

THE PRINCIPLE OF EQUILIBRIUM

*«And how from infancy you have known the Holy Scriptures,
which are able to make you wise for salvation through faith in
CHRIST JESUS »*

2 Timothy 3 : 15

Reverend Apostle Joseph TOUBI.

INTRODUCTION

As well as it may seem surprising it is in complete naivety, that is to say, lack of knowledge that Christians drown themselves in lies and this at the cost of their own individual revival and that of the world.

In fact, from the Book of Genesis up to that of Revelation, the whole Bible is marked by a fundamental seal, that of this principle of equilibrium. Here is the heart of this principle as is given in **Job 33: 14**

“For GOD does speak_ now one way, now another _ though man may not perceive it”

Let us understand one thing: GOD HIMSELF never changes. There can be no trace of change nor variation in GOD. GOD does not change like shifting shadows, but GOD changes the way HE speaks to individuals and to the Church according to the times and circumstances which the individuals and the Church are going through. GOD’S WORDS are action. GOD changes the manner and the content of his message to the individual as well as to the Church; that is to say: the form and content of his action towards the individual and toward the Church changes according to the times and circumstances which the Lord decides to make the individual and the Church go through.

Unfortunately, we do not always take heed of the fact GOD does speak now one way, now another and this is the source of our wandering far from the right Path to follow. Why then does GOD change his manner of acting towards the individual and the Church that is? Why does GOD change the content and the form of his message to the individual as well as to the Church?. The answer is found in the book of **Ecclesiastes 3: 1-8**.

“ there is a time for everything and a season for every activity under heaven”

In which time and circumstance am I found?

In which dispensation is the Church found? Towards which time (era) and circumstances is GOD orienting the Church?

This is a fundamental question which we have completely left aside and have automated, robotised our individual ways of doing things as well as that of the Church. The instruments of this automation are a stony and wooden temple of a capacity of two thousand persons and a religious pyramid made of the Lucifer’s clergy: a temple pastor commanded by a district pastor, who is commanded by a regional pastor, who is commanded by a national pastor, who in certain cases is commanded by a world pastor.

There is a season for everything under the heavens and all the problem of Christians and churches who wander far from the Path, holding their Bibles in hand, originate from the fact that none discerns the times.

And because none discerns the times, none is able to see that GOD is changing his manner of speaking that is his manner of acting. It is precisely at this point that is located the separation between GOD and the Christian, between GOD and the Church.

At this point of separation some wander on the left hand side of the Path while others wander on the right hand side of the Path. Incapable of discerning the time and circumstances and to

apply the WORD of GOD which is suitable to the time and circumstances we are going through, we end up wandering far from the Path, misled in religious customs and habits, in the democratic law of majority, in past religious experiences and in religious organisation.

What says the word of GOD concerning the Christian and the Church who are led by the HOLY SPIRIT? Lets read **John 3:8**

“ The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is everyone born of the SPIRIT”

Yes, the Christian and the Church born of the HOLY SPIRIT act now one way, now another because the HOLY SPIRIT speaks to them now one way, now another, depending upon the times and circumstances, depending upon the dispensation.

Here is that principle of equilibrium, which has always escaped our attention. We have not taken heed of this principle and as a result, some gigantic religious organizations wander on the left of the Path while the others wander on the right of the Path. Given that GOD acts now one way, now the other way, so too will the Christian and the Church born of the HOLY SPIRIT, act now one way, one the other way. Such are the lives of balanced Christians and Church.

The balanced Christians and Church neither have any habit nor rules. When faced with two similar situations, they will have two different reactions according to the instructions given by the HOLY SPIRIT.

The balanced Christians and Church do not have a stereotype Biblical verse. It is the duty of the HOLY SPIRIT to whisper into the Christian and the Church ears, which Biblical verses are suitable to the times and circumstances that are encountered. By so doing, the balanced Christian and Church keep to the Path and are not let astray.

Let us consider the case of David who was qualified by GOD as the man after GOD's heart

2 Samuel 5:17-25

David is going to wage war against the Philistines and as a wise man, he consults GOD. For this first consultancy, GOD ask David to carry out a frontal attack. The result is a tremendous victory over the Philistines.

But the Philistines troops gather once more at Rephaim. Will David rely on the first order given by GOD? No. Although this first order of frontal attack resulted in a tremendous victory, David, being a balanced Believer goes back again to GOD for consultancy. Knowing that GOD does speak now one way, now another, David seeks again the guidance from GOD. This time, GOD's answer is completely different from the first one. For this second consultancy, David is requested to circle around behind the Philistine and wait for GOD to march on top of the balsam trees. Once more, David obeys without questioning and once more the result is a tremendous victory over the Philistines.

If David was an adept of habit and religious rules, he would have repeated the frontal attack he carried out the first time under GOD's command. “After all, is not GOD Himself who gave the first instructions?” This is the question which nowadays rebellious religious pyramids and christians would have asked. But David, being a balanced Believer knew that GOD speaks now one way, now another, depending on the times and circumstances.

Here is what the Bible says!

Deuteronomy 32:8

“When the MOST HIGH gave the nations their inheritance, when HE divided all mankind, HE set up boundaries for the peoples according to the number of the sons of Israel”

This verse teaches us that the boundaries of the nations all over the earth are set up according to the number of the sons of Israel; that is to say Israel is the point of reference to all the nations on earth. In order to know what it should do and the conditions of its actions, each nation of the earth must refer to Israel and this is particularly true for the Christian nation which is a spiritual nation. The boundaries of our Christian nation, our heritage are set up according to David.

So, the Christian nation should follow the example of Josiah who walked in the way of his father David, not turning aside to the right or to the left

2 chronicles 34:2 says, Josiah did not turn aside to the right or the left of David’s ways. The expression “not turning aside to the right or to the left” reveals to us that two types of wandering await David’s offspring: wandering on the left side and wandering on the right side. Wandering on the right refers to that claim of a super spirituality, which pretends to compare to GOD, or rather to stand as a better justice than GOD’s. Psalms 48:10 reveal to us that the right Hand of GOD is full of Justice, still those christians and assemblies who turn aside to the right deny this and go ahead beyond the RIGHT of the Lord to seek for the super justice which of course doesn’t exist since all justice is found only in the right Hand of GOD. Contrary to this, christians and assemblies who turn to the left have discarded and abandoned the HOLY SPIRIT and the supernatural coming from GOD, for earthly things, visible secular and inferior things and practises, which are humanly logical but spiritually dead. Here human reasoning has replaced the HOLY SPIRIT and human organisation has replaced revelation.

We shall now take a number of examples to show how imbalance in the practise of the WORD of the ALMIGHTY GOD has misled many sincere Christians and religious rebellious pyramids out of the Path; out of the TRUTH. A complete coming back to the equilibrium which constantly keeps the Christian and the Church in the WAY is a necessity for this worldwide revival which is taking off.

FIRST EXAMPLE OF EQUILIBRIUM: HEALING OF THE SICK

It is written in **James 5:14-15**

“Is any one of you sick? He should call the Elders of the Church to pray over him and anoint him with oil in the Name of the Lord. And the prayer offered in faith will make the sick person well; the Lord will raise him up. If he has sinned; he will be forgiven. .

Does GOD miraculously heal? Yes and the Bible confirms this. Relying on the above verse, many are christians and religious pyramids which have missed the TRUTH, being misled on the right side of the Path. Their religious rule is to systematically follow what is written in **James 5:14-15** without seeking the assistance of a medical doctor!

Come what may, many of these Christians and religious pyramids simply keep to the practise of calling onto the Elders to come and pray and anoint the sick with oil. If you dare mention a medical doctor, those lost Christians and assemblies will quickly accuse you of lack of faith and will urge you to learn how to “exercise your faith”. Fatal distraction which in some cases has result in invalidity or even in physical death of the patient!

In fact **James 5: 14-15** is simply the first pan of the scales and to keep us in equilibrium, the HOLY SPIRIT leads us to apply from time to time the other pan of the scales. What is said in this second pan of the scales? In this second pan of the scales, we find 1 Timothy 5: 23 which says:

“Stop drinking only water, and use a little wine because of your stomach and your frequent illnesses.”

Though a spiritual man who perfectly knows how to anoint sick persons with oil and pray for them, Apostle Paul understands that this Timothy’s case cannot be solved with James 5: 14-15. He instead urges Timothy to drink a little wine.

In this second pan of the scales, we equally find Luke, the beloved medical doctor. Still in the second pan of the scales, we find Elisha a powerful Prophet of GOD who dies of illness. Does Elisha lack faith in GOD? Obviously no.

And why did prayers and oil anointing fail to heal Apostle Paul from his own illness? This question brings us to the manner by which GOD makes use of the two pans of the scales to keep the Christians and the Church in the Path.

Some Christians and Churches have the habit of walking on waters as Peter. When faced with the least sign of illness, they tend to fasting and praying until the patient is healed. The problem here is that these categories of people are usually led astray on the right side of the Path. These categories of people end up forgetting that the earth and all in it belongs to our Lord JESUS-CHRIST. These categories of people progressively tend to believe that GOD is not in control of material and visible things; a domain which they think, belongs to Satan. Here is the wandering on the right side of the Path; the searching for a justice, for a spirituality better than GOD’s meanwhile all Justice is found in the Right Hand of GOD. In order to bring such Christians and Assemblies back in the middle of the Path, GOD will refuse to answer some prayers in order to oblige those Christians and Assemblies to go to hospitals so as to understand that even these hospitals belong to GOD. As for the Apostle Paul’s case, GOD deliberately maintain him on this state of weakness in illness for this weakness is quite useful for the success of the Ministry HE has entrusted to Paul.

The other categories of Christians and assemblies find themselves being misled on the left of the Path. Sticking entirely and only on the second pan of the scales, huge religious pyramids namely Babylon the great and Ohola have abandon the Ministry of prayer for sickness healing, concentrating on the construction of dispensary’s and hospitals all around the world. Those two harlots have become world renown experts in building dispensaries and hospitals and training nurses and medical doctors. All their faith and confidence are in secular hospitals and dispensaries. What these two harlots forget is that a Christian shall also learn to live on every WORD that comes from the mouth of GOD.

What then should the Christians do so as to be balanced people walking in the Path? They have to simply listen to the HOLY SPIRIT and be very flexible, open to change. During the month of April Elder Thomas prays for Sister Jecolia who is ill and anoints her with oil. In the month of May, the very Elder Thomas seriously instructs brother Alain to consult a medical doctor. In each case, Elder Thomas listens to the HOLY SPIRIT and applies the WORD of GOD suitable to the times and circumstances. Such is the behaviour of a balanced Christian who walks in the narrow Path of the TRUTH.

SECOND EXAMPLE OF EQUILIBRIUM : THE CALL FOR FULL TIME SPIRITUAL MINISTRY

This is a point in which almost all our religious pyramids get misled on the right side of the narrow Path of the TRUTH, spreading spiritual death all over the world.

It is written in **1 Corinthians 9:7-14** that those who preach the Gospel shall receive their living from the Gospel exactly as those who served at the Alter during the Leviticus Priesthood, shared in what was offered in the Alter. Obviously, this is an order from GOD.

Is the full time spiritual Ministry Biblical? Obviously yes. The verses which we have just quoted establish clearly that the call to a “full time commitment” is Biblical. It is quite Biblical that a Minister of GOD (Apostle, Prophet, Pastor, Evangelist, Doctor) should live on the voluntary offerings from Christians. But from where then, does this wandering on the right side comes from?

It all comes from the fact that our religious pyramids have added to the WORD of GOD a diabolic law which says that “all servants of GOD have to serve in the spiritual ministry on a full time basis”

Let open our Bibles. The Bible does state that not all GOD’s Ministers are called to full time spiritual Ministry. The diabolic law of systematic full time spiritual Ministry dates from the pre-Lutheran era when all the Christianity was imprisoned in Babylon the great’s temples. GOD has vigorously used Martin LUTHER to call the Christianity out of Babylon the great’s prison but old customs from this harlot such as full time spiritual Ministry and stony and wooden temples has survived until nowadays. This law of systematic full time call in spiritual Ministry has let to a complete disaster, particularly in Africa. I personally saw “pastors” who pretend they are called to full time spiritual Ministry in stony temples, facing the shameful problem of gangsterism of their sons and prostitution of their daughters because of lack of money. A Brother in CHRIST-JESUS, especially after having failed academically and professionally, comes to the conclusion that he has a call from GOD for a full time spiritual Ministry. Here then is this Brother in CHRIST JESUS who after having failed in all his academic certificates and without the mastery of any secular job is sent to the so called “Biblical school” from which he comes out as a “pastor”, put in charge of a stony and wooden temple. Soon, he gets married with one Sister in CHRIST-JESUS and together they put to birth five children. How they live and feed depends upon the sunday begging basket. Such “pastors” cannot cast out Satan’s soldiers who generally are the best contributors to the sunday begging basket and it is naturally that freemasons, rosicrucians, skull and bones, illuminatis, priests of black witchcraft sit on the bench with born again Christians to sing and pray.

This is how has died the religious pyramids which simply fail to pay attention to the second pan of the scales.

The second pan of the scales says that Apostle Paul (yes, the man used by GOD to write so many Biblical Books) had a job; that of making and selling tents. Yes the very Apostle Paul to whom the Lord handed the mission to write down many of our Biblical Books was not called on a full time basis in the spiritual Ministry. Simultaneously he practised his secular job of making and selling tents while executing the spiritual Ministry received from GOD. Try then to make and sell two tents in half a day and you will quickly understand that this job is not just a hobby but a serious time consuming task.

Only serious professionals committed to spend many months looking for raw materials, manufacturing and commercial prospecting can carry out such a job of making and selling tents. This is why in Acts 18: 1-3, the Bible says that Apostle Paul was a tent maker, meaning that making and selling tents was a serious professional job and not just a hobby for him.

Let's halt a moment and see the Apostle Paul negotiating the prices of raw materials with suppliers. Let's have a look at Paul negotiating the transportation of these raw materials to his manufacturing place. Let's have a look at Paul organizing his technicians and advising them on how to do the Job. And finally, let's have a look at Paul prospecting customers and explaining to them why his tents are the best in the market. The financial earning got from the sale of one single tent cannot fund the annual needs so the Apostle Paul has to make calculations and planning on how to manufacture and sell many tents within a year. Even though we have not gone in detail in describing the process of making and selling tents, the main technical points underlined above convince us that Apostle Paul consecrated at least 6 months per year to this secular job of tent making and selling and it is this job which gave him the necessary financial independence to carry out his spiritual Ministry without complying with lye and darkness.

Still in this second pan of the scales, is Luke the beloved medical doctor. The bible calls Luc "the beloved medical doctor" for us to clearly understand that Luc kept on exercising his job of a physician while carrying at the same time the spiritual Ministry received from GOD. Lets halt and see Luc writing a part of the Book which bears his name in the Bible, just after a medical consultation.

Should we then conclude that any Minister of GOD must have some secular job besides his spiritual Ministry? Obviously, the answer is no. Such law would let us astray to the left side of the Path.

Some according to the grace received from GOD are called in the spiritual Ministry in on a full time basis while others according to the grace they receive from GOD are called to combine a spiritual Ministry with a secular job.

In some cases, GOD even split into two parts the life of an individual on earth. The first part dedicated to a combination of spiritual and secular Ministry and a second part fully dedicated to spiritual Ministry.

So lets burn up all our religious rules and come out of our blindness into the TRUTH, which alone can liberate us.

THIRD EXAMPLE OF EQUILIBRIUM: GOD HAS VARIOUS MANNERS OF PREACHING TO MANKIND

1st manner by which GOD preaches to Mankind: the individual testimony

In **1Peter 3:1-2**, we see a typical example of predication by witnessing whereby a pagan Husband, through his wife's good conduct, is won over by the Lord. On this basis, many great religious pyramids has wandered on the left side of the Path, by setting the predication by

individual testimony as a law which ends up giving death. Such a death giving law convinces the Christians that only the daily experience of an individual, as perceived by the environment, is able to qualify him as a Christian and to bring pagans to repentance. Under this death giving law, the Christians who has something to share in the Assembly is asked to keep quiet because “ his testimony is not good” . Before a GOD’s Minister preaches, genuine scientific research are carried out about his life to make sure that he has “ a good testimony” . No good testimony before men, no message from GOD; such is the law of testimony which has let many Assemblies and Christians to the left side of the Path. In those Assemblies which are tied under the yoke of testimony, Christians are under a real Leviticus curse. Days and nights, they fight hard for an inexistent sinless life so as to be accepted and recognized as Christians by their religious groups.

Predication by witnessing nevertheless has Biblical backing but then to hang just on it as does many temples leads inevitably to death. In fact, GOD has so many ways of preaching, and the following example will show to us that it does not just suffice to present to the environment a personal experience even though convincing of a situation so as to be considered qualified enough to preach on the issue of this situation.

2nd manner by which GOD preaches to Mankind: revelation

A very striking case is that of the Apostle Paul. Single amongst married Apostles, Paul teaches with complete authority on the topic of marriage. This is found in **Ephesians 5: 22-31** and **1 Corinthians 7**. One is even surprised by all the detailed teachings of Apostle Paul concerning sexual relationship in the Christian couple. “Why does this single not mind his business?!” This would be the angry comment of religious pyramids which have wandered on the left side of the Path, chained by the law of preaching trough personal experience and testimony.

In fact, it is by means of revelation that Apostle Paul is able to preach about marriage issues, though not married. These teachings on marriage done by means of revelation by a single, are sealed in the Bible for all eternity.

In order to correct the wandering on the left side of the Path which tend to consider the individual testimony that is his daily experience as the only criteria which qualifies him as a Preacher, GOD gives us the example of Apostle Paul to remind us that it is also by the grace of GOD that we preach about things we have never experienced or even about things to come. It is also by the grace of GOD that one becomes a Preacher. Many Born again Christians called by our Lord JESUS-CHRIST in one or many of five Ministerial Gifts have failed to answer the call because of one thing: Reputation. Holding high to witnessing, they try to live lives so correct, so out of reproach in order to gain recognition from their temple members. Searching with great zeal a good reputation within the temple is their main occupation.

Completely tied up by the diabolic law of good testimony, those Christians instead of hearing the call of GOD in their lives, spent all their time longing for good reputation within the stony temple. Working hard day and night for their reputation, they are finally unable to go to JESUS outside the camp, bearing the disgrace HE bore (Hebrew 13: 13). Fool who love your reputation, your personal testimony more than GOD, here you are, prisoner of Lucifer inside the camp, the stony and wooden temple. It is written in 2 Corinthians 6: 8 that we move trough glory and dishonour, bad report and good report. The individual testimony is a mean by which GOD preaches to nations but he who places himself under the law of individual testimony stops running the good race and this is exactly what Lucifer aims at. Stopping to

run the good race; this is the result achieved by the diabolic law of individual testimony in the lives of many Christians who has resigned from GOD's call, spending their whole Christian pilgrimage working to gain good reputation in stony and wooden temples.

But then comes the wandering on the right side of the Path. False christians, who are not Born again and who posses in them no sign of godliness, come out and claim to lead the Christians and the Church. To accept these allegations without keen verification will result in wandering on the right side of the Path. As a remedy to such a situation GOD calls us to judge spiritually all that is said; that is to say to rely on the HOLY SPIRIT and the Bible to check and test every preaching.

Let us continue our sharing on the issue about the various ways by which GOD preaches to nations, so as to keep ourselves in the narrow Path of the TRUTH.

3rd manner by which GOD preaches to Mankind: through wisdom and knowledge

Here we find the typical cases of Stephen and Solomon. GOD's wisdom and knowledge are out to confuse the pagans and show to them that there is no other GOD than the GOD of Abraham, Isaac and Israel. The least we can say is that the Church exercises not this particular type of predication. As long as the heir remains or is still a child, he is in the stage of slavery. But then, wisdom and knowledge comes from kings and not from slaves. It is only through the revival, through the positioning of the Church at the head of the world, that the Church will be able to preach to nations trough wisdom and knowledge.

4th manner by which GOD preaches to Mankind: GOD's Might and Power

Nowadays, many Evangelists preach by the POWER of the HOLY SPIRIT manifesting itself during evangelistic campaigns. Wonders and signs happens during many evangelistic campaigns. And behold the wandering on the right side of the Path. If you do not perform any visible miracle, you are not qualified to be GOD's Minister. Where is then your power? You have none visible and for this reason, you certainly are not a GOD's Minister.

It is helpful, that the Ministers called to the ministry of deliverance, should cast out demons. It is equally helpful that Evangelists heal sick persons and even raise the dead to life. But these visible expressions of GOD's Might and Power are simply aspects of the iceberg. The main part of the Power of the HOLY SPIRIT is found within the Ministry of Prophecy; invisible to the eyes of Men. Being in constant confrontation with Lucifer's allies, demons, organisations and priests of the darkness, the Prophets put in action trough prayers, another dimension of GOD's Power and Might which by far surpasses those physical manifestations of healings and miracles. It is the move of the world that the Prophets upset and change in prayers, all this being done in secret and humility.

But then Satan has convinced us to build a fake church oriented toward visible appearance and we've abandoned the Prophetic ministry for visible signs and wonders which Lucifer copies very well. Pay a visit to the African witch in the village and your will be surprised by the list of sicknesses which he can "cure".

Are physical wonders and healings biblical? Yes of course. The examples of Elijah, Elisha, Paul are there to convince us that physical wonders, miracles and healings are Biblical. But by

focalising only on these aspects of healing and miracles, many religious groups end up wandering on the right side of the Path.

This wandering on the right side of the Path holds it that if someone cannot cast away demons and heal the sick, he is not qualified as GOD's Minister to preach.

5th manner by which GOD preaches to Mankind: Events of the natural world

Here, GOD speaks to mankind through the events happening daily around us, but the sense, the meaning behind these events are completely reserved to the understanding of GOD's disciples. This revelation through events is meant to shame the darken knowledge of the natural man. The tragedy about this is that the Church whose duty is to interpret these events thanks to the help of the Bible, so as to discern the signs of time and to know what Israel ought to do, has completely forsaken this Prophetic Ministry.

The Prophetic Ministry has almost disappeared since the jailing of Christianity in vast religious pyramids and in stony temples. Finally the pagan nations cannot understand the meaning of natural events because GOD forbid this understanding to them and the Church cannot either because the Prophetic Ministry has disappeared from the Church.

The result is this: a world without light, completely darken.

Here, the wandering on the right side of the Path is on full production. Born again Christians declare that they are too spiritual to take heed of the natural events affecting the planet.

If it were left unto this category of misled Christianity, GOD should not have created this physical world. And why has GOD created this world up to the point of giving us physical bodies to live in it? The super spiritual who brushes his teeth every morning and gets his wife pregnant ignores the fact that when lodges of darkness control the government, the state as well as private companies all trough the world, they enforce antichrist laws and customs which render Christian life almost impossible. This is how the super spiritual suddenly discover one morning that the priests of darkness commanding the government, the state and parliament has enacted a law which prevent anybody to condemn homosexuality. " Well, the rapture is at hand" says the super spiritual who is no longer allowed to preach against homosexuality. Fool, if the rapture is at hand, why then do you brush your teethes every morning? Why then do you continue to perform on a regular basis sexual intercourses with the Sister in CHRIST-JESUS you married just two months ago knowing that the rapture is at hand? Do you see that you are so preoccupied by natural things when your personal interests and pleasure are at stake? And when it comes to asking the reason why should the priests of darkness confiscate the government of the state and of all private and public organizations in your country, behold, you are too spiritual to take heed to natural things. And this bank account which you carefully manage!

The misled to the right side of the Path ignore that the HOLY SPIRIT is on the earth till the rapture to make sure that Christianity should rule the earth created by GOD, till the rapture.

6th manner by which GOD preaches to Mankind: Through the life of an individual.

Here, it is all about the predication by prophetic example. GOD selects an individual and completely transforms his life on earth into a predication. Such is commonly the case of those

called to the Prophetic Ministry. Their whole lives are changed into GOD's messages, resulting in a situation of permanent clash with the apostate Christianity which do no longer discern the hand of GOD.

Let us take some Biblical cases in order to understand this:

Hosea's prostitute wife. Hosea, upon GOD's order, gets married to a prostitute (Hosea 1:2). We can imagine the roar and mockery this situation caused amongst the apostate Israel. "He calls himself a prophet, yet cannot get someone better for himself but my former girl friend" Hosea would have willingly chosen a virgin in Israel for a wife in accordance to the Leviticus law and also in order to give a good testimony or example. Yet, GOD had the intention of using this marriage to pass out a message to apostate Israel.

Ezekiel is obliged to live a life full of extravagance because GOD wanted to use this so as to pass out a message to apostate Israel. This is why we see Ezekiel digging a hole through the wall of his house and taking out his belongings through it. Then we find Ezekiel packing those belongings and set out for a surprising journey (Ezekiel 12:1-5). We again see Ezekiel trembling while eating his food and shuddering with fear as he drinks his water (Ezekiel 12:17-19). The crowning achievement of all those prophetic events in Ezekiel's life is the death of Ezekiel's wife taken away by GOD so as to pass out a prophetic message to rebellious Israel. As we can easily imagine, Ezekiel was obviously a man like us and would not have cherished being suddenly deprived of his wife, one whom he loved so much. We know of his intense love for his wife because GOD says "Son of man, with one blow, I am about to take away from you the delight of your eyes" (Ezekiel 24:15-22). Would you especially rejoice and dance for GOD taking away your beautiful and lovely wife just for a prophetic purpose? Obviously, even if you accept such an event, you will do it with pain and sorrow and many would fast and pray, begging GOD to use another mean to speak to the apostate Israel. But GOD wanted to use this physical death so as to pass out a message to the rebellious Israel.

One of the Prophets orders to be stroke with weapon so that he could go out and pass a message to Ahab the rebel (**1 king 20: 35-43**). Will you love to be wounded with a sword simply because you want to pass out a prophetic message? Obviously, no, and neither did this Prophet but he was compelled by GOD to accept being wounded for a prophetic purpose

So, even nowadays, Christians called in the Prophetic Ministry undergo various painful and strange events which transform their lives into the perfect contrary of what we usually consider as a good Christian testimony.

These strange behaviours and events are nothing but predications from GOD destined to the apostate Christianity. As if carrying the daily cross of strange events were not enough, these Prophets have to undergo calumnies, false accusations of all sort and even rejection from the apostate Christianity which no longer posses the ability to discern GOD's hand at work.

Nevertheless, it is spiritually that we judge and it would be a great lost on the right side of the Path to accept without discernment those whose lives are obviously anti-Biblical. We must judge spiritually and case by case. Yes, case by case.

Case by case? Yes, the balanced Christian and the balanced Church always judge case by case and this way of judging is completely out of the reach of stony and wooden temples gathering thousands of persons. Just think about it. You are more than 2000 persons in a temple and those fundamentalists ask you to examine case after case those 30 cases of divorce. No time to waist. "It is written that no one should separate what GOD has united. This rule has to be applied to all" Such is how rebellious Christianity imprisoned in stony and wooden temples and religious pyramids is cursed by the yoke of evil laws. Whereas in a House Assembly of 10 members one would have fasted and prayed during three months for the two cases of divorce, until GOD reveal that, the so called brother who has married Sister Antoinette is in

fact a soldier of darkness hiding his true nature; wherefrom the necessity to separate this false couple as soon as possible and save Sister Antoinette from this Satan's false marriage.

At the same time, the HOLY SPIRIT would reveal that Brother Peter and Sister Aminatou simply need some advice in order to put their marriage back on the track.

But why wasting time with this case by case approaches? Ask the stony and wooden temples and their religious pyramids. Specialists in mass treatment and in transforming Biblical verses into fetish which gives death, those temples and religious pyramids have replaced our Christian religion founded on GOD's revelation to Abraham the individual, by a worldwide satanic religion based upon mass manipulation trough Biblical verses changed into ideological laws. Born again Christians, how can you keep the Life of our Lord JESUS-CHRIST in you while remaining in these stony and wooden temples? Separate yourselves from them!

In conclusion to this example of equilibrium (the various ways trough which GOD speaks to mankind), the balanced Christian as well as the balanced Church preach by means of testimonies, through revelation, through wisdom and knowledge, through prophetic interpretations of events affecting the natural world or through their own lives. All this is done according to time and circumstances and according to the variety of spiritual equipment received from GOD. It is with a gentle whisper that GOD spoke to Elijah when he returned to Horeb (**1 kings 19: 8-15**) whereas in Job's case, it is out of the storm that GOD spoke to Job (**Job 38: 1**).

Back to the TRUTH.

FOURTH EXAMPLE OF EQUILIBRIUM: THE CHRISTIAN POINT OF VIEW ON SECULAR JOB

Let's start with the first pan of the scales which call on the Christian to put a lot of seriousness in his secular job. **2 Thessalonians 3: 10** says: "*For even when we were with you, we gave you this rule: If a man will not work, he shall not eat*"

In **Proverbs 6 : 6-11**, the sluggard is reprimanded and asked to take as example the worker ant. These verses highly warn the lazy fellow who sleeps too much, reminding him that poverty will be his final portion.

Does GOD insist, on secular job? Yes

When Brother Wong Liu neglects his secular job on the pretext that he has to attend so many meetings in his Christian Assembly, the HOLY SPIRIT who has decided to haul him up to the top of the enterprise within five years, will continually take him back to the verses shared above. The insistence from the HOLY SPIRIT will not stop until WONG LIU abandons his disguised laziness and takes his secular job seriously. This first pan of the scales is particularly adapted to a special race of Christians that we have created! This special race of Christians spiritualises its laziness. This special race of Christians is particularly abundant in Africa and strange enough, its laziness is completed with outstanding pride. Small jobs like barbers, taxi drivers, owners of road side restaurants are avoided by these sluggards who prefer walking along streets with Bibles in their hand

The so called Biblical schools welcome so many of these lazy individual who spiritualise their laziness, pretending that they have received call from GOD to be “pastors” And since mass treatment is the unavoidable law in stony and wooden temples, nobody has enough time to pray in order to discern if the twenty candidates applying for the Biblical School have really received calls from GOD or if they are just some sluggards who are trying to spiritualize their laziness. It is a common thing in Africa to see these sluggards disguised into “pastors” asking for financial assistance trough the Name of our Lord JESUS-CHRIST. Dare then suggest to those beggars mending with their Bibles at your door step to work as family servants in your house: they will immediately make you understand that such jobs are not fitting for “big pastors”.

Should we then conclude that we are in a religion of work as does the lodges of darkness which pretend to rule and control the world thanks to human labour and human blood? Absolutely no. Drawing such a conclusion would mean going astray on the left side of the Path and Lucifer vigorously preaches such wandering on the left side. GOD provided the verses we’ve just shared on the first pan of the scales, so as to bring to conscience the sluggards who neglect their secular job under the pretext of Assembly meetings and communion with other Christians. But Christians and Assemblies who turn secular job into a religion gradually die spirituality and end up becoming slaves to Lucifer. Such is the wandering on the left side of the Path.

When Moses starts a spiritual confrontation with Pharaoh in order to liberate Israel, Lucifer’s reaction is to push Moses and Aaron towards the left side of the Path.

“Pharaoh said, Lazy, that’s what you are – lazy! That is why you keep saying, Let us go and sacrifice to the Lord” (Exodus 5:17).

Christians who are engaged in spiritual warfare against Lucifer and his priests are used to this accusation of laziness from Satan. As soon as you step in confronting Lucifer and his priests in warfare, they will permanently pour on you this accusation of laziness. In this situation of war, even if you perform fifteen hours of work per day or even if your have great performances Lucifer and his priests will still give you the same answer “ lazy ”. In fact, what they truly want is to occupy all your time in order to prevent you from annihilating them with spiritual warfare.

GOD in his WORD tells us to take our secular job as something serious but then to wholly concentrate upon it when we have to fight GOD’S wars against Lucifer as decreed by the HOLY SPIRIT will nothing but going astray to the left. Christian life is not possible if we do not have enough discernment of times as scheduled by the HOLY SPIRIT. In times of secular job, the HOLY SPIRIT will quote the above verses, reminding those Christians who want to spiritualise their laziness that it is time to work and in times of confrontation with Lucifer and his priests GOD will insist on the second pan of the scales, lets examine it.

Matthew 6:19-34 constitutes the heart of the second pan of the scales.

These Biblical verses tell the Christian not to concentrate upon piling up treasures here on earth but to instead concentrate on the accumulation of spiritual treasures in Heaven. They also tell us not to bother about dresses and food but instead about the coming of the Kingdom of GOD and of GOD’s Justice. This second pan of the scales addresses the Christian lost on the left side of the Path and who, enslaved by his secular job, has completely lose spiritual power over the move of the world. Occupied by his secular job that overwhelms and eats him up, running after financial revenues and consecrating all his nights in all sorts of calculations aiming at acquiring a house, replacing the car or financing children schooling, such a

Christian has a prayer life reduced to almost nothing. The HOLY SPIRIT through **Matthew 6:19-34** will correct him and insist firmly until this Christian gone astray on the left side of the Path, gains back his life of praises, fasting and praying, adoration and even of predication.

Should we first of all seek for spiritual riches? Surely yes. But then many of those Christians who have gone astray on the right of the Path have replaced the word "firstly" by "uniquely". And behold the wandering on the right side of the Path! The pretentious super spiritual declares that only fasting, prayer, preaching and various spiritual Ministries are of some importance. All that is secular is neglected even despised and as a matter of consequence: a life of spiritualized begging. It is common for Oholiba's so called christians to come across you and declare:

"I Prayed to GOD for financial assistance in my duty of preaching GOD's WORD and I received the revelation to come and talk to you about it " Foolish wanderer on the right side of the Path. If the Brother from whom you are begging money works to have it, then you could equally do same.

It is in order to correct those gone astray by right side of the Path that GOD gave in the Bible those WORDS found in the first pan of the scales (**2 Thessalonians 3:10** and **Proverbs 6:6-11**). Such wandering on the right side of the Path particularly usually strike truly Born again Christians who know that we are not from the world, but forget that we are proprietors of it. A magic thought according to which GOD would posses no ownership and no power upon natural things takes possession of the wanderer who downgrades his secular job and gets into confusion situations such like getting married to a Sister without knowing how will he take care of her natural needs.

What conclusion then can we draw as far as secular job is concerned?

All depends on time and circumstances. Sister TSUSHIYAMA is completely engaged in her secular job as a result of a revelation received from the HOLY SPIRIT wishing to bless her business. She is correct in doing this given that she is following Biblical statements found in **2 Thessalonians 3:10** and in **Proverbs 6:6-11**.

Six years later the little shop has grown into a super market. Now Sister TSUSHIYAMA is completely overwhelmed with accountancy, the buying of goods from suppliers, the marketing and the relation with the fiscal and tax administration. Her prayer life declines and the HOLY SPIRIT come in, warning her trough **Matthew 6:19-34**. Being sensitive to the voice of the HOLY SPIRIT Sister TSUSHIYAMA recruits a managing director, hands over to him the day to day running of the business and only take care of strategic planning and control of the business; occupations which give her more time for fasting, praying, reading of the Bible and for this Prophetic Ministry through out Japan which has been abandoned since years. TSUSHIYAMA is a balanced Christian who acts now this way, now another way according to the portion of the Bible on which the HOLY SPIRIT puts emphasis. Her way of doing six years ago was Biblical as well as that of today. Such is the behaviour of a balanced Christian and of a balanced Church.

FIFTH EXAMPLE OF EQUILIBRIUM: OUR REACTION TOWARDS ENEMMIES

Lets starts with the first pan of the scales; upon which the Christianity has been relying so heavily all trough centuries that we have gone astray to the right side of the Path, in our search for a super spirituality superior to that entrusted to us by the HOLY SPIRIT.

This first pan of the scales is found in **Mathew 5: 44-48**, where it is said that we should love our enemies and pray for those who maltreat us. This first pan of the scales tells us that GOD's sun and rain are equally offered to both good and wicket ones, to both the just and the unjust ones. In fact, this first pan of the scales states that as far as natural things are concerned, there should be an equal treatment to all, Christians as well as pagans. A Christian at the head of an enterprise should give fair remuneration to his pagan workers as he does to the Christians. When a Christian heading the State is appointing economic and political leaders, he should not discriminate against pagans who have the required natural skills. Wheat and weed are mixed in the world, so too in a similar manner should we Born again Christians who take decisions on natural things, treat pagans with fairness and equity as GOD does, HE who equally provide sun and rain in the same manner to both Christians and pagans.

GOD wants the Born again Christian to be the head of the world but GOD also want this head to lead exactly like GOD HIMSELF does. GOD wants the Born again Christian leading to fairly provide the same rain and the same sun to both pagans and Christians without any discrimination. If I am he CEO of the company in charge of National Public Works and it happens that my enemy has the best technical qualifications for building a new school in a village, I hand over to him the market contract without any discrimination. I should not dodge the issue concerning the market contract in order to eliminate my enemy from competition. I should avoid rejoicing at my enemies' death. By exclusively relying upon this first pan of the scale, Christianity has completely got lost in a slavery terrestrial pilgrimage. In fact in the verses of **Mathew 5:44-48**, GOD is addressing Christians who are governing the world. It is he who governs that is better placed to show unto the pagans, examples of GOD's love and Justice. The verses of **Mathew 5:44-48** are not convenient to slaves, for pagans and Satan's soldiers understand nothing in a slave's love. A slave has no choice. He is compelled and under bondage and if he shows any sign of love, it is imperceptible because he has no choice. The world is presently ruled by Skull and bones, Freemasons, Illuminatis, Bilderbergers, Rosicrucians, Trilateral Commission members, Jason group members, African satanic priests and Asiatic dragon priests. They are already ruling and they are the one sharing or withholding natural things of value in the world. What do you want them to understand in a love coming from lost and enslaved Christians? They have nothing to understand in and nothing to do with a love coming from their slaves and this is quite normal. It is a master who loves his servant and not the contrary. So love is for a Christianity ruling the world.

The verses in Mathew 5: 44-48 talk of a Church in command of the world. They are addressed to Christians who are ruling as kings upon this natural world. Do you doubt about this? Then let's together open our Bibles and read these verses. GOD says in verse 45: " That you may be sons of your Father in heaven. HE causes his sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous" How does GOD show his love to sorcerers and pagans who hate HIM? By providing the same sun and rain to these enemies as well as to his own sons, the Born again Christians. And if GOD never had a sun to offer nor some rain to offer? The answer is simple; GOD would not

have been able to prove his love to his enemies. Who is that who supplies rain and sun? Who is HE who brings rain and sun to the world? The answer is simple, it is the KING. GOD can show of his love to all because he is KING, and as KING HE posses and share natural things indiscriminately the world over. It is through natural things that GOD shows of his love to his enemies and as stated by the Bible by two examples: the sun and the rain.

What characterises GOD's son? The Bible provides us with the answer. The son is he who does what he sees his Father doing.

It is written in the Book of John 5: 19

“ JESUS gave them this answer: I tell you the TRUTH, the SON can do nothing by HIMSELF; HE can do only what HE sees his FATHER doing, because whatever the FATHER does the SON also does”

From this Biblical verse, our conclusion is immediate. In order to make proof of their love to their enemies as is done by GOD, the Christians and the Church has to be in possession of those valued earthly things in order to be the one who share them equitably and justly so as to show of their love to pagans. Yes, it is when we shall establish ourselves in command over the entire world; it is when we shall be the distributors of the riches of the natural world that we shall have the occasion to effectively practise the verses of Mathew 5: 44-48. These verses are convenient only to kings. If GOD hadn't any sun or rain to share to the whole population of the world, how then would HE have shown of his love to his enemies the world over? Enemies are not spiritual. They are so insensible to spiritual things as gold means nothing to a pig. But they understand fast enough when it comes to possessing and sharing natural riches. How then can a Christian, a Church enslaved and deprived leadership positions in the natural world show their love to pagans who are ruling the world? Fools, you do not have any natural valued things like sun and rain to offer to your enemies because you have n governing position in this natural world. Then, do as GOD your FATHER by occupying the position of king in the world. It is only after we have occupied the position of kings here on earth that we shall be able to apply the verses of Mathew 5: 44-48 which are decrees declined only to kings and not slaves.

2 Corinthians 8:12 says: “ For if the willingness is there, the gift is acceptable according to what one has, not according to what he does not have”

Let's not forget that this chapter 5 in the Book of Mathew is a totality of a coherent sermon by our Lord Jesus CHRIST JESUS (the Beatitudes) which sermon puts in place way to be followed by kings. This sermon is not addressing that slave eating the scraps under the table but kings, salt of the earth, light of the world set on a lampstand. Misled by the right, religious pyramids pretending to be super spiritual have put to birth since centuries, generations of Christians who are enslaved in the world but who are struggling to practise the decrees of Mathew 5:44-48 which are destined to kings ruling and not to slaves. Fools, there is the need to first of all take possession of the world in order to be able to practise these princely decrees. In fact we haven't yet reached the moment of kingship. Slavery and childishness have a duration of two prophetic days: that is to say two thousand years, corresponding to the two days that the HEAD spent in the grave. The third day which is the resurrection day starts in 2030 and the moment of our resurrection that is to say the moment of maturity and royalty is near by. At this juncture many will certainly protest with the verse 44 of the Book of Mathew 5 which says

“ But I tell you: Love your enemies and pray for those who persecute you”

This verse is undoubtedly talking of the persecuted Christianity and the persecuted Church. This verse has been in application for over two thousand years now. Since two prophetic days, since two thousand years we are the tail of the world and the footstool of the priests of Satan who are kings over the natural world. Imbalance and aberration consist of establishing this verse of Mathew 5: 44 as a permanent law to the Church from generation to generation. Today, the balanced Christians and Church has to know that we are rapidly moving toward our kingship dispensation. There is a time for the Body to be a slave spiritually dead (two days, as the HEAD in the grave) and there is a time to be a king spiritually resurrected (forty days, just as the HEAD after his resurrection). And when we shall be the distributors of the sun and the rain here on earth as kings, we shall be able to apply Mathew 5:45.

The first pan of the scales streaming from **Mathew 5: 44-48** contains two decrees. That of slavery which concerns the persecuted Christians and Church and which has been so well applied since two thousand years that we have established it as a permanent decree for us through all generations nor matter the times and circumstances on earth. This decree has even become the principal testing criteria to determine if one is a genuine Christian. If through out the day you do not joyfully and silently undergo maltreatment, becoming by so doing the slave of the priests of Satan, then you are still too carnal; you are not yet a “spiritual Christian”. Tragic wandering to the right side of the Path. In addition to this decree of slavery, useful only in the days of slavery which has been lasting for two thousand years, **Mathew 5:44-48** gives us a decree of kingship and in it, tells us as kings what we shall have to do on earth as owners and distributors of the sun and the rain.

Nowadays, the Christian and the Church who wish to gain back equilibrium that is to say join back the right Path which is GOD’s prophetic plan have to work diligently in order to quickly occupy the king position at the head of the natural world so as to execute that kingship portion of **Mathew 5: 44-48**. How then do we gain back our kingship over the earth? This question brings us to the second pan of the scales; that of **Psalms 149: 5-8** , of **1 timothy 1:20** and of **Jeremiah 1:10**

The second pan of the scales as far as our behaviour towards our enemies is concerned, reveals to us how to take back the kingship position over the natural world. This second scale is found in Psalms 149:5-8, in 1 Timothy 1:20 and in Jeremiah 1:10.

The second pan of the scales that corresponds to the kingship dispensation towards which we are moving teaches us that this kingship demands a total spiritual violence. This second pan of the scales states that we shall not be able to built anything or to establish our kingship until we have completely destroyed and render to ruins the rebellious nations. This is very precise in **Jeremiah 1:10**.

Psalms 149: 5-8 even adds it that it is our glory to use the double-edged Sword that is the WORD of GOD to inflict vengeance, judgment and punishment upon the rebellious nations. To become kings of the earth instead of Lucifer’s priests, we must bind Lucifer’s kings who are presently ruling with fetters and shackles of iron and proclaim severe destructive judgment upon them. **Psalm 149: 5-8** is very precise in this matter. Streaming from his we see in **1Timothy 1:20** the Apostle Paul judging and punishing Hymenaeus and Alexander by handing them over to the power of Satan so that they will stop blaspheming. The misled nowadays Christians would have advised Apostle Paul to show love and kindness to these two blasphemers and to pray for them. Apostle Paul being a balanced spiritual man, understands clearly that it is not love that is needed for these to Satan’s agents. Theirs is judgement. When Elymas, the priest of Satan opposes Apostle Paul’s Evangelisation, it is a storm of judgement that answers to the rebel. Today, those misled Christians wandering on the right side of the

Path pray to support these priests of darkness who put in place devilish laws forbidding to preach against homosexuality.

The year 2030, which is the anniversary of our two days of childishness and of spiritual death is fast approaching and as balanced Christians, we have to relying now upon the second pan of the scales so as to gain back the kingship over the earth. It is the time to destroy the powers of darkness, the priests of darkness who are presently reigning as kings upon the earth which belongs to us (Freemasons, Rosicrusians, Illuminatis, Bilderbergers, Jason group, Skull and bones, Bohemians, Asian dragon priest, Black witchcraft priest in Africa...) and to dismantle Lucifer's world plans in order to set in our own reign. Two thousand years have passed away and the world is fed up with the Lamb Church. It is now the time to complete the revelation by establishing through out the world a Lion of Judah Church that devours, kills and drinks the blood of the wounded. Of course the fake pastors who during the day hold their Bibles in hand and attend lodges of darkness during the night consciously avoid to preach about the Lion of Judah who roars, kills and devours. Nonetheless, it is towards this Lion dispensation that the Church is moving and any deviant step away from the Path leading to this Lion dispensation is a deep wandering. When, through war and spiritual destruction we shall gain back our kingship over the earth, only then shall we with ease distribute equitably and with good will the sun and the rain (natural things of natural value) to both our friends and enemies without discrimination as GOD provides rainfall to both the good and the wicked. By the way, lets note that Lucifer's priesthood does not know any magnanimity of this kind. Just have a look at the way these priests of Lucifer ruling presently, so systematically and with care exclude Born again Christians from all posts of leadership in the State government, in the Parliament, in public and private enterprises and then you will understand that it is time for kingship to change hands. For those who do not understand the times in which are that is the time for the Lamb to change into the Lion of Judah, please refer to the book entitled " Multiplication according to GOD's Model" which is available for free in the web site www.wordlwiderevival.org.

The balanced Christian has a Biblical way of acting towards his enemies, according to the times and circumstances. When Stephen was about to die, GOD filled his heart with love so that he could forgive his murderers and this because amongst these murderers was found a certain Paul, a future Apostle of our Lord JESUS CHRIST. Because of the presence of Saul among the murderers GOD prevented Stephens from demanding vengeance. On the other pan of the scales, we find Elisha cursing and destroying those wicket children insulting him, meanwhile Apostle Paul hands over Hymenaus and Alexander to Satan and judges Elymas heavily. And here comes the contestation from the apostate christianity who wrongly quote **Ephesians 6:12** so as protect the priests of darkness from deadly blows and systematic destructive judgments proclaimed in fasting and prayer.

In most Bible versions is found: "*For our fight is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms*"

Upon reading this verse, whole generations of Christians have come to understand that we should never pray directly for the destruction of physical persons who are Lucifer's priests. This is one of the most tragic misconceptions which for centuries have offered Lucifer's priests a peace they did not deserve at all.

Here is what is written in the modern transcription of the Bible; a version paraphrased from original texts

*“We do not have to fight **only** against our terrestrial nature, nor against simple enemies who are mortals, but against occult powers, against invisible dictators who from darkness kingdom want to control and lead our word, against the legion of demonic spirits found in the super natural realms, all of these being the agents of the head quarters of evil”*

Here we are. That precious term “**only**” which is not found amongst the majority of versions is here restored and as a result, the usual comprehension is changed. If I should affirm this statement: “I am not only fighting against Luke, nor against Paul, but against Peter”. Will you then conclude that I never fight against Luke? No. I have instead declared that my fight is not only directed against Luke. I have said that in addition to fighting against Luke, I also fight against Paul and even against Peter. This is exactly what Ephesians 6:12 says to us when we have a close look at the modern transcription version of the Bible. The Born again Christian is fighting against his own terrestrial nature and also against simple mortal enemies (Satan’s priests who are human beings like you) and he equally fights against occult forces, against invisible dictators and against the legions of demonic spirits. All these battles are fought with spiritual weapons (fasting and prayers, WORD of GOD, BLOOD of JESUS, praise). It is clear that we equal destroy those simple mortal enemies who are Lucifer’s priests across the world and it is by making use of our spiritual weapons that we achieve this glorious duty as it is said in Psalms 149: 5-8. Yes Psalms 149: 5-8 says that this duty is a glorious one and if you pretend to be over spiritual to bare such verses, then close your Bible and stop pretending to be a Christian. Fool, are you the creator of love or are you more spiritual than GOD who wrote the Bible? Love means to hit and destroy Satan and his priests such as to protect the rest of mankind against them. So you the love specialist, you prefer to hand over five billions persons as slaves to Lucifer and his priests because you are so spiritual.

Christians should seriously take time to read the modern version of Ephesians 6:12 so as to measure the extent of the depth of the wandering to the right side of the Path, which wandering has enable Lucifer’s priests to safely operate on earth for over two thousand years without being stroke down. This again is what is said in the version “Amplified Bible” edited by ZONDERVAN, Great falls, Michigan 49530.

*“ For we are not wrestling with flesh and blood [contending **only** with physical opponents], but against the despotism, against [the masters master spirits who are] the world rulers of this present darkness, against the spirits forces of wickedness in the heavenly (supernatural) sphere”*

Have we noticed the term “**only**”? Yes we’ve noticed it. Then what are we waiting to hit and destroy physical enemies who are the priests of Lucifer?

Any Christian understanding the English language discover that in this other Bible version which has as objective to restore in a rather authentic manner those original Greek and Hebrew texts, it is clearly said that **in addition to** our physical adversaries we are equally fighting against spirits forces, dominations and despotisms. It is the weapons that are uniquely spiritual but the adversaries to be destroyed are physical as well as spirituals. And behold the apostate Christianity wandering on the right side of the Path and pretending to be super spiritual has declared that she loves Satan’s priest more than GOD and centuries has abstained form carrying destructive fasting and prayers programs against Lucifer’s priests. Oholiba the prostitute who shouts alleluias and talks of the HOLY SPIRIT even though she is an expert in lies telling even pretend that abstaining oneself from striking the priests of darkness in prayer is a proof of high spirituality. This is a tragic wandering on the right side of the Path. Fool, do you claim to be more just than GOD? Then you better start to practise those things

enumerated in the Bible than trying to deal with things too great for you. In Psalms 139:12-22, we find David, a man after GOD's heart praying for the death of the wicked man and declaring his hatred for the wicked.

Today the apostate Christianity instead of following David's step, declares itself more spiritual than David and quickly close away the Biblical verses of Psalms 139: 12-22. And here comes the intellectual question asked by Babylon the great, she who for the past 1 800 years has been preventing the believers from reading the Bible, giving them instead some pictures and statutes of so called saints to worship: "Which exact version of the Bible should we then be reading given that there are so many versions of it?" As an answer to this question which serves as a pretext to this rebellious Babylon the great, the Bible says in 1 Corinthians 3:21-23:

"So then, no more boasting about men! All things are yours, whether Paul or Appolos or Cephas or the world or life or death or the present or the future-all are yours, and you are of CHRIST, and CHRIST is of GOD"

Fool, all versions of the Bible written by theologians inspired by the HOLY SPIRIT (excluding those false bibles invented by the rebellious Babylon the great so as to mislead the world) belong to us and it will depend on us to make the best out of them according to that which gives us the best advantage in a given situation. These versions do not contradict themselves, and it will depend on us to make the maximum best of it. If a particular version does not maximize our advantage against Satan in a given situation, then we have to move to another version which grants us the maximum advantage against Lucifer in that given situation. All these versions belong to us and we have to make the best out of them as for as our fight against Lucifer and his priests is concerned, moving from one version to another in order to obtain on a permanent basis the maximum advantage against Satan. If a particular version does not insist on the fact that I should also strike physical enemies who are the priests of Satan, I move quickly to the version which puts emphasis on the fact that I should also include Satan's priests in the list of targets to destroy in prayer and I stand on this version to strike. That is how I have to behave for warfare is not a piece of theatre. I am not the one saying, GOD is the ONE who has said in one of the Bible's versions and I simply jump into practising what is said in that version which gives me a tremendous advantage. And if somebody is angry against that, he should then take upon himself the duty to cancel the Bible from the face of the earth or, if he is able to do so, he should sue GOD!

In conclusion, what then shall a Christian do when confronted by his enemies? The answer is found in 2 Corinthians 2:15-16.

"For we are to GOD the aroma of CHRIST among those who are being saved and those who are perishing. To the one we are the smell of death; to the other, the fragrance of life. And who is equal to such a task?"

The word of GOD is completely against the fake "pastors" who tell lies in their stony and wooden temples every Sunday. The Bible says that as a Born again Christian, I carry a smell of death which kills those who are destined to hell.

What then am I reading in this Bible? I have as mission to kill some by giving them the smell of death? Oh Lord please remove this verse from the Bible, it is so disturbing to me because I am a super spiritual full of goodness. No, there surely is a theological interpretation that shows that it is not of death that is being pointed out in this verse.

This is that earthly and diabolic reasoning that has completely misled to the right side of the Path the apostate Christianity for almost two thousands years now. Nonsense! Being a Christian means following what is written. Yes, it is also written that I have as mission to give

the smell of death to those destined for death that is to kill and destroy Satan's priests. Lucifer and his demons have no need of death, since they are spirits. We are only left with one category of these who are destined to death and to whom we must give death: those individuals who are priests of Lucifer and who make use of Satan's power so as to establish Lucifer's reign in the quarters, in the villages, in towns, in countries and in the whole world. At the same time that through fasting, prayer and predication I give death to these soldiers of Lucifer, I equally provide those destined for salvation with life. Such is the duty of the balanced Christian and Church.

Those Christian who obtain from GOD the grace to provide from time to time deliverance to some priests of Lucifer has misled the whole of Christianity by propagating the false doctrine which states that we have to systematically intercede for the salvation of Lucifer's priests. Fool. How can you change a specific grace destined for some particular individuals into a law, putting the whole Church under the curse of the law of softness and gentleness toward Satan's soldiers?

As far as those priests of darkness are concerned, I engage myself before hand in a war against them as is stated in 2 Corinthians 2: 15-16 and if the HOLY SPIRIT exceptionally reveals to me that here is amongst them one who is destined for salvation, I will pray for his salvation while at the same time destroying the others through fasting and praying. This is what the balanced Christian and Church, does. As a fragrance of LIFE I give life on one pan of the scales to those destined for salvation and as a smell of death, I give death on the other pan of the scales to those destined for death. Such are the balanced Christian and the balanced Church.

Which law am I then to follow, when it comes to my enemies? I am only submitted to the law of freedom that gives freedom. I am freed from the law, which means that at one moment I react in a way and at another moment, I react in a completely different way according to the particular proportion of the Bible on which the HOLY SPIRIT insist. In order to exercise his freedom towards the law which leads to death, the Christian needs two things: the knowledge of the WORD of GOD and the discernment of the Voice of the HOLY SPIRIT in order to know which is the suitable WORD of GOD for a given situation. At one point GOD will recommend me Psalm 149:5-8 asking me to destroy all the soldiers of darkness attacking me and at another, HE will command me to behave like Stephen that is to show love to an unbeliever attacking me. All depends on the time and circumstances set by the HOLY SPIRIT.

As far as spiritual dominations, principalities, authorities and wicked spirits are concerned, GOD's other is permanent: attack and destroy them trough fasting and prayer.

SIXTH EXAMPLE OF EQUILIBRIUM: DOUBLE CITIZENSHIP OF THE BORN AGAIN CHRISTIAN

As concerns citizenship, the two pans of the scales are given on the one hand in Philippians 3 : 20 and on the other hand in Acts 22 :25.

The first pan of the scales says in Philippians 3 :20 , « *But our citizenship is in heaven. And we eagerly await a Saviour from there, the Lord JESUS CHRIST* »

The second pan of the scales says in Acts 22:25 *“As they stretched him out to flog him, Paul said to the centurion standing there, Is it legal for you to flog a Roman citizen who hasn't even been found guilty?”*

The Born again Christian is on the one hand a citizen of Heaven and on the other hand a citizen of a country on earth. And a citizen is characterised by a number of rights and duties linked to his citizenship. This is the double citizenship that every balanced Christian should have and assume properly.

Before giving more details on this double citizenship of the Born again Christian, let us make it clear that each priest has a double citizenship. The priests of Lucifer, human beings like you and me, also have a double citizenship. They are citizens of the kingdom of darkness in the spiritual realm and they are citizens of countries on earth as well. Next let us know that the category of spiritual citizens who on earth hold the secular government necessarily implement and enforce a system of laws, rules and behaviours which favour those of its spiritual kingdom. When the citizens of the kingdom of darkness hold on earth the leadership positions of States, governments, public and private enterprises, public and private institutions, parliaments, judicial systems, they progressively make laws and rules which favour the priesthood of Lucifer, therefore gradually stifling the apostate christianity. This is what has been happening openly since 2000 years, since two days of spiritual childhood of the Church. Open the Books of 1 Kings and 2 Kings and read in them what happens in Israel each time an impious king comes to power in Israel or in Judah or equally what happens when a king fearing GOD replaces an impious king in one of those two kingdoms. What you will read in those two Books is what happens at a world scale because Deuteronomy 32:8 says that the history of Israel reveals to us the history of the world: *“ When the MOST HIGH gave the nations their inheritance, when HE divided all mankind, HE set up boundaries for the peoples according to the number of the sons of Israel ”*

Let us come back to our double citizenship.

The first pan of the scales which is given in Philippians 3:20 remind us that we are citizens of Heavens. Generally, Born again Christians quickly acknowledge and understand this first citizenship. But for centuries we have been uniquely concentrating on this first pan of the scales and this has resulted into a great imbalance to the right. Nowadays, we are overwhelmed with childish questions such as « should Christians rule the country ? » « should a Born again Christian stand as candidate in elections ? » « Is politics not a sin ? ». Nonsense! Politics has become a sin because the priests of darkness who are the only politicians impose their rules of conduct inspired to them by Lucifer. And how are you going to change the political system if not by being part the top of the political field and by re-establishing the Bible as source of rules and behaviour regulating the political system?

Before the beginning of the terrestrial Revival and Salvation Ministry of the Lord JESUS CHRIST, John the Baptist filled with the spirit which was in Elijah, announces the Arrival of the Messiah. GOD confirms in Mathew :11-14 that John the Baptist is the Elijah who had to come before the terrestrial Revival and Salvation of our Lord JESUS CHRIST and this is an unchangeable principle of GOD. Before this second and last World Wide Exodus, GOD is in need of true Prophets filled with the spirit which was in Elijah to announce what HE is about to do because his principles has not changed. But, today, the apostate church follows Elijah and tries to do as Elijah without searching for Elijah's cloak that is the double portion of the spirit that was in Elijah. This apostate church lost to the right side of the Path tries to announce the Gospel without being Elijah who should come before the revival of the world. The nowadays apostate church lost to the right only knows the celestial citizenship. It firmly runs after Elijah since Gilgal. Elijah urges the apostate church lost to the right side of the Path

to remain on earth but the apostate church lost to the right insists on following Elijah. At Bethel, the apostate church lost to the right insists on following Elijah. At Jericho, the apostate church lost to the right insists once more on following Elijah. Then the apostate church lost to the right crosses the Jordan to follow Elijah. But what is this apostate church lost to the right looking for since she has started running after Elijah, that is making noise all over the world in stony temples pretending she is building GOD's spiritual Temple? The answer is simple: the apostate church lost to the right side of the Path wants to immediately go to Heaven with Elijah in the same chariot of fire and horses. This apostate church lost to the right is not interested in the cloak of Elijah which gives its bearer power and authority to return and rule on earth. The apostate Christianity lost to the right wants like a baby, to take place immediately in the chariot fire with Elijah. It is for this reason that this apostate church has fathered since two thousand years generations of spiritual childish Christians who tremble at the idea of confronting and defeating Freemasons, Rosicrucians, Bilderbergers, members of the Council on Foreign Relations, members of the Jason group, priests of African black satanism, priests of Asian dragons, Illuminatis, Bohemians so as to take back from their hands the government of the world created by GOD. The apostate church lost to the right wants rapture straight away, such as a baby crying in order to obtain its milk there and then.

The thirst for immediate rapture of which suffers the apostate church lost to the right is as profound as its fear of priests of darkness and of the Antichrist. If the unbelievers are as many as stars in the sky and the Born again Christians as scarce as water in the Saharan desert, no problem. The apostate church lost to the right side of the Path declares that the evangelisation of the world is over and that we are just awaiting the rapture which is already at hand. Since the persecution under the Roman Empire, the apostate church lost to the right which does not discern that we are fast moving toward a dispensation of reign, toward the end of two days of spiritual death in the tomb, has established the persecution gospel as the permanent law for Christianity all through generations and times. This law giving death to Christianity is quite simple: if you are persecuted and maintained in slavery by priests of darkness, it is a sign which proves that you are an authentic Christian. You should even sigh to be thrown as meat to lions like our predecessors under the Roman Empire. Of what use then are the Bible verses which says that I am the head (and not the tail), the light of the world? The apostate church lost to the right of the Path does not know the answer. When the priests of darkness prevent the apostate church lost to the right from preaching against homosexuality, it concludes that it is a sign of the imminent coming of the Antichrist. It does not conclude that those satanic laws forbidding to preach against homosexuality are a trigger of fierce spiritual world wide warfare against Satan and his priests. Topics for fasting and prayer concerning the country? There is only one topic: peace in the country. Fool, what do you have to do with peace in a world governed by the priests of Lucifer? It is after having uprooting, tearing down and overthrown at a world wide scale in Satan's camp that you will have a clear vision on how to establish the reign of GOD's Priests everywhere, as it is written is Jeremiah 1 :10. And behold the fool invents the lie of human government. Human government does not exist. Only priests govern and they do so on behalf of their spiritual master. You must now acknowledge that since your country exist as a Republic, all the heads of state who have ruled one after another for centuries belongs to lodges of darkness, nor matter the democratic system. Where have you then learnt this notion of " human government "? You ought to do like Elisha. Follow Elijah in order to pick up his cloak and after collecting this cloak turn back to the earth and reign for forty prophetic days, that is to say for forty thousand years. You have been slumbering for two prophetic days in the grave were the HEAD spent two days in death and now, you are to resurrect from your childhood in 2030, at the beginning of the third day. You the Body, won't you follow the same Path the HEAD followed? The HEAD arose on the third day and so must you. You must get up at the beginning of the third day and from there on, you will give to the

whole world and for forty days, the proof that the resurrection of the HEAD is not a tale for kids. You have been a lamb for almost two thousand years now and when it is time for you to suddenly change into the Lion of Judah for forty thousand years, you start doubting and trembling, enslaved by the diabolic law of perpetual persecution. In many African ethnic groups there is a culture of frightening the children who do not want to go to bed quickly by telling them that hideous spirits will spring from the forest and deal with them if they do not go to bed quickly. Do the same with the apostate Christianity wandering on the right side of the Path; tell it that the antichrist will be so furious if it dare destroying the Freemasons, the Illuminatis, the Bohemians, the Rosicrucians, the Skull and bones, the priests of Asian dragons, the priests of African satanic cults in order to take back the government of the world.

It is to correct the wandering on the right side of the Path that GOD firmly reminds us that apart from our heavenly citizenship, we also have to assume our terrestrial citizenships. This is the second pan of the scales. Let's then share about this second pan of the scales.

The second pan of the scales is given in the Book of Acts 22: 25

It states that we are also citizens of our terrestrial countries. A citizen has rights and duties attached to his citizenship. Duties? But what kind of duties? The nowadays apostate Christianity does not know the answer to this question because in its urge to quit the earth in a haste, it has ignored the fundamental stake of the world . The fundamental stake of the world is the priesthood. GOD maintains us on this earth after our salvation for one single goal: establishing HIS Priesthood dominion in terrestrial nations. And the Biblical history of Israel in the books of Kings and Chronicles shows clearly that he who governs a country, the public and private organizations imposes his priesthood's rules to all. Since the Eden Garden, Lucifer who has been defeated in Heaven and hurled down to the earth with his angels (the demons) has one single goal: establishing the dominion of his own priesthood on earth. There is only one duty on earth for us Born again Christians and this duty is well explained in the Book of Matthew 6: 9-13. Let us read in Matthew 6: 9-13 how does our Lord JESUS CHRIST teaches us how to pray.

*“This, then, is how you should pray:
Our FATHER in Heaven, hallowed be your Name, your Kingdom come, your will be done on earth as it is in Heaven.
Give us today our daily bread.
Forgive us our debts, as we also have forgiven our debtors.
And lead us not into temptation, but deliver us from the evil one”*

This prayer taught to us directly by GOD explains to us that there is no more problem in Heaven because the Kingdom of GOD is already well established there. If we are useful in anyway to GOD, it is certainly not in Heaven, for it is stated in the Bible that there exists absolutely no problem there. GOD wants us to pray for a single purpose: the establishment of his Kingdom here on earth. GOD says clearly that He needs (yes HE needs) our action in prayer for the establishment of his Kingdom here on earth, as it is in Heaven. Can GOD alone and without our contribution establish his Kingdom on earth as HE did in Heaven? No, it is impossible for GOD to do so; HE absolutely needs our prayers for the establishment of his Kingdom on earth. But why? After all GOD has defeated Satan in Heaven and hurled him down to the earth without our help. So why is it impossible for HIM to do the same here on earth? The answer is that GOD has given by his faithful WORD the ownership of the earth to us Born again Christians and it is not possible for GOD to revert this. Let's take a natural example to understand. You give a house to your twenty one years old son and from this point

he becomes the owner of the said house. Will you after this invade his house at midnight to fire orders at him under the pretext that you are the one who gave him the house? No you will never do so. If even you want to pay your son a visit at his house, you will politely ask for permission and if he refuses, you will humbly submit to his decision. It is the same between GOD and his Church. In Ephesians 1:11 and in 1 Corinthians 3:21-23, GOD made us his heirs and the owners of the earth and all in it. So accordingly, HE cannot act on earth in one way or in another, without our prayers giving HIM the right to do so. Are you afraid of destroying the priests of Satan and the world government of Satan in fasting and prayers? Continue to tremble for centuries and nothing will change. GOD will do nothing because there are no warfare prayers giving HIM the right to send Angels to destroy those priests of darkness and their world government in your farm which is the earth. **The will of GOD is unique and this will is our sole duty as citizens of terrestrial countries: the establishment of the Kingdom of GOD that is the dominion of GOD's Priesthood on earth. And in the Books of Kings, GOD revealed to us that it is the one assuming the leadership at the head of a country who imposes his master's priesthood.**

The prayer for the establishment of GOD's Kingdom on earth has nothing to do with chance. It must be done according to Jeremiah 1:10.

We must first of all destroy and ruin the luciferan order, the luciferan priesthood, the luciferan priests who lead terrestrial countries and after this first step we have to seize the government over every country in order to impose the rules of GOD's Priesthood. Such is our sole duty as citizens of terrestrial countries. GOD has only one need on earth: his Priesthood must have dominion in the terrestrial country of which you are citizen. So your duty do not consist of paying taxes and respect the road code. Of course, those are good actions but the duty given to you by GOD is unique: imposing GOD's Priesthood to your terrestrial country of which you are citizen and you have to do this through fasting and prayers.

Apostate churches wandering on the right side of the Path, pretend to be more spiritual than GOD and so they proclaim every where that the Gospel is their only priority. Fools! What do you seek, when you announce the Gospel worldwide? You seek for the construction of a spiritual Temple for GOD; which Temple is the Church. If it is the House of GOD, the Church (this Church being your own House also) which is your objective, therefore, this is the scheduling of building given to you by GOD, and this scheduling is not hidden in the stars, it is in your Bible.

This is the scheduling of your work, revealed by the Wisdom of GOD in Proverbs 24:27

“Finish your outdoor work and get your fields ready;

After that, build your house”

Foolish builder! If it for GOD that you build, stop pretending to be more spiritual than the ALMIGHTY. First of all, make sure that you have finished your outdoor work. Also make sure that you have first of all put your farm in order before thinking about building your house. Your farm is the world and the Bible shouts it to your ears in Matthew 13:38. Your farm is not the Church your house. Your farm is he world! The descendants of Jeroboam the son of Nebat have they become deaf? Your farm is the world and GOD says that you must first of all put this farm in order. “ Put the farm first of all in order” says GOD “ Fist of all work to govern and change the world” says GOD. “ Start by taking governance of the world and bring in order to the world ” shouts GOD in Proverbs 24: 27. Finish getting ready the world economy, the world politics, the international relations and then, and then, build your House which is the Church. First of all the vertical arm of the cross of Golgotha in order to link the earth to the Heaven

and then the horizontal arm of the same cross in order to embrace all the peoples of the earth.

Why then has GOD established this scheduling? It is because HE has equally established a spiritual law, which implies that anyone governing the natural world must impose his master's priesthood. The history of the Kings of Israel after Solomon clearly reveals this spiritual law. Born again Christians, we must first of all take back the government of the world from the priests of darkness thanks to spiritual warfare and then after becoming the rulers of the earth, we shall easily evangelise the whole earth.

The Christian citizen also has rights, and my first right is the right to preach all the contents of my Bible. Today, Lucifer and his priests have gone extreme in daring: they now decide on what I have to preach or should not preach; such is the reason why I cannot preach against homosexuality. And what is the apostate church's answer? Just trembling and childishness.

GOD wants a balanced Church, which assumes at the same time its citizenship on earth and its heavenly nationality. We could have consoled our selves if the wandering and lying stony and wooden temples which ignore the earthly citizenship had at least established the heavenly nationality. Unfortunately, the three deceitful pyramids Babylon the great which is specialist of incense and incantations, Ohola which rejects the inheritance of Martin Luther and Oholiba which talks of the HOLY SPIRIT while she is baptised of the spirit of Baalam have deceived the whole earth with their anti biblical practises, preventing the world population to access to the heavenly citizenship. Fake sunday services, fake baptism, fake tongues spoken in huge crowds without any interpretation, fake supper, lies on tithes and offerings, rejection of the model which GOD has grant us for the construction of the Church; such are some examples of lies used by those three harlots to mislead the whole earth far from GOD's Priesthood.

SEVENTH EXAMPLE OF EQUILIBRIUM: PRAYER FOR THOSE WHO GOVERN

In the first pan of the scales, GOD orders us to support in prayers our leaders. It should be said an attentive examination of this first pan of the scales throws more light on GODs will as far as the world is concern: the establishment and enforcement of GOD's reign on earth. Meanwhile, an apostate christianity wandering on the right side of the Path and declaring itself more just than the WORD of GOD written in the Bible has decided to go beyond what is written. Let's look at the facts.

It is written in 1 Timothy 2:1-2

“ I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone-

For kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness ”.

What is GOD's objective here? GOD wants that the earth should only possess a particular category of kings: kings promoting peace, piety and honesty. Who then is the Prince of peace? It is GOD HIMSELF. Who is the giver of peace? Does the impious priests of Lucifer have within themselves any peace to offer? Can one give what you do not have in your inward? In fact GOD is here repeating in those verses above what HE has always been saying in many other Biblical verses:

"Pray that my reign be established here on earth as it is heaven"

Forgetting GOD's objective we have completely sunk into abominable intercessions and abominable thanksgivings. Priests of darkness disguised into "pastors" sit upon their thrones at the summit of religious pyramids, regularly organize fasting and prayer sessions for their brothers of darkness; the freemasons, roscrucians, illuminatis, bonesmans, priests of African satanism, priests of Asian satanism who are ruling the States of the world and are actively working for the implementation of Lucifer's world government. And behold, Christians perishing because of lack of knowledge, fast and pray for those priests of darkness governing our countries. Foolish wanderer on the right side of the Path. The skull and bones governing your country has nothing to do with peace. He is willing to destroy half of the earth if necessary to make sure that he and his colleagues of darkness ruling multi national companies are in control of the world wide petroleum reserves.

Fools, are you not already confused because of the abundant prayers and thanksgivings you offered for "brother" Adolphe HITLER while this Lucifer's servant was casting the Jews according to the flesh into fire and gas chambers? Yes, while "brother" Adolphe HITLER was casting the Jews into gas chambers, overwhelming number of Christians were praying for GOD to grant him protection and wisdom because soldiers of darkness disguised into "pastors" taught them that "we must obey to authority because all authorities are from GOD". Fools, you rendered abominable prayers and thanksgiving from 1939 to 1945 because you chose to obey men and not what is written by GOD in your Bible. It is written that you should obey to a precise type of authorities: those who fight against evil, who punish evildoers and elevate those who do good. Just 50 years after your abominable prayers and thanksgivings for "brother" Adolphe HITLER, prayers and thanksgivings which you tend to hide nowadays as if something can be hidden from GOD, you and your satanic fake "pastors" are now multiplying prayers and thanksgivings for the African dictators who after establishing the reign of lodges of darkness, have destroyed billions in Africa by stealing away all the riches. Pretending to be spiritual, you are now praying for the skull and bones, the illuminatis, the freemasons and roscrucians leading your nation toward the world government of Satan. The wanderer pretends that GOD has a plan even in HITLER's government. Are GOD's plans hidden in the skies? No, they are written in your Bible and in your Bible, GOD clearly says that HE want one precise category of kings to rule on earth: those who grant peace, tranquillity, those who fight against evil and promote good.

And which persons on earth have within themselves peace and good to give? The Bible says that only Born again Christians have received peace and goodness from the Lord JESUS CHRIST. The plan of GOD is clear: pray for Born again Christians to take back the government (Yes, spiritual, political, economical, judicial, parliamentarian, presidential governments) from Lucifer's priests all over the world.

Knowing the apostate christianity capacity to be misled to the right side of the TRUTH, GOD has come back in full force in Romans 13:1- 4 so as to precise the type of authority we have to support with fasting and prayers. Romans 13:1- 4 says:

“Everyone must submit himself to the governing authorities, for there is no authority except that which GOD has established. The authorities that exist have been established by GOD. Consequently, he who rebels against the authority is rebelling against what GOD has instituted, and those who do so will bring judgment on themselves. For rulers hold no terror for those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right and he will commend you. For he is GOD’s servant to do you good. But if you do wrong, be afraid, for he does not bear the sword for nothing. He is GOD’s servant, an agent of wrath to bring punishment on the wrongdoer”

Did GOD ask us to be submitted to any authority? No GOD very well precise the type of authority to which we as Born again Christians should be submitted. It is the authority that commends those practicing good and punishes those who practice evil. The Bible says it is the authority which is GOD’s servant to do me good. Now, are the freemasons and rosicrusians who are holding all the government posts and who are plotting to establish the rule of Satan in your country authorities to whom you should submit? The Bible says no. In Psalm 149: 5-8, GOD says that you should instead carry out fasting and prayers against those evildoers kings in order to bind them with fetters and shackles of iron. Putting aside GOD’s objective which is clearly written in the Bible, generations of priests of darkness disguised into “pastors” have misled Christianity to the right side of the TRUTH with a satanic teaching: “we have to submit to authority”.

And behold, the Christian misled to the right spiritualizes Lucifer’s lies and pray in favour of Satan’s priests who lead our nations toward the Lucifer’s worldwide government. From the bottom of darkness Lucifer is making a mockery of such childish Christianity which does not have confidence in the WORD of GOD written in the Bible but instead believe stories from fake “pastors”. It is written that we should submit only to that authority which commends good and punishes evil. And if this type of authority does not exist in your village, in your town, in your country or even upon the entire world? The answer is found in the second pan of the scales. Let us look at it.

Second pan of the scales: Psalms 149:5-9

*“ Let the Saints rejoice in this honour and sing for joy on their beds.
May the praise of GOD be in their mouths and a double-edged sword in their hands, to inflict vengeance on the nations and punishment on the peoples, to bind their kings with fetters, their nobles with shackles of iron, to carry out the sentence written against them.
This is the glory of all his Saints.
Praise the LORD”*

Here GOD is giving a clear order to us concerning the priest of darkness who are ruling our countries and who are punishing good in order to establish the world government of Lucifer. We have been ordered to bind those impious kings who have established the reign of evil in countries. We have been ordered by GOD to execute against them all the judgment already written against them in the Bible by GOD, so as to overthrow them and reign in their stead. Yes reign in their stead because such is the plan of GOD.

GOD has already written severe judgments in the Bible against those evil kings but all those judgments are of no effect unless we execute them ourselves in fasting and prayers. GOD will never do the work for us because it is our duty. It is GOD’s duty to write down the judgements in the Bible and equip us with the POWER of the HOLY GHOST and it is our

duty to execute those judgments upon impious kings ruling nations and leading the world toward the world government of Satan. Such is the division of labour.

Born again Christians, it is our glory to overthrow in fasting and prayers those impious kings leading our villages, cities, countries and carry and who are plotting in secret for the coming of Lucifer's world government.

Also in this second pan of the scales, we find 1 Corinthians 2:15

"The spiritual man makes judgments about all things, but he himself is not subject to any man's judgment"

I make judgment about all things? Yes about all things including the politics of countries, the economics of countries, and the move of the natural world. And behold, the Christian misled to the right pretend to be too spiritual to judge the freemasons, the rosicrusians, the illuminatis, the skull and bones, the bilderbergers, the bohemians who are leading countries and are working for the establishment of Lucifer's world government.

But a Church entirely and only occupied by conquering power and taking over the control of the natural world will be misled to the left. In addition to this vertical branch of the cross that is establishing the dominion of GOD's Priesthood upon the earth by seizing back the political, social and economical power, we have to firmly keep on evangelising and changing the world spiritually, so as to maintain our balance. The going astray by the left side of the Path is not the order of the day, given that for centuries, we have concentrated only on evangelisation, ignoring the importance of conquering and taking over the control of this world and by so doing we have completely gone astray by the right side of the TRUTH. Let's take a look at the cross of Golgotha. This cross has in all priority a vertical branch that links earth to heaven. This branch is of priority to GOD, and it symbolizes the Church that conquers and takes over power over the world and establishes on earth the dominion of GOD's Priesthood. Ever since the Eden Garden, GOD has one priority: the conquering of the earth's government from Lucifer. And who is in charge of this work? It is the Church. GOD has already sent out Lucifer from Heaven (even if HE admits him from time to time in his presence) and it is up to the Church to chase Lucifer out from the earth as it is said in John 12:31. Drive away Lucifer from the earth? Where should he then go? Fools, we chase Lucifer from the earth for him to go to the place pointed out to him by John 12: 31. The vertical branch of the cross is GOD's priority. And behold, for centuries now, we have only concentrated upon the horizontal branch of the cross of Golgotha that is to say, announcing the Gospel. Before horizontally embracing the people of the earth, we first have to be very strong and powerful, and those strength and power will come from the vertical branch; our reign at the head of the natural world and the dominion of GOD's Priesthood all over the earth. It because we have reversed the two GOD's priorities, the two vertical and horizontal branches of the cross of Golgotha that we find ourselves today in such a great distress that we try to run away from the earth upon which GOD has by his HOLY WORD established us as proprietors. The heir is still a child that is a slave and he spiritualizes his slavery, pretending to be more spiritual than the Bible. Ever since the Eden Garden, the earth has always been a place of total spiritual war for government and the priority for the Church now is the conquering of kingship at the head of the world thank to an unlimited spiritual warfare against Satan and the humans who are his priests. Childishness must stop now. Once positioned at the head of the world, we should be careful as not to forget that for which we are established there: *"Pray that my reign be established here on earth as it is heaven"*

EIGHTH EXAMPLE OF EQUILIBRIUM: THE CHRISTIAN AND HIS NATURAL FAMILY.

Lets start with the first pan of the scales, which is found in **Luke 12:49** and in **Mathew 12:48-50** .

It is written in Luke 12 :49-53

« I have come to bring fire on the earth, and how I wish it were already kindled! But I have a baptism to undergo, and how distressed I am until it is completed! Do you think I came to bring peace on earth? No, I tell you, but division. From now on there will be five in one family divided against two and two against three. They will be divided, father against son and son against father, mother against daughter and daughter against mother, mother-in-law against daughter-in-law and daughter-in-law against mother-in-law”

Generally, the Born again Christian is supposed to hear this WORD of Mathew 12: 48-50 on the very day of his conversion. This because from the Eden Garden, Lucifer took it upon himself to eradicate the holy lineage by mixing together the holy race and the divine race. In the exception of some few sons and daughters who according to the flesh are born of parents who are Born again Christians, the pagan newly converted generally has a spiritual heritage which is more or less of devilish origin. It is this father according to the flesh who is initiated in a lodge of freemasonry and who suddenly turns against his converted son without unveiling the real reason of his sudden animosity. It is that witch mother according to the flesh who heavily hates her converted daughter without explaining why. Normal hatred because the forces and powers of darkness with which the witch mother previously controlled her daughter are now weakened and overcome by the presence of the HOLY SPIRIT in the converted daughter. In our overwhelming majority, we Born again Christians are from natural families of which many members (at times even are our direct natural parents!) are soldiers of Satan . This explains why conflicts and chaos usually invade a family when one member is converted. Children all of sudden become complete strangers to their parents who rejects them, housewives quite their marital homes and old friends suddenly become so hostile for no reason.

Normal situations for the separating fire of the Lord JESUS-CHRIST is in action. The sorcerer husband can no longer withstand GOD's mighty POWER and so, sends away his wife. The witch parents initiated in a secret satanic lodge can no more withstand the POWER of the HOLY SPIRIT inhabiting their elder son and behold they rag him day after day until he is compelled to flee from his natural family. In various parts of the world, the rupture of **Luke 12 : 49-53** is unavoidable and without such a rupture, the Born again Christian vegetates in a life of compromises, stagnates spiritually and in some cases, return back to the world at the great satisfaction of Lucifer.

The separation from one's natural family is Biblical and in many cases, it is an unavoidable condition for the young convert's spiritual growth.

When thanks to the grace of GOD, the son of an illuminatis is converted to the Lord JESUS-CHRIST, he has but one solution: separating himself from his natural family and prepare for a heavy spiritual warfare against his natural father. In such a spiritual warfare, the flesh relationship is not relevant and you have to wage war without limit and without even thinking about the natural lineage. Just thinking about it will weaken you in the warfare and the so called father who is illuminatis will quickly take advantage of such a weakness to even try to kill you! When the wife of a priest of black magic is converted, the result is obvious: divorce and children scattered all over.

GOD does not just break apart and separate; HE also reveals a new and real family to the young convert. Let us discover this in **Mathew 12:47-50**

« Someone told HIM, Your mother and brothers are standing outside, wanting to speak to you.

HE replied to him, who is my mother, and who are my brothers? Pointing to his disciples, HE said, Here are my mother and my brothers. For whoever does the will of my FATHER in Heaven is my brother and sister and mother »

Such is the new family given by GOD to the young convert who has just separate from his natural family and from his friends from the world. Your natural mother who is a soldier of darkness is not your real mother. She is instead a soldier of an enemy army which fights without limit against the Army of GOD you have just joined. So Mathew 12: 47-50 gives you only one solution: deny, put aside the worthless old natural affection , forget even that word « mother », and confront her vigorously in heavy spiritual warfare; keeping her informed of the fact that such will be the case until she accepts to confess herself and repent . The Village chief along with his assistants mock and rag you since your conversion? It is normal given that as child of the ETERNAL GOD you have freed yourself from their devilish customs. So what must then be your answer? The answer in this case is unique: fierce spiritual warfare against the chief and his assistants until they realise and accept that they own neither the world nor the ultimate POWER of GOD..

This how the conversion to the lord JESUS CHRIST often starts. The new birth in JESUS CHRIST has nothing to do with a leisure trip by the sea shore. In most cases, it is only after a set of ruptures and spiritual battles that the Born again Christian seizes from Lucifer the right to exist and prosper on this earth which do not belong to Satan. The Christian religion has always been one of separation, of setting apart and of direct and unceasing confrontation with Lucifer and his soldiers. At this juncture, credit should at least be given to Oholiba for preaching separation from the world to Christians although she herself has not separate from temples and pyramids. Such as the Pharisees sit in Moses' seat, Oholiba's fake "pastors" who themselves have never departed from freemasonry, roscrusianism and satanism of all sorts, have nevertheless preached the separation from the world to Christians. At Babylon the great who is specialist of incense vapour and Ohola who has rejected Martin Luther's inheritance, it is preached that thanks to love, the church must now melt in one with the world in a new religious syncretism. Such is the case in Africa where fake "pastors" from Ohola and Babylon the great teach Christians how to pray and offer sacrifices on their ancestors' tombs.

"Local culture must be integrated", claim those two wicked harlots. Tragic wandering on the left side of the Path.

Generally, one have to firmly separate from one's natural family in order to grow spiritually but the Bible has never establish this separation as a law. It would be a tragic lost on the right to preach that separation from natural family is a law. We are not under the law of separation from the natural family and it is what we tackle now in the second pan of the scales.

Second pan of the scales: It is my duty to love my natural family that does not confront my faith I have to take care of such a natural family.

It is written in **1 Corinthians 7 :12-15**

« To the rest I say this (I, not the Lord): If any Brother has a wife who is not a believer and she is willing to live with him, he must not divorce her. And if a woman has a husband who is not a believer and he is willing to live with her, she must not divorce him. For the unbelieving husband has been sanctified through his wife, and the unbelieving wife has been sanctified through her believing husband. Otherwise your children would be unclean, but as it is, they are holy »

This second pan of the scales is out to correct the wandering to the right side of the Path which would resume into an attempt to set up a law according to which one must systematically separate from one's natural family. If I am married to an unbelieving wife and she has nothing against my faith, then I keep her as my wife although the fact that she has not believed. She is not attacking my faith. I have to love and protect her. It will be a tragic wandering to the right side of the TRUTH to repudiate such a wife who do not oppose my faith under the pretext that she does not want to become a born again Christian. GOD HIMSELF rejects such repudiation. She is free to remain a pagan. The only condition given to her by GOD is that she should not at all oppose my faith either naturally or spiritually. That is, spiritual opposition first and that of the flesh (earthly). If my wife does no use devilish spiritual powers to attack me and if she does no physically oppose my faith, I have to keep her and GOD even declares her saved through me (even as she has denied my Christian religion!) That which is true to my unbelieving marriage partner is true in general to all the members of my natural family. GOD does not tolerate any breakage, any separation with my children, parents, uncles, ants and cousins, who do not in one way or the other, oppose my faith be it spiritually or naturally. GOD even says that my children who do not oppose my faith (spiritually or naturally) are even saved through me (even though they deny my Christian faith). They are declared holy by GOD and if GOD declares someone holy, who dare saying the contrary?

This again is what GOD says in the pan of the scales: it is written in **1 Timothy 5:8**

« If anyone does not provide for his relatives, and especially for his immediate family, he has denied the faith and is worse than an unbeliever »

If I do not take care of my relatives, and principally those from my family then I have denied the faith and I am worse than an unbeliever. GOD is referring to those members of my natural family who do not develop any spiritual or natural opposition against my faith. It is the HOLY SPIRIT that reveals to me he members of my natural family who are not soldiers of darkness. I depend completely on the HOLY SPIRIT to discern the spiritual nature of the members of my natural family. No law can do this discernment for me. When the HOLY SPIRIT reveals to me that my relatives and particularly the members of my natural family aren't soldiers of Lucifer, it is my duty to love them, to see after their daily needs and to regularly pray for them and not against them.

Here, GOD is also talking about my spiritual family that is all the Born again Christians. If I fail to make use of earthly riches as well as my spiritual riches to help Born again Christians, then I have denied the faith by acting in this manner.

Many of those Christians who piously drop tithes and offerings into the basket of religious stony temples instead of giving those natural riches directly to individual Born again Christians do not know that they have denied the faith by this act. If instead of extending a

helping hand to that Sister in CHRIST JESUS suffering of famine, you prefer to put your offering in an anonymous basket then you have neglected your spiritual family and you are worse than an unbeliever. You have you denied the Christian faith. For more details, refer the book entitled “Tithes and offerings, Going back to the TRUTH” which is available for free in the web site www.worldwiderevival.org

What to conclude then about the relation between the Born again Christian and his family? All depend on the time and circumstances and we are not submitted to any law. Von Brown, who gave his life to the Lord JESUS CHRIST, does not pay his natural parents any visit and abstain from any contact with them because the HOLY SPIRIT has revealed to him that those natural parents who gave birth to him 30 years ago are members of the skull and bones sect and are fully consecrated to their father Lucifer. Vo Brown behaves as stated in the Book of **Luke 12: 49-53** and GOD approves him. Von Brown is in the Path, in the TRUTH. LI Wang on the other side frequently visits his parents, provides money and medical care for them and prays for them to GOD even though they are not Christians. This is because, the HOLY SPIRIT has revealed to him that those natural parents are of no spiritual danger to him. Li Wang by so doing is following the Biblical scripture of **Timothy 5:8** and GOD approves him. TSIBOLA, a born again Christian, vigorously separates from his wizard wife who had been fighting him spiritually since their marriage. TSIBOLA is in the TRUTH and he has acted Biblically and GOD blesses him. VERA has agreed to live with her husband who is an unbeliever. The HOLY SPIRIT has revealed to her that this natural husband is not a soldier of Satan. By so doing VERA is following Biblical scriptures of 1Corinthians **7:12-15** and GOD blesses her and even declares her unbelieving husband holy.

This is how balanced Christians and Church act. Such a balanced life is only possible with houses Churches in which it is possible to know intimately the daily progress of each Christian with GOD and in which it is possible to solve problems case by case in prayer before GOD. case , with GOD through prayers . Ever since we have been locked up in those stony and wooden temples with 2000 members and in those luciferan religious pyramids, the law regulating the collective behaviour of the crowd has replaced the HOLY SPIRIT. Some religious pyramids do not even mention the separation from the world while others have instituted the death giving law of separation from one’s natural family and relatives. Our Bible is for individuals and it settles matters case by case, according to time and circumstances revealed by the HOLY SPIRIT. Our Bible is not for mass manipulation. Nations of the world get out from devilish religious temples and pyramids.

NINTH EXAMPLE OF EQUILIBRIUM: RESTITUTION

As far as restitution is concerned, the first pan of the scales is found in Luc 19: 1-10.

Just after his conversion to the Lord JESUS-CHRIST, Zacchaeus immediately decide to payback four times all his ill gotten goods.

When ever the HOLY SPIRIT touches the heart of a Christian in favour of a specific sin asking him to make restitution, he must for this particular situation proceed to restitution. But restitution is not a law within Christianity. Trying to establish restitution as an obligatory law within Christianity leads to death and even to the denial of the salvation accomplished by our

Lord JESUS CHRIST on the cross at Golgotha. This is a tragic wandering to the right of the Path which occurs nowadays in many religious pyramids which are in the quest of a justice superior to that of GOD.

In the second pan of the scales, we have the case of Apostle Paul who has never carried out any restitution concerning the Christians he persecuted and even murdered. How then could he have done such a restitution? By killing himself? By resurrecting Stephen? Apostle Paul surely interceded before GOD to obtain forgiveness but he never tried to carry out any restitution for the Christians he had persecuted when he was still a pagan.

David repented from his sin, after having taken Uriah's wife and causing Uriah's death. But David never sent back Bath-Sheba by way of restitution. He instead took her as wife.

In conclusion, as far as restitution is concerned, I must act according to the convictions of the HOLY SPIRIT. If the HOLY SPIRIT insists on the fact that I should do restitution for a particular sin, then I do so according to Luke 19: 1-10

But if I have peace in my heart after my repentance, why should I seek for an additional justice? In such a case, I do no restitution.

The HOLY SPIRIT speaks to me now one way, now another way and as a result I act now this Biblical way and now another Biblical way. Such is the Law that gives freedom and to which I am submitted.

TENTH EXAMPLE OF EQUILIBRIUM: TESTIFY WHAT GOD HAS DONE FOR ME

Concerning the testimony of what GOD has done for me, the first pan of the scales is found in the Book of Luke 8: 38-39

After healing the demon-possessed man from the region of the Gerasenes the Lord JESUS CHRIST sent him away saying “ *Return home and tell how much GOD has done for you*”. Such proclamation of GOD's deeds is something very good because testimonies and thanksgivings are essential parts of the Worship Service to GOD (For more explanations about this, the reader can refer to the book entitled Going Back to the True Service which is available for free in the web site www.worldwiderevival.org)

Should it be then decided that I have to systematically publish what GOD has done for me? No, there is no such law and this is exactly what is said in the second pan of the scales.

Concerning the testimony of what GOD has done for me, the second pan of the scales is found in the Book of Luke 8: 54-56

After having resurrected the daughter of Jairus, The Lord JESUS CHRIST ordered him and his wife not to tell anyone what had happened.

What to conclude then? I shall act now one Biblical way, now another Biblical way according to the peace poured in my heart by the HOLY SPIRIT. If I feel in my heart the joy of the HOLY SPIRIT to testify, I do so and I am in the TRUTH. If I feel in my heart that the HOLY

SPIRIT is against publishing some marvellous thing which GOD has done in my life, I keep silent and I am in the TRUTH. Such is the Path for balanced Christians and Church.

ELEVENTH EXAMPLE OF EQUILIBRIUM: DIET DURING FASTING

Concerning fasting, The Bible recommends now one type of diet, now another type of diet. But Christians has instead chosen to chain themselves under the yoke of law giving curse and death.

Let's start with Daniel and his companions Hananiah, Mishael and Azariah. Here we have four GOD's Servants who ask to be put completely on a vegetarian diet. The stake is very important: being selected to enter king Nebuchadnezzar's service after a training period.

So the four young men have entered prayer and are on a strict vegetarian diet for ten days and three years. The result is that at the end of this period, these men are tremendously filled with supernatural wisdom and knowledge from GOD.

But now the nowadays Apostate Christianity has developed a vast literature against the vegetarian diet. The vegetarian diet is not a law but there is equally no law forbidding this diet. The Bible even encourages such a vegetarian diet in some cases.

What is Elijah's food when GOD put him on a spiritual warfare against Satan in Israel? Bread and meat brought to him by ravens and water from the brook of Kerith. Such is a second diet given to us by GOD during our moments of fasting and warfare. Bread, meat and water. What is Elijah doing hidden in the Kerith ravine? He is in a total warfare against Satan, his priesthood and his priests who have destroyed Israel (1 Kings 17: 2-6).

Later on, Elijah who is still in fierce spiritual warfare is put by GOD under a different diet; a strictly vegetarian one made of a cake of bread baked and a jar of water (1 king 19: 7-8). This warfare meal strictly vegetarian gives him enough strength to walk forty days and forty nights until he reaches Horeb, the Mountain of GOD. Elijah is a balanced Prophet. Now carnivorous, now vegetarian and now eating nothing and still on a permanent warfare against Satan.

The Bible also reveals to us that Moses and the Lord JESUS CHRIS fasted without any food taking for forty days and forty nights. So, fasting without taking any food is biblical but I should rely on the HOLY SPIRIT to tell me the period for which I should carry such a complete fasting. As a wise person I should move gradually with the grace of GOD until I am able to carry a complete fasting for forty days.

In **Daniel 10:2-3**, GOD reveals to us a different type of fasting diet. Daniel has gone in for a three weeks mourning and what does he eat during this fasting and prayer period? He just abstains from choice food, meat and wine and use no lotions for his body. Abstaining from foods and things we are usually fond of is another type of fasting diet given by GOD in the Bible.

The Books of Isaiah 58: 6 and John 4:34 reveal to us a different diet for fasting period and this diet is quite simple: doing the will of GOD.

Yes doing the will of GOD is itself a food and at the same time it is a fasting diet highly valued by GOD.

Isaiah 58:6-7 says this:

“Is not this the kind of fasting I have chosen:

To loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?

Is it not to share your food with the hungry and to provide the poor wanderer with shelter—when you see the naked, to clothe him, and not to turn away from your own flesh and blood?”

John 4: 34 complete this WORD of **Isaiah 58:6-7** by saying:

“My food” said JESUS “ is to do the will of HIM who sent ME and to finish this work”

He who does the will of GOD is already fasting and he is even going through an excellent fasting diet because doing the will of GOD is a food of an utmost taste to GOD. If these great religious pyramids were to be told that they have actually never fasted for centuries now because they do not practice the will of GOD written in the Bible, they would be very surprised “ Our congregation faithfully fast once a week”, would unanimously shout the three world prostitutes namely Babylon the great that feeds her faithful with incense vapour and give them pictures to worship, Oholiba the eldest daughter (of this Babylon the great) who has rejected the inheritance of Martin Luther and Oholiba who after having preached the Baptism of the HOLY SPIRIT have build up gigantic stony temples to chain thousands of Christians in spiritual fornications with witch and wizards of all kinds. The term “House Assembly” creates an uncontrollable anger in Oholiba the specialist of Leviticus Tithes which chains all the nations of the earth in the curse of the Leviticus law.

What then to conclude this issue of fasting diet?

The balanced Christian and Church act now one way, now another according to the instructions given by the HOLY SPIRIT. He who enters in a complete fasting of three or twenty one days does so Biblically according to the instruction he receives from the HOLY SPIRIT. She who lunches a one month prayer, eating only vegetables during this period is blessed because she is acting Biblically according to the guidance of the HOLY SPIRIT. He who obeys GOD while eating all types of natural foods is accomplishing an excellent Biblical fasting. He is blessed because he is acting Biblically according to the instructions received from the HOLY SPIRIT.

But such equilibrium, such a balanced Biblical life is quite dangerous for huge stony and wooden temples and gigantic religious pyramids. Such equilibrium is a nightmare for them because it brings an uncontrollable “disorder” in those religious organizations.

Imagine for example that a stony temple of the treacherous Oholiba decides a one week fasting ending by Saturday. On the D-day which marks the end of this fasting program (saturday) there is a collective gathering in the stony and wooden temple for a bewitching session of incantations called prayer session (how then can we talk of prayer when the Born again Christian and the skull and bones disguised into christians shout together Amen?). Image that one hundred persons declare that all through the week they have been obeying GOD and at the same time, have been eating all sorts of foods. Imagine again that fifty declare having eaten vegetables and drank water through out the week and praying. Imagine again that thirty declare having eaten bread and meat all through the week dedicated to prayer. Then imagine again that forty persons declare that all through the week, they have been on a complete fasting without eating or drinking. The treacherous Oholiba will immediately sink

into a burning anger in the face of such disorder. “Authorities have decided a week of complete fasting for all. You should not despise authorities otherwise you are getting under curses”. Such will be the lying sermon of Oholiba to the crowd. The three lying religious pyramids have replaced our Christian religion revealed to Abraham the individual by GOD by their lying ideologies which imprisons all the nations in the Lucifer’s lye.

Whereas is a House Assembly of just ten members, it is easy to pay attention to what the Bible and the HOLY SPIRIT says to each individual.

The WORD of GOD teaches wisdom to those whose lives are permanently consecrated to the Battles of the LORD (All the five Ministerial Gift Apostles, Prophets, Pastors, Evangelists, Doctors are bound to live such a life of permanent warfare).

Luc 22: 43-44 reveals to us that at the mount of Olives, The LORD JESUS-CHRIST prayed in such an extend that his sweat became as Blood, almost changed into Blood. With the intensity of prayer the precious Blood of our LORD JESUS-CHRIST came to mix up with His sweat thanks to a physical phenomenon known as osmosis. This is why His sweat looked as Blood.

From this we clearly understand that living in permanent warfare in payer against Lucifer and his soldiers causes us to loose our natural blood gradually and this blood which we loose gradually as we are engaged in daily warfare is our lives given for the Church. The Bible says that life is found in the blood. Do you need to know if you are called by GOD in one of the five Ministerial Gifts? There is a simple criteria: just answer if you permanently offer your blood, that is your overall life is offered in prayer for the accomplishment of GOD’s plans. If you do so, on a daily basis, then you are called in one of the five Ministerial Gifts. If not, stop your imposture for you aren’t at all a Man (Woman) of GOD.

Hebrew 12: 4 exhorts all those who claim to be JESUS-CHRIST’s followers to fight unto blood against sin that is to stand in prayer against Lucifer, his demons and human priests until we start loosing our blood. As you are loosing your blood in prayer for the sheep, your life is being laid down, given for the sheep. Such a blood loosing resulting from a life of permanent warfare must be compensated for by a rich and regular nutrition.

Complete fasting without eating or drinking is suitable for sporadic or exceptional strikes but a whole life of permanent warfare in prayer consumes your natural blood and therefore, requires a regular and rich nutrition. If you despise this regular and rich nutrition, pretending to be over spiritual, you won’t be able to stand for a long in the battle and as soon as your physical body is tired, Satan will quickly counterattack and defeat you.

TWELFTH EXAMPLE OF EQUILIBRIUM: CENSUS

In Numbers 1:2, GOD orders Moses to carry out the census of all the children of Israel. This is the census of the old generation which came out of Egypt. In Numbers 26:12 GOD orders Moses to make the census of the new generation born in the desert. Moses carried out these two censuses according to GOD’s orders and he did well. Even though those two censuses were clearly mentioned in the Old Testament, David was severely punished for having carry out the census of GOD’s Army without GOD’s permission. It is Satan who incited David to take this census (1 Chronicles 21: 1). It well written in the Bible that twice, GOD ordered Moses to take a census but this does not make census a law. It is the HOLY SPIRIT who tells us the portion of the Bible to apply according to the time and circumstances given. Without

any revelation from the HOLY SPIRIT, he who executes GOD's WORD as a law will be killed by the death which comes from the law.

The census of GOD's Army is it a good thing? The answer depends on times and circumstances; it depends if GOD has given the order or not. Such is the principle of equilibrium which only for once escaped the attention of David, the Man after GOD's Heart.

We have just shared with the help of twelve examples on how balanced Christians and Church live and behave. These examples are not exhaustive because it all the WORD of GOD written in the Bible which is governed by the principle of equilibrium. The Church is an organism and the principle of existence of an organism is life; the breath of life. On the other hand an organisation has ideology as principle of existence. Given that Satan has no life, he governs his organisations through ideology. Since we have built gigantic religious organisations instead of the Church, there was then the need of ideology so as to maintain under control these millions of adepts imprisoned in big stony and wooden temples. That is why the Biblical revelation to the individual has been replaced by the ready-made Biblical verse suitable to all the vast congregation members. Thus the law came in pouring spiritual death and deprived of life, the apostate Christianity found herself enslaved under Lucifer, ever since 2 000 years.

From where comes this wild behaviour which replaces organism by organisation; life by death? It all stems from the fact that we have abandoned the model of Church building handed to us by GOD. This is well explained in the book " Multiplication according to GOD's Model" which is available for free in the web site www.worldwiderevival.org

Return to the TRUTH

May the Lord JESUS CHRIST grant abundant peace and grace to those who open the Bible, believe in what is written in the Bible and firmly decide to practice the WORD of GOD written in the Bible.

Reverend Apostle Joseph TOUBI
December 2006
