INTRODUCTION

The revelations that follow, given by our Lord Jesus-Christ are meant for the apostles, prophets, pastors, teachers, evangelists, bishops, deacons and broadly, for all brothers and sisters in Christ Jesus born of water and spirit, working with our God and Father for the manifestation of the worldwide revival, which charge has been given to the Cameroonian nation and Black Africa by the Lord.

Many prophets of the Lord of hosts have received from Him the revelation that Cameroon, and more globally Black Africa are the instrument that the God of Abraham, Isaac, and Jacob chose for the spreading of the good news of salvation in Jesus-Christ through out the earth. I as well has received this revelation from our lord Jesus-Christ and I think it will be useful to those who are not aware of those revelations to refer for example to this excellent book "The biblical prophecy on Africa" inspired by our God to prophet Alain Joseph Assamba!

Used to Christian assemblies not quite alive and which features, functioning and results stray far away from the example and the norm of the Bible, many saints today are wondering about the possibility of a worldwide revival. Completely anaesthetized by the administrative management of assemblies based on the secular states' model, god's servants have even lost remembrance of god's resolutions concerning the worldwide revival. I have been several times and in spite of myself, witness of violent diatribes from god's servants standing on their pulpits on Sundays who were harassing the members of their congregation with questions such as :

" Which revival are people talking about ? Revival is already there since our church is getting bigger!"

Brothers and sisters let us have in mind that the revelations of the Lord that follows are meant for the revival of those Christians who have been chosen by God to revive the world. No politics here and I am inviting my brethren to consult the Lord in a humble attitude, with fasting and prayer.

Sometimes the thirst for a general move of the holy spirit creates in the consecrated Christian a strong inner pressure that derives from God. At this point as to calm him, preaching and carnal interpretations of the Bible which postpones God's resolution to the millenium arise;

"Brother all those good things will take place in the millenium. Can the glory of God fill the earth with all these corrupted governments ?"

A long time astonished by the absence of worldwide missionary vision within assemblies out of which will come a great part of God's instruments for the worldwide revival, I have multiplied in my heart groaning and questions before God, till he gave me understanding of some weaknesses which will cause the rejection and the replacement of a whole generation of believers if things are not put at their place.

These weaknesses are three, and putting them right constitutes for the Lord, a priority and a pre-condition for the worldwide revival we are all waiting for.

[Back to top](#)

Brethren it is not a debate on denominations, God's instruments are in house assemblies as well as in Protestant, Baptist, catholic, Presbyterian, or Pentecostal assemblies...

Our Lord Jesus-Christ took many examples in the natural world to make people understand spiritual realities. To understand spiritual truths we ought some times to observe the functioning of the natural world in which we live now. That is the reason why the Lord Jesus-Christ talked of the talents, the bank, the mustard seed, the sower, the wheat and the tare, hidden treasure in the field, the wicked judge, fishing and other many natural things so that we may better understand the spiritual difficulties through natural things.

That is why I invite my brothers and sisters in Christ Jesus to consider with attention the natural example which were given to me by the Lord to better expose the flaws that hinder the revival and draw the solutions offered by our God. Our spirituality will be deeper as we understand the functioning of the natural world in which God asks us to live until the rapture takes place.

This said let us get to the very heart of the matter by tackling a basic question: will there be a worldwide revival before the rapture?

CHAPTER I:

Will there be a worldwide revival before the rapture ?

There is a certainty: the glory of the Lord will fill all the earth. Let it be understood that it is not the glory of the rosicrucian nor that of the freemasonry nor the glory of a religious movement.

The glory of God whose name is The God of Abraham, Isaac and Jacob will fill all the earth. God himself categorically declares as early as in the book of numbers:

"But, I am alive and the glory will fill all the earth" (numbers 14:21)

As a matter of fact, through this statement of numbers 14:21, God reminds His word to the unbelieving and rebellious Israelites, the promise made to Abraham the believer:

"All the families of the earth will be blessed in you" (Genesis 12:3).

When will all the families of the earth become believers as Abraham the believer and become justified for having believed as Abraham? Obviously not during the millenium but before. This is what the Bible says in Matthew 24: 14. *"This good news of the kingdom will be preached all over the world, to serve as testimony for all the nations, then will come the end"*.

Let us come back to the statement of Numbers 14:21. This made the Israelites when they were exactly on the southern frontier of the promised land. Brothers and sisters in Christ Jesus let us note well that it was at Kadesh - Barnea, at the southern frontier of the promised land that Israel turned its sight away from the word of God rather look at the circumstances, at the world. *"But the people living this country is powerful, the towns are fortified, very great, we have seen Anak's children there" (Numbers 13:28)*

It was not millions of kilometers from the promised land that a generation of believers were rejected for abandoning the foundations of the word of God. It was at the southern frontiers (Joshua 15:2-3).

Brothers and sisters of Christ Jesus, we, Cameroonians and black Africa are at the frontier of the promise made to Abraham the father of believers. The Lord asked only one thing in Kadesh-Barnea : the return to the foundations of the word of God. Because it lacks a total solution for the foundations of the word of God, a whole generation of Christians of Black Africa will quickly be rejected and replaced by a new one more trusting in the word of God and more qualified for God's word throughout the world.

Christians of Cameroon and of Africa ought to understand this well: our white brothers are not the carriers of the last revival. The time when money and missionaries were coming from America and Europe for Africa is drawing to an end like in a relay race, God has given the baton to Black Africa and he is now waiting that Cameroon and Africa, " press on toward the goal to win the prize of the heavenward call in Christ Jesus" (Philippians 3:14).

How is it that a poor nation which has just received the gospel in 1843 (date of Joseph Merrick's arrival, sent by London Baptist mission) and believers who have received the Lord Jesus-Christ a few years ago should be chosen by the Lord for the fulfillment of the worldwide revival? God's answer is irrevocable there are eleven days from Horeb, through the mountain of Seir till Kadesh Barnea (Deuteronomy 1:2).

Horeb means drought, desert. From the spiritual desert to the southern frontier of the promise made to Abraham bearing the justification of all the families on the earth by the means of faith, there are only eleven days of walk. God is obviously in a hurry.

Since we are at Kadesh Barnea, at the crossroads, having before us the entrance way to Canaan (the worldwide revival) and that of a half turn towards the desert (replacement of our generation), what must the church in Cameroon and Black Africa do? Are our foundations good? Must they be changed? Are we equipped?

While my heart was presenting in a repetitive manner these questions to the Lord, the almighty granted me to see that without any warning satan has seriously knocked down assemblies at the level of their organizations this has succeeded in transforming assemblies into associations or clubs unsuitable for the revival. Here is the place where the venom of the enemy lodges itself, the enemy that also reads the word of God and tries to insidiously lead the church astray.

This attack of the devil against the organization of assemblies has succeeded only because of the fact that we less pay attention to the spiritual consequences of the Word of God. Now satan is focusing his attention on the consequences of the Word of God more than Christians what is then this blow carried by the enemy against the church's organization? What are the consequences? Let us together examine all this.

[Back to top](#)

CHAPTER 11 THE MORTAL BLOW TO THE CHURCH ORGANISATION

Let us begin by understanding together the meaning of a pyramidal organization (in the shape of a pyramid) for satan has a very sophisticated culture of pyramid. In Daniel 6:1-3, the pyramidal structure of the Babylonian empire under Darius the Mede is explained to us. We can visualize this organization like this.

Darius the Mede king of Babylon directly commands three satrap's' chiefs among which chief Daniel. There are 120 satraps under the authority of the three satraps' chief (in a way ministers of the empire). The 120 satraps have under their authority the whole population of Babylon. Here is a pyramid-shape organization of satan. I suppose many will answer that they do not see the hand of satan in this pyramid.

To understand let us first of all understand that satan's pyramid always has two parts, namely a physical part and that we can see with the naked eyes and a spiritual that can be only seen by god's revelation. The physical part of the Babylonian pyramid is that which has just been presented. You physically see Darius, you touch him and greet him. You also see the satraps chief among which is a true God's servant and you physically see the one hundred and twenty satraps and the population of the Babylonian empire.

As long as you have no revelation from God, satan can say to you " I am innocent, I have nothing to do with the Babylonian empire. "

Let us now see God's revelation in the book Daniel 10 :13. The angel of the Lord says that he has fought against the chief of the Persian kingdom and the kings of Persia : now everything becomes clear. Above Darius, rules a demons' coalition which are " the kings of Persia " rules the " chief of the kingdom of Persia " in your opinion who commands the " chief of the kingdom of Persia " ? The answer is simple. No matter the number of intermediary demons the highest boss of the " chief of the kingdom of Persia is satan. Now the full pyramid appears like this :

You are probably going to be astonished by wondering by which mechanism satan and his demons are installed above this pyramid, so as to have control over the whole population of Babylon. The answer is simple. In the spiritual realm, there are only two camps, that of God and that of satan. If you do not know God or if you are a fake believer, that automatically gives to satan the right to install above you demons which

command you.

It will be ok for satan to be at the summit of the physical part of the pyramid if he is not a true believer, will be enough for him to take control over the whole population of Babylon.

Let us note something very important : Daniel, the faithful servant of God is inside the pyramid of satan.

This is once again some thing very important :because of the fact that Daniel the true god's servant in inside satan's pyramid and the demons have the possibility of hindering the blessings he is waiting for and this hindrance last for twenty-one days.

What is the blessing that Daniel is waiting for ? It is the end of Israeli's captivity that symbolizes revival.

Born again Christians, let us open our hearts and let us understand well that when we are in a satanic pyramid, our personal sanctification does not hinder satan from stopping and delaying revival.

Some will say at the time Daniel was praying, he was no more chief of satrapies since it is written in Daniel 9 : 1-3 that the prayer for the revival happened during the first year, Darius. Perhaps during the first year, Danielle had not yet been appointed chief of satrapies. It does not matter since Daniel belong to the population of Babylon and found himself automatically in the satanic pyramid no matter his rank in the government.

We have well understood the damaged the sincere believers who are in a satanic pyramid undergo.

Now, let us examine in the Bible an event that at first sight should have nothing to do with revival, this event is found in genesis 34 : 1-29.

On one side, Jacob and his sons who in terms of number, in contrary to Hamor, sicheim his son and faced with all their fellow citizens of the town. It is the same thing today. the lord Jesus-Christ has already given us once and for all the victory over satan. Christians, I mean, those who are born again (born of water and of spirit) have full authority to walk with impunity over all the power of the satan and the lather knows it more than Christians

In clear, Christians have over satan a superiority even greater than that of the sicheim's town had over Jacob and his sons. At the first sight Jacob and his sons would have gotten everything in keeping quiet faced with sicheim's people and by the way it is Jacob's opinion.

However, the sons of Jacob understood a fundamental spiritual principle: he who insults his custom or his world vision to stronger enemy wins the war.

We all know that the united states have won the cold war engaged since the end of the second world war against the former Soviet Union . Was it a single shot over Moscow? It was a war in which each one was afraid of the other for each one has the capacity to wipe out the other so the war needed to be won in another way , by rather injecting one's ideology ,one's vision to the other . America has won this cold war merely by inoculating its vision of a democratic and liberal society to many millions of soviet citizens among which Michael GORBATCHEV.

When we fear a stronger opponent, we first of all infect our world vision to him and then we are winners you see, if you are faced with a weaker enemy, you begin by adopting his world vision, your strength is no more useful. You become a very strong Samson who has no more eyes. His own vision has been removed by Satan who imposed the darkness on him and tamed his strength, orientating it not for the liberation of Israel, but rather for the rotation of millstones. Dear brothers and sister in Christ Jesus, do you sincerely have the impression that you are rotating like a millstone in your assemblies while Satan reigns all around (in your enterprise, in the quarter, in the town, in the country) ?

Having then succeeded to inject their own custom in the town of Sichem, the two sons of Jacob, Simon and Levi cheerfully destroyed it in all its impurities and took away an abundant plunder.

In Jeremiah 10 :3, God strongly warn us against the adoption of nations' customs. If the Lord warns us in this way, it is because the progressive adoption of the world's customs, even those which at world's customs, even those which at first glance seem harmless, transform sooner. Later our victory over Satan into defeat. It is written in 2 Kings 17 : 15 ; " they rejected his decrees and the covenant he had made with their fathers and the warnings he had made them to follow worthless idols and themselves became worthless. They imitated the nations around them " so not do as they do ;and they did the things the had forbidden them to do .

God's principle is clear, he who adopts the customs of worthlessness becomes himself worthless. What is then the custom that the evil one has injected in assemblies?

The venom is localized even in the organization of the local assembly. The Bible is precise in Philippians 1:1-2, "Paul and Timothy, servants of Christ Jesus, to all the saints in Christ Jesus at Phillipi, together with the overseers and deacons grace and peace to you from God our father and the Lord Jesus Christ.

In the local assembly of Phillipi, there are overseers (elders), deacons, saints. In fact all are saints but two categories are selected and anointed by God to lead, namely overseers and deacons.

Who is used by God to establish elders and deacons? We will later examine this in the light of the scriptures. For now the facts are established: no denomination has found it useful to obey the biblical order concerning the organization of the direction of the local assembly. In denominations that acknowledge and preach the Lord Jesus-Christ as God and as the way, the truth, and the life, we regularly find a pastor at the head of the local church.

Sometimes, a step is further made in some denominations, for the "national leader" depends on a "leader for Africa" located abroad in Europe or America.

To whom is this "national leader" or this "leader for Africa" accountable? At this level, it is permitted to be in cold sweat for the specter of the antichrist is roaming around the top of the pyramid. It is not a hypothesis but moreover, a certainty. On the top of the pyramid the antichrist is always roaming and it is a certainty given by the scriptures.

The Satan's appetite for the summit is established in Isaiah 14:12-14, " how you have fallen from heaven o morning star, son of the dawn! You have been cast down on the earth, you who once laid law the nations! You said in your heart, " I will ascend to heaven; I will my throne above the stars of God; I will sit enthroned on the mount of assembly on the utmost heights of the sacred mountains. I will ascend above the tops of the clouds. I will make myself like the most high".

A question to Christians: if satan has been thrown down for coveting the throne of God, will he cease to fight so as to take control over a man who has the place of honor in a pyramid of thousand, ten thousand, or a hundred thousands of Christians at the feet of the pyramid?

Let us no more cover our eyes. The Bible enlightens us and shows us how satan has a very pronounced plan for the summit of pyramids. Satan's objective is clear: only one fake Christian on the pyramid top, and thousands of Christians are controlled by the power of darkness.

How is this possible? It is possible in accordance with the spiritual principle for which we give to the others what we ourselves have and we can not give to others what we do not have.

In Acts 3:6, it is written, "then Peter said, silver or gold I do not have, but what I have I give you. In the name of Jesus-Christ of Nazareth walk".

Exploiting as much as he can this spiritual principle which he knows very well, satan disguised in an angel light destabilizes sometimes the pyramid's summits of our Christian denominations and install in it rosicrucians, freemasonry disguised vampires as ministers of justice (2 Corinthians 11:14-15). Since this diabolic work is well done at the summit, a whole crowd of believers receives from the summit, a dead spiritual food of satanic origine. This is how the pyramidal organization allows satan to quickly install spiritual death within a group of assemblies containing thousands and sometimes millions of believers among which many are nevertheless individually sincere towards God.

Satan has work with so much favor that he has almost convinced all the Christians denominations to adopt the organization in the pyramid. This organization is very clear to him according to the fact that it facilitates the concentration of his efforts in the control of pyramid summits. By this, millions of Christians will be fed on dead spiritual food. Satan is in a serious rush for he has only a short time as it is said in Revelation 12:12,

"therefore rejoice you heavens and all you who dwell in them! But woe to the earth and the sea because the devil has gone down to you! He is filled with fury because he knows that his time is short"

Who has bewitched the Christian assemblies so that they may adopt this custom and this pyramid culture so dear to satan?

"you foolish Galatians who has bewitched you? Before your very eyes Jesus-Christ was portrayed as crucified".

This Word shows well that because of lack of vigilance and faithfulness to the word of God, satan is capable of fascinating (the daily Bible version uses the precise term to bewitch) Christian assemblies.

Oh, there are many "elders", "deacons", "under", "pastors", even if these "pastors" are supervised by "super pastors" commanded on their turn by a "national pastor" who perhaps gives accounts to an "international pastor" you would say there are many elders and deacons in my local assembly. If the presence only of these elders and deacons are enough for you to believe that the biblical model has been respected; if you close your eyes on the pyramid above without asking yourself what kind of spiritual food you are receiving then be sure enough you have just given the victory to satan.

In fact satan is crafty enough to know that a 100% lie will be quickly detected and rejected. That is why he combines a few of the Bible with the pyramidal culture and sells easily his goods to the people that invokes the name of the Lord. This mixture of a little truth and a lie, to produce the spiritual death has begun in the garden of Eden;

"for God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil".

As a matter of fact, man has in his heart a conscience and the knowledge of good and evil since he tasted the forbidden fruit. But, supreme tragedy, he went down to spiritual death. Dear brothers and sisters in Christ Jesus, let us know that a mixture of truth and a lie which produces death.

At this stage you would say an objection remains valid: all pyramids' summits are not taken by satan" there are faithful servants of God on certain summits" you would say indignantly.

Brethren we are in war and we know it well. Do you know that the united states and her allies have won the gulf war against Iraq ? Do you know that since 1945, the united states and their allies have won the second world war against the nazi Germany and the imperialist Japan.

You will easily notice that many Iraqi soldiers who were implied in the gulf war are still alive and are well no matter the fact their country has been chased from Kuwait and that they had been defeated in war. You will notice that Germany has numerous veterans of the second world war who are still alive although the nazi Germany had lost the war. That is how it happened there most certainly pyramids' summits yet occupied by true God's servants, but the fact is satan is still hindering the revival and we have lost the war as much as the worldwide revival will not be launched. It is high time we reorganize these gigantic pyramids we call denominations.

What must we do? The answer is simple: get back to the Bible. Since the Pentecost, the Bible endlessly brings us back to the same model: that of autonomous local assemblies, led by overseers(elders) and deacons. Brethren in Christ, have you read in your Bible that the assemblies of Colossia, Philippians and Thessalonica for example were topped by a "zonal pastor" himself covered by another "general pastor" situated let's say in Jerusalem ?

Who has bewitched us so that we may definitively establish one of the gifted - ministries (that of pastor) at the head of local assembly and that we should build hierarchy stages above him?

Satan has a short time and he builds pyramids to hinder revival. Let us destabilize pyramids, let us give back autonomy to the local assemblies, let us leave deacons and elders anointed by God, lead the local assemblies. Let us encourage mature and faithful Christians to gather in small groups of two or three with their families according to Matthew 18:19-20 to create house assemblies and the salt of the earth will be quickly spread in all quarters in the whole town and soon in the whole country. Instead fighting to gathering ourselves physically in two or three vast denominations let us create on the contrary autonomous millions of denominations in houses throughout the country.

To understand this vision of decentralization and autonomy, the lord has deeply humiliated me by teaching me through things that we, born again Christian use to consider as vile and less worthy of interest.

The Lord asked me this very simple question: "my servant, do you know the best organization to transform Cameroon into a nation of beer drinkers? Once this question was asked, I saw the answer and understand that not only satan deceits us with his pyramid, but he also goes further. He steals our biblical model to efficiently accomplish his own work and gets richer with millions of souls and CFA francs.

That is how things are. Jacob's sons after they have skillfully injected their custom to those of the hamor town and have destroyed by this mean the whole town, did not go back empty - handed. They strongly got richer by taking all the riches which belonged to the people of the town.

It is what satan has done. He steals our biblical model we refuse to follow and leads astray through alcohol, billions of CFA francs that should have financed the revival in our country if alcohol drinkers had rather drunk the gospel of salvation in Jesus-Christ in the numerous denominations spread all over the quarters.

To make Cameroon be a nation of beer drinkers, quarters need to be filled with bars so that every house should be encircled by the greatest number of bars possible. To reduce the cost of bars construction bars need to be in living house. Moreover even bars of the same quarters need to be independent one from the others.

If for instance only one person had to handle the bars of a quarter and that he might seem to be a bad manager, all the bars of that quarter would close down and that would deprive the whole quarter from beer and would slow down beer consumption. Consequently, even bars of the same quarter must be autonomous and independent one from the other. Each bar bears the name that pleases it and no matter since the main thing resides in beer (alcohol) consumption and not in the bar's name.

If a fire destroys a bar, no problem since the houses of the quarter remains crowded by bars. The consumer will just move some meters away to reach another bar. Moreover, very quickly another bar will open in the next months, with a new name to replace the bar which has been destroyed by fire. Are there thousands of bar's names through Cameroon, no problem since what counts is that the consumer might drink beer (alcohol).

Dear brethren in Christ Jesus aren't us deeply ashamed before the faithfulness with which satan multiplies his church (bars) by using our own biblical model? Let us open our eyes and let us examine whether there is a village or a town in Cameroon where satan has centralized the consumption of his gospel (beer) in only one center.

Have you met in the street all the director of all the bars of Yaounde? Beloved ones, it is with tears that i address to the rebukes of our God. Have you already heard about the national supervision of all Cameroon bars? No, for satan knows that if he adopts a pyramidal structure for the distribution of his gospel (bar) you will directly convince the supervisor of Cameroon bars to give his life to the lord Jesus-Christ and if such a thing happens, the testimony of the Cameroon bar supervisors should turn back thousands of beer consumers and should slow down satan's gospel.

You would obviously say rich people's quarters (Bastos in Yaounde, Denver and Bonapriso in Douala...) are not invaded by bars. Well satan also knows that those "rich" people are proud and do not to tarnish themselves going to sit in the bar. Then he evangelizes those rich people with the champagne that they consume in their own houses. This evangelism for rich men in their proper home functions so good that Cameroon is the first champagne's consumer in Africa the rich man can not put up a name on his house showing that he is a consumer of satan's gospel. But satan does not care, for what counts is not the name of denomination the "rich" man sets-up, rather the

consumption of champagne. While we are harassing Christians so that they may always bring more money for the building of gigantic cathedrals, satan installs most bars directly in the houses of citizens. This saves cost of investment. Beloved ones, let us humiliate ourselves and return to the biblical model.

Let us imagine that only on Sunday (in fact all days are favorable), all mature Christians gather together two or three and have service in houses in the quarter. Suddenly the town will be invaded by a crowd of house assemblies praising God, worshipping God praying and preaching the Word of God. Let us admit that there should be in Yaounde (for example) three thousands house assemblies founded by mature christians, gathered in two or three. Sometimes later let us say for example a month, each house assembly will be visited by two or three curious people coming to see that church the neighbor and his friends have created in his house. At the rate of two or three curious by house assembly, automatically six thousands to nine thousand persons will be touched and perhaps from that number ,one thousand and two thousands shall give their life to the Lord. Is it not an efficient evangelistic campaign with out financial expenditure? Complementary advantage, the leaders of the house assembly know very well each young believer and nourish him with appropriate spiritual food.

But you are going say that satan can also recuperate the leaders of house assembly since elders are always needed at the head according to the biblical model. It is true, but as the quarter is surrounded by house assemblies, faithful will pray the lord who will lead them to another house assembly near and independent from the first. So the faithful will no more drink the dead food they received in the first house assembly and the revival will harmlessly continue.

Brothers and sisters in Christ Jesus let us destabilize our vast pyramids, let us incite mature Christians to gather together in a group two or three to launch house assembly and let us multiply at every street corner new denominations.

It is what the lord has begun doing. Because of lack vision, some assemblies are openly in war against the Lord of hosts. On Sunday afternoon, pastors high perched on their pulpit vilify those who leave their assembly and divide the body of Christ by the creation of new denominations. In fact the Lord has to prepare a soup for the rapture, and this soup is the world. May each one observe and understand well. For a soup to have a good taste the salt needs to be dissolve in it i mean the grains of salt must be scatter within the soup. Why do me close the salt of the Lord with a pyramidal denomination? God is skillfully and with determination working to scatter his salt everywhere so that the whole world may be salted. So because of a lack of a vision of a worldwide revival, the tax collectors of our assemblies multiply noises and carnal manipulations to maintain under control the salt of the earth. A deep repentance is imperative because of all those manipulations that are even worst than witchcraft.

In our vast pyramidal denominations, we regularly hear brothers and sisters who stand up in assemblies give thanks to the Lord for having giving them the necessary means of transportation to attend the service or any other meeting. A funny thanksgiving that goes out of God's vision. We would rather say Lord i give my house. Create in it house assembly and satisfy our needs for the functioning of this assembly pray so and you are going to see that you will receive more than means for transportation. If we have in our heart the thirst for God's glory and not the carnal position for folkloric meetings in our vast assemblies, we will receive from God what we ask when you ask you do not receive, because you ask with wrong motives that you may spend what you get on your pleasures. (James 4:3). In fact, do we know why God has produced and typed out the Bible all over the world so that there is today more abundant in copies than any other book produced on earth? It is because the university lecturer the taxi driver, the quarter's baker, the fornication used to hostels who do not know Jesus-Christ and are

strongly careful about these sects which talk of Jesus despite this, they easily buy a Bible and on at every moment read it and leave satan.

Even when unbelievers do not have the Bible, we are their Bibles and we ought to be and spread among them. By reading Jesus-Christ in us, many will come to the Lord.

" you show that you are a letter from Christ, the result of our ministry written not with ink but with the spirit of the living God, not on tablets of stone but on the tablets of human hearts ". (2 Corinthians 3 :3)

This is another stumbling block. Brethren, can we shamelessly stand before the Lord to confess that we have been the letters of Jesus-Christ in the midst of unbelievers ? busy in various meetings and gatherings of our gigantic pyramidal denominations, we did not even had time to work secret our lives with the Lord so as to become his Bibles in the sight of the world.

So much slanders, witchcraft, manipulations, careless ambitions and world attitudes in our big pyramidal grouping in which tolerance towards sin indicates the invisible person who has taken command.

" even though I am not physically present I am with in spirit. I have already passed judgement on the one who did this, just as if I were present. When you are assembled in the name of our Lord Jesus-Christ and I am with you in spirit and the power of our Lord Jesus is present ".

Is Paul physically present among Corinthian brethren ? obviously not!

However, the assertion is clear, he is present in spirit among Corinthians. Being present in spirit (through prayer), he had judged an act of sin exactly as if he were physically present. But the most important is this : Paul says to the Corinthian brethren " you and my spirit being assembled ". obviously, Paul and the Corinthian Christians are one in spirit while Paul is not physically present with them. Who has assembled them in one ? it is the power of our Lord Jesus Christ. What is that power ? It is the holy spirit.

That is what the unity of the body of Christ is all about. All the Christians who have accepted the Lord Jesus-Christ as their God and their savior who have been baptized in water and in the holy spirit are spiritually assembled in one by the power of the holy spirit. Let us understand definitively that it is absolutely not the physical grouping of a thousand Christians in the same chapel which gathers them in one it is not and it is not their scattering in a hundred assemblies that divides the body of Christ. However we would be naive in thinking that is purely by accident that " pastors " of assemblies inculcate to Christians the rule by which in accordance with Hebrews 10 :25, he who leave his assembly has backslide. In fact, if as a result of a move, you leave your assembly to join another in the same denomination you will not be considered as a backslider. The pharisaic attitude only stands against you when you leave your assembly to create another out of the denomination or to join a new denomination. Satan manipulates Christians with the spirit of Pharisees so that he might save his pyramids (Matthew 23 :16-17).

Now my dear brethren in Christ Jesus, let us observe physical things to try to apprehend spiritual truths. As from now, each time we enter in our vast chapel to assemble, may each one raise up his eyes and observe the disposition of bulbs and other luminous lamps. Let us observe and let us see how they are shared in the room. Should the assembly be well lightened if all the lamps were gathered in one place ? who is the light of the world ?

Who must lead our local assembly ? the Bible is precise in Philippians 1 :1 it talks about deacons and overseers. In clear, it is a body or a council of overseers which is leading the local assembly. There is a very deep spiritual reason why God ordered us to set at the head of the local church a body of overseers. In fact, the local assembly is perceived by the devil as an act of war. Not only he locks it up in a vast pyramid to dominate and take control over it, but furthermore he endlessly attacks its direction. But even unbelievers knows that union is a source of strength.

The body of overseers is capable of detecting the craftiness of the devil and fighting them. Set a " pastor " at the head of a local assembly to substitute for the overseers body and satan will easily concentrate his efforts on one and takes control over him.

The Word of God tells us that salvation is in the great number of counselors (proverbs 15 :22).

Now comes out one of the last protestations : will the state give authorization to all those millions of denominations ? To tackle this issue, we should determine its spiritual nature. Satan will be very happy if all the Christians were to be gathered in two denominations for example a " catholic church " and a " protestant church ". if such an organization had to be set up, satan should be able to suddenly occupying the summits of both pyramids and to feed all the Christians of Cameroon dead food through the same channel. Not yet having succeed to gather us in this way, satan nevertheless slows down the revival by limiting at the number of denominations by a republican law. Beloved ones, let us have discernment. We obey to authorities according to the Bible, but we ought to fight through prayer every regulations which carries dispositions contrary to the gospel. While waiting for the Lord to remove this disposition, let us multiply house assemblies instead of building " religious states " no Cameroonian law forbids ten people to be gathered to praise the Lord, worship him, preach the gospel and pray. And if unbelievers come close to listen, we will not have evangelized without authorization, for unbelievers will have visited us. Are visits forbidden ?

Have we read what Israel used to do as slave in Egypt ? it is written that they have been making bricks (exodus 5 :8) and have been building towns. This generation of slaves is certainly the one who had built at least a part of those pyramids which had made the pride of Egypt.

Let us together note brothers and sisters, that generation of slaves pyramid's builders had perished in the desert and since they left Egypt, none has never planned the construction of pyramids in Israel. Why are we building vast pyramidal assemblies after our new birth in Christ Jesus ? who are we imitating ?

Let us carefully consider God's principle of multiplication. In Matthew 15 :34-36, the Lord Jesus-Christ fed more than four thousands men with seven loaves of bread and some fish. Let us observe well what happened. The Lord gave thanks and after broke the bread and the fish. Since the breaking is made, the miracle of multiplication takes place. Why did the lord not multiply without breaking ? it is because, he wanted to teach us the important lesson. Who is the body of Christ ? it is the assembly of born again Christians.

Who is the bread that came from heaven ? It is Jesus Christ. There are now more than four thousand non Christians who are walking in darkness. How will Jesus-Christ do to offer them his body that gives life ?

He will break down our gigantic Christian denominations into two very small pieces and offer them to the four thousand non Christians so that they may eat of the gospel and have eternal life.

Do you want biblical illustrations ? See how the Lord used persecution to scatter the Jerusalem assembly all over Judea, Samaria and the world. It is because of this scattering that we have received salvation. In fact, Christians of the first Christian assembly at Jerusalem, were more than three thousands (acts 2 :41-47). In their happiness, they were selling all their goods and were living at the same place jointly sharing all. What a wonderful communion ! they were not at all ready to leave their assembly and it is certain that even the apostles did not think at any way about a spreading of this beautiful group.

You see God knew that many people needed salvation. Then he permitted serious persecution to come out and scattered those " Christian of assembly " (acts 8 :1). Brethren in Christ Jesus, it is god himself who fights against our pastors of assemblies to scatter his salt for revival.

Let us come back again to Daniel's case. Satan has under his blessing (Israel's deliverance he was waiting for) during 21 days. But let us well know that if sincere Christians are trapped in gigantic pyramidal assemblies, satan can as well hinder for 40 years the revival that we are asking through prayers. 40 years, is just the time for a generation of believers to die in the desert. So satan will bring his hindrance on a new generation of believers and this will last as long as gigantic pyramids are not abandoned on behalf of a multitude of autonomous local assemblies. Why does Daniel find himself in the devil's pyramid ? It is because he is in captivity in Babylon.

Why does Daniel who fears God finds himself against his will in captivity ? It is because Israel has turn away from the Word of God.

In fact, how can Israel go astray from the Word of God ? The answer is very simple and very edifying to us each time a rebellious king came to power against God, Israel turn away from God. It is the principle of pyramid that satan knows very well. Satan just needs to conquer the summit to set everybody, including sincere believers in a satanic pyramid.

By a sort of incredible fear, Christians are no more thinking to seek God in prayer, the spiritual quality of those who occupy the summit of our gigantic pyramids. At times, they have never simply seen them ! so you think that in vast denomination of 50000 people whose " national leader " is for example in yaounde, the Batouri Christians and the one of Kousseri do not almost have the possibility to know their " national leader ". by inculcating in us his pyramid's model, satan has imposed on us great spiritual damages and the revival is hindered.

Let us repent and from now on tell to young believers in our assemblies ; " brother, welcome in this assembly. Know that you are here to grow up and create in your team a new assembly of God in your house or elsewhere. Learn quickly and leave us physically but not in the spirit, to serve Jesus-Christ " let us encourage mature Christians to leave our gigantic assemblies so that they may gather in the number two or three and multiply new autonomous denominations in houses. That will make the religious kingdoms we have built to disappear, but the glory of God will fill the country. Let us get now to a serious carelessness we have committed towards an important body of the army. Through this carelessness we have seriously damage the revival which is before us.

CHAPTER II : AGILITY CARELESSNESS TOWARDS AN IMPORTANT BODY OF THE LORD'S ARMY.

Obviously, more than one God servant full of love and mercy for the Moslem world has been astonished because of impression of stronghold against which we seen to bump into without success each time we try to send the less signals of gospel in its direction.

In fact, have you ever seen physical towers and strongholds ? it is very important to see and understand physical things because they help us to cease spiritual realities. That is why the lord Jesus-Christ abundantly taking examples in the physical world and in our daily lives to expose spiritual realities.

As we have become slow to understand avoiding every solid food and loving the milk of our gigantic denominational pyramid so much that they put in danger the next years of revival, the Lord is now our voices. Yes the revival is to be done at the price of the radical reform of our voices.

While I was flabbergasted and I was meditating my heart about the stronghold that represents the Moslem world, God asked a question that initially was far from my preoccupation,

" do you remember coranic schools in which the youths of your generation were mumbling prayers " ? Yes Lord, I answered. " then, what do you think about strongholds ? " with those two questions, I had understood that the Moslem stronghold comes from the coranic school ! the Moslem school builds within the individual the Moslem foundation when he is a child. After during all the youthful years, the coranic school patiently builds the stronghold's body. With which material does it edify the foundation and the body of the stronghold ? with prayers which are endlessly learned and recited.

Of all Moslem governments of the world the one of Afghanistan is in the number of the most extremist. It is not by accident if the leaders of the afghan government are called talibans that is to say students in theology (You well understand that it is the Moslem theology).

Do well have an idea of the source that has so inspired the devil, my beloved brothers and sisters in the lord Christ Jesus ? I imagine shocked reactions. " am I in the darkness to know how satan is organizing his dead religion ?The truth is that we do not need to seek far to know where satan is inspired. The enemy knows the Bible and well knows the spiritual laws of God about which we do not take care. This is the one that he exploits while Christians are too busy in the activities of their gigantic denominations.

The adult follow the voice he has learnt during his infancy. It is at the level of this spiritual principle of God in proverbs 22 : 6 that the world destiny is founded.

It is written there : " train a child in the way he should go, and when he is old he will not turn from it ".

For it is the law the devil runs the first and since the coranic school, he plants true strongholds in persons. Results ? We well see that the gospel encounters many strongholds of difficulties in the Moslem world.

Having well assimilated the example taken by the Lord on the Moslem world, I understood immediately that we, born again Christians are totally wrong before the Lord we have not carefully planted and by taking all the necessary time, the Word of God in the hearts of our children. The body of armies of the Lord that our children are has not assimilated from infancy the Word of God ; there come center board as the cases of those sons and daughters of God's servants who are gangsters and prostitutes.

However, what the Lord demands from us is very simple. Set apart every day an hour at least during which we are sited nearby our children so that we should keep guard over them to read loudly three to four pages of their Bibles.

God insists so much on the loud reading for having become slow to understand, we are to forget the word of God loudly proclaim acts not only on the person who is proclaiming it, but also on the physical and the spiritual world.

Do we know what make the world of God when our children proclaim it every day ? It heals them and make them avoid all the pits that satan digs before them (psalms 107 :20).

It judges feelings and thoughts of their hearts and by this judgement it makes them learn to know the voice of the lord and to obey him (Hebrews 4:12) It grants them faith (Romans 10:17) The list should be longer and each of us, could find other biblical advantages.

I have personally obeyed to the order of the Lord by putting my children in the daily loudly reading of five pages of their Bibles study (yes I well say 48-49Bibles of studies and not biblical comic strip) there is for years ago . they are each of them at fourth complete Bible's reading and I am attesting brethren and sisters that they are to tally transformed .

Seeing that I was deeply blessed by this daily proclamation of the word of God by my children, I have at many occasions exhorted many brethren to cancel certain participation to meetings of most of their assemblies to put in their house their children in the biblical school.

No matter all those exhortations, none has followed the order of the Lord. Think about it then; all are saturated with the meetings and the "ministries" of their gigantic pyramidal assemblies . intercession on Monday, youths' ministry on Tuesday, biblical study on thursday, prayer cell on friday, choral training on saturday, assembly will on sunday. If you add the similar work and the visits of brethren and sisters (an obligation of brotherly communion) you understand that brethren are absolutely unable to reserve an hour for day at the biblical school at home for our children . what is satan doing during this time? The plants the strongholds of false religions day after day, night after night to hinder the world wide several that we have not yet begin to prepare in our houses. Who has convinced Christians that the biblical school is reserved to adults and the Sunday school to children ? who has bewitched us ? let us put all our children who know how to read and write to the house's biblical school.

Deuteronomy 6 :6-7 says this. " these commandments that I give you today are to be upon your hearts. Impose them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up ".

Brothers and sisters in the Lord Jesus, have you sometimes opened you six old children's student books ? you will notice that since this trends, they learn very differently things at the primary school. If they can assimilate since this age intellectual complex things, let us stop to tell them stories and to present them images at the Sunday school. Let us lead them since the age of six years to reading in truth study Bibles and let us allow them to attend the adult meetings. They will quickly assimilate a great quantity of Bible truths and serve the Lord with a total resolution.

In fact what are we hiding to our six year children ? Preaching speaking about sex ? Let us quickly take away from our faces the veil of hypocrisy, for we well know that abundantly learn about sex and condom at school and through television. It is an opportunity to cease and tell them what God said and is saying and about sex before that satan sows another view point in their heart. When my children read that the one who lies with an animal is cursed by God, they understand will what they have read and it is salary for them.

Let us talk a little bit of the Sunday school reserved to children. It is a diabolic manner (yes diabolic !) by which Christians are getting rid of the duty to early inculcate without reserve the word of God to their children. The Sunday school is the weapon by which satan has put in distortion the body of the Lord's army, our children. Who has convinced us that the Sunday school could replace the unavoidable biblical school that must be install for our children in our houses ? Is it by jogging in such a criminal manner that we are going to bring out the revival and assure its deployment during the next decades ? My brethren, let us reform our voices.

Let us take ten thousand children of born again Christians who talk about the Bible to their classmates at school (this is very easy for children talk too much in their midst). Do you know that this scholar talks of ten thousand Christian children who can win about ten thousand other souls to the Lord ? This is what the Lord says :

" so shall my word be that goes out from my mouth ; it shall not return to me empty, but it shall accomplish that which I purpose, and succeed in the thing for which I sent it. " (Isaiah 55 :11).

Have we now understood why the Lord considers that children are a body of army for him ? Perhaps not yet, since we have become slow to understand. This is why our children are soldiers who are cruelly absent in the war front of the revival.

The Word of God is already out of his mouth and is written in his word (the Bible). However, the cooperation of man is necessary so that the word may be carried in action. Someone, the whole body must carry this word, put it in his mouth and loudly proclaim it. Before the tribunal for example, you can be condemned without knowing that the law that must set free has been voted at the national assembly and promulgated by the president of the republic. For the judge to set you free, a qualified person, a lawyer, should recall and proclaim by writing and verbally before the judge this law which is favorable for the person. Before God, our children are well qualified persons that God said that the kingdom of God belongs to those who resemble them (Matthew 19 :14).

Now the danger that satan fears is clear for us. If each day, in the Cameroonian nation all the children of Christians take the Bible in their hands and proclaim loudly the word of God, this Word proclaimed through the mouth of children whom God qualifies will the strongholds and principalities of the devil in the country and will bring out the revival that we are waiting for.

When our children will proclaim by thousands the word of God every day, this Word proclaim by thousands of mouths that the Lord qualifies will strike our country like a baton and will make the evil doers die (Isaiah 11 :4).

In staying at the level of milk, we have even forgotten that the verbal utterance of the word of God destabilizes the kingdom of darkness.

Let a hundred thousand Christian children open their Bibles and faithfully proclaim day after day the word of God and the revival will start in Cameroon with a power which surpasses all what we can imagine.

In 2 Thessalonians 2 :8, it is written that the Lord Jesus-Christ will destroy the ungodly man by the breath of his mouth, I mean by his Word proclaim.

Sometimes our crimes leave the area of our carelessness to be transform into true madness. Walk on Sunday around our great churches (Pentecostal, Baptist, Presbyterian, catholic, Protestant...) and you will see the abomination which makes the lord angry. You will see our children the qualified soldiers of the Lord of hosts, playing around the church

building for many hours, while the " adults " are occupied with the " adult's service " what an abomination ! who said to a thousand Christians to gather in one building while a branch of the Lord's army is abandoned outside ?

Jesus-Christ says : " let little children come to me.. "

and after we are drunk with the pyramidal vision of the devil, we say " get out little children ". there is not enough seats in chapels and it is something good, for what God wants is that we may worship him in the various house assemblies with all our children.

Born again Christians, let us do away with our criminal entertainment and let us quickly create biblical schools at home for our children. Let us no more keep inactivity the body of the Lord's army. May the word of God be proclaimed loudly every day in our house by our children (they are very qualified by God according to Matthew 19 : 14) and soon, the principalities of rosicrucians, of freemasons and of all kinds of witchcraft will be over thrown in our country.

There is a last crime which we ought to examine now.

THE EMPRISONMENT OF MINISTRIES-GIFTS.

In Romans 12 and in 2 Corinthians 12 God enumerates a variety of gifts he grants to Christians so that by them, Christians may serve him. Those gifts are spread within the local assembly by God, for the service within the local Assembly.

Since we are the body of Jesus –Christ, let us know that God gives to every cell of the body (each Christian), qualities that he puts at the disposal of the whole body for its good functioning.

Where are the cell of our physical body generally found? The answer can seem so elementary but it is important to remind it: a powerful majority of the body cells are found in a fix place (the cells of our nose) remain at their place and the cells of the stomach remain at their place.) this great majority represent Christians who are in their local assemblies and who have received from God gifts that they are exercising in their local assemblies.

But let us continue to observe our own body. If all the cells had to remain at their place, our physical body should quickly perish, for two reasons: the first is that the fixed cells need food and some body ought to bring it where they are. The second reason is that the fixed cells reject waste after they have eaten and somebody should come to recuperate and throw up the waste that they have rejected, if not they should get intoxicated by their own waste.

To avoid a death of the cells of the physical body because of lack of food or because of lack of efficient garbage man, God prepared the blood's cells which go through out the body.

Every thing is finally set: as a matter of fact, to avoid that the local assemblies should perish because of lack of good spiritual food, God gave to all his body, I mean to all the Christians of the world a special category of Christians who are ministers-gifts (Ephesians 4: 11-12).

The ministers-gifts must walk through out the region of the world where GOD sends them and put at the disposal of local Christians and even the gifts unbelievers they have received. Brethren, you must see that it is absolutely criminal to hinder these ministers-

gifts (apostles, pastors, evangelists, doctors) at a fixed place or in a denomination. It is exactly as if a criminal hand was blocking your blood, hindering its circulation.

Before getting consideration to the crime , let us recall the way in which our denominations are organized, for it is curious that whether are Pentecostals, Catholics, Baptist, Protestant, they all have the some organization.

Then, we will take each of those five ministries-gifts and would see how satan is manipulating to fixed ministries-gifts within vast denominations and is hindering even their call from GOD.

Brethren, this examination will reveal to us the depth of a true spiritual catastrophe, brought about by our vast denominations.

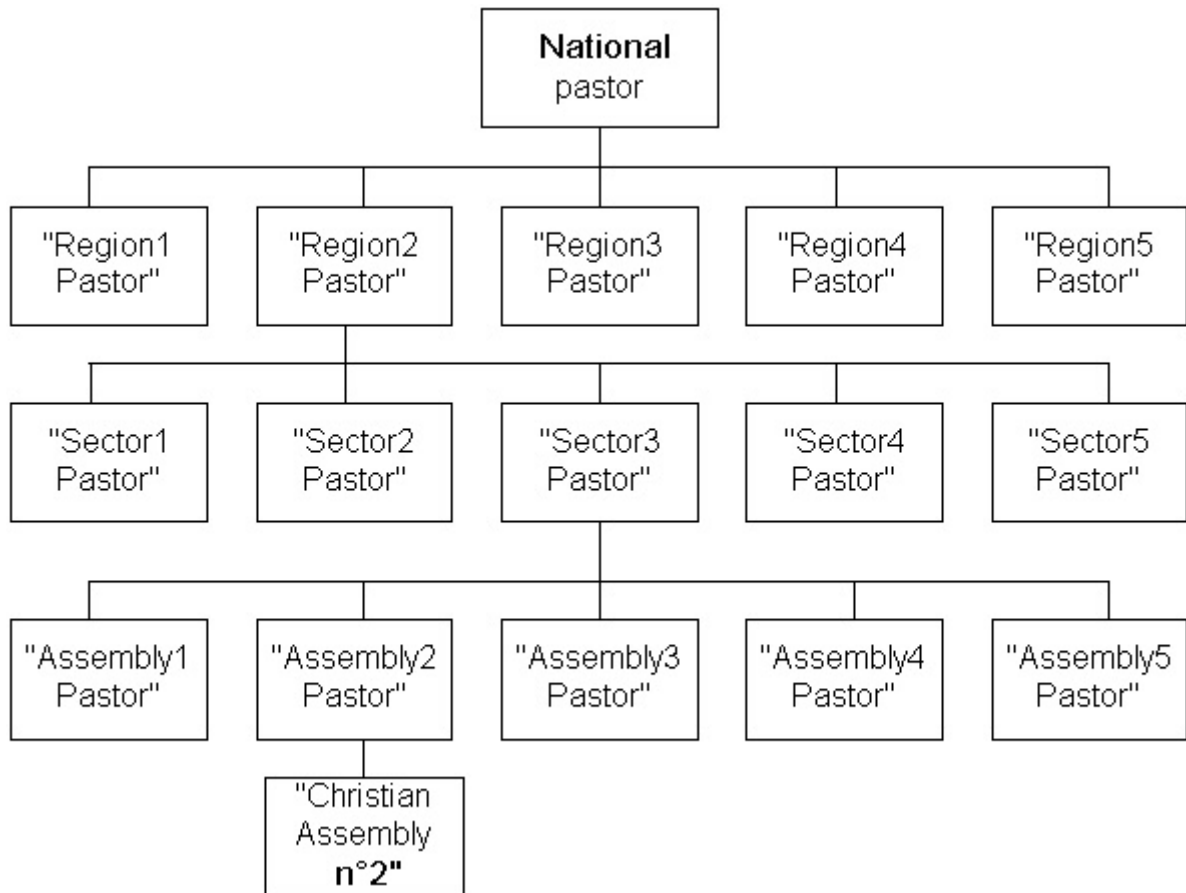

Here is a model of an organization's chart suitable to all our vast denominations. No matter the names. Some say "priest", "archbishop", "cardinal", "pope" and others merely say of assembly pastors, "sector's pastor", "regional pastor", world-wide coordinator, but basically the pyramidal organization is the same. An invisible hand has openly injected in a subtle manner the same vision of organization that follows, to all our vast denominations.

image

The "national pastor" of this denomination has under his authority five "pastors of regions" every "pastor of region" has under his authority many "pastor of sector".

For example, the "pastor of region N°3 has in his charge five "sector pastors". Each "pastor of sector" has under him "assembly pastors". For example, the "pastor of sector N°3" has under him five "pastors of assembly".

In a word, Christians are under the authority of the "assembly's pastor". The Christians of the "N°2 assembly" depend on the authority of the "N°2 assembly pastor". This "N°2 assembly's pastor" depends on the hierarchy authority of the "sector N°3 pastor", the "pastor of sector N°3" depends on the authority of the "region's pastor" . finally, the "pastor of region N°2" depends on the authority of the "national pastor".

This is how all of our gigantic pyramidal denominations are built. Let us take now each of the ministries-gifts and let us see how satan has imprisoned the five ministries-gifts and blocked the revival.

LET US FIRST OF ALL CONSIDER THE MINISTRY-GIFT OF APOSTLE

Apostle means sent forward messenger. The apostles builds assemblies, teaches and leads for some time Christians of the assemblies that he has built. He also appeals to servants of God, called to the ministries-gifts to come and build for a certain period on the foundation he has laid (1 Corinthian's 16:12). When the assemblies he has founded are spiritually mature, the apostle installs in it overseers to lead them (titus11:5) and he continues his apostolic ministry somewhere else. The typical example is that of the missionary journeys of the apostle Paula throughout Asia and Europe.

The apostle is called by GOD (Galatians 1:15). He is sent by the local assembly where he fellowships, and this assembly does so in God's revelation (acts 13:1-2). Once he had left, the apostle can, from time to time come back to fellowship in his initial assembly. It is the case of the apostle Paul who from a missionary journey to another went through Antioch.

Brethren, have we understood that according to our Bible, the local assembly of Antioch has a ministry vision? It is normal for them that a member called to the apostolic ministry-gift leaves, without any guarantee for his coming back. Brothers and sisters in Christ Jesus, let us check and see well that the assemblies built by the apostle Paul in Asia and Europe do not solely depend on Antioch. They do not solely belong to the same denomination with the Antioch assembly.

The Antioch assembly does not want to become the summit of a pyramid controlling a hundred other assemblies. It only wants to send God's servants everywhere so that the WORD OF GOD may be preached. Antioch only seeks God's interest.

Let us come back now to the case of our pyramidal denominations. Let us take a brother of the assembly N°2 whom God calls Apostle.

He will share about this with his N°2 Assembly's pastor, but as a matter of fact this N°2 Assembly's pastor can not take the decision at his level to liberate a brother of the Assembly. He is not allowed to do it for within the pyramid, the authority's respect of the hierarchy superior is primordial. The disobedience ruined the carrier and it is reminded to each one that "every authority comes from God".

The N°2 Assembly's pastor will speak to his boss who is the pastor of sector N°3. but, in fact, this sector N°3 pastor leads alone five Assemblies and can not pray seriously for this case.

To cover himself, he commands to his boss who is the pastor of region N°2 the behavior to manifest.

Finally, this pastor of the region N°2 who even have no more time to pray for the five sectors that he commands will take a purely carnal decision by reading the internal regulations of his denomination.

But at Antioch, the local Assembly has to give account to anybody. As soon as the prophets of the Assembly have the revelation of Paul and Barnabas's call , they pray for them and let them go.

There is another drama to unveil. The pastor of sector N°3 can be himself called as an Apostle by God. Since he already occupies a position within the pyramid, he will needs more courage to sollicitate his departure from his hierarchy superior who is the pastor of the regionN°2. Because of the lack of personal courage , he would rather muffle God's voice and please to men by remaining at his post.

Brethren, consider these things which have just been described and see how the pyramids slow down and imprison the Apostles. Sometime, the pyramid's summit gives its agreement but provided that the assemblies founded by the brother called as Apostle, may be integrated within the denomination; extending more and more the pyramid. Is there the biblical voices? It is the multitude of autonomous and independent local Assemblies which will liberate the multitude of Apostles that GOD needs for the revival: there is the biblical voice.

Brethren, let us stand up, let us leave these pyramids , let us multiply Assemblies in our house and GOD will release from the midst of our Assemblies crowds of Apostles to go throughout this nation and launch the revival).

MINISTER- GIFT OF PROPHET

As already underlined above, there are in one hand those who have received the gift of prophecy and who exercise in the local Assembly and in the other hand there are prophets' ministers who are themselves the gifts that GOD has made to his whole body. I mean to all the Christians of the world.

As God's spokes-person, the prophet edifies, exhorts, consoles (1 Corinthians 14 : 3).

He predict future event on God's part (acts 11 : 28) . When the darkness is deep, it is to the prophet to intercede to GOD and to instruct the people whit the revelations received so that the revival may be launched (for example Daniel's prayers for the captivity's and underlined above) .

He exercises on God's part judgments and vengeance of GOD. Considering this, the prophet is on the front's first line in the lord's wars (revelation 11 : 5-6 and revelation 11 : 10) .

MINISTER GIFT OF PASTOR

The pastor is a shepherd, I mean that while he is in the local assembly, he leads it according to the biblical voice, feeds whit the worn of GOD. Protect it against center-boards and false doctrine, exercises sometimes the discipline.

The pastor has succeed in his mission when he has formed within the local Assembly of overseers and deacons able to take over and to lead permanently after. That is why apostle Paul ask to pastor Paul Titus to establish overseers at the head of all the Crete's assemblies (Titus 1 : 5) . Once his mission is accomplished, the pastor led by the holy spirit, must lead himself to another local Assembly which is young so that he may make it grow up. The biblical example shows us two pastors Titus and Timothy moving throughout Europe and Asia with the Apostle and working for the spiritual growth of the Assembly planted by the Apostle. Sometimes we do not remember no more, even the local Assembly in which each one of those pastors has believed. However, they went throughout Europe and Asia and made to grow a great number of local Assemblies totally independent from Assemblies in which they believed!

That is what GOD is waiting from ministers pastors. That is what the brothers who are pastors most do For the revival.

What does the spectacle of our pyramidal denomination offer us ? On the decision of the pyramidal Hierarchy, on assembly 's pastor turns up to lead alone a hundred or some thousands of persons.

This comedy sometimes last 5 or 6 years or even 10 years. Afterwards an allotment's note sends Him elsewhere without knowing himself weather the Lord has truly sent him.

A new " assembly's pastor "turns up and spend at his turn 5 or 6 years indeed 10 years.

All in all, Christians see streaming during 20 years two or three " assemblies pastors " without knowing the importance of the elders' body present there during 20 years.

Perhaps the assembly's pastor is in fat a doctor who should be very useful to all the local assemblies of the town, of the village or the region. No matter, he will sit down where the pyramid's summit has appointed him and avoid that he may be accused of violating his denomination's regulations. Although he has received from GOD a doctor's anointing and not that of pastor, he will try to put himself on act as an " Assembly pastor " by fearing the pyramid's summit.

May the vast pyramid recruit administrators if they want it, even among unbelievers, but might they liberate minister doctor presents and explains the biblical truth to Christians in a sufficiently mere manner, so that they might pastor. The lord JESUS-CHRIST needs them for the worldwide revival.

MINISTER-GIFT OF DOCTOR

The Doctor presents and explains the biblical truth to Christians in a sufficiently mere manner so that they might assimilate.

The Bible shows us the example of mammy doctor going through out Europe and Asia to teach in local assemblies. Paul, Barnabas and Apollos were among them (Acts 15: 35 and Acts 18:24-25)

MINISTER GIFT OF EVANGELIST

Even a young believer who does not know a lot of things on the Bible understands that it is normal for the one who preaches the salvation to pagans may go out of the local assembly and out of the denomination to meet pagans.

However, satan does not move back in using cunning to block the revival...

There are many cases in gigantic and pyramidal denominations where the authentic evangelists called by God have fallen in the trap of "posts" within pyramids during many years. when it is the case , you understand that he moving and the movements of the evangelist must receive first of all the pyramid's hierarchic agreement . satan is crafty !

Personally, I have been the witness of many troubles an authentic evangelist anointed by God and his denomination who wire insisting to give him an Assembly so that he may lead it as the "pastor"? Brethren let us look and understand the devil's trap since this man has taken the necessary freedom for an evangelist and the blessings of God are over. Flowing for him and for the body of Jesus Christ.

All the ministers-gifts which we have just recalled give the possibility to go everywhere and to water the body of Christ so that it may receive a spiritual food of good quality. It is a risk that a newly founded local assembly by the apostle may die if is abandoned to it self that is why god has given to the whole world Christians prophets ,doctors ,pastors and evangelisation who must go every where, the case of evangelisation is extreme since they ought to go else where and work among unbelievers.

At this level, you are asking your self weather the ministers –gift should go from house to house to nourish the local assemblies. Just by observing the reality you will have the answer .when the evangelist Reinhard Bonnke arrives in Yaounde, all the denominations gather themselves well during the meantime at the Yaounde's Omnisport stadium to take in an abundant harvest of faithfuls. Likewise many house assemblies of the same quarter or of the same town would gather themselves in geographic places during a precise time to receive together the spiritual food brought by a pastor, a doctor or a prophet minister.

If we gather ourselves for a moment to take in the abandoned young believers by the evangelist, we can gather ourselves for a moment to nourish ourselves with what the other ministers bring.

But let us see the thing very closer through the Word of God, so that we may better understand how ministers-gifts should function to feed the millions of house Assemblies throughout our nation on soon as they are liberated from denominations this is what the Bible says in Daniel 12:4.

"but you Daniel , keep the words secret and the book sealed until the time of the end-many shall be running back and forth, and evil shall increase"

As a matter of fact the world is progressively coming out from the industrial age to get into that of communication and information.

Within the framework of the revival, internet the television, the radio and many others. Multimedia means will permit to ministers-gifts to easily nourish with spiritual food of good quality millions of house assemblies scattered in our country. But in fact, from where will come the money to finance those radio, television channels, those web sites and all those multimedia means ?

The answer is found in Haggai 2:8

Where it is established that gold and silver belong to the Lord.

To whom does he intend to use this gold and this silver? the answer is obvious even for a young believer. It is to the revival.

The Jordan is overflowing with waters at every period of harvest.. but the generation which takes the works of God with care will firmly stand in the Jordan because God has ordered it so . after words the miracle of waters' separation is performed followed by the entry in the promised land.

What is our Jordan? The Lord has revealed us that in here points that have just been exposed.

We are to answer by going forward to the reform that God has ordered us in three points.

Let us remember what our God says and let us no more allow Satan makes us think the upheaval of the world by Christians was reserved to the Apostle's age. Satan usually preach us that "the miracles of the Apostles time will no more take place for the apostles were charged to write the Bible".

If the apostles were charged to write the Bible, we also are apostles, prophets, pastors, doctors and evangelists and we are charged to put the Bible in practice. Beloved, let us remember well that our God says this:

"that which is, already has been; that which is to be, already is, and God seeks out what has gone by".(Ecclesiastes 3:15).

Brothers and sisters in Jesus Christ, let us stand up, let us stretch out a hand of co-operation to our God and the revival will be.

May the Lord Jesus-Christ abundantly bless you.

Reverend Apostle Joseph TOUBI

Yaoundé, September 2001
