the power of lies telling (John 8 :44)

Lucifer's seventh horn : the power of theft (John 10 :10)

Lucifer's eighth horn : the power to disguise as an angel of light (2corinthians 11 :4)

Lucifer's ninth horn : the power of the air (Ephesians 2 :2)

Lucifer's tenth horn : the power of luxury (Revelation 18 :3)

It is unto our salvation to repeat the same things. So for the horns destruction, we shall not only assume that the reader have already got the war process, but we shall repeat the same process a new.

Now that we know where to hit, how to pray against the ten horns of Lucifer ?

The HOLY SPIRIT will guide and direct each Born again Christian engaged in this war.

We should know that this war was declared by GOD in Psalms 149 : 5-9 .

## ***DESTROY THE TRUNK***

Are you hitting the seven heads and ten horns of Lucifer ? Then it’s excellent, since you are struggling to kill the roots of the reign of evil all over your farm which is the world. But if you do not deal also with the trunk and the branches, they will use the rest of sap already within themselves to resist you for ten or twenty years. You have to redeem the time by also striking hard and permanently on the trunk as well as on the branches.

Which are the trunk and branches of Lucifer ? The task is quite simple ! Thanks to their arrogance in which Lucifer has the most high degree, the most powerful priests of darkness who are the trunk of Lucifer have publicly organised themselves into worldwide networks, which claim to be « the

new masters of the world » these worldwide networks are well known nowadays and no need for you to waste time in long researches. Let us examine the trunk of Lucifer before coming to his branches later on.

Here is the trunk of Lucifer.

- The skull and bones
- The illuminatis
- The Bohemians club
- The group of Bilderberg
- The group of Jason
- The trilateral commission
- The club of Roma
- The Aspen institute
- The council of foreign relations
- The foundation of Saint Simon
- The club called « le siècle »
- The IFRI

At this juncture you are surely asking your selves if they cannot change their names, when we are striking them with permanent prayers. The answer is found in Isaiah 55 :5.

*« Surely you will summon nations you know not,  
And nations that do not know you will hasten to you, because of the Lord your GOD, the HOLY ONE of Israël, for HE has endowed you with splendour”*

Of course ,you shall call (to judgment in your prayers) on nations that do not know you as well as those that you don't even know. In prayers I will attack the bilderbergers and rebuke and destroy them with the WORD of GOD and nullifying their plans and powers with the BLOOD of JESUS-CHRIST. And if they change their organization name, the verse of Isaiah 55 :5 shall automatically guide my prayers towards them despite their change of name. Because of Isaiah 55 :5 my prayer is a missile that never misses its target.

In a bid to imitate the 12 Apostles through whom our Lord JESUS-CHRIST launched his Ministry on earth, Lucifer has put in place the 12 clubs stated above, to establish his worldwide government. These 12 clubs, are networked in an interwoven an complex manner in such a way that if one center is destroyed, the others will continue to work for the Lucifer's dream of a worldwide government in this era of Church dispensation. Theses cyber links between the 12 centers comes from the fact that Lucifer has studied cybernatics and has come to see that cyber links enables his trunk to keep on functioning even one center is totally destroyed. Born again Christians let us hit and destroy at once all the 12 centers with constitute Lucifer's trunk and which he has patiently built trough millenaries after huge cybernatics calculations.

**The objective of these 12 clubs** is precise : the establishment of the worldly government of Lucifer .

**The ideology** that guides these 12 centers towards their objective is terribly wild and widely spread around. We hereby wish to recall six of their fundamental ideological mantras.

- The elimination of weak ones is in line with the Darwinist law of natural selection.

- Individuals lives has not the same value and it is right of course to eliminate those with “negative lives”, those who emit “negative vibrations” ( to quote Lucifer’s mystic sects).
- The people are ignorant and fool by nature, and this constitutes a security warrant to the said enlighten elite who governs.
- The end justifies the means. That’s the principle of efficiency, according to Lucifer.
- The world must be governed by illuminated elites
- The stronger should eliminate the weaker and feed upon him as a carnivorous animal eats an herbivorous animal.

**The laboratory** of these 12 centers is the third world. In the third world, citizens are generally deprived of their rights and of democracy and this makes it easy for the highest priests of Lucifer to experiment at a large scale, the attacks, chaos and destructions they are preparing for the whole humanity in order to comply all the citizens to long and beg for the coming of a “saviour” to whom they will give all the powers of all countries all trough the world.

**The weapons** used by 12 centers of Lucifer are numerous and are all based on the seven heads and on the ten heads of Lucifer. These weapons include among many; electronic surveyance of citizens, mass manipulation, control of citizens’spirits, a new economic order based on injustice and destruction and which aims at orienting the whole of humanity towards one objective : the maximisation of financial capital. Confiscation of financial at a global scale by priests of darkness, permanent duality which aims at officially proclaiming moral laws and regulations while rather applying secret decisions from lodges of darkness, demolition of public services, indebting all the states of the world in other to proclaim the end of the Republic, economic crises aimed at producing billions of unemployed thus destabilizing the human society.

The HOLY SPIRIT shall reveal to each Born again Christian how to attack and destroy by prayers, these 12 centres of Lucifer’s trunk. A simple example to think of is;

- Bind and chain their dominions, authorities, principalities and evil spirits which are their spiritual foundation.
- Condemn those demons to powerlessness.
- Dethrone, dismantle and destroy the new world order which these 12 centres are struggling to put in place.
- Strike with madness all their strategic decision process and all their thinking ( any rebellion against GOD is madness).
- Standing on Isaiah 49 :24-25 to order them to give back all the riches they have been stealing all over the world for centuries.
- Strike all their members with Biblical verses that the HOLY SPIRIT shall reveal to you.

What are the stages of this war aimed at destroying the trunk of Lucifer all over the world?

It is unto our salvation to repeat the same things. So for the trunk destruction, we shall not only assume that the reader have already got the war process, but we shall repeat the same process a new.

Now that we know where to hit, how to pray against the trunk of Lucifer ?  
The HOLY SPIRIT will guide and direct each Born again Christian engaged in this war.  
We should know that this war was declared by GOD in Psalms 149 : 5-9 .

The HOLY SPIRIT has engaged me in this war and the warfare prayers are found in the web site [www.worldwiderevival.org](http://www.worldwiderevival.org) This prayer is just a simple illustration of what is to be done to Lucifer and the reader can listen to these prayers and from this beginning, the HOLY SPIRIT will inspire him many other prayers to fight and destroy Lucifer's trunk.

In such a war, the weapons to be used are GOD's WORDS written in the Bible and the BLOOD of our Lord JESUS-CHRIST.

This war has to be carried out permanently.

Permanently? Yes permanently without any rest. It is permanently that your prayers must hit and destroy Lucifer's trunk.

How then to proceed in order to strike Lucifer permanently in prayers and on a daily basis?  
The answer is that those stony temples and gigantic religious pyramids have distracted us from our mission on earth. How does Lucifer occupy and set captive the spirits and minds of billions of humans all over the earth?

The answer is very obvious.

Every where all over the earth are found satanic music and preaching striking human ears and even the nature and the beast and this on a daily basis since millenaries. Satanic music in market places, in supermarkets, in libraries, in newspaper kiosks, in buses, ideological lies telling each morning in newspapers, radios, and in TVs all over the world. All humans, all animals, all things, even the air are continually bombarded by Lucifer's words and preaching. This is what every Born again Christian must do from now on.

You leave your domicile everyday by 6h30 am and only return by 9h30 pm and this had been the case for years now . Of what use is your domicile in your absence? Nothing. It is silence in your domicile from 6h30 am to 9h30 pm everyday since so many years. GOD could have given you a corner of the open street for domicile. Have you noticed that destitute persons just have a corner of the open street as domicile? What is then the use of this domicile GOD has granted you? Up to now, the answer is; nothing as far as GOD's interests on earth are concerned. Your domicile is not only for your personal interests but also for GOD's. Would you now thank GOD for granting you your domicile? Of course you ought to. So as from now on put your domicile at the disposal of GOD as a Permanent Warfare Center against Lucifer ( PWCL ), precisely against the ten horns of Lucifer.

Here is the action plan:

**Firstly** , buy many small CD players ( which cost less and less and are more and more technically efficient ). You could at the lurching of the warfare, acquire two or three. At the present time each of those small CD players cost about 23 Euros in Yaounde and many are Born again Christians all over the world easily buy a dozen of those small CD players.

**Secondly**, pray so that the HOLY SPIRIT should reveal to you how to talk in prayer and destroy the trunk of Lucifer. Write down all those prayers against Lucifer's trunk as they will be revealed to you by the HOLY SPIRIT.

**Thirdly**, proclaim these prayers in a recording studio or at your domicile if you have recording equipment. Nowadays almost any personal computer can do this recording. All your prayers should be registered on 80 minutes CD in preparation for the fourth step.

**Fourthly**, each morning before leaving your domicile, lunch all your CD players, regulating their volumes so that the warfare prayers should be audible enough without disturbing the neighbourhood.

The CD players have a “repeat” button. You just press on the “repeat” button and the player will automatically replay when one CD is over. By activating the “repeat” button, you offer Lucifer’s trunk permanent warfare for the whole day.

And if GOD has granted you a spacious domicile, then you should thank GOD for this spacious domicile by also lunching nightly warfare. The process is quite simple. If your domicile is spacious, then put on all the small CD players in action in the sitting room for the night, press the “repeat” button, close the sitting room, get into your resting room and sleep while the warfare will be going on during the whole night.

Born again Christians, let us come out of our spiritual slumbering. Let us thank GOD for our domiciles by transforming them into permanent warfare centers against the trunk of Lucifer. Prayers against Lucifer should resound each day and each night in our domiciles all over the world,. Such a project completely enrages Lucifer.

Let us not forget that we, the Church were born in the year 30 and by 2030, we must have finished with our two days spiritual slumbering in the grave, exactly as the HEAD spent only two days in the grave and woke up on the third. From now on up to 2030, each one of our domiciles all around the world should resound of prayers against the trunk of Lucifer. It is useful that one of the small CD players be dedicated to the proclamation of the WORD of GOD .This CD player will be proclaiming the WORD of GOD during the day and eventually during the night while the others will be playing the prayers against Lucifer . Just a piece of advice. Satan particularly hates the Book of Revelation. So then, the CD player dedicated to the WORD of GOD can offer Lucifer whole days and nights of proclamation of this Book of Revelation.

Apostle Paul did not have this technology at his disposal but we do. So let us use it to put an end to Lucifer’s trunk. Because everything here on earth belongs to our Lord JESUS-CHRIST, we should make the best use of technology available on earth to overcome Lucifer. And if you have one or more personal computers? Very bad news for Lucifer. Just download in your computers those prayers against Lucifer, without forgetting the audio content of the Book that Lucifer hates the most: the Book of Revelation. Just put the personal computer at work and it will keep on working for days and nights without any stop. You may just allow a little rest on sundays to your computer. As you may have anticipated already, Lucifer will soon hate your domicile and will be completely frightened each time your name or your domicile will just be mentioned to him.

## ***DESTROY THE BRANCHES***

The main branch is the government of your country ! The Christians shall be totally astonished to learn so, yet , it's so. Childish and foolish owner of the farm; since the existence of your state as a nation, a monarchy of the Luciferian order has been ruling from generation to generation no matter the so called democratic system in place. From time to time, the priests of darkness even proclaim aloud that one need to be "initiated" before pretending to a leadership position in the state or even in the private company. In one of our G7 countries, Oholiba the harlot who shouts Alleluia has invented a new ype of Christians not mentioned in the Bible by GOD: the skull and bones Christians. When the Bible says Born again Christian, Oholiba the harlot says bonnesman Christian!

« *let us pray that God gives wisdom to the brother bonnesman christian who is ruling our nation* » shouts Oholiba the harlots in her mega churches.

In fact the Church should rather rise in prayers, for the dethronement of the mornachic order of Lucifer, and take back the government of states all around the world. It is a very glorious task given by GOD as stated in Psalms 149 :5-9.

Every Born again Christian must pray daily to overthrow the Luciferian government and political system that governs his country since centuries.

How does a builder proceed? Jeremiah 1: 10 gives us the answer. We first of all have to uproot, tear down, destroy and overthrow the luciferian government and political system in countries all over the world before building a Godly clergy who will take back the control of government and leadership everywhere. Fool; how comes it that you the owner of the farm is now "praying" to bless Lucifer's priest ruling over you since two millenaries? Won't you awake at this beginning of the third day?

What then are the stages of generalised destruction of the luciferian political system all over the world?

The warfare procedure has already been explained thrice and it is enough. You know it now. Just move to action.

Now that you have six to ten computers or small CD players permanently in action in your domicile, your dwelling place is a daily and permanent terror for Lucifer. You are on the battle front for the worldwide revival and it cost you very little. But this little investment you have done will yield tremendous benefits for GOD and soon, Lucifer will be cast out of the world as stated in John 12: 31

*" Now is the time for judgment on this world; now the prince of this world will be driven out"*

Driven out of the world by who? By you the Born again Christians.

Yes, when 200 millions domiciles of Born again Christians will permanently proclaim trough computers and CD players those prayers against Lucifer, Lucifer will be driven out of this world by those permanent proclamations.

Driven out were?

Foolish owner of the farm, wont you stop asking silly and childish questions?

Driven out to the place indicated by John 12: 31.

Stop questioning hidden things which GOD has put beyond your understanding. Do what is at your reach, that is computers and CD players proclaiming warfare against Lucifer on your behalf and on a permanent basis.

***« The eternal GOD is your refuge, and underneath are the everlasting arms.***

***HE will drive out your enemy before you, saying, Destroy him!”***
